

# **2008-2009**

## **CATALOG**

**This Catalog is effective Fall Semester 2008.**

Degree requirements and college policies are subject to change. Students enrolling for subsequent terms should consult the TTC Web site at [www.tridenttech.edu](http://www.tridenttech.edu) for updates.

This Catalog does not constitute a contract between Trident Technical College and its students, applicants for admission or any other person. TTC reserves the right to change, without notice, any statement in the Catalog.

**Notice of Nondiscrimination**

Trident Technical College does not discriminate in admission or employment on the basis of race, gender, color, national or ethnic origin, age, religion, disability or sexual orientation. In compliance with Title IX of the Education Amendments of 1972 and section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Trident Technical College offers access and equal opportunity in its admission policies, academic programs and services and employment to individuals with disabilities. No otherwise qualified person will be denied access or opportunity on the basis of a disability. The College's ADA, Section and 504 (Rehabilitation Act) and Titles VII and IX (Civil Rights Act) student coordinator is Pam Middleton. Please contact her for information about alternate communication methods and other services for students with disabilities. The coordinator can be reached at 843.574.6303 or TTY 843.574.6351.

Activities of the American Veterinary Medical  
Association  
1931 N. Meachum Road  
Suite 100  
Schaumburg, IL 60173

*Dear Student,*

*Welcome to Trident Technical College, where more than 12,000 students are pursuing quality education and its many benefits. We believe that your personal journey has led you to the best two-year college in South Carolina.*

*These are exciting days at TTC. Not only is our enrollment growing, but also our ability to address the needs of individual students, area businesses and industries, and the work force in our region. The combination of innovative instruction, progressive programs, technologically advanced infrastructure and modern facilities allows us to prepare you for success.*

*The renovation of our Palmer Campus is allowing us to expand programs offered in the Culinary Institute of Charleston. A new bookstore on Main Campus will streamline and improve the facility's functionality as you focus on your academic endeavors.*

*Whether you intend to enter the work force or transfer to a four-year college or university upon completion of your TTC program, you will be ready. TTC offers more than 150 programs of study that provide the foundation leading to professional and personal success. TTC's innovative programs provide opportunities in the most leading-edge fields in business; aeronautical studies; humanities and social sciences; industrial and engineering technology; health care; hospitality, tourism and culinary arts; law-related studies; community, family and child studies; film, media and visual arts; and science and mathematics.*

*To assist you during your educational journey, we provide new student orientation, one-on-one faculty advising, learning assistance, personal and career counseling, and job placement assistance. Furthermore, we will help you explore financial aid options and scholarships that can greatly reduce already-low tuition and fees.*

*Whatever goals you have set out to achieve, we are here to help. Best wishes throughout your academic career at TTC.*

*Sincerely,*

A handwritten signature in cursive script that reads "Mary Thornley". The signature is written in dark ink on a light background.

*Mary Thornley, Ed.D.*

# College Calendar 2008-2009

## Fall Semester 2008

Application Deadline .....	Aug. 4
Registration .....	Aug. 19
Course Cancellation .....	Aug. 21

## Fall Semester

Classes Begin .....	Aug. 25
Drop/Add .....	Aug. 25-29
Labor Day Holiday (College closed to the public) .....	Sept. 1
Student Activity Period .....	Sept. 9
Student Activity Period .....	Oct. 8
Midterm .....	Oct. 13
Student Holiday .....	Nov. 3-4
Last Day to Withdraw with a Grade of W .....	Nov. 7
Student Evaluation of Course and Instructor .....	Nov. 11-20
Student Activity Period .....	Nov. 13
Student Holiday .....	Nov. 26
Thanksgiving Holidays (College closed) .....	Nov. 27-30
Holiday Drop In .....	Dec. 6
Deadline for Make-up Tests, Retests, Distance Learning Tests other than Final .....	Dec. 8
Classes End .....	Dec. 8
Exams .....	Dec. 9-12, 15-16
Winter Holidays (College closed) .....	Dec. 20-Jan. 2

*Students enrolled in FastForward classes and Weekend College classes should review the fall session information list above for dates of student activity periods and student and College holidays.*

## Fall 2008-Weekend 1

Registration Ends .....	Aug. 29
Classes Begin .....	Aug. 30
Drop Classes .....	Aug. 30-Sept. 5
Last Day to Withdraw with a Grade of W .....	Sept. 19
Student Evaluation of Course and Instructor .....	Sept. 20-26
Classes End .....	Sept. 21
Exams .....	Sept. 27

## Fall 2008-Weekend 2

Registration Ends .....	Oct. 3
Classes Begin .....	Oct. 4
Drop Classes .....	Oct. 4-10
Last Day to Withdraw with a Grade of W .....	Oct. 24
Student Evaluation of Course and Instructor .....	Oct. 25-31
Classes End .....	Oct. 26
Exams .....	Nov. 1

## Fall 2008-Weekend 3

Registration Ends .....	Nov. 7
Classes Begin .....	Nov. 8
Drop Classes .....	Nov. 8-14
Last Day to Withdraw with a Grade of W .....	Dec. 5
Student Evaluation of Course and Instructor .....	Dec. 6-12
Classes End .....	Dec. 7
Exams .....	Dec. 13

## Fall 2008-FastForward 1

Registration .....	Aug. 19
Classes Begin .....	Aug. 25
Drop/Add .....	Aug. 25-27
Last Day to Withdraw with a Grade of W .....	Sept. 24
Student Evaluation of Course and Instructor .....	Sept. 25-Oct. 5
Classes End .....	Oct. 13
Exams .....	Oct. 14-15

## Fall 2008-FastForward 2

Registration .....	Oct. 10
Classes Begin .....	Oct. 16
Drop/Add .....	Oct. 16-20
Last Day to Withdraw with a Grade of W .....	Nov. 18
Student Evaluation of Course and Instructor .....	Nov. 19-30
Classes End .....	Dec. 10
Exams .....	Dec. 11-12, 15-16

## Spring Semester 2009

Application Deadline .....	Dec. 5
Registration .....	Jan. 6
Course Cancellation .....	Jan. 8

### Spring Semester

Classes Begin .....	Jan. 12
Drop/Add .....	Jan. 12-16
Martin Luther King Holiday (College closed to the public) .....	Jan. 19
Student Activity Period .....	Jan. 20
Student Activity Period .....	Feb. 18
Midterm .....	March 2
Graduation Ceremony Application Deadline .....	March 2
Student Holidays .....	March 9-10
Student Activity Period .....	March 26
Last Day to Withdraw with a Grade of W...March 27	
Student Evaluation of Course and Instructor .....	March 31-April 9
Student Holidays .....	April 8-12
Good Friday (College closed to the public)...	April 10
Deadline for Make-up Tests, Retests, Distance Learning Tests other than Final .....	April 27
Classes End .....	April 27
Exams .....	April 28-May 1, May 4
Awards Day .....	May 8
Graduation .....	May 8

*Students enrolled in FastForward classes and Weekend College classes should review the Spring Semester information list above for dates of student activity periods and student and College holidays.*

### Spring 2009-Weekend 1

Registration Ends .....	Jan. 16
Classes Begin .....	Jan. 17
Drop Classes .....	Jan. 17-23
Last Day to Withdraw with a Grade of W .....	Feb. 6
Student Evaluation of Course and Instructor .....	Feb. 7-13
Classes End .....	Feb. 8
Exams .....	Feb. 14

### Spring 2009-Weekend 2

Registration Ends .....	Feb. 20
Classes Begin .....	Feb. 21
Drop Classes .....	Feb. 21-27
Last Day to Withdraw with a Grade of W...March 13	
Student Evaluation of Course and Instructor .....	March 14-20
Classes End .....	March 15
Exams .....	March 21

### Spring 2009-Weekend 3

Registration Ends .....	March 27
Classes Begin .....	March 28
Drop Classes .....	March 28 - April 3
Last Day to Withdraw with a Grade of W .....	April 24
Student Evaluation of Course and Instructor .....	April 25-May 1
Classes End .....	April 26
Exams .....	May 2

### Spring 2009-FastForward 1

Registration .....	Jan. 6
Classes Begin .....	Jan. 12
Drop/Add .....	Jan. 12-14
Last Day to Withdraw with a Grade of W .....	Feb. 11
Student Evaluation of Course and Instructor .....	Feb. 12-22
Classes End .....	March 2
Exams .....	March 3-4

### Spring 2009-FastForward 2

Registration .....	Feb. 27
Classes Begin .....	March 5
Drop/Add .....	March 5-6
Last Day to Withdraw with a Grade of W.....April 7	
Student Evaluation of Course and Instructor .....	April 8-19
Classes End .....	April 29
Exams .....	April 30-May 1, May 4

## Maymester 2009

Application Deadline .....	May 1
Registration Ends .....	May 8
Classes Begin .....	May 11
Drop/Add .....	May 11
Last Day to Withdraw with a Grade of W .....	May 22
Student Evaluation of Course and Instructor .....	May 25-28
Classes End .....	May 28
Exams .....	May 29

## Summer Semester 2009

Application Deadline .....	May 15
Confederate Memorial Day Observed (College closed to the public. Maymester classes held) .....	May 11
Memorial Day (College closed) .....	May 25
Registration .....	May 26
Course Cancellation .....	May 28

## Summer Semester

Classes Begin .....	June 1
Drop/Add .....	June 1-3
Student Activity Period .....	June 9
Student Holidays .....	June 29-July 5
Independence Day Holiday (College closed) .....	July 3-5
Midterm .....	July 8
Student Activity Period .....	July 15
Last Day to Withdraw with a Grade of W .....	July 23
Student Evaluation of Course and Instructor .....	July 27-Aug. 5
Classes End .....	Aug. 7
Deadline for Make-up Tests, Retests, Distance Learning Tests other than Final .....	Aug. 7
Exams .....	Aug. 10-12

*Students enrolled in FastForward classes and Weekend College classes should review the Summer Semester information list above for dates of student activity periods and student and College holidays.*

## Summer 2009-Weekend 1

Registration Ends .....	May 29
Classes Begin .....	May 30
Drop Classes .....	May 30-June 5
Last Day to Withdraw with a Grade of W .....	June 19
Student Evaluation of Course and Instructor .....	June 20-26
Classes End .....	June 21
Exams .....	June 27

## Summer 2009-Weekend 2

Registration Ends .....	July 10
Classes Begin .....	July 11
Drop Classes .....	July 11-17
Last Day to Withdraw with a Grade of W .....	July 31
Classes End .....	Aug. 1

Classes End .....	June 26
Exams .....	July 6-7

## Summer 2009-FastForward 2

Registration .....	July 10
Classes Begin .....	July 13
Drop/Add .....	July 13-14
Last Day to Withdraw with a Grade of W .....	July 31
Student Evaluation of Course and Instructor .....	Aug. 3-9
Classes End .....	Aug. 7
Exams .....	Aug. 10-11

## Financial Aid Calendar 2008-2009

### June 6, 2008

This is the priority date to have a completed Financial Aid file in order to have funds available for Fall Semester 2008.

### July 11, 2008

This is the priority date to complete Financial Aid Verification in order to have funds available for Fall Semester 2008.

### Oct. 31, 2008

This is the priority date to have a completed Financial Aid file in order to have funds available for Spring Semester 2009.

### Nov. 28, 2008

This is the priority date to complete Financial Aid Verification in order to have funds available for Spring Semester 2009.

### April 3, 2009

This is the priority date to have a completed Financial Aid file in order to have funds available for Summer Semester 2009.

### April 17, 2009

This is the priority date to complete Financial Aid Verification in order to have funds available for Summer Semester 2009.

# College Information

## Vision Statement

Trident Technical College's vision is to be a leader among two-year colleges in providing diverse and innovative educational programs and services in a highly technical and competitive global environment.

## Mission of Trident Technical College

Trident Technical College is a public, two-year, multi-campus institution which provides quality education and promotes economic development in Berkeley, Charleston and Dorchester counties. TTC is a member of the State Board for Technical and Comprehensive Education system.

As an open-door institution of higher education, the College provides lifelong learning opportunities for traditional and nontraditional students. These opportunities enhance the economic, social and cultural life of the community. Accessible and responsive to the needs of this multicultural community, TTC prepares students for a rapidly changing global environment.

Each semester approximately 12,000 credit students enroll in programs leading to college transfer associate degrees and technical associate degrees, diplomas and certificates. The curriculum includes programs in Aeronautical Studies, Allied Health Sciences; Business Technology; Community, Family and Child Studies; Film, Media and Visual Arts; Hospitality, Tourism and Culinary Arts (Culinary Institute of Charleston); Humanities and Social Sciences; Industrial and Engineering Technology; Law-Related Studies; Nursing; and Science and Mathematics. To foster student success, TTC provides developmental education and comprehensive student services.

Using communication and problem-solving skills, graduates draw on knowledge from a broad range of disciplines to make decisions and perform tasks, working as individuals and as team members. As a state and national resource, TTC provides continuing education courses, customized education and training for business, industry and government, and a variety of activities and services, including facilities for the Center for Accelerated Technology Training to offer employment training programs.

**The College pursues its mission guided by the following institutional values:**

- The worth and dignity of each individual

- The rich cultural and ethnic diversity of our students, faculty and staff
- A management and leadership philosophy defined by high ethical standards, open communication, teamwork, employee empowerment, and continual assessment and improvement of our processes and products
- A faculty and staff dedicated and committed to serving diverse student and community needs
- The academic freedom essential for teaching and learning; the self discipline and ethics essential for all professional activities and relationships
- Lifelong learning and success for all students, faculty and staff
- Educational innovation
- Strict accountability for the effective and efficient use of all resources
- A college environment that is safe and attractive as well as conducive to wellness and productivity

## Location

TTC serves Berkeley, Charleston and Dorchester counties with three campuses. Main Campus is located on Rivers Avenue, one mile north of Aviation Avenue in North Charleston. Berkeley Campus is in Berkeley County on Highway 17-A, south of Moncks Corner. Palmer Campus is located in downtown Charleston on Columbus Street.

## The History of Trident Technical College

In 1964, the Berkeley-Charleston-Dorchester Technical Education Center was established as part of a statewide system founded by Gov. Ernest F. Hollings to meet the education and training needs of South Carolina. The center opened with two buildings and 226 students. In 1973, to accommodate its increasing growth, the center merged with Palmer College, a private business college in downtown Charleston. The combined Palmer College and B-C-D Technical Education Center became Trident Technical College. In 1982, the College built its Berkeley Campus near Moncks Corner. Four years later, the Palmer Campus moved to its current peninsula site. Since 1986, TTC has continued its planned renovation of the Palmer Campus. Renovations completed in spring 2001 created a new front entrance to the campus building and expanded library facilities, labs, classrooms and offices. To accommodate future growth, in 1993 the College purchased 117 acres of land next to its Main Campus. The following year, TTC purchased 30 acres of land and buildings adjacent to its Main

Campus. In 1997, the College opened the first phase of the Complex for Economic Development on this 30-acre site.

In 2002, the College purchased the North Rivers Commerce Center, two buildings located off Rivers Avenue on Mabeline Road, to accommodate increasing student growth and the need for more office space.

The College completed the Complex for Economic Development during 2005-06. The Culinary Institute of Charleston and the Information Technology Center opened in fall 2005. The Learning Center, the Trident Aeronautical Training Center, the Nursing Auditorium, the Industrial Maintenance Technology Center and additional science labs and general classrooms opened during 2006.

Palmer Campus renovations continued during 2008, providing expansion opportunities for the Culinary Institute of Charleston and other programs offered by the College. The St. Paul's Parish site in Hollywood opened in 2008 to provide job training in the southern part of Charleston County.

TTC offers more than 150 programs of study in a variety of technical and career areas, as well as programs for those who plan to continue their education at a four-year college.

effective whenever the appropriate TTC authorities so determine.

See TTC's Web site for current information. Information on changes will be available in the office of the registrar. It is especially important to keep apprised of current graduation requirements for your degree program. Catalog users should inquire as to whether changes in this Catalog have been made since the date of publication.

All courses listed in this Catalog are offered only if there is adequate demand and if faculty and facilities are available to provide a qualified instructor and appropriate meeting place. All courses are not offered every semester. For updated course listings, check TTC's Web site. TTC provides programs of study with faculty and academic support that are believed to be appropriate to achieve the academic objectives of this institution.

The College does not guarantee, however, that the completion of any course or program of study will result in the acquisition of knowledge or skills or will enable you to pass or complete any specific examination for any course, degree or license. The College holds that the acquisition of knowledge is contingent upon your ability, desire to learn and application of efforts.

## **Publisher's Note**

Although the editor and publisher of this Catalog have made every reasonable effort to attain factual accuracy herein, no responsibility is assumed for editorial, clerical or printing errors or errors occasioned by mistakes. The editor and publisher have attempted to present information that, at the time of preparation for printing, most accurately described the course offerings; faculty information; academic and administrative policies, procedures, regulations and requirements; and the support services of the College. Additional College information is available in the *On Course* class schedule and monthly Student Calendar of Events. Information on program graduation rates is available on TTC's Web site. This Catalog does not constitute a contract between TTC and its students or applicants for admission or with any other person. TTC reserves the right to change, without notice, any statement in this Catalog, including but not limited to statements concerning tuition, fees, charges, academic regulations and requirements, course cancellations, class size, instructors, curricula, calendars, credits, or any other College activity or program. Changes will become

# Student Responsibilities

## General Responsibility

As a student, you are responsible for being informed of all policies and procedures required to attend TTC, most of which are found in this Catalog and the TTC Student Handbook/Planner. You may review all TTC's policies and procedures in the offices of the Registrar, Student Activities, vice president for Student Services, and Counseling and Career Development Services. College regulations will not be waived because a student pleads ignorance of established policies and procedures. If you are unsure of any procedure, you should seek help or clarification from the Registrar's office or an academic advisor.

Academic policies and procedures are subject to change. If changes occur, they will be published in the next Catalog, Student Handbook or Policies and Procedures manual, all of which can be accessed on TTC's Web site.

## Placement Testing Changes

Entry-level placement test score requirements are subject to change.

## Admission and Financial Aid Documents

As an applicant to TTC, you are responsible for making sure that all required documents are sent to the College by the appropriate deadlines.

All documents submitted to the College become the permanent property of TTC. Therefore, admission and financial aid documents will not be copied for or distributed to students by the College.

## Student Debts

The S.C. Tax Commission supports TTC by collecting any delinquent accounts or debts owed by former or current students from students' tax refunds.

The Setoff Debt Collection Act of 1988 allows the S.C. Tax Commission to assist any state agency in the collection of any delinquent account or debt. For more information, call 843.574.6565.

## Returned Checks

If you give TTC a bad check to pay any fee, you will be assessed a service charge in accordance with current law and will be given 10 days to pay the fees and any penalty fee. During this 10-day period your classes may be canceled. If the check and service fee have not been paid within 10 days, TTC may take legal action to collect the check with court costs and fees added to the amount of the original check.

The Code of Laws of South Carolina provides for a fine of not less than \$50 or a term of imprisonment for drawing and uttering dishonored checks.

## Disabilities-Related Needs

The College complies with relevant provisions of SEC 504 of the Rehabilitation Act of 1973 and the 1990 Americans with Disabilities Act. Appropriate, reasonable accommodations based on current medical and/or psychological documentation can be provided. If you need and qualify for these services, contact Services for Students with Disabilities at 843.574.6131 or TTY hearing-impaired phone 843.574.6351 for more information and assistance.

# College Admission Procedures

## Your Checklist for Enrolling at Trident Technical College

Throughout this Catalog, you will find information, guidelines and policies about enrolling at TTC. Please review all information carefully. Use this simple checklist to ensure that you have completed the enrollment process:

1. Complete the admission application and submit it with the \$25 application fee to TTC's Admissions office before the application deadline of the term when you plan to enroll.
2. Submit proof of high school graduation for all associate degree programs by providing either a copy of your diploma or an official high school transcript after graduating from high school, or GED or military records verifying receipt of high school diploma. If you have earned a degree at the associate level or higher, high school documentation is not required. Some certificate and diploma programs do not require proof of high school graduation for students who are at least 18 years old. Check individual diploma and certificate program admission requirements listed under Programs of Study in this Catalog or go to TTC's Web site. A high school certificate of completion is not acceptable as proof of high school graduation. An applicant under 18 years of age must be a high school graduate or have a GED, or meet the College's early admit or dual credit requirements.
3. Provide qualifying scores on SAT (480 critical reading, 440 math if taken on or after March 1, 2005; or 480 verbal, 440 math if taken on or after April 1, 1995), ACT (19 English, 18 math) or TTC's placement test. (Note: Effective Fall 2008, SAT and ACT scores are valid for five years from date of testing. Scores on the writing and reading components of TTC's Placement Test are valid for five years, and scores on the math component are valid for two years from the date of testing.) You may exempt all or part of the placement test by providing college transcripts with equivalent English and math credits or evidence of a degree at the baccalaureate level or higher.

You may provide unofficial transcripts to Admissions to exempt testing, but you must submit official transcripts to the Registrar's office for the evaluation and awarding of transfer credit.

4. Complete the new student orientation process at the Orientation Center at Main Campus or the Student Success Centers at Palmer or Berkeley campuses. Your academic advisor will be assigned to you during the orientation process.
5. Contact your academic advisor to determine the courses you should enroll in during your first semester at TTC.
6. Register for classes during the published registration period and pay your tuition by the published deadline date.
7. Complete your FAFSA before the College's financial aid priority date for the term when you plan to enroll if you are requesting financial aid awards, including South Carolina Lottery Tuition Assistance.

## Application Status

If you apply and are unable to enroll during the semester you indicated on your application and then decide to enroll in a future semester, you will need to complete a Student Update form within three semesters of applying and submit it to TTC's Admissions office to re-activate your application to the College. If you decide to enroll more than three semesters after submitting an application, you may be required to submit a new admission application.

## Program Admission Requirements

All students pursuing admission into a specific program should refer to the specific program area for admission requirements. In addition to meeting all College requirements, Allied Health Sciences and Nursing applicants must submit a separate Allied Health or Nursing application to the Admissions office and must successfully complete all additional program requirements to be accepted into an Allied Health Sciences or Nursing program. Allied Health and Nursing applicants are required to submit a statement of completion card to the Admissions office after they meet all specified program requirements. Enrollment in each Allied Health Sciences and Nursing program is limited. Applicants are admitted on a first-qualified, first-admitted basis.

## Categories of Admission

**New:** You are a new student if you are attending TTC for the first time and plan to enroll in a curriculum program to pursue an associate degree, diploma or certificate. Prospective students classified as new applicants are students who have not attended any other approved, regionally accredited postsecondary institution.

**Returning:** You are a returning student if you attended TTC before but have not been enrolled within the last three semesters. As a returning student, you should submit a Student Update form to the Admissions office before the application deadline of the semester you plan to enroll. Depending on your previous academic performance and the major you are declaring, you may also need to provide proof of high school graduation or GED and qualifying scores on SAT, ACT or TTC's placement test, and/or college transcripts before an update can be processed.

**Undecided:** You are an undecided student if you have met admission requirements but have not chosen a particular career field or academic program, or you are not sure whether you want to earn a certificate, diploma, two-year degree and/or four-year degree. TTC's counselors can help you choose a program of study or advise you regarding courses to take while you are undecided. Undecided students are not eligible for financial aid, veterans benefits or lottery tuition assistance. Students seeking financial aid awards must be enrolled in an eligible program of study.

**Nondegree:** You are a nondegree student if you are at least 18 years old or have a GED or high school diploma and want to take courses for credit but do not seek to earn a TTC degree, diploma or certificate. To be admitted as a nondegree student, you must be at least 18 years old or have a GED or high school diploma, and you must provide evidence of minimum reading skills\* through **one** of the following taken within the past five years: SAT critical reading score of 480, ACT English score of 19, COMPASS reading score of 36, ASSET reading score of 31, a transcript or certificate of completion for training beyond high school, a grade report showing successful completion of college-level coursework, or an approved transient/cross registration form/letter from another college. For admission purposes, unofficial documents are acceptable. *\*You may be asked to provide additional test scores or transfer credit at registration, depending on the prerequisites of the course you select.* Nondegree students are not eligible for

financial aid, veterans benefits or lottery tuition assistance.

**High School Smart Start Program:** If you attend high school in Berkeley, Charleston or Dorchester counties or through a home school association, you may participate in TTC's Dual Credit or Early Admit programs with permission of your principal or guidance counselor. You will need to provide qualifying scores on SAT, ACT or TTC's placement test and have the appropriate form signed by your principal or guidance counselor or home school association each term. You are a **dual credit student** if you want to earn both postsecondary and high school credits at TTC. You will need to submit the dual credit form approving each course you want to take each term. If you are a junior or senior and do NOT need high school credit but want to begin your college education before you graduate from high school, you are an **early admit student**. You will need to submit a letter from your principal or guidance counselor approving your attendance at TTC each term. When you graduate from high school, all credits earned through dual credit and/or early admit may count toward a TTC degree, diploma or certificate. When you are accepted at another college or university, the credits you earned may qualify to be transferred at the discretion of the admitting institution.

**Transfer:** You may receive transfer credit for courses successfully completed at regionally accredited colleges and universities. TTC will consider credit for coursework taken at non-regionally accredited institutions on a case-by-case basis. In awarding transfer credit, TTC considers equivalency of course content, quality, level, hours and program relevance. The American Association of Collegiate Registrars and Admissions Officers' "Transfer Credit Practices of Educational Institutions" serves as a guide for acceptance of transfer credit.

For transfer credits to be considered, you must have official transcripts of previous college work sent to TTC's Registrar's office, and you may be asked to provide additional documentation. TTC awards transfer credit only when the grade is C- or higher or when the sending institution confirms that the grade (P for example) is equivalent to a C- or higher. Transfer credit will not be included in the calculation of your GPA at TTC.

**Cross Registration:** If you are enrolled at one of the following local colleges, you may be a cross-registration student at TTC with the approval of your home institution: Charleston Southern

University, The Citadel, the College of Charleston and the Medical University of South Carolina. As a cross-registration student, you may register on a space-available basis on the published cross-registration dates during the registration period for the upcoming term.

**International:** You are an international student if you are requesting a student visa or transferring from another college under a student visa. A TOEFL score of 500 on the paper-based version, 173 on the computer-based version, or 61 on the Internet-based version is required. If you are transferring from another college in the United States, you must submit the Transfer Student Status Verification form from your international student advisor as well as the official transcript from the institution you last attended. International students need to apply at least two months before classes begin each term and must provide a current I-20 and a copy of your I-94 card. International students are required to submit a deposit in the amount of tuition and fees for two semesters. These funds remain on deposit with the College and cannot be used for tuition and fees until the second semester is completed. Additionally, international students must provide a signed Affidavit of Support indicating availability of adequate funds for tuition, fees, other educational needs and living expenses for two terms. Deposit and support funds must be in U.S. dollars. TTC's international students come from more than 20 countries and participate in an active international student organization on campus. All questions about international student admission procedures and instructional fees should be addressed to the international student coordinator at the Main Campus Admissions office. Additional information about the admission requirements for international students is available on TTC's Web site, and also at [www.uscis.gov](http://www.uscis.gov). Trident Technical College is required by federal regulations to track and report changes in international students' enrollment or attendance during the semester. Faculty are required to notify the Admissions office when an international student stops attending a traditional class or stops active involvement in a distance learning class for more than two weeks. The College's international student admissions coordinator will notify the Department of Homeland Security when an international student has ceased attendance or changed enrollment status during the semester.

**Audit:** If you want to enroll in curriculum classes without earning credit, you may be admitted as an

audit student. You must submit a TTC application with the application fee payment, pay full tuition for course work, and indicate you are an audit student when you register. Audit courses are taken for noncredit and cannot be changed to credit at a later date. You may not change from audit to credit status after Drop/Add. If you enroll as a credit student, you may not change to audit status after Drop/Add. You may audit an individual course only one time. The vice president for Academic Affairs must approve any exceptions. Some courses cannot be audited, and some may have special requirements for an audit student. If you are interested in auditing a class, contact the appropriate department head or dean. You may be asked to provide transcripts or test scores as evidence you have met course prerequisites.

**Senior Citizen:** If you are over 60, a legal resident of South Carolina and not employed full time, you may take selected academic courses at TTC on a space-available basis without paying tuition as a senior citizen student. Senior citizen students must register on the first day classes begin or during Drop/Add to receive the senior citizen tuition waiver. You may be asked to provide transcripts or test scores as evidence you have met any course prerequisites. You must submit an application with the \$25 nonrefundable application fee. Contact the Business office at 843.574.6026 before registration.

Entry into TTC does not guarantee admission into specific courses or programs. Placement in a specific course is based on standards that will help ensure your academic success.

TTC reserves the right to modify admission policies and procedures as needed to ensure enrollment does not exceed the facilities and resources available.

## Residency

Tuition is based on residency. TTC determines in-county, out-of-county and out-of-state residency based on South Carolina law and South Carolina Commission on Higher Education regulations at [www.che.sc.gov](http://www.che.sc.gov). Documents may be required as proof of residency. Residency determination is made at the time of admission and may not be appealed after midterm of the semester in question.

## Placement Testing

If you are applying for admission to any of TTC's associate degree, diploma or certificate programs, or to enroll in developmental studies

courses, you may be required to take TTC's placement test, which includes writing, reading and math components. The placement test helps ensure that you are academically prepared by determining which level of course work you can enter. Based on placement test scores, you may be placed in one or more developmental studies courses. To schedule a time for this test, contact Testing Services at 843.574.6410 at Main Campus, 843.722.5516 at Palmer Campus, or 843.899.8079 at Berkeley Campus. If your reading score is below the minimum requirement, TTC will refer you to an adult education or literacy program. You may exempt comparable components of the placement test if you provide qualifying SAT or ACT scores. If you are exempting the placement test because you have qualifying SAT or ACT scores, you will be placed into appropriate math and English courses based on those scores. You may exempt the writing and reading components of the placement test with SAT critical reading scores of 480 if taken on or after March 1, 2005; or verbal scores of at least 480 if taken on or after April 1, 1995 or ACT English component score of 19. You may exempt the math component with SAT math scores of 440 if taken on or after April 1, 1995, or ACT math component score of 18. (Note: Effective Fall 2008, SAT and ACT scores are valid for five years. Scores on the writing and reading components of TTC's Placement Test are valid for five years, and scores on the Math component are valid for two years from the date of testing.) Higher SAT or ACT scores are required for placement into some English and math courses. You may also exempt testing requirements if you submit college transcripts with equivalent English and math credits or evidence of a degree at the baccalaureate level or higher. Entry into TTC does not guarantee admission into specific programs or courses. Placement in a specific course is based on standards that will help ensure your academic success.

## **Eligibility to Apply for Financial Aid Under Ability to Benefit Regulations**

If you do not have a high school diploma or its recognized equivalent, you are eligible to apply for financial aid (Title IV funds) by taking TTC's placement test and achieving the minimum scores as approved by the United States Department of Education. Testing Services administers the placement test on Main, Berkeley and Palmer campuses. The results of the placement test are used to determine eligibility for Title IV funds. Benefit

eligibility applies only to programs that do not require high school graduation or GED.

## **Refresher Class**

A refresher class can prepare you to do your best on TTC's placement test. Did you know that:

- Your placement test scores determine whether you should take curriculum college courses or developmental studies courses.
- It is to your advantage to be accurately placed in the highest level course possible.
- Many students fail to take the placement test seriously and actually place below their level of ability.

The refresher class is an orientation to TTC's placement test and a review of basic English, reading and mathematics. The purpose of this one-day, noncredit class is to prepare you to do your best work on the placement test and thereby ensure accurate placement in college course work. The class is especially suited to students who have not been in school recently, students who are unsure of their skills for college-level work in English language, reading and mathematics, and students who have not taken a computerized test. The one-day class is offered through TTC's Division of Continuing Education and Economic Development on Main Campus. Please contact The Learning Center at 843.574.6378 for additional information. To register, call 843.574.6152.

## **Retesting and Challenge Courses**

If you are dissatisfied with your placement test results and believe they have misplaced you into a developmental studies course (0-level), you have two options. Your first option is to retake the placement test. For initial retesting, your test scores do not have to be in a specific retest range, and you do not need Academic's approval. There is, however, a \$25 retest fee. If you remain dissatisfied with your first retest scores, you may retest a second time if your test scores are in a specific retest range and with Academic's approval. An additional \$25 retest fee applies. Testing Services, Orientation or Counseling can tell you more about the retest option and provide you with a Retest Approval/Payment Form for initial retesting. To retake the placement test a second time you must obtain a Retest Approval/Payment Form from Academics (e.g., advisor, department head, dean, assistant VP or VP). Your second option is to consider enrolling in a Challenge course. Students placed in

developmental studies courses (0-level) may wish to challenge the results and enroll in a higher level course than their placement test scores indicate. TTC has designed three one-credit-hour courses for students to demonstrate that they can perform at a higher level than indicated by their placement test scores. Challenge courses provide 15 contact hours of instruction during the week prior to the beginning of an academic term. The timing allows for a successful student to satisfy the requirements of a 0-level course and enroll immediately in the next course level. Students whose placement test scores fall within the challenge range may register for a Challenge course. There are three Challenge courses, one each in English, reading and mathematics. A student who successfully passes a Challenge course has met the requirements of the regular 0-level course and may register for the next course level. Make an appointment with your advisor to see if you qualify and to register.

## New Student Orientation

Orientation is an important part of getting started at TTC. The orientation process is customized for each student because we want you to achieve your educational goals and have a positive experience. You view a video and receive one-on-one attention from an orientation leader, who answers any general questions you might have about the College. The orientation leader also explains the different services at TTC and assigns you an academic advisor. Orientation is vital to your academic success, so all new students are expected to attend. You may attend orientation as soon as your application is processed and you have submitted qualifying test scores or taken the College placement test or have had your test requirements waived. You do not need to be accepted to TTC to attend Orientation. Registration for the following semester begins at midterm, so the earlier you come to Orientation, the better. You'll need time to make an appointment with your academic advisor to register for courses. For your convenience, Orientation Centers are open on all three campuses Monday through Friday. No appointment is necessary; drop by when you are on campus.

### Orientation Center Locations

Main Campus, Building 420  
Berkeley Campus, Student Success Center, Room 178  
Palmer Campus, Student Success Center, Room 226

## Academic Advising

Your academic advisor guides you in scheduling an academic program to meet your educational goals. Appointments are required during the advisement/registration process. Office hours for academic advisors are posted on their office doors, or they can be reached by calling the phone numbers listed in the *On Course* schedule published each semester.

## Schedule of Classes

A schedule of classes for all campuses, titled *On Course*, is printed each semester. The class schedule is also posted on the Web site and can be accessed through TTC Express. The College reserves the right to make adjustments to the published schedule, including the cancellation of any class, if TTC deems it necessary and appropriate.

## Registration

After meeting admission requirements and being accepted to the College, you will be eligible to register for each semester in which you plan to enroll. You must meet with your assigned advisor to register. You are not officially enrolled until you complete all the steps of registration, including payment of fees and receipt of a printed schedule.

## Catalog Applicability

To graduate, you must fulfill degree requirements as published in the applicable Catalog. If you have had continuous enrollment at TTC, you have two options:

- fulfill all the program curriculum requirements listed in the Catalog at the time of acceptance into the academic program, or
- fulfill all the program curriculum requirements listed in any subsequent Catalog in effect while you are enrolled.

If you discontinue enrollment for two consecutive semesters or longer, you must fulfill the program curriculum requirements listed in the Catalog in effect at the time of re-enrollment. The dean of the academic division offering your program must approve any exceptions.

## Advanced Standing

If you earned credit hours from other institutions or agencies, you may fulfill up to 75 percent of program requirements through advanced standing. TTC awards the following types of advanced standing credit:

**College Transfer Credit:** You may receive college credit for classes in which you earned a grade of C- or better from approved, regionally accredited, postsecondary institutions. TTC considers courses with a grade of P (passing) for transfer credit upon receipt of official notification that a P grade is equivalent to a C- or higher. You must submit official transcripts before TTC can grant credit. TTC automatically evaluates all official transcripts that have been submitted to the College. Returning students must request transcript evaluation through the Registrar's office. You will not earn quality points for transferred courses. For more information, see Transfer: State Policies and Procedures, p. A-42.

**Advanced Placement:** You will receive college credit for a score of 3, 4 or 5 on selected Advanced Placement examinations.

**International Baccalaureate:** You may receive college credit for scores of 4 or greater on selected International Baccalaureate higher level exams.

**Tech Prep:** Certain courses taken in high schools in Berkeley, Charleston and Dorchester counties may qualify for advanced standing. See your advisor for details.

## Tests

**Excelsior College Testing:** You may receive credit for selected college-level exams if your scores are satisfactory to the College. Official score reports must be on file in the Registrar's office prior to credit being awarded.

**CLEP:** You may receive credit for selected College Level Examination Program (CLEP) exams if your scores are satisfactory to the College. Contact Testing Services for a listing of accepted CLEP examinations. Official score reports must be on file in the Registrar's office prior to credit being awarded.

**DANTES DSSTs:** You may receive credit for selected college-level exams that you have completed with satisfactory scores from the Defense Activity for Nontraditional Education Support (DANTES). Contact Testing Services for a listing of accepted DANTES DSSTs examinations. Official score reports must be on file in the Registrar's office prior to credit being awarded.

**Limitations on Test Credit:** The awarding of advanced standing through testing is subject to the following:

- a. You may receive up to 16 semester credit hours in advanced standing but not more than one-fourth of the total curriculum hours required for program completion.
- b. You must verify that the Registrar's office has your official score reports prior to the beginning of the semester in which you seek advanced standing.
- c. You may not receive credit for a course you previously attempted.
- d. You may retest six months after the original test date.
- e. Your GPA will not be affected by advanced standing credits.
- f. TTC does not guarantee that advanced standing credit awarded for TTC courses will transfer to other institutions.

**Military:** You may receive credit for selected formal military course work and training. TTC uses the credit recommendations of the American Council on Education's Guide for the Evaluation of Educational Experiences in the Armed Services to evaluate military course work.

**Experiential Learning:** Students may receive experiential learning credit for selected courses. Credit may be awarded only for courses offered within the current curriculum and must be appropriately related to the student's educational program. Credit may be awarded only to students currently enrolled in credit courses. Credit may not be granted for a course in which the student has already earned a grade, including audit and withdrawal. Credit may be awarded only to students who have previously completed at least three hours of program-specific course work with a grade of C or better. Some formal business and industry training as well as military experience may be considered for experiential learning credit based on recommendations contained in the National Guide to Educational Credit for Training Programs. The American Council on Education's Program on Noncollegiate Sponsored Instruction (ACE/PONSI) produces this guide. No more than 25 percent of program completion requirements may be composed of experiential learning credit. Exceptions for up to 75 percent of the program requirements may be granted if credit has been previously earned and documented from organizations such as the National Center for Construction Education and Research (NCCER) or the National Institute for Automotive Service Excellence.

**Home Program:** The Home program is available for Associate in Arts and Associate in Science students who leave TTC before completing their degrees. Participants in the program can transfer selected, preapproved credits back to TTC to complete their associate degrees. See your advisor for details on eligibility.

### Grade Information Transcripts/Privacy of Student Records

Transcripts are issued by the Registrar’s office. The Family Educational Rights and Privacy Act of 1974 (FERPA), known as the Buckley Amendment, requires that you sign individual release forms for each company, school or individual to whom you desire information released. Parents or guardians of dependent students may access dependent student’s records by completing a request form and providing appropriate documentation to verify the dependent status of the student to the office of the vice president for Student Services. Official transcripts are issued by the College only to outside agencies. Official transcripts are not issued to the student. Student copies of transcripts may be issued to the student and are stamped accordingly.

In accordance with FERPA, the College may release student information known as public or directory information, including the student’s name, address, telephone listing, e-mail address, date and place of birth, major field of study, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student. Students who do not wish to be included in the directory must advise the Registrar.

### Grading System

Letter Grade	Numerical Scale
A	91-100
B	81-90
C	71-80
D	65-70
F	Below 65

Grade		Used in GPA Calculations	Earns Credit Hours	Grade Points Carried for Each Credit Hour
A	Excellent	Yes	Yes	4
B	Above Average	Yes	Yes	3
C	Average	Yes	Yes	2
D	Below Average	Yes	Yes	1
F	Failure	Yes	No	0
I	Incomplete*	No	No	0
W	Withdrawn	No	No	0
SC	Satisfactory Completion	No	Yes	0
U	Unsatisfactory	No	No	0
AU	Audit	No	No	0

*\*Defaults to F (or U, if applicable) automatically after midterm of the next semester, unless work is completed and grade is assigned by the instructor.*

### Unit of Credit

The semester credit hour is the system of credit used by TTC.

# Fees

As a state-supported institution, TTC bases its tuition and fees on appropriations granted by the South Carolina General Assembly. The tuition and fees charged by the College are directly affected by the action of the legislature and are therefore subject to change without notice.

A schedule of tuition and fees is available at the Admissions office on each of TTC’s campuses or by calling 843.574.6111. You also may obtain the current tuition rate by visiting the College’s Web site.

## Classification of Students

### *Student Status*

**Full Time:** A student enrolled for a minimum of 12 semester credit hours

**Part Time:** A student enrolled for 11.5 or fewer credit hours

The normal credit load per semester is 15-18 semester credit hours. If you plan to enroll in courses totaling more than 18 semester credit hours, you must receive approval from your academic advisor, a department head or dean.

If you want a written statement verifying enrollment, contact the Registrar’s office two working days after the end of the Drop/Add period.

## Financial Aid Student Classification

Full time	12 semester credit hours
3/4 time	9 semester credit hours
1/2 time	6 semester credit hours

Tuition and fees may be paid by cash, check, MasterCard, VISA, American Express or Discover.

## Residency

Tuition is based on residency. TTC determines residency based on South Carolina Law and Commission on Higher Education regulations. Documentation may be required for proof of residency.

## Senior Citizens

Legal residents of South Carolina age 60 or over who are not employed full time may enroll in a selected course the first day of classes on a space-available basis without paying tuition. Senior citizens need to contact the Business office prior to registration.

## Additional Fees and Charges

The fees listed below are not necessarily all inclusive and are subject to change without notice.

**Returned Checks:** A service fee is assessed in accordance with current law on all checks received in payment of books, fees, etc. that are returned by the bank for insufficient funds or closed accounts.

**Credit by Examination:** A nonrefundable fee of \$45 is charged for administering each examination.

## Student Insurance

The College provides student accident insurance for all curriculum students. Current information on coverage and claims processing is available through Public Safety.

All students in Allied Health Sciences and Nursing programs are required to carry professional liability insurance.

## Fee Changes

Fees are subject to change, without notice by the TTC Area Commission.

## Refund Policy

Refunds are made according to the following regulations and only when you officially withdraw by submitting a Drop/Add or Withdrawal form to the Registrar’s office or when a course is canceled by the College. Failure to attend class does not constitute withdrawal.

### Refund Guidelines for (Full Session) Fall or Spring Semester

Canceled Courses	100% Refund
Before 1st day of the semester	100% Refund
1st-5th business day of the semester	100% Refund
6th-10th business day of the semester	50% Refund
11th-15th business day of the semester	25% Refund
After the 15th business day of the semester	0% Refund

Summer Semester refunds are prorated based on the shorter, 10-week semester.

### Refund Guidelines for (Full Session) Summer Semester

Canceled Courses	100% Refund
Before 1st day of the term	100% Refund
1st-3rd business day of the term	100% Refund
4th-6th business day of the term	50% Refund
7th-9th business day of the term	25% Refund
After the 9th business day of the term	0% Refund

### Refund Guidelines for FastForward Courses Fall or Spring Semester

Canceled Courses	100% Refund
Before 1st business day of the semester	100% Refund
1st-3rd business day of the semester	100% Refund
4th-6th business day of the semester	50% Refund
7th-9th business day of the semester	25% Refund
After the 9th business day of the semester	0% Refund

### Refund Guidelines for FastForward Courses Summer Semester

Canceled Courses	100% Refund
Before 1st business day of the semester	100% Refund
1st-2nd business day of the semester	100% Refund
3rd-4th business day of the semester	50% Refund
5th-6th business day of the semester	25% Refund
After 6th business day of the semester	0% Refund

### Refund Guidelines for Maymester Courses Summer Semester

Canceled Courses	100% Refund
Before 1st business day of the semester	100% Refund
1st business day of the semester	100% Refund
2nd business day of the semester	50% Refund
3rd business day of the semester	25% Refund
After the 3rd business day of the semester	0% Refund

### Refund Guidelines for Challenge Courses (All Semesters)

Canceled Courses	100% Refund
Before 1st business day of the semester	100% Refund
1st business day of the semester	0% Refund
After 1st business day of the semester	0% Refund

### Refund Guidelines for Weekend College Courses (All Semesters)

Before 1st business day of the semester	100% Refund
1st-5th business day of the semester	100% Refund
After the 5th business day of the semester	0% Refund

FastForward courses are refunded at 100 percent if students drop or completely withdraw during the Drop/Add period (the first three class-meeting days of each FastForward session for Fall and Spring Semesters and the first two class-meeting days of each FastForward session for Summer Semesters).

Weekend College courses are refunded 100 percent during the first five business days after the first Weekend College session.

TTC provides a full refund for all courses dropped or a complete withdrawal from courses before the first day of classes.

**No refunds are given for complete withdrawal or course withdrawal after the official refund period each semester.**

### Repayment of Federal Financial Aid

If you are receiving financial aid from Title IV federal funds (Pell, SEOG, ACG, Stafford loans) and you totally withdraw from college for any reason prior to attending 60 percent of the semester, TTC will determine if you are required to repay Title IV funds based on Title IV regulations. If payment is required, TTC will return funds to the federal government according to the federal guidelines.

The U.S. Department of Education instituted this new repayment policy in the 2000-01 academic year for students receiving Title IV assistance (financial aid).

A portion of financial aid funds will be returned to the appropriate federal program upon a recipient's total withdrawal from college. The amount returned is based on the percentage of enrollment completed for that semester and the amount of financial aid assistance considered earned.

1. The number of calendar days in the enrollment period (semester) is divided into the number of calendar days the student completed for that semester.
2. The amount of financial aid earned is equal to the percentage of the semester that was completed (up to the 60 percent point). If the student withdraws after the 60 percent point of the semester, the student will have earned 100 percent of financial aid funds received for that semester.

### Veterans Tuition Payments

All veteran students with the exception of Chapter 31, Vocational Rehabilitation and Employment or South Carolina state free tuition recipients are required to pay their tuition and fees by the deadline date published in TTC's *On Course*. These payments are due without regard to your receiving benefits checks from the Department of Veterans Affairs. Contact the Veterans Assistance Center on the Main Campus in Building 410 or call 843.574.6105 for additional information.

## Veterans Refund

TTC processes the applications of those veterans, and spouses and children of deceased or 100 percent disabled veterans, who are eligible according to the provisions established by the Department of Veterans Affairs and the State of South Carolina. The Department of Veterans Affairs may require repayment of overpayment situations resulting from a student withdrawing from a class prior to course completion. The Department of Veterans Affairs may waive overpayment situations if there are mitigating circumstances involved. Students receiving benefits that are processed by the TTC Veterans Assistance office are required to keep this office informed of initial class registration and changes in their enrollment status immediately so that underpayment and overpayment situations can be avoided. Contact the Veterans Assistance office on the Main Campus (Bldg. 410) or call 843.574.6105 for additional information.

### Tuition and Fees

Tuition and fees are subject to change without notice by the Trident Technical College Area Commission. For up-to-date information on tuition and fees and lottery-funded tuition assistance through the South Carolina Education Lottery, visit TTC's Web site.

**Application Fee:** \$25 due with application effective July 1, 2002

**Re-enrollment Fee:** \$50 re-enrollment after financial purge

**Student ID Card Fee:** \$5 for replacement ID; first card no charge

### Debts Owed to the College

You will not be permitted to receive your graduation diploma, transcripts or current semester grades, or to register for the upcoming semester, until all debts incurred at the College have been paid in full.

# Financial Aid

A variety of financial assistance is available at Trident Technical College to help you with the cost of attending college. TTC's Financial Aid office assists prospective and current students and their families by providing information about financial resources, assisting applicants with the application process for financial assistance, calculating an applicant's level of eligibility for financial assistance, awarding financial assistance based on an applicant's enrollment status, and monitoring students' satisfactory progress each semester for continued eligibility in financial assistance programs.

## Types of Financial Aid

Financial assistance programs offered at TTC include federal programs under Title IV funds, state grants and scholarships. Federal financial assistance includes the Pell Grant, Supplemental Educational Opportunity Grant, Academic Competitiveness Grant, federal college work-study, and student loan and parent loan. State financial assistance programs include lottery-funded tuition assistance, the LIFE Scholarship and the South Carolina Need-Based Grant.

## Eligibility for Financial Aid

Eligibility for federal (and some state) financial assistance awards requires:

1. U.S. citizenship or permanent residency
2. A high school diploma, its equivalent or proof that you meet Ability to Benefit regulations
3. Evidence of need
4. Enrollment in an eligible program of study that meets federal requirements
5. No prior student loans are in default
6. The applicant is not in repayment on any federal Pell, SEOG and ACG grant
7. Satisfactory academic progress as defined by TTC once you enroll in credit courses

## Eligibility for Financial Aid Under Ability to Benefit Regulations

If you do not have a high school diploma or its recognized equivalent, you may be able to qualify for Title IV funds in TTC programs approved for federal financial aid that do not require high school graduation. To qualify you must take TTC's placement test as an Ability to Benefit test and

achieve the minimum scores established by the U.S. Department of Education in reading, writing skills and pre-algebra. Testing Services administers the placement test on Main, Palmer and Berkeley campuses. The listing of approved programs for Title IV funding can be found at TTC's Web site in the Financial Aid/VA Link.

## Priority Dates

Priority dates for applying for financial aid are published for each semester. You should apply for financial aid by completing your FAFSA and having your Student Aid Report sent to TTC prior to the semester in which you plan to enroll. Any documents requested by the Financial Aid office should be submitted as soon as possible after the request. This will allow your financial aid to be processed so that any eligible financial aid will be available prior to the beginning of the semester when you plan to enroll. If you submit your FAFSA after the published priority date, you should be prepared to pay your tuition and fees and purchase books by the fee payment deadline for the semester. Your financial aid will be processed in the order in which your Student Aid Report is received. You will be reimbursed if you are eligible for any financial aid.

## Applying for Financial Aid

To apply for financial aid programs, fill out the Free Application for Federal Student Aid (FAFSA). A new or renewal FAFSA must be submitted for each academic year (fall through summer) and is available for the upcoming academic year after Jan. 1. The FAFSA is available at TTC's Financial Aid offices at Main, Palmer and Berkeley campuses, and through high school guidance offices. You also can access the FAFSA online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). The results of your FAFSA can be submitted directly to TTC by placing TTC's school code (004920) in the Release and Signature section of the FAFSA.

Your financial aid eligibility is determined from the information provided on the FAFSA. To complete the application, you will need a copy of your most recent federal tax returns and copies of any untaxed income such as Social Security benefits received by the student and/or family military untaxed incomes. The FAFSA can be submitted either electronically or by mailing it to the Federal Processing Center. This address is on the FAFSA form. Four to six weeks after submitting the FAFSA, a Student Aid Report (SAR) is generated and sent to you and also to TTC if you indicated this on your

FAFSA. If corrections are required or additional information is requested, you can either mail it or submit it on the Web. The quickest and easiest way to complete and submit a FAFSA is on the Web. Apply online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Your SAR will be sent to you electronically. You can make corrections electronically as well. It is important to respond promptly to any requests for corrections or additional information.

Federal regulations require that randomly selected financial aid applicants provide verification of all information documented on the FAFSA. If you are randomly selected for verification, you will be notified by TTC's Financial Aid office to submit a verification worksheet, federal income tax forms and other necessary documentation. Once all requirements are met, you will be sent an award letter, if eligible, specifying the amount of financial aid you are eligible to receive.

### Financial Aid and Withdrawing from Classes or School

If you have financial aid and withdraw from all your classes or stop attending all classes before the 60 percent completion period, you may have to repay a portion of your financial aid funds to the federal government. You may owe funds back to TTC.

The U.S. Department of Education requires students to attend classes for at least 60 percent of the semester in order to qualify for their full amount of aid. If you withdraw from all classes prior to the 60 percent completion period, you will have to repay the unearned funds to the federal government. You will also have to repay unearned funds to TTC. You will be ineligible to receive any future financial aid at any college or university until you repay the debt. You will not be able to continue attending TTC until you satisfy the debt owed to the College either by paying all of the funds or making arrangements to carry your balance forward into another term.

It is very important for you to consider the financial implications of withdrawing from all of your classes or not attending all of your classes prior to the 60 percent completion date.

### Cost of Attendance for Nine Months

TTC uses a budget to determine your financial aid package; it is based on your residency status, the number of terms you attend, and whether you are defined as a dependent or independent student on the FAFSA. Costs may vary according to individual circumstances.

The example below is based on a tri-county resident attending Fall and Spring Semesters (nine months). All items are subject to change, and actual costs will vary from person to person.

Tuition	\$3,166
Technology Fee	100
Room and Board	1,871
Books and Supplies	1,100
Transportation	1,075
Personal	1,183
<b>Total</b>	<b>\$8,495</b>

*Note: See academic year updates on TTC's Web site in the Financial Aid section.*

### The Pell Grant Program

The Pell Grant provides financial assistance to those who demonstrate financial need. The Pell Grant is intended to be the floor of a financial aid package and may be combined with other forms of aid to help you meet the costs of education. Any student working toward a degree/diploma/certificate may be eligible for the Pell Grant, which ranges from \$400 to \$4,310, depending on the number of semesters attending, the number of credit hours enrolled each semester, and eligibility as calculated by the Department of Education based on your FAFSA.

### The Federal Supplemental Educational Opportunity Grant Program

The Federal Supplemental Educational Opportunity Grant program is designed to provide additional assistance for qualified students who demonstrate financial needs beyond those met by the Pell Grant. To qualify for SEOG you must be eligible for a Pell Grant. Awards are made based on need. Funds are limited and normally awarded by the priority dates.

### Academic Competitiveness Grant Program

Students who meet Pell Grant eligibility and rigorous academic criteria to be defined by the Title IV federal regulations may be eligible for a new Academic Competitiveness Grant Program. If you meet initial eligibility criteria for the 2006-07 year, you will receive notification from the U.S. Department of Education with application instructions.

## The South Carolina Need-Based Grant

The South Carolina Need-Based Grant is available to South Carolina residents in need who are seeking their first undergraduate degree. Students must maintain a 2.0 cumulative GPA to receive the grant during the Fall and Spring semesters of the academic year. Awards are made on a first-come, first-served basis. A South Carolina Needs Based Grant affidavit must be completed after the award has been made before any funds can be placed in the student's account.

## Federal Work-Study Program

The Federal Work-Study (FWS) program uses federal funds to provide part-time employment opportunities to defray educational expenses. FWS jobs are assigned on a first-come, first-served basis. The number of hours assigned is determined by financial need as well as the student's ability to maintain a good academic standing. The number of jobs available is based upon the amount of funds allocated by the federal government for the year. To be eligible for FWS, you must be enrolled in at least six semester credit hours and maintain a 2.0 cumulative GPA and remain eligible for federal student aid for each semester that you participate in the program.

## Institutional Work-Study

A limited number of Institutional Work-Study (IWS) positions are also available. IWS applicants do not have to demonstrate financial need but must be enrolled in at least six semester credit hours and maintain a 2.0 cumulative GPA. If you are interested in applying for an IWS position, contact the Career Planning and Placement Office at Main Campus.

## Student Loans

Student loans are available to students enrolled at least halftime (six credit hours) in an eligible program and vary according to your program and unmet need. Students who are first-time borrowers must choose their lender. See TTC's Web site for additional information on lending agency options. The interest rate for loans certified on or after July 1, 2006 will be at a fixed rate of 6.8 percent. Students must sign a master promissory note to accept a student loan. You also must successfully complete an entrance loan counseling session before receiving your loan money. Repayment begins six months after you cease to be enrolled at least halftime (six

credit hours). If you graduate, withdraw or drop to less than halftime (six credit hours), you must complete exit loan counseling regarding your loan obligation.

Loans may be subsidized or unsubsidized.

To qualify for a subsidized loan, a student must demonstrate need according to federal guidelines. For any subsidized loan funds a student receives, the federal government pays the interest while the student is in college, a grace period or deferment. Unsubsidized loans are available to students who do not meet the need criteria for subsidized funds. Interest begins to accrue immediately and is added to the principal while the student is in college. The principal and interest payments are still deferred.

The U.S. Department of Education requires students to complete exit student loan counseling when there is a change in enrollment status. If you have a student loan and withdraw from all your classes or withdraw from one or more courses, resulting in an enrollment status of less than six credit hours, you must complete the student loan exit counseling. Graduating seniors must complete the exit counseling upon graduation. You can complete the student loan exit counseling at [mappingyourfuture.org](http://mappingyourfuture.org). You will receive a letter from your lending agency about repayment of your student loan.

## Federal Parent Loan

The Federal Parent Loan (PLUS) is a non-need-based loan available to the parents of a dependent student. This loan may not exceed the cost of attendance. The student is required to be enrolled in classes at least half-time (six credit hours) in an eligible program to be eligible for the PLUS. For loans certified on or after July 1, 2006, the interest rate will be fixed at 8.5 percent.

## Scholarships

College and TTC Foundation scholarships are available from industries, businesses, professional organizations, civic clubs and individuals. The scholarship recipient is selected by the donor or TTC's Scholarship Committee. Scholarships are usually awarded prior to the beginning of Fall Semester. Check with the Financial Aid office or at TTC's Web site for applications and deadline dates.

## **LIFE Scholarship**

The LIFE scholarship is available for students who graduate from a South Carolina high school. You must be a full-time, degree-seeking student not taking developmental or bridge courses. You also must be a South Carolina resident for in-state tuition purposes at the time of enrollment and have no felony or alcohol/drug convictions. First-time entering freshmen must have graduated from high school with a minimum of a 3.0 cumulative grade point average on a 4.0 scale. Students must sign the LIFE Scholarship affidavit each academic year. Additional information and criteria are available at the Financial Aid offices at Main, Palmer or Berkeley campuses or at the South Carolina Commission on Higher Education's Web site.

## **Lottery-Funded Tuition Assistance**

Lottery-funded tuition assistance is not based on financial need. Students may be eligible for lottery-funded tuition assistance if they qualify for in-state tuition rates according to state law. Completion of the Free Application for Federal Student Aid (FAFSA) is required. Assistance is paid to the College, not the student. For up-to-date information on lottery-funded tuition assistance, visit TTC's Web site and click on the Financial Aid/Veterans Assistance link, or call 843.574.6000.

## **Tax Incentives for Education**

Please note: This is a summary of basic information concerning these programs. For additional information on these tax incentives, call 1.800.4FED.AID or seek advice from your tax consultant or the IRS. You also may visit the IRS Web site and click on Tax Info For You at the bottom of the page.

### **Hope Scholarship Tax Credit (Federal Tax Forms)**

Taxpayers may be eligible to claim a nonrefundable Hope Scholarship Credit against their federal income taxes. The Hope Scholarship Credit may be claimed for the qualified tuition and related expenses of each student in the taxpayer's family (i.e., the taxpayer, the taxpayer's spouse or an eligible dependent) who is enrolled at least half-time in one of the first two years of postsecondary education and who is enrolled in a program leading to a degree, certificate or other recognized educational credential. The maximum credit a

taxpayer may claim for a taxable year is \$1,650 multiplied by the number of students in the family who meet the enrollment criteria.

### **Lifetime Learning Tax Credit (Federal Tax Forms)**

Taxpayers may be eligible to claim a nonrefundable Lifetime Learning Credit against their federal income taxes. The Lifetime Learning Credit may be claimed for the qualified tuition and related expenses of the students in the taxpayer's family (i.e., the taxpayer, the taxpayer's spouse or an eligible dependent) who are enrolled in eligible educational institutions. The maximum credit a taxpayer may claim for each taxable year is \$2,000.

A taxpayer may not claim a Hope Scholarship credit and a Lifetime Learning Credit for the same student in the same year. There is no limit to the number of years in which the Lifetime Learning Credit can be claimed for each student.

### **Student Loan Interest Deductions**

The new student loan interest deduction reduces the burden of the repayment obligation by allowing students or their families to take tax deductions for the interest paid in the first 60 months of repayment on student loans. The deduction is available even if an individual does not itemize other deductions.

### **South Carolina Tuition Tax Credit (State Tax Forms)**

Students who graduated from high school within the last 12 months and enrolled in a two-year college are allowed a refundable individual tax credit of 25 percent on their total tuition cost with a maximum deduction of \$350 a year. Before calculating the credit, you must deduct any amounts received toward tuition payments from scholarships, grants or other tax-free educational assistance.

Tuition credits cannot be claimed for more than four consecutive years after the student enrolls. The student must have completed at least 15 credit hours per semester. The student must be classified as a degree-seeking undergraduate or enrolled in a certificate or diploma program of at least one year.

## Financial Aid Criteria

Program	Pell Grant**	Federal Supplemental Educational Opportunity Grant (FSEOG)**	South Carolina Need-Based Grant (SCNBG)**	Federal Work-Study (FWS)	Academic Competitiveness Grant (ACG)**
<b>Who's Eligible to Apply</b>	Students who have proven a financial need and have never received a bachelor's degree. Must be a U.S. citizen or permanent resident.	Students carrying at least six semester credit hours who have a proven need and who show academic promise. Must have Pell Grant eligibility.	Students must be South Carolina residents, maintain a 2.0 cumulative GPA, carry at least six credit hours, and not have a bachelor's or associate degree or be working on a second certificate or diploma program of study.	Students carrying at least six semester credit hours who have a proven financial need. Must be a U.S. citizen or permanent resident.	Students must have graduated on or after May 2005, have completed a rigorous course of study in high school, be Pell Grant recipients, and enroll as full-time student. To renew for the second year, the student must have completed 24 credit hours and maintained a 3.0 cumulative GPA.
<b>Award</b>	Based on federal guidelines, fall and spring	Varies	Varies Available fall and spring only	Paid by the hour	\$750 first year \$1,300 second year
<b>How to Apply</b>	Complete the Free Application for Federal Student Aid.				First-year students who have never attended college before must meet initial requirements. Second year students must meet renewal requirements.
	<ol style="list-style-type: none"> <li>1. Apply for and be accepted for admission to TTC as a regular, degree-seeking student.</li> <li>2. Complete the Free Application for Federal Student Aid (FAFSA) and list TTC to receive the information (code 004920).</li> <li>3. Submit the completed FAFSA form via mail or online. You can self identify as a potential recipient of the Academic Competitiveness Grant upon completing the FAFSA application. In four to six weeks you will receive a Student Aid Report (SAR). TTC will receive your Institutional Student Information Report (ISIR). If corrections are required, or additional information requested, you can either mail it or submit it on the Web. The quickest and easiest way to complete and submit a FAFSA is on the Web. Apply online. Your SAR will be sent to you electronically. You can make your corrections electronically as well. It is important to respond promptly to any requests for corrections or additional information, or your FAFSA cannot be sent to TTC or accurately processed for financial aid awards!</li> <li>4. FAFSA forms must be completed and ISIRs received in the Financial Aid office by the Financial Aid Priority Date for financial aid to be available for the next semester's registration. If you miss the priority date, you will need to be prepared to pay your tuition/fees and then you will be reimbursed based on your eligibility when your financial aid is processed. The Financial Aid office continually processes applications (ISIRs) according to the date they are received.</li> </ol>				

*\*\*Grants do not require repayment. \*\*\*Loans must be repaid.*

**Award Information:** Financial Aid is processed for one academic year (fall and spring), per application.

All Financial Aid programs are subject to change. For up-to date information on how lottery-funded tuition assistance through the South Carolina Education Lottery will affect tuition, scholarships and/or fees, visit [www.tridenttech.edu](http://www.tridenttech.edu).

\*\*\*Loans must be repaid.

### **Enrollment for Financial Aid:**

*TTC awards financial aid based on credit hours of enrollment at the end of Drop/Add. No adjustments to the students' awards will occur based on changes after Drop/Add unless a class is canceled by the College.*

# Veterans, Veterans Dependents and Service Personnel

## Opportunities for Veterans, Veterans Dependents and Service Personnel

TTC is a fully accredited institution of higher learning that is certified to process claims for veterans, and spouses and children of deceased or 100 percent disabled veterans, with the Department of Veterans Affairs and the state of South Carolina. TTC is also designated a Servicemembers Opportunity College (SOC) by the Department of Defense, the American Counsel on Education (ACE) and the American Association of Community Colleges. TTC is also a participating member of the SOCNV (Navy), SOCMAR (Marines) and SOCAD (Army) programs. Information about all SOC programs is available at your Military Education office. As an SOC institution, TTC is committed to assisting veterans, eligible spouses and dependent children, and active duty personnel to meet their educational needs.

TTC has full-time Veterans Assistance offices (VA) located on the Main Campus and the Palmer Campus. The TTC VA office is staffed with TTC employees who coordinate College services and provide information, referrals and assistance to veteran students, reservists, active duty personnel and eligible dependents of veterans with admission, educational and vocational counseling, financial aid, and other needs that affect educational progress. The telephone number at Main Campus is 843.574.6105; the telephone number at Palmer Campus is 843.937.5356.

If you feel that you may be eligible for VA or South Carolina state benefits, contact the Veterans Assistance office. The Veterans Assistance office will help you complete all of the necessary applications and will mail them to the appropriate approving agency for you. It could take between three to six months to apply, get approval and receive funds from the VA. You should be prepared to pay your tuition, fees, expenses and instructional fees for this period. You assume full responsibility for all fees at the time of registration. You are responsible for informing the Veterans Assistance office of changes in enrollment status or changes in dependency or marital status. You are responsible for keeping your address and phone numbers

current with the Admissions office and with the Veterans Assistance office. Your benefits may be suspended or terminated if problems arise with your certification and we cannot contact you.

All veterans and eligible persons receiving VA educational benefits while enrolled at TTC are required to maintain class attendance. When a student's absences in a traditional class exceed two consecutive weeks of scheduled meetings after the drop/add period, the instructor will complete and submit an attendance/progress report to the TTC VA office. If a student ceases active involvement in online or other modes of distance learning courses for two consecutive weeks, the same procedure of reporting will apply. The TTC VA office will notify the Veterans Affairs Regional Office in Atlanta, G.A., or the Department of Veterans Affairs Vocational Rehabilitation and Employment Office in Charleston, S.C. of the change in enrollment. The respective offices will determine the necessary adjustment to a student's educational benefits. If you drop, withdraw or change your enrollment in a class or classes at the College, you are required to complete an official drop/add or withdrawal form. The form must be completed and then signed by your instructor. It must include your last date of attendance (LDA) in the class. You must deliver this form to the Registrar's office for processing as well as bring a copy of the form to the Veterans Assistance office.

Unless you can show the reason for withdrawal of a course or courses was due to mitigating circumstances, the VA must reduce or stop your benefits from the beginning date of the term. "Mitigating circumstances" are unavoidable and unexpected events that directly interfere with your pursuit of a course and are beyond your control. The first time you drop up to six credit hours, the VA will excuse the drop and pay benefits for the period you attended. This is a one-time exclusion and you will not have to provide a reason to the VA. For more information, contact the TTC Veterans Assistance office.

Choose your major carefully. Changing your major slows down progress toward completion of your degree. It also unnecessarily uses up your benefits which are limited in amount. In addition, a program change may result in a delay in receiving benefits. This is particularly important if you are going on for advanced studies. If you change your major, you must complete a Student Information Update form in the Admissions office and complete a program update form in the Veterans Assistance

office. Vocational Rehabilitation students receiving Chapter 31 benefits are not permitted to change their majors without the permission of their VA case manager.

### Educational Programs for Veterans/ Dependents and Active and Reserve Personnel

Qualified veteran students may be considered for various financial aid or scholarship programs. All students are encouraged to apply for all available programs. Additional information is available at the Veterans Assistance office, the Financial Aid office or by visiting TTC's Web site.

**Montgomery G.I. Bill (Chapter 30):** This program provides 36 months of full-time benefits to veterans or military personnel in return for service to their country; a \$1,200 contribution with completion of their first tour of duty under honorable conditions. These students also may qualify for VA work-study positions when available.

**Vocational Rehabilitation and Employment (Chapter 31):** This program pays tuition, fees, textbooks, supplies and equipment plus a monthly subsistence allowance to veterans with a compensable service-connected disability resulting in employment disability as determined by the VA. You must apply within 12 years of VA notification of disability compensation. Generally, benefits are payable up to 48 months for undergraduate training. Free tutorial assistance is available but must be requested as early in the semester as possible. Eligible students may qualify for VA work-study positions when available.

**VEAP (Chapter 32):** This program provides up to 36 months of full-time benefits to personnel who entered active duty military service between Jan. 1, 1977, and June 30, 1995. In return for a monthly contribution of \$25-\$100, the military provides matching funds of up to \$8,100 depending on amount and length of contributions. These students may qualify for VA work-study positions when available.

**Dependents Educational Assistance (Chapter 35):** This program provides benefits for spouses and children of veterans who, resulting from active duty, died of service-related causes or have been awarded 100 percent total permanent disability. There are many different eligibility requirements for this program. Please visit the Veterans Assistance office for help in completing your application. These students may qualify for VA work-study positions

when available.

**S.C. State Free Tuition Program:** Children of veterans, who were either residents of South Carolina at the time of entry into service or who have resided in South Carolina for at least one year, may be eligible for the S.C. State Free Tuition Program. The program requires that the veteran served honorably in the armed forces of the United States during a period of war and either died while in service or as a direct result of service; or was a POW or MIA; or is totally or permanently disabled as determined by the Veterans Administration; or has been awarded the Congressional Medal of Honor. The veteran, if disabled, must still reside in South Carolina. These students are not eligible for VA work-study positions unless they also receive Chapter 35 benefits.

**Payment of Benefits:** Eligible students receive benefits based on their particular VA benefit program and training time while at TTC. The Veterans Administration processes benefit payments at the end of the month for that month's enrollment. Advance payment of the first partial month's benefit and second full month's benefit is available if you are entering college for the first time or you were previously enrolled but have a break of 30 days or more between sessions. The VA must receive advance pay request at least 60 days before and not more than 120 days before the beginning of each semester.

**REAP:** This program (Chapter 1607 of title 10, U.S. Code) is a new benefit providing educational assistance to members of the reserve components – Selected Reserve (Sel Res) and Individual Ready Reserve (IRR) – who are called or ordered to active service in response to a war or national emergency, as declared by the President or Congress. Generally, a member of a reserve component who served on active duty on or after Sept. 11, 2001 under title 10, U.S.C., for at least 90 consecutive days under a contingency operation is eligible for REAP.

These hours apply for VA pay purposes only.

### Fall and Spring Semesters

Full time	12 semester credit hours
3/4 time	9-11 semester credit hours
1/2 time	6-8 semester credit hours

### Summer Semester and Accelerated Terms

The department of Veterans Affairs determines the payment of benefits for Summer semester or any accelerated terms by calculating the number of whole weeks in the Semester/term and the number

of credit hours of enrollment for that semester/term. Contact the Department of Veterans Affairs if you have questions concerning your benefit calculation for accelerated terms.

Please visit the Veterans Assistance office for more information regarding benefits during the Summer Semester.

**Active Duty Tuition Assistance:** This program pays all or part of tuition costs for college courses taken while on active duty. Each branch of the military administers it. Check with your Military Education office for program requirements. Tuition assistance forms should be processed through your Military Education Center and submitted to the TTC Business office well in advance of the start of the semester.

**Other Resources for Dependents:** Educational loans may be available through Army Relief, Navy Relief and Air Force Aid Societies for qualified children or spouses of active duty servicepersons, servicepersons who died while on active duty or retired status, or veterans on retired status.

**General Information:** The federal, state or private agency administering these educational assistance programs has sole responsibility for determining eligibility and awarding benefits. Most federal VA educational benefits are payable for 10 years from the date of discharge or the date of eligibility. Generally, veterans with dishonorable discharge are not eligible. Federal or state legislation reserves the right to change, without notice, any programs and guidelines for eligibility.

## Tutorial Assistance

You may receive monetary assistance from the Department of Veterans Affairs to pay a tutor, if one is required. All chapters except Chapter 31 must pay the tutor directly and then submit a claim for reimbursement for tutorial assistance to the VA. Those students that receive benefits under the S.C. State Free Tuition program only are not eligible for tutorial reimbursement. Additional information is available at TTC's Veteran's Assistance office.

## Veterans Work-Study Program

There are a limited number of VA work-study positions for veterans attending college in the Charleston area. The Department of Veteran's Affairs pays minimum wage for this work. These wages are tax-free.

## Receiving Benefits

As a student receiving VA educational benefits, you may receive benefits only for those courses that are required for graduation in your major and as approved by the South Carolina State Approving Agency. In addition, the VA will not pay for audited courses or courses for which you have already received transfer credit or received a passing grade. The VA pays benefits for courses that are repeated if the courses are within the program outline and were previously failed.

## Transfer Credit

The VA requires all students receiving benefits to have their military and/or college transcripts submitted and reviewed for transfer credit. The VA requires the College to report transfer credits that will apply to a student's major within two semesters of enrollment or VA benefits will be interrupted until a report of prior credit is submitted to the VA. This requirement also applies when a student changes their major.

## Veterans Attendance Policy

All veterans and eligible persons receiving VA educational benefits while enrolled at TTC are required to maintain class attendance. When a student's absences in a traditional class exceed two consecutive weeks of scheduled meetings after the drop/add period, the instructor will complete and submit an attendance/progress report to TTC's Veteran Assistance office. If a student ceases active involvement in online or other modes of distance learning courses for two consecutive weeks, the same procedure of reporting will apply. Attendance reports resulting in a reduction of credit hours enrolled have to be reported to the Department of Veterans Affairs and will result in an overpayment of benefits. The TTC VA Office will submit the attendance reports to the Department of Veterans Affairs Regional Office in Atlanta or the Department of Veterans Affairs Vocational Rehabilitation and Employment Office in Charleston. The respective offices will determine the necessary adjustment to a student's educational benefits and notify the student when an overpayment of benefits applies. Circumstances may occur that allow the student to have his/her benefits reinstated. Reinstatement can only occur within the semester in which the changes originated.

## **Veterans Tuition Payments**

All veteran students, with the exception of Chapter 31, Vocational Rehabilitation or S.C. State Free Tuition recipients, are required to pay their tuition and fees by the deadline date published in TTC's *On Course*. These payments are due without regard to receipt of benefits checks from the Department of Veterans Affairs. Contact the Veterans Assistance office on the Main Campus (Bldg. 410, 843.574.6105) or Palmer Campus (Room 127A, 843.937.5356) for additional information.

## **Veterans Refund**

TTC processes the applications of eligible veterans, spouses and children of 100 percent disabled or deceased veterans, according to the provisions established by the Department of Veterans Affairs and the State of South Carolina. The Department of Veterans Affairs may require repayment of overpayment situations resulting from a student withdrawing from a class prior to course completion. The Department of Veterans Affairs may waive overpayment situations if there are mitigating circumstances involved. Students receiving benefits are required to keep TTC's Veterans Assistance office informed of initial class registration and changes in enrollment status immediately. This will prevent underpayment or overpayment of VA benefits. Contact the Veterans Assistance office on the Main Campus for additional information.

## **VA Certification for Online Courses**

In order to meet VA certification requirements for off-campus courses such as practica, internships/externships and residencies, as well as courses offered via the Internet or other modes of distance learning, TTC acknowledges that these courses are part of the College's approved curriculum, are directly supervised by the College, are measured in the same unit as other courses, are required for graduation, and are part of a program of study approved by the State Approving Agency. The College requires that the faculty teaching these courses use a grading system similar to the grading system used in resident courses and include statements in the course syllabus that indicate that appropriate assignments are needed for the completion of the course and that the student is expected to demonstrate, at least once a week, that he/she is actively involved in the class. Examples

of activities that can be used to demonstrate this involvement include, but are not limited to, the following: posting/receiving e-mails, participating in online class discussions and class chat rooms, and completing and submitting course assignments. Further, TTC requires that these courses have schedules of time for training and instruction which demonstrate that students shall spend at least as much time in preparation, instruction and training as is normally required by the College for its resident courses.

## **Veterans Upward Bound Program**

Veterans Upward Bound (VUB) program helps eligible U.S. military veterans fully develop their personal potential and achieve their academic goals. The College's VUB staff and instructors assist eligible veterans by developing, improving and extending educational access and opportunities through academic needs assessment, instruction, enrichment and other academic support activities. The VUB program is designed to help veterans refresh their academic skills so that they can prepare for and successfully complete the postsecondary education program of their choice (university, technical/community college or vocational/technical program). VUB projects funding is provided by the U. S. Department of Education and serves eligible veterans across the nation.

# College Services and Resources

## Adult Students Returning to School

TTC has a large population of students who have been out of school for many years and are returning to upgrade skills, retrain for new jobs or just take personal interest courses. If you are one of these students, keep reading. You'll find you have a lot in common with TTC students.

### *Will I be the oldest student in class?*

Nationwide, more than 6 million older adult students attend college each year; one-third of all college students now fall into this category. TTC's focus has traditionally been on the older student with class schedules and services directed to the working adult.

### *Will I be able to learn and compete with younger students?*

Faculty are appreciative of returning adult students because these students provide a different perspective in classes. Generally, older adult students also are self-motivated, self-directed and committed to their studies.

### *How can I get extra help with courses?*

You can find a variety of help in selected courses at The Learning Center.

Tutors, audiovisual media and computer software are available for tutoring and practice. Check with each campus to find out what kind of help is available and what hours you can use these resources.

Main Campus, The Learning Center  
(Bldg. 920), Room 211, 843.574.6409  
Berkeley Campus, Room 178, 843.899.8079  
Palmer Campus, Room 226, 843.722.5516

### *Where can I get help with classroom skills?*

Counseling and Career Development Services offers workshops and individual help with study skills, test taking, test anxiety, time management and stress management. Check with each campus to find out how to access these services.

Main Campus, Student Center  
(Bldg. 410), Room 210, 843.574.6131  
Berkeley Campus, Room 178, 843.899.8079  
Palmer Campus, Room 226, 843.722.5516

An excellent course that teaches classroom skills, library skills, problem solving, career development and other important topics is COL 103, College Skills. Shorter, more concentrated versions of the COL 103 course are offered as COL 104 (Study Skills) and IDS 104 (Career Exploration). Ask your academic advisor about these courses.

### *Where can I get help with juggling college, work and family?*

Counseling Services offers individual counseling to help you with your academic and personal needs. Call for an appointment or stop by the office.

Main Campus, Student Center  
(Bldg. 410), Room 210, 843.574.6131  
Berkeley Campus, Room 178, 843.899.8079  
Palmer Campus, Room 226, 843.722.5516

### *Can I get a meal on campus?*

Main Campus has a food court in the Student Center (Bldg. 410). Additional vending machines are located in Bldgs. 100, 200, 500, 600, 630, 700/800, 900, 920, 940, and the 100/300 breezeway. The Culinary Institute of Charleston operates the Mikasa Dining Room, which is open to the public. The Berkeley and Palmer campuses have small food service operations and vending machines.

## Alumni Association

The Alumni Association was founded in 1980 with the mission to support the advancement, growth and development of the College and to provide educational and leadership opportunities for graduates. All students who earn a TTC degree, certificate or diploma automatically become lifetime members of the Trident Technical College Alumni Association. Graduates may request an official membership card by completing the online application at [www.tridenttech.edu/alumni\\_memberapp.htm](http://www.tridenttech.edu/alumni_memberapp.htm). Applications are also available on Main Campus in the lobby of the Student Center (Bldg. 410), the Learning Resources Center (Bldg. 510), the Learning Center (Bldg. 920), or the Alumni Office (900 Bldg, Room 119). Graduates who present their membership card are eligible for the following benefits:

- Cypress Gardens admission discount
- Heritage Trust Federal Credit Union membership eligibility
- Discount on selected computer courses offered through TTC's Division of Continuing Education and Economic Development
- Discount on TTC logo merchandise at TTC bookstores

- Use of Career and Employment Services
- Use of Learning Resource Centers
- Admission to all campus events sponsored by Student Activities
- A standing invitation to join the TTC Gospel Choir

There are no membership dues, but in exchange for these and future benefits, the association asks alumni to make an annual contribution to support TTCAA projects. For more information, visit the TTCAA Web site at [www.tridenttech.edu/alumni.htm](http://www.tridenttech.edu/alumni.htm) or contact the Alumni Association office at 843.574.6456.

## Continuing Education and Economic Development

*An updated catalog of continuing education noncredit courses can be found at*  
**[www.tridenttech.edu/ce.htm](http://www.tridenttech.edu/ce.htm).**

The Division of Continuing Education and Economic Development provides short-term training for new careers and jobs. College entrance exams are not required, and there are very few prerequisites. Training is available in many forms, from day to evening and weekend programs. Many of the programs are funded for qualified applicants by the Trident One Stop Center.

The division promotes economic development through a variety of training opportunities, including licensure and certification, career renewal and enhancement, and customized programs. The division also provides consulting services to improve the competitiveness and quality of area businesses. To capture the interests of youth and adults, the division offers diverse and creative experiences for lifelong learning.

The division's programs and training enable individuals to keep up-to-date in their fields, embark on new career tracks or learn for the joy of personal enrichment. On-campus or on-site, custom-designed training programs and consulting services help business, industry and governmental organizations remain on the cutting edge. Continuing Education courses are held days, evenings and weekends on all three TTC campuses, at various sites throughout the area and via the Internet.

The division offers cost-effective and affordable quality training using the latest technologies available. The instructors speak plain English, not technical jargon, and they provide individual attention.

While the division's courses and seminars do not carry traditional college credit, the division awards continuing education units (CEUs) to students who successfully complete qualifying courses. The CEU is a nationally recognized and accepted measure of successful completion of professional training. One CEU is awarded for each 10 contact hours of instruction completed. A cumulative record of CEUs earned is retained at the College and is available on request. Certificates of achievement are awarded for successful completion of most courses. Only Satisfactory or Unsatisfactory grades are recorded for Continuing Education courses and programs.

The division is located in Buildings 910 and 920 in the Complex for Economic Development on Main Campus. The Complex contains a variety of flexible, multipurpose instructional areas that house a wide range of training programs and accommodate group sessions for up to 150 attendees. The classrooms, seminar rooms and hands-on labs are equipped for multimedia instruction. In Bldg. 910, a catering kitchen permits on-site meal service for special programs.

The Complex facilitates the delivery of custom-tailored training and consulting. This training includes basic skills, health care, information technology, industrial maintenance, management and organizational development, total quality systems and computer-integrated manufacturing. The staff assists in needs and training analyses and develops custom training programs scheduled at times and locations convenient to businesses, industries or agencies.

The division delivers its programs and services through three training departments: Manufacturing, Industrial and Construction Trades; Career, Personal and Professional Development; and Health, Human Services, Environmental and Safety.

### Manufacturing, Industrial and Construction Trades

This department provides local companies with concentrated review courses to prevent technical obsolescence, as well as presenting the latest in technical and scientific developments. The division's instructors are recruited from industry, governmental agencies and higher education faculty to provide the optimum solutions to client training needs.

Utilizing various skills assessment programs TTC can assist companies in determining the skill level of both current and potential employees and together develop and implement a training program

to increase employee performance and productivity. TTC established the Industrial Skills and Apprenticeship Training Center to address the need for well-trained maintenance operator technicians. The Center is located on the Main Campus in the Industrial Maintenance Technology Center and contains a Mechanical Skills Lab, an Electrical Skills Lab and a Predictive and Preventive Skills Lab. These labs provide state-of-the-art technology and training for both large and small companies in areas such as hydraulics, pneumatics, vibration analysis, shaft alignment, pumps, pipefitting and power transmission. TTC encourages and facilitates partnerships among industries to provide the most efficient and economic training programs for both pre-employment and incumbent workers.

In addition to the maintenance and apprenticeship programs, TTC also provides training in quality standards, welding, machining, PLCs, CNC, lean manufacturing, metrology, engineering and general and residential contracting.

The College partners with Lehigh University to provide access to master's degree programs via distance education. Through the Lehigh Educational Satellite Network (LESN), TTC links Charleston-area professionals to advanced courses leading to either master's degrees or professional development. The following programs are available via satellite broadcast: chemical engineering, chemistry, molecular biology, pharmaceutical chemistry, polymer science and engineering, quality engineering, manufacturing systems engineering and polymer science.

In the area of construction trades, TTC offers courses in building maintenance, electrical building code, general contracting and residential building. All of these courses prepare students for various licensure examinations.

This department is also the focal point for the College's administration of the retraining portion of the South Carolina Enterprise Zone Act (EZA). The EZA allows manufacturing companies to apply to the South Carolina Department of Commerce (SCDOC) for EZA training plan approval. TTC assists companies in preparing these plans and applications. After receiving TTC and SCDOC approval, companies can request refunds from employee withholding taxes for up to one half the cost of approved training. Training must be delivered or sponsored by the College and is limited to \$500 annually for each production and maintenance employee through first-line supervisor.

## **Career, Personal and Professional Development**

Career, Personal and Professional Development training is available via short courses, seminars and Web-based courses for individuals to enhance their personal skills portfolios for new careers, for underemployed individuals, for multi-skilled work force development and for those seeking to expand their interests, hobbies, and improve their quality of life.

The division's computer and information systems training can open new doors to the rapidly changing world of information technology. With courses ranging from basic computer skills to advanced certifications, such as the Microsoft Certified Systems Engineer, Cisco Certification and Networking Certification and A+, Continuing Education provides training opportunities that allow individuals and organizations to fully utilize the potential of information technology through one-on-one tutoring, public courses and customized training at your facility or ours. Training areas include AutoCAD, GIS, software applications, basic personal computer skills, design and Internet, graphics and desktop publishing, networking/operating systems, programming, and Web site applications.

Professional development courses and certificate programs include automotive, finance, foreign languages, hospitality and tourism, insurance, real estate and appraisal, international trade, small business, teacher recertification and test preparation. Organizational development courses include communication, customer service, human resources, leadership development, management, strategic planning, and team development. These courses also can be customized to optimize your employees' proficiency levels.

Internet technology allows you to take self-paced or instructor-led courses anywhere at any time. The division offers more than 500 online courses including business administration, computer technology, design and media certifications, entrepreneurship, personal enrichment, Internet, project management, the arts, history, writing and more.

To capture the interests of youth, the division offers summer camps for students ages 6-18 years old to provide challenging, new learning opportunities in math, science, computers, leadership, hospitality and tourism, and robotics technology. To provide lifelong learning

opportunities for adults, the division offers diverse and creative experiences in courses such as culinary arts, hospitality and tourism, interior and floral design, defensive driving, motorcycle safety and others.

### **Health, Human Services, Environmental and Safety**

This department is a leader in training individuals who will work in unlicensed health care occupations or who require certification or recertification in environmental and regulatory programs. Courses offered include OSHA and EPA recognized programs in asbestos, water, wastewater, air quality and OSHA mandated programs such as hazwoper technician, operator and annual refreshers. The department also provides legal, law enforcement and horticulture continuing education courses.

In health care, the department offers certificate training programs in nursing, medical coding and transcription, emergency medicine, radiology, medical assisting and dental office management. Each program ensures that all students obtain entry-level competency at completion. Many of the programs are approved by state and national regulatory agencies, which enable students to receive certification. A combination of classroom, laboratory and clinical experiences are used in all programs to achieve stated objectives.

The department's instructors and consultants are all industry specialists and authorized by appropriate regulatory agencies to provide certifications to participants successfully completing their training courses.

### **Continuing Education Online Registration:**

Visit [www.tridenttech.edu/ce.htm](http://www.tridenttech.edu/ce.htm) and review programs. Registration is available through TTC Express for Continuing Education. Payment is required at the time of registration. For technical assistance, e-mail [ce.reg@tridenttech.edu](mailto:ce.reg@tridenttech.edu) or call 843.574.6152.

**Fees:** Continuing Education fees vary with course offerings. Refer to the course schedule or Web site for individual course fees. Continuing Education fees will be assessed in addition to any fees for curriculum courses taken.

**Senior Citizen Enrollment in Continuing Education Programs:** Legal residents of South Carolina age 60 or over who are not employed full time may qualify to enroll at a reduced rate in certain courses once they reach a minimum paying enrollment. Senior citizens may register on the day

a course begins, on a space-available basis. In some courses, you will be required to purchase materials.

**Refund Policy:** TTC reserves the right to cancel any course because of insufficient enrollment or instructor availability, in which case you will receive a full refund. You will receive a full refund if you cancel 11 or more calendar days before the course begins, or you can transfer your registration to a colleague or associate. You will receive 75 percent of your registration fee if you cancel 10 calendar days before the course starts. No-shows are responsible for the registration fee. No refunds will be given after the course begins.

For information regarding programs and services offered by the Division of Continuing Education and Economic Development, call 843.574.6022. A complete listing of current Continuing Education courses is available on TTC's Web site.

### **Cooperative Education**

Cooperative Education is a nationally recognized program that awards college credit for work experience related to your major. A current job may qualify for co-op credits, or you may seek help in finding a co-op job through the College's student employment referrals or through personal efforts. The job can be for pay or can be on a volunteer basis.

The credit you receive depends on the number of hours you work per week. Credits appear on your transcripts and often substitute for elective credits. You may combine co-op and class attendance in the same semester or alternate semesters of co-op with semesters of class attendance.

You must meet the following requirements for eligibility: have completed two full semesters of your program, have at least a 2.0 grade point average, and have the approval of your advisor.

Further information is available from the Co-op Center on Main Campus, Bldg. 510/Room 123, 843.574.6118.

### **The Learning Center**

The Learning Center offers courses to help you brush up on your math, reading or writing skills to prepare you for college-level work. If you are coming to college years after you graduated from high school or you did not take courses to prepare you for academic work, you will benefit from the educational program provided by The Learning Center. The purpose of Developmental Studies courses is to help you obtain or develop skills needed for success in the program of your choice.

If your placement scores fall below required levels, you should register for Developmental Studies courses. These courses include English, reading and pre-algebra mathematics.

Students enrolled in Developmental Studies courses will find that learning takes place in a technology-enriched environment. Each student will have an Individualized Study Plan (ISP) or set of assignments based on the results of diagnostic testing or assessment. The ISP includes computer tutorials, guided instruction, self-paced lessons using a variety of media (including Internet resources), and small group and learning lab activities. Instructors will work with you to help you pace your individualized assignments so that you can complete your ISP as quickly as you can master the course objectives.

You must show satisfactory academic progress and conduct while in Developmental Studies courses. Progress is measured by department requirements. Enrollment in Developmental Studies courses (those with a zero prefix in mathematics, reading and English) will be limited to a maximum of 36 semester credit hours, the equivalent of three semesters of full-time enrollment. Exceptions will be granted only if you meet the College's Standards of Progress and if you have the approval of the department head.

## Learning Assistance

Learning Assistance (LA) provides tutoring and resources to help you keep up, catch up or get ahead. You may visit LA in Room 211 in Bldg. 920 on Main Campus and in Room 226 on Palmer Campus. Limited tutoring services may be available on Berkeley Campus. You may make appointments for one-to-one or small group tutoring in English, math and most sciences. Sometimes LA has tutors for other courses. Check the schedules of available tutors on each campus any time during each semester. You may join a study group or participate in the walk-in Math and Science Center (on Main Campus).

LA also has videotapes, DVDs, handouts, and computer and CD tutorials to assist you in math, English, biology and other courses. You may use computers to access the Internet for research and to type and print your course papers. Writing tutors in The Writing Center can assist you with writing assignments and research papers, and they can also help with specific topics, such as using MLA and APA documentation, addressing a writing task and recognizing errors in grammar and punctuation.

You may schedule an appointment with a writing tutor for one-on-one assistance, or you may attend a small group session. Ask the LA receptionist for schedules of workshops and available appointment times. The Writing Center also offers informational handouts and print resources to help improve your writing skills. Consultants in LA can also assist you with using your TTC Express, WebCT and college e-mail accounts.

Helping others learn is a rewarding experience. If you excel in a subject such as math, biology, Spanish or chemistry, consider volunteering to be a peer tutor. To volunteer, come by one of the locations and fill out an application. Following your training, Learning Assistance matches you with a student in need of your assistance.

To schedule appointments or to volunteer, come to an LA learning lab or call Main Campus at 843.574.6409, Palmer Campus at 843.722.5516 or Berkeley Campus at 843.899.8079. All LA services are free of charge to currently enrolled TTC students.

## Distance Learning Courses

Through the Distance Learning office, the College provides a number of distance learning courses delivered in a variety of ways, including Course in a Bag (video-, CD- and DVD-based), online courses, mixed-mode courses, college-level courses broadcast through compressed video and broadband systems to area high schools, and courses broadcast between campuses via our instructional television system. The Distance Learning Office is constantly exploring new and more efficient ways to make courses available to more people—courses with instruction not limited to specific times or places. Courses offered through Distance Learning are identified in the *On Course* schedule of classes published each term and are listed on the College's Web site under the TTC Course Schedule.

## Learning Resources (Libraries)

Learning Resources Centers (LRCs), or libraries, are located on each TTC campus. The library Web site is the gateway to library resources and services, making them accessible on or off campus. Through the homepage you can access the online library catalog, electronic databases, tutorials, course-related resources, reserve items, research tips and assistance. Computers are available at each campus library with the Acceptable Use Policy displayed by each workstation.

TTC's library collection supports all programs of study as well as the information needs of the College community. All three campus libraries share the collection which includes books, periodicals, e-books, electronic resources, videos and DVDs. The library is a teaching library with reference and research assistance readily available. From the library homepage you may take an online tour and an orientation to become more familiar with your library.

TTC's library is a member of the Charleston Area Library Consortium (CALC). Through the CALC membership, your valid TTC Student ID allows you to borrow books from Charleston-area college libraries or any state technical college library either directly or through our interlibrary loan service. You may also borrow materials from other college libraries throughout the state with a special borrowing card available through your library. All libraries have circulation policies and charge fines for material returned after the due date.

For more information call: Main Campus LRC 843.574.6095, Berkeley Campus LRC 843.899.8055, and Palmer Campus LRC 843.722.5540.

# English Fluency Requirements for Faculty Employment

## I. General Information

### A. Purpose

These procedures were developed to comply with SBTCE policy 8-2-109.1 and the English Fluency in Higher Education Act of 1991.

The purpose of these procedures is to define methods to ensure that all permanent and adjunct faculty whose first language is other than English and who teach one or more credit courses possess adequate proficiency in both the written and spoken English language and that an appropriate response be given to the student complaints regarding an instructor's English fluency.

### B. Exclusions

This policy does not apply to the following instructional settings: continuing education courses; student participatory and activity courses such as clinics, studio and seminars; special arrangement courses; courses designed to be taught predominantly in a foreign language; and courses taught by visiting instructors.

## II. Procedural Guidelines

- A. Applicants for permanent and adjunct faculty vacancies will proceed through the College's normal screening process with assessment based on standard job-related criteria to include perceived written and oral communication abilities.
- B. If an applicant becomes a finalist for a faculty position but his/her written or oral English proficiency is judged by the dean to require further evaluation, then the applicant will be referred to an English Fluency Evaluation Committee, hereafter referred to as the Committee. The Committee will ensure that an English fluency evaluation is made on the basis of the following criteria. The applicant will be evaluated by the Committee through the performance of the following minimum proficiency exercise:
  - 1. Writing an analysis of at least 350 words in English of a scholarly paper written in English and related to the subject area.
  - 2. Conducting an oral instructional presentation for a time period equivalent

to a class period and related to the subject area. At least half of the presentation should use the lecture method.

- C. The Committee will include representatives from the following:
  - One representative from the vice president for Academic Affairs office;
  - One representative from Developmental Studies Reading;
  - One representative from curriculum English;
  - One representative from Employee Relations.The Committee will ensure that appropriate procedures are used to provide a favorable environment for the exercises, as well as controls and security to ensure that the exercises completed by the applicants are independent and original work. Candidates must be judged by Committee consensus as proficient in both exercises described in Section II.
- D. Any grievances under this procedure are to be filed with the office of the vice president for Academic Affairs. When a student files a grievance regarding the English fluency of an instructor, the instructor will be referred within 10 working days to the English Fluency Evaluation Committee for a proficiency evaluation using procedures and methods described in Sections I and II.
- E. An instructor who is judged proficient by the Committee will continue teaching assignments without any further action.

A permanent instructor judged deficient by the Committee will be given 120 calendar days to develop sufficient skill to be judged proficient by the Evaluation Committee. If during this time the instructor has not shown evidence of satisfactory progress in overcoming the deficiency, additional action up to and including termination may be taken. The process of notification of need for correction of the deficiency as well as the maximum time allowed for correction are defined specifically in TTC Policy 8-0-0, Faculty Performance Management System.
- F. Any adjunct instructor judged deficient by the Committee may be immediately terminated.
- G. The College's Human Resources office will annually report to SBCE a recap of grievances filed by students under the provisions of this policy and any invocation of the fluency proficiency guidelines herein.

# Confidentiality of Student Records

## Annual Notice to Students

Trident Technical College complies with the Family Educational Rights and Privacy Act (FERPA) of 1974. This act provides ways to protect the privacy of education records, and to establish the right of students to inspect and to review their education records. Parents or guardians of dependent students may access their dependent student's records by completing a request form and providing appropriate documentation to verify the dependent status of the student to the office of the vice president for Student Services. The act provides guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with the Family Educational Rights and Privacy Act office.

Under the Act, Trident Technical College is allowed to publish the following designated student directory information relating to individual students: the student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student. Students wishing to restrict publication of their student directory information must notify the Registrar's office in writing.

Procedures to be used for compliance with the provision of the Act can be found in the Registrar's office and the Student Services office. Questions concerning the Family Educational Rights and Privacy Act may be referred to the Registrar's office and the Student Services office.

# Transfer: State Policies and Procedures

## Background

Section 10-C of the South Carolina School-to-Work Transition Act (1994) stipulates that the Council of College and University Presidents and the State Board for Technical and Comprehensive Education, operating through the Commission on Higher Education, shall develop better articulation of associate and baccalaureate degree programs. To comply with this requirement, the Commission, upon the advice of the Council of Presidents, established a Transfer Articulation Policy Committee composed of four-year institutions' vice presidents for academic affairs and the associate director for instruction of the State Board for Technical and Comprehensive Education. The principal outcomes derived from the work of that committee and accepted by the Commission on Higher Education on July 6, 1995, were:

- An expanded list of 86 courses that will transfer to four-year public institutions of South Carolina from the two-year public institutions;
- A statewide policy document on good practices in transfer to be followed by all public institutions of higher education in the state of South Carolina, which was accepted in principle by the Advisory Committee on Academic Programs and the Commission;
- Six task forces on statewide transfer agreements, each based in a discipline or broad area of the baccalaureate curriculum.

In 1995 the General Assembly passed Act 137 which stipulated further that the South Carolina Commission on Higher Education notwithstanding any other provision of law to the contrary, shall have the following additional duties and functions with regard to the various public institutions of higher education. These duties and responsibilities include the Commission's responsibility to establish procedures for the transferability of courses at the undergraduate level between two-year and four-year institutions or schools. This same provision is repeated in the legislation developed from the Report of the Joint Legislative Study Committee, which is now moving through the General Assembly during the 1996 session.

Act 137 directs the Commission to adopt procedures for the transfer of courses from all

two-year public to all four-year public institutions of higher education in South Carolina. Proposed procedures are listed below. Unless otherwise stated, these procedures shall become effective immediately upon approval by the Commission and shall be fully implemented, unless otherwise stated, by Sept. 1, 1997.

## STATEWIDE ARTICULATION OF 86 COURSES

1. The Statewide Articulation Agreement of 86 courses already approved by the South Carolina Commission on Higher Education for transfer from two- to four-year public institutions (See Appendix A) shall be applicable to all public institutions, including two-year institutions and institutions within the same system. In instances where an institution does not have synonymous courses to ones on this list, it shall identify comparable courses or course categories for acceptance of general education courses on the statewide list.

## ADMISSIONS CRITERIA, COURSE GRADES, GPAs, VALIDATIONS

2. All four-year public institutions shall issue annually in August a transfer guide covering at least the following items:
  - A. The definition of a transfer student and requirements for admission both to the institution and, if more selective, requirements for admission to particular programs.
  - B. Limitations placed by the institution or its programs for acceptance of standardized examinations (e.g., SAT, ACT) taken more than a given time ago, for academic course work taken elsewhere, for course work repeated due to failure, for course work taken at another institution while the student is academically suspended at his/her home institution, and so forth.
  - C. Institutional and, if more selective, programmatic maximums of course credits allowable in transfer.
  - D. Institutional procedures used to calculate student applicants' GPAs for transfer admission. Such procedures shall describe how nonstandard grades (withdrawal, withdrawal failing, repeated course, etc.) are evaluated; they shall also describe whether all course work taken prior to transfer or just course

work deemed appropriate to the student's intended four-year program of study is calculated for purposes of admission to the institution and/or programmatic major.

- E. Lists of all courses accepted from each technical college (including the 86 courses in the Statewide Articulation Agreement) and the course equivalencies (including free elective category) found on the home institution for the courses accepted.
  - F. Lists of all articulation agreements with any public South Carolina two-year institution or other institution of higher education, together with information about how interested parties can access these agreements.
  - G. Lists of the institution's transfer officer(s) personnel together with telephone and fax numbers and office address.
  - H. Institutional policies related to academic bankruptcy (i.e., removing an entire transcript or parts thereof from a failed or underachieving record after a period of years has passed) so that re-entry into the four-year institution with course credit earned in the interim elsewhere is done without regard to the student's earlier record.
  - I. Residency requirements for the minimum number of hours required to be earned at the institution for the degree.
3. Course work (individual courses, transfer blocks, statewide agreements) covered within these procedures shall be transferable if the student has completed the course work with a C grade (2.0 on a 4.0 scale) or above, but transfer of grades does not relieve the student of the obligation to meet any GPA requirements or other admissions requirements of the institution or program to which application has been made.
    - A. Any four-year institution which has institutional or programmatic admissions requirements for transfer students with cumulative grade point averages (GPAs) higher than 2.0 on a 4.0 scale shall apply such entrance requirements equally to transfer students from regionally accredited South Carolina public institutions regardless of whether students are transferring from a four-year

or two-year institution.

- B. Any multi-campus institution or system shall certify by letter to the Commission that all course work at all of its campuses applicable to a particular degree program of study is fully acceptable in transfer to meet degree requirements in the same degree program at any other of its campuses.
4. Any course work (individual courses, transfer blocks, statewide agreements) covered within these procedures shall be transferable to any public institution without any additional fee and without any further encumbrance such as a validation examination, placement examination/instrument, verification instrument, or any other stricture, notwithstanding any institutional or system policy, procedure, or regulation to the contrary.

#### **TRANSFER BLOCKS, STATEWIDE AGREEMENTS, COMPLETION OF THE AA/AS DEGREE**

5. The following Transfer Blocks/Statewide Agreements taken at any two-year public institution in South Carolina shall be accepted in their totality toward meeting baccalaureate degree requirements at all four-year public institutions in relevant four-year degree programs, as follows:
  - Arts, Humanities and Social Sciences: Established curriculum block of 46-48 semester hours
  - Business Administration: Established curriculum block of 46-51 semester hours
  - Engineering: Established curriculum block of 33 semester hours
  - Science and Mathematics: Established curriculum block of 48-51 semester hours
  - Teacher Education: Established curriculum block of 38-39 semester hours for Early Childhood, Elementary and Special Education students only. Secondary education majors and students seeking certification who are not majoring in teacher education should consult the Arts, Humanities and Social Sciences or the Math and Science transfer blocks, as relevant, to assure transferability of course work.
  - Nursing: By statewide agreement, at least

60 semester hours shall be accepted by any public four-year institution toward the baccalaureate completion program (BSN) from graduates of any South Carolina public associate degree program in nursing (ADN), provided that the program is accredited by the National League of Nursing and that the graduate has successfully passed the National Licensure Examination (NCLEX) and is a currently licensed registered nurse.

6. Any unique academic program not specifically or by extension covered by one of the statewide transfer blocks/agreements listed in #4 above shall either create its own transfer block of 35 or more credit hours with the approval of CHE staff or shall adopt either the Arts, Social Sciences, Humanities or the Science and Mathematics block by September, 1996. The institution at which such program is located shall inform the staff of the CHE and every institutional president and vice president for academic affairs about this decision.
7. Any student who has completed either an associate of arts or associate of science degree program at any public two-year South Carolina institution which contains within it the total course work found in either the Arts, Social Sciences and Humanities transfer block or the Math and Science transfer block shall automatically be entitled to junior-level status or its equivalent at whatever public senior institution to which the student might have been admitted. (Note: As agreed by the Committee on Academic Affairs, junior status applies only to campus activities such as priority order for registration for courses, residence hall assignments, parking, athletic event tickets, etc. and not in calculating academic degree credits.)

## **RELATED REPORTS AND STATEWIDE DOCUMENTS**

8. All applicable recommendations found in the Commission's report to the General Assembly on the School-to-Work Act (approved by the Commission and transmitted to the General Assembly on July 6, 1995) are hereby incorporated into the procedures for transfer of course work among two- and four-year institutions.
9. The policy paper entitled State Policy on Transfer and Articulation, as amended to

reflect changes in the numbers of transfer blocks and other Commission action since July 6, 1995, is hereby adopted as the statewide policy for institutional good practice in the sending and receiving of all course credits to be transferred.

## **ASSURANCE OF QUALITY**

10. All claims from any public two- or four-year institution challenging the effective preparation of any other public institution's course work for transfer purposes shall be evaluated and appropriate measures shall be taken to reassure that the quality of the course work has been reviewed and approved on a timely basis by sending and receiving institutions alike. This process of formal review shall occur every four years through the staff of the Commission on Higher Education, beginning with the approval of these procedures.

## **STATEWIDE PUBLICATION AND DISTRIBUTION OF INFORMATION ON TRANSFER**

11. The staff of the Commission on Higher Education shall print and distribute copies of these Procedures upon their acceptance by the Commission. The staff also shall place this document and the Appendices on the Commission's homepage on the Internet under the title Transfer Policies.
12. By Sept. 1 of each year, all public four-year institutions shall provide to the staff of the Commission, in satisfactory format, a copy of their entire transfer guide for placing on the Commission's homepage on the Internet and on their own homepage on the Internet under the title Transfer Policies:
  - A. Print a copy of this entire document (without appendices).
  - B. Print a copy of their entire transfer guide.
13. By Sept. 1 of each year, the staff of the State Board for Technical and Comprehensive Education shall on its homepage on the Internet have a file of this document located under the title Transfer Policies:
  - A. Print a copy of this document (without appendices).
  - B. Provide to the Commission staff in format suitable for placing on the Commission's homepage on the Internet a list of all articulation agreements that each of the 16 technical colleges has with

public and other four-year institutions of higher education, together with information about how interested parties can access those agreements.

14. Each two-year and four-year public institutional catalog shall contain a section entitled Transfer State Policies and Procedures. Such section at a minimum shall:
  - A. Publish these procedures in their entirety (except Appendices).
  - B. Designate a chief transfer officer at the institution who shall provide information and other appropriate support for students considering transfer and recent transfers. Serve as a clearinghouse for information on issues of transfer in the state of South Carolina. Provide definitive institutional rulings on transfer questions for the institution's students under these procedures. Work closely with feeder institutions to assure ease in transfer for their students.
  - C. Designate other programmatic transfer officer(s) as the size of the institution and the variety of its programs might warrant.
  - D. Refer interested parties to the institutional transfer guide.
  - E. Refer interested parties to institutional and Commission on Higher Education's Web sites for further information regarding transfer.
15. In recognition of its widespread acceptance and use throughout the United States, SPEEDE/EXPRESS should be adopted by all public institutions and systems as the standard for electronic transmission of all student transfer data.
16. In conjunction with the colleges and universities, develop and implement a statewide transfer equivalency database at the earliest opportunity.  
(As an electronic counseling guide, this computerized, online instrument will allow students and advisors to access all degree requirements for every major at every public four-year institution in South Carolina. Also, the database will allow students to obtain a better understanding of institutional programs and program requirements and select their transfer courses accordingly, especially when the student knows the institution and the major to which he/she is transferring.

## **DEVELOPMENT OF COMMON COURSE SYSTEM**

17. Adopt a common statewide course numbering system for common freshman and sophomore courses of the technical colleges, two-year regional campuses of the University of South Carolina and the senior institutions.
18. Adopt common course titles and descriptions for common freshman and sophomore courses of the technical colleges, two-year regional campuses of the University of South Carolina and the senior institutions. The Commission will convene statewide disciplinary groups to engage in formal dialogue for these purposes. (A common course numbering system and common course titles and descriptions for lower-division course work at all public institutions in the state can help reduce confusion among students about the equivalency of their two-year course work with lower-division course work at the four-year level. To this end, a common system leaves no doubt about the comparability of content, credit and purpose among the lower-division courses at all public colleges and universities in South Carolina. It would also help eliminate institutional disagreement over the transferability of much lower-division course work, thus clearing a path for easier movement between the technical colleges and senior institutions.)  
For more information regarding transfer to four-year colleges and universities, contact Susan Norton, assistant vice president of academic programs, or visit TTC's Web site.

# Public Safety Services

## Public Safety Officers

TTC employs state constables who are trained and certified police officers for the state of South Carolina. The Public Safety officers enforce all federal, state and local laws as well as the policies and procedures of the College.

## Public Safety Services

The Jeanne Clery Disclosure of Campus Security Policy and Campus Statistics Act requires TTC to collect and report crime statistics for crimes committed on campus. These statistics are also required to be reported annually to the U.S. Department of Education, Office of Postsecondary Education (OPE) to assist students and their parents in researching criminal offenses on college campuses. Statistics for more than 6,000 colleges and universities in the United States can be accessed on OPE's Web site. The College policies and procedures relating to campus security and the annual crime statistics are published on TTC's Web site. Other Web sites containing crime information include:

- State of South Carolina Law Enforcement Division S.C. Sex Offenders Registry Web site
- Security on Campus Web site

While the College makes considerable efforts to ensure the safety and security of everyone on campus, it is your responsibility to take precautions to protect yourself. Whenever a threat to students is determined, timely notice will be made by College officials to help you become aware and protect yourself.

Law enforcement activities on campus are supplemented by mutual aid agreements with local police agencies. Think and practice crime prevention. Report any crimes or suspicious situations to Public Safety immediately by calling 843.574.6053 (6053 from a campus phone).

## Escorts to Your Car

If you would like an escort from class to your car, call the Public Safety office at 843.574.6053 or contact an officer on campus. (Other priorities may prevent an officer from escorting you at a specified time, so please be patient.)

## Motorist Assistance

For assistance with dead batteries, keys locked inside vehicles and flat tires, call the Public Safety office. You are required to sign a release before officers can provide assistance. For other mechanical problems, the Public Safety office will help you locate an appropriate service agency.

## Emergency Messages

If you need to be contacted because of a medical emergency or death in the family while you are on campus, your family can call the Public Safety office at 843.574.6053, and Public Safety will attempt to locate you in your class to relay the message. Please understand this service is only for major emergencies. The College is unable to relay messages for other problems.

## Emergency Telephones

The College has automatic dial emergency phones located in the parking lots of Main, Berkeley and Palmer campuses. These phones provide a direct connection to the College's Public Safety office. See campus maps for locations of emergency phones.

## Fire Drills

Unannounced fire drills are conducted on a periodic basis. Faculty members are responsible for monitoring and coordinating the safe evacuation of students during drills or actual emergencies. You should take your purse, book bag and any other personal belongings without delay when evacuating in case return to the building is not possible. You are to assemble at least 150 feet from buildings and are not to reenter buildings unless instructed by Public Safety or other College officials.

## Bicycles

Bicycle racks are provided on Main Campus at: Student Center (Bldg. 410, north side), Industrial and Engineering Technology building (Bldg. 700, front), Health Sciences building (Bldg. 630, front), breezeway between the General Education and Math and Science buildings (Bldgs. 100/300), General Education building (Bldg. 100, outside Public Safety), and Math and Science building (Bldg. 300, rear, near the Learning Resources Center (Bldg. 510).

Bikes may not be taken into buildings or parked where they may become a safety hazard. Please use the bicycle racks and lock your bike.

## **Theft of Personal Property**

Any article left unattended in a public place is subject to theft. Any article of value should be kept with you or secured in your vehicle out of plain view. Book theft is a common problem on all college campuses. Mark your books with some form of identification. Keep books with you, and do not leave them unattended in public places. If you do have a book stolen, report it to Public Safety immediately.

## **First Aid**

Public Safety provides First Aid for you while on campus. All injuries should be reported to Public Safety immediately. If further medical assistance is needed, Public Safety will notify EMS.

## **Special Medical Attention**

If you want to notify the College about any special medical conditions or important information in a medical emergency, you can fill out a Special Medical Attention form available in the Public Safety office. This information is kept confidential to Public Safety, EMS and medical personnel.

## **Safety Hazards**

All safety hazards should be reported immediately to Public Safety. Skateboards, roller skates and inline skates are prohibited in buildings and parking lots.

## **Disruption of Academic Process**

Any disturbance that may hinder the educational programs provided by TTC is in violation of South Carolina law (Statute 16-17-420).

## **Emergencies**

When calling for emergency response, please make sure you provide Public Safety with as much information as possible – nature of emergency, exact location and description of person involved – so that help can respond quickly.

## **Lost and Found**

If you find any items that have been misplaced or forgotten, bring them to the Public Safety office. If you have lost any books or personal belongings, check with Public Safety to see if they have been found. Items will be held for 90 days.

## **Severe Weather Announcements**

In the event of inclement weather, cancellation of classes will be announced by most local radio and television stations. In addition, you may call TTC's Emergency Closing Information Line to hear recorded information regarding TTC closing. To reach the Information Line, dial 843.574.6262 then enter extension 9091. If outside the Charleston area, call toll free 877.869.7736.

## **Personal Attitudes and Behavior**

You are expected to behave in ways that do not infringe upon the rights of others. This includes showing responsibility and respect regarding eating, electronic devices and dress. You are expected to adhere to the TTC Creed and guidelines for the student lounge listed in the College's Student Handbook/Planner.

## **Alcohol and Drugs**

The sale, possession or consumption of alcoholic beverages and/or controlled substances is specifically prohibited. For details read the Student Code in the College's Student Handbook/Planner. Violators are subject to arrest and College disciplinary action.

## **Classroom Policies**

To minimize classroom disruptions and protect the integrity of test-taking situations, activated electronic communications devices such as pagers and telephones generally are not permitted in TTC classrooms. The only exception to this policy will be for on-call emergency personnel (police, fire, EMS) who are required to notify their classroom instructor of their need for such devices at the beginning of the semester and provide documentation verifying their occupation. However, on-call emergency personnel may not leave a testing situation, communicate by electronic means and return to complete an examination. In these cases, instructors should make arrangements for retesting. Eating and drinking in the classroom are not permitted.

## **Smoking**

TTC promotes a safe, healthy environment on all its campuses and prohibits smoking inside and at all entrances to all College facilities. Smokers are expected to smoke in designated areas and discard cigarettes in ash urns provided at each building on campus.

## Restricted Areas

Smoking is prohibited at the entrances to and inside all College buildings.

## College/State Vehicles

Smoking is prohibited in state vehicles.

## Monitoring No-Smoking Regulations

Public Safety will advise individuals who are not in compliance with the College's no-smoking procedure of the outdoor smoking areas.

Any disruptions related to the smoking regulations should be reported immediately to Public Safety. If student disruptions warrant further investigation, Public Safety will report these disruptions to the vice president for Student Services for possible disciplinary action.

In addition, South Carolina's Clean Indoor Air Act of 1990 cites violation of the act as a misdemeanor that, upon conviction, results in a fine of not less than \$10 nor more than \$25 (plus court costs). The issuance of a citation is at the discretion of the Public Safety office.

## Firearms Prohibited

In an effort to ensure a safe and secure environment for all members of the campus community, firearms are not allowed in any building, premises or property owned, operated or controlled by TTC except where allowed by law for law enforcement or military purposes. Persons holding concealed weapon permits under the Law Abiding Citizens Self-Defense Act of 1996 are prohibited from carrying firearms onto TTC. This applies to any firearm or replica of a firearm in an assembled or unassembled condition. Anyone who violates this policy is in violation of Section 16-23-420 of the S.C. Code of Laws as amended and is subject to arrest and criminal prosecution with a minimum penalty of a \$5,000 fine or five years imprisonment or both.

## Motor Vehicle Registration and Traffic Regulations

All students operating vehicles on campus must obtain a parking decal. Parking decals are available in the Business office on Main Campus, and in the Admissions offices on Berkeley and Palmer campuses. Decals are to be placed on the rear window, driver's side of the vehicle. Temporary parking permits, which may be issued at no cost

for special seminars, can be obtained from Public Safety.

You are required to obey all South Carolina traffic and seat belt laws while operating a vehicle on campus. The speed limit on all campuses is 15 miles per hour. Parking violations can result in the issuance of a parking citation. S.C. Uniform Traffic citations also may be issued for traffic and related violations. All traffic accidents should be reported to Public Safety immediately.

## Disabled Parking Decals

To legally park in a TTC disabled parking space, a vehicle must properly display a S.C. disabled parking placard and must be used in the transport of the permit holder. Faculty, staff and students with temporary disabilities, requiring the use of a TTC disabled parking space, should contact Services for Students with Disabilities through Counseling and Career Development Services at Main Campus or the Student Success Centers at Berkeley and Palmer campuses. A temporary TTC decal allowing temporary disabled parking privileges on TTC campuses may be obtained with proper documentation. When specific spaces for disabled parking are all occupied, parking in the nearest available space is authorized to include faculty/staff parking.

## Children

Children cannot be taken to Testing Services while a parent/guardian takes a test. Children cannot be taken to Learning Assistance while a parent/guardian has a tutoring session or uses Learning Assistance media. Children may not be taken into classes. Children may not be taken into any TTC library while the parent/guardian is studying or using library resources. They are not to be left unattended in any TTC library while parents are in class or involved in other activities. Unattended children are not permitted on campus and will be referred to the S.C. Department of Social Services.

## Animals

Animals, except for animals trained to assist the disabled and Veterinary Technology program animals, are not allowed on the premises or property of TTC.

## Sexual Assault (Forcible and Nonforcible Sex Offenses)

Sexual assault, sexual battery and related sexual offenses are not only criminal violations, but also conduct prohibited by the College. Sexual battery/assault is defined as any actual or attempted nonconsensual or forcible sexual act: sexual intercourse, cunnilingus, fellatio, anal intercourse or any intrusion, however slight, of any part of a person's body or of any object into the genital or anal openings of another person's body. The inability to provide consent may be determined by the person's age, mental or physical incapacity, intoxication (drugs and/or alcohol) or other valid reasons.

## Preventing Sexual Assaults on Campus

To increase awareness and educate students, faculty and staff on ways to prevent sexual crimes on campus, the College offers sexual assault prevention programs through the assistance of outside agencies such as People Against Rape. Anyone can become a victim of sexual assault, especially on college campuses where acquaintance rape is prevalent.

## If You Are Sexually Assaulted

1. Go to a safe place.
2. Notify the police. Reporting the crime does not obligate you to file charges or testify in court. However, a report of the incident and any evidence collected may provide successful legal action if you decide to pursue criminal charges at a later date. The information you provide may also prevent someone else from becoming a victim and it may help toward regaining your sense of personal control.
  - a. On Campus: Call Public Safety immediately at 843.574.6911 from an outside telephone; 6911 from a campus telephone; or by activating an emergency call box.
  - b. Off Campus: Call local police immediately by dialing 911 or their local number.

Provide the following information:

Your name

Your exact location and the location of the incident

The phone number from where you are calling

Description of injuries, if any

Immediate details of the incident (where

it occurred, how long ago)

Information about the accused (name, whether or not if accused is present, physical description, clothing description, direction of flight, description of vehicle, etc.)

3. Preserve all physical evidence that may be present. Do not shower, bathe, douche or urinate. Do not eat, drink, smoke, rinse your mouth or brush your teeth. Do not change clothes if it can be avoided. If changing clothes is necessary, secure your changed clothes inside a paper bag, not plastic. Do not disturb the crime scene(s).
4. Obtain medical assistance. Even if you choose not to prosecute or report the assault, you are strongly encouraged to go through the rape protocol exam for medical attention and for the purpose of preserving important physical evidence of the assault. The rape protocol exam should be done as soon as possible. Physical evidence can be obtained up to 72 hours after the assault; however, as time passes, the quality of the evidence diminishes. To contact an agency to perform a rape protocol exam:  
**On Campus:** Call Public Safety immediately at 843.574.6911 from an outside telephone; 6911 from a campus telephone; or by activating an emergency call box.  
**Off Campus:** Call local emergency medical service immediately by dialing 911 or their local number. You can also report in person to any local area hospital emergency room.
5. Contact a family member or friend to be with you.

## Reporting to Public Safety

1. Public Safety will respond to your location on campus, ensure that you are safe and provide you with emergency medical assistance.
2. Public Safety will ask you questions about the assault (location and time of the assault, a description of the accused, etc.). If you request to speak to a male or female officer, Public Safety will make every reasonable effort to accommodate your request, to include contacting another law enforcement agency having concurrent jurisdiction. Local law enforcement may become involved depending on the circumstances surrounding the incident.

A family member, friend or counselor may be with you during the interview.

3. Public Safety will protect the crime scene, contact local law enforcement as may become necessary and assist in the collection and preservation of evidence.
4. Public Safety will make contact with and escort you to an appropriate medical facility such as the Medical University of South Carolina.
5. Public Safety and TTC's Counseling Services will contact other assistance agencies (People Against Rape, Solicitor's Office Victims/Witness Program, etc.) on your behalf. The Victims/Witness coordinator from the Solicitor's office will help you file any documents related to the S.C. Victim's Compensation Fund.
6. Public Safety will treat you and your case with sensitivity, understanding and professionalism regardless of your gender or the gender of the accused. Public Safety officers will not prejudge you or blame you for what occurred.
7. Public Safety will NOT release your name to the public or the press.
8. Public Safety will continue to be available to you, answer your questions and explain the system and processes involved (solicitor, courts, etc.).
9. Public Safety will professionally investigate your case, which may lead to the arrest and prosecution of the accused. You will be kept up-to-date on the progress of the investigation and/or prosecution.

## How the College Can Help

1. The College's Counseling office will offer emotional support and refer you to community resources for victims of sexual assault.
2. The College will also change your academic situation if changes are requested and reasonably available.
3. The vice president for Student Services will initiate disciplinary proceedings when a student is accused of a sexual assault on campus. Both the accuser and the accused are entitled to due process as outlined in the College's Student Handbook/Planner, and both will be notified of the outcome of any disciplinary proceeding. Specific disciplinary sanctions are also outlined in the College's Student Handbook/Planner.

The South Carolina Sex Offenders Registry is available on the Internet via the South Carolina Law Enforcement Division (SLED) Web site.

## Emergency Numbers\*

### Public Safety

Off Campus 843.574.6911  
On Campus 6911

	City of North Chas. Police.	Berkeley Co Sheriff	City of Chas. Police	Charleston Co. Sheriff
Police	911	911	911	554.4700
Fire	911	911	911	554.4700
EMS	911	911	911	554.4700
Nonemergency	740.2800	577.9562	577.7074	202.1700

\* When calling from any campus you must first dial 9 to get an outside line. Calls to 911 from campus phones will automatically notify Public Safety first for quicker response.

Note: Long distance calls require the 843 area code to be dialed before dialing numbers other than 911.

## Sexual Harassment Procedure

Trident Technical College strives to maintain an academic and work environment that protects the dignity and promotes the mutual respect of all students and employees of the College.

Sexual harassment of students or employees will not be tolerated. Unwelcome sexual advances, requests for sexual favors, verbal or written communications, gestures or physical contacts of a sexual nature unsolicited and/or unwelcome will be considered sexual harassment in violation of Title VII of the Civil Rights Act of 1964. The College is fully committed to the prevention and elimination of sexual harassment and has procedures for handling allegations of sexual harassment.

Sexual harassment takes many forms, from continuous joking to physical assault. It may involve threats that you will fail in class or lose your job. It may make your study or work environment uncomfortable through continued sexual comments, suggestions or pressures. It may include:

- Sexually-oriented verbal kidding or abuse including derogatory or degrading gender references such as whistling, catcalls or sexual remarks or jokes.
- Subtle or overt pressure for sexual activity.
- Physical contact such as patting, pinching or constant brushing against another's body.

TTC's policy 8-2-0 and procedure 8-2-1, both titled Sexual Harassment and Related Unprofessional Conduct, are available for review in the campus libraries and in the offices of vice presidents, deans and directors. Also, the following

faculty and staff can provide you with copies. They have been designated as contacts to help students, faculty and staff with sexual harassment concerns. These employees are here to help you.

### **Sexual Harassment Contact List**

The following faculty and staff members have been designated as contacts to help students, faculty and staff with sexual harassment concerns. These employees are here to help you.

# **PROGRAMS**

## **Associate Degree Programs**

*(Two-Year Programs)*

TTC is authorized by the State Board for Technical and Comprehensive Education to offer 10 degrees. Students who meet requirements for multiple majors within one or more degree-granting areas will receive a diploma for each major. Students who complete multiple career paths within a single major will receive a single diploma for that major. The degrees and majors are as follows:

### **Associate in Business**

Accounting  
Administrative Office Technology  
Culinary Arts Technology  
General Business  
Hospitality and Tourism Management  
Management

### **Associate in Computer Technology**

Computer Technology  
Telecommunications Systems Management

### **Associate in Industrial Technology**

Aircraft Maintenance Technology  
Commercial Graphics  
Machine Tool Technology  
Radio and Television Broadcasting

### **Associate in Engineering Technology**

Civil Engineering Technology  
Electronics Engineering Technology  
Mechanical Engineering Technology

### **Associate in Agriculture**

Horticulture Technology

### **Associate in Arts**

Associate in Arts

### **Associate in Science**

Associate in Science

### **Associate in Public Service**

Criminal Justice  
Early Care and Education  
Human Services  
Paralegal

### **Associate in Health Science**

Dental Hygiene  
Emergency Medical Technology (Paramedic)  
Medical Laboratory Technology  
Nursing (ADN)  
Occupational Therapy Assistant  
Physical Therapist Assistant  
Radiologic Technology  
Respiratory Care  
Veterinary Technology

### **Associate in Occupational Technology**

General Technology

## **Diploma Programs**

Cosmetology  
Early Childhood Development  
Expanded Duty Dental Assisting  
Medical Assisting  
Ophthalmic Clinical Assistant  
Pharmacy Technician  
Practical Nursing

## **Certificates**

A+/Network+ Technician  
Addictions/Substance Abuse  
Advanced Computer Animation  
Advanced Culinary Arts  
Advanced Baking and Pastry  
Advanced Film Production  
Air Conditioning/Refrigeration: Beginning  
Air Conditioning/Refrigeration: Advanced  
Air Conditioning/Refrigeration Mechanics  
Aircraft Assembly Technology  
Aircraft Maintenance Airframe  
Aircraft Maintenance General  
Aircraft Maintenance Powerplant  
Allied Health Preparation  
Architectural Design Graphics I  
Architectural Design Graphics II  
Art Foundations  
Automatic Transmission Repair Specialist  
Automotive Brakes and Alignment Specialist  
Automotive Engine Performance Specialist  
Automotive Engine Repair Specialist  
Automotive Servicing  
Baking and Pastry  
Bank Teller  
Basic Construction Trades  
Basic Electronic Journeyman I  
Basic Industrial Work Skills  
Bookkeeping

Business Information Systems	Industrial Maintenance
Chemical Engineering Transfer	Industrial Mechanic
Child Care Management	Infant and Toddler Development
Cisco Certified Network Associate	Information Processing
Cisco Certified Network Professional	International Business
Civil Engineering Transfer	Internet Programming
Civil/Mechanical Engineering Transfer	Land Development Technology
Computer Aided Design I	Landscape Design
Computer Aided Design II	Landscape Management
Computer Animation	Leadership Development
Computer Game Design	Machine Tool Technology
Computer Graphics	Massage Therapy
Computer Network Technician	Medical Office Specialist
Computer Numerical Control Operations	Medical Record Coder
Construction Management	Medical Transcriptionist
Corporate Quality	Microcomputer Business Applications
Cosmetology	Microcomputer Expert User
Crime Scene Investigation	Microcomputer Programming
Criminal Justice: Corrections	Microsoft Network Operations
Criminal Justice: Law Enforcement	Multimedia Design
Culinary Arts	Nail Technology
Customer Service	Network Security
Database	Non-Linear Film Editing
Developmental Disabilities	Nursing Assistant
e-Commerce	Paralegal
Early Childhood Development	Pharmacy Technician
Early Childhood Special Education	Phlebotomy
Electrical Engineering Transfer (The Citadel)	Photography
Electrical Engineering Transfer (USC)	Pre-Nursing
Electrician: Automated Controls	Professional Accountancy
Electrician: Construction	Radio Production
Electrician: Industrial	School-Age and Youth Development
Engineering Design Graphics	Small Business/Entrepreneurship
Environmental Technology	Surveying
Esthetics	Transportation and Logistics
Event Management	UNIX Systems Operations
Family Intervention Studies	Web Site Design
Filmmaking	Welding Gas Metal Arc and Flux Cored Arc
Film Production	Welding Gas Metal Arc and Flux Cored Arc
Food Service Specialist	Advanced
Gerontology	Welding Gas Tungsten Arc
Golf Course Maintenance	Welding Gas Tungsten Arc Advanced
Hospitality Industry Service	Welding Shielded Metal Arc
Hotel Operations	Welding Shielded Metal Arc Advanced
Human Services Generalist	Woodworking

# Associate Degree Competencies/Core Curriculum

## Associate Degree Requirements

Every associate degree at Trident Technical College is designed to promote the success of our graduates, whether in their careers or in their next academic programs. In support of that goal, associate degree programs include general education courses, major courses and courses that give students training in technology.

## Technology Requirement

Associate degree programs will include at least one course that ensures that each graduate has had access to and training in computer technology appropriate to his or her career field.

## General Education Core Curriculum Requirements

### Rationale

TTC's general education core curriculum is derived from the belief that effective communication and critical thinking are essential competencies of the workplace and provide the necessary foundation for lifelong learning. To foster development of these essential competencies, the core curriculum provides associate degree students with a broad base of knowledge and exposure to the perspectives and methodologies of various disciplines.

## General Education Competencies

**Effective Communication:** The ability to communicate clearly and coherently in standard English

**Critical Thinking:** The ability to formulate problems and draw logical conclusions based on analysis of evidence

## General Education Requirements

To graduate with an associate degree, candidates must meet the requirements of the core curriculum as specified in their program. All programs identify core courses from each of the following categories for a minimum of 15 hours of general education.

### 1. Communication

ENG 101	English Composition I	3
SPC 205	Public Speaking	3
SPC 209	Interpersonal Communication	3

### 2. Humanities

ART 101	Art History and Appreciation	3
ART 105	Film as Art	3
ART 107	History of Early Western Art	3
ART 108	History of Western Art	3
ENG 201	American Literature I	3
ENG 202	American Literature II	3
ENG 205	English Literature I	3
ENG 206	English Literature II	3
ENG 208	World Literature I	3
ENG 209	World Literature II	3
HIS 101	Western Civilization to 1689	3
HIS 102	Western Civilization Post 1689	3
HIS 104	World History I	3
HIS 105	World History II	3
HIS 201	American History: Discovery to 1877	3
HIS 202	American History: 1877 to Present	3
HSS 201	Issues in Humanities	3
IDS 201	Leadership Development	3
MUS 105	Music Appreciation	3
PHI 101	Introduction to Philosophy	3
PHI 110	Ethics	3
THE 101	Introduction to Theater	3

### 3. Behavioral/Social Sciences

ANT 101	General Anthropology	3
ECO 210	Macroeconomics	3
ECO 211	Microeconomics	3
GEO 102	World Geography	3
PSC 201	American Government	3
PSC 215	State and Local Government	3
PSC 220	Introduction to International Relations	3
PSY 201	General Psychology	3
SOC 101	Introduction to Sociology	3
SOC 102	Marriage and the Family	3
SOC 205	Social Problems	3
SOC 210	Juvenile Delinquency	3
SOC 230	Introduction to Gerontology	3

### 4. Mathematics/Natural Sciences

AST 101	Solar System Astronomy	4
BIO 101	Biological Science I	4
BIO 210	Anatomy and Physiology I	4
CHM 105	General Organic and Biochemistry	4
CHM 106	Contemporary Chemistry I	4
CHM 110	College Chemistry I	4

MAT 110	College Algebra	3
MAT 112	Precalculus	5
MAT 120	Probability and Statistics	3
MAT 130	Elementary Calculus	3
MAT 140	Analytic Geometry and Calculus I	4
MAT 155	Contemporary Mathematics	3
MAT 170	Algebra, Geometry and Trigonometry I	3
PHY 201	Physics I	4
PHY 221	University Physics I	4

**5. Other (includes all courses listed above and the following)**

AST 102	Stellar Astronomy	4
BIO 102	Biological Science II	4
BIO 211	Anatomy and Physiology II	4
BIO 225	Microbiology	4
CHM 107	Contemporary Chemistry II	4
CHM 111	College Chemistry II	4
CPT 101	Introduction to Computers	3
CPT 102	Basic Computer Concepts	3
ENG 102	English Composition II	3
ENG 260	Advanced Technical Communications	3
FRE 101	Elementary French I	4
GER 101	Elementary German I	3
JOU 101	Introduction to Journalism	3
MAT 111	College Trigonometry	3
MAT 141	Analytic Geometry and Calculus II	4
PHY 202	Physics II	4
PHY 222	University Physics II	4
PSY 203	Human Growth and Development	3
PSY 212	Abnormal Psychology	3
SPA 101	Elementary Spanish I	4
SPC 225	Introduction to Communication Theory	3

*Note: No course can count in more than one category.*

**Note**

Candidates for certificate and diploma programs may substitute transfer-level English or math courses for those required by their programs with departmental approval.

**Program Exit Examination**

Associate degree programs may require applicants for graduation to complete a nonpunitive exit examination. Students required to take an examination will be notified by mail.

**College Policies**

Any exceptions to the academic guidelines contained in this Catalog will be at the discretion of the vice president for Academic Affairs.

## University Transfer Programs

Trident Technical College provides many opportunities for students who plan to transfer to four-year colleges or universities. TTC students can transfer successfully to public and private institutions both within South Carolina and across the United States if they choose courses carefully.

Transfer students can tailor their TTC course work to the requirements of the four-year college or university they have chosen. Those requirements vary considerably from college to college and even among majors at a single college. Planning an effective sequence of classes requires careful consideration of points such as these:

- Only the college to which the student is transferring can determine which credits will be accepted to meet specific requirements. Students should consult a catalog or Web site from their prospective four-year college and, if possible, consult someone at the four-year college for specific transfer advice before meeting with a TTC advisor.
- All public and many private four-year institutions in South Carolina maintain transfer agreements with TTC, which can serve as a guide for selecting courses. In addition, transfer advisors can help students choose appropriate transfer courses.
- Most courses with a final grade of less than C will not transfer to four-year colleges.
- The GPA required for transfer admission varies from college to college.
- Not all colleges calculate GPA by the same method.
- For more information on transfer policies and GPA, see Regulations and Procedures for Transfer in Public Two-Year and Public Four-Year Institutions in South Carolinas Mandated by Act 137 of 1995.

For information about TTC's transfer programs call the following offices or see transfer information in the appropriate divisional section.

<b>General Transfer</b>	<b>Division</b>	<b>Phone</b>	
Associate in Arts	Humanities and Social Sciences	843.574.6034	for students who want to take courses at TTC leading to bachelor's degrees in such fields as business administration, communication, education, psychology, history, government, English and other humanities, fine arts and social sciences
Associate in Science	Science and Mathematics	843.574.6015	for students who want to take courses at TTC leading to bachelor's degrees in such fields as science, engineering and health-related fields
<b>Specialty Transfer Programs</b>	<b>Division</b>	<b>Phone</b>	
Business	Humanities and Social Sciences	843.574.6034	B.S. in Retailing – USC B.S. in Administrative Information Management – USC
Engineering	Engineering Technology	843.574.6156	2+2 agreement for B.S. in Civil Engineering – The Citadel 2+2 agreement for B.S. in Electrical Engineering – The Citadel B.S. in Chemical Engineering – USC B.S. in Civil/Mechanical Engineering – USC B.S. in Electrical and Computer Engineering – USC
Health Sciences	Allied Health Sciences	843.574.6255	B.H.S. – MUSC

Note: These specialty transfer programs may not result in an associate degree. In some cases, the programs require more hours for graduation than financial aid will cover. See an advisor as early as possible for details. For more information regarding transfer to four-year colleges and universities, contact Susan Norton, assistant vice president of academic programs, or visit TTC's Web site. See the Commission on Higher Education document Transfer: State Policies and Procedures.

# AERONAUTICAL STUDIES

## Overview

TTC's Division of Aeronautical Studies is designed to satisfy the need for trained aerospace workers in the fields of aircraft maintenance and aircraft manufacturing.

Classes for the Aircraft Maintenance programs are offered only at the Berkeley Campus and are designed to lead towards Federal Aviation Administration licensing or certification for airframe and powerplant. This program offers both an associate degree and certificates in aircraft maintenance leading to FAA airframe and powerplant mechanic certification. Classes for the Aircraft Manufacturing program are offered at the Main Campus as a two-semester certificate program. Students may enter either program at the start of any semester.

## General Information

As with all TTC programs, students interested in Aeronautical Studies programs should consult with a faculty advisor to discuss program requirements, class times and frequency of offerings. For more information, call 843.574.6796.

## Cancellation Policy

TTC reserves the right to cancel courses due to inadequate enrollment.

## Programs of Study

### Associate Degree Programs

Aircraft Maintenance Technology

### Certificate Programs

Aircraft Assembly

Aircraft Maintenance Airframe

Aircraft Maintenance General

Aircraft Maintenance Powerplant

## Aircraft Maintenance Technology

### Associate in Industrial Technology

**Credit Requirements: 92 Semester Credit Hours**  
**Day**

The Aircraft Maintenance Technology program prepares students to sit for the certification exam of the Federal Aviation Administration as airframe and/or powerplant technicians. Students also are prepared for employment repairing aircraft, engines and related systems with airlines, government agencies, aircraft manufacturers and aircraft service companies. Opportunities for career advancement include lead technician, authorized inspector, shop supervisor, maintenance director or business owner. The program is licensed by the Federal Aviation Administration.

For entry into this program the student must be a high school graduate or possess a GED and take TTC's placement test or meet the College's SAT or ACT requirements.

### Recommended Sequence of Courses

#### First Semester – Fall

ACM 101	General Regulations	2
ACM 102	Aviation Sciences	3
ACM 105	Basic Aircraft Electricity	4
ACM 110	Aircraft Drawings	1
ACM 115	Ground Handling and Servicing	3
ACM 120	Materials and Corrosion Control	4
		<b>Total 17</b>

#### Second Semester – Spring

ACM 114	Fluid Lines and Fittings	1
ACM 125	Wood Structures, Coverings and Finishes	2
ACM 135	Sheet Metal and Non-metallic Structures	4
ACM 145	Aircraft Welding	2
ACM 165	Hydraulic and Pneumatic Systems	3
CPT 101	Introduction to Computers	3
		<b>Total 15</b>

#### Third Semester – Summer

ACM 150	Assembly and Rigging	3
ACM 155	Aircraft Environmental Systems	3
ACM 160	Utility and Warning Systems	3
ACM 167	Landing Gear Systems	3
HSS 201	Issues in Humanities	3
		<b>Total 15</b>

#### Fourth Semester – Fall

ACM 170	Aircraft Electrical Systems	4
ACM 172	Aircraft Fuel Systems	1
ACM 174	Airframe Inspection	1
ACM 201	Lubricating Systems	2
ACM 205	Ignition and Starting Systems	3
ACM 245	Powerplant Fuel Systems	4
MAT 155	Contemporary Mathematics	3

**Total 18**

#### Fifth Semester – Spring

ACM 220	Turbine Engines	3
ACM 234	Propellers and Components	4
ACM 240	Engine Electrical Instrumentation and Fire Protection	3
ACM 250	Induction Cooling and Exhaust	3
PSY 201	General Psychology	3

**Total 16**

#### Sixth Semester – Summer

ACM 210	Reciprocating Engine Overhaul	4
ACM 212	Engine Installation	3
ACM 226	Engine Inspection	1
ENG 101	English Composition I	3

**Total 11**

## Aircraft Assembly Technology

#### Certificate in Industrial Technology

##### Credit Requirements: 25 Semester Credit Hours

This program prepares students for employment in the aviation manufacturing field by providing instruction in the basic theory of aircraft design and construction, aircraft materials, and tools utilized in aircraft assembly.

Admission into this program requires qualifying scores on SAT, ACT or the TTC placement test. High school graduation is not required if you are at least 18 years old.

#### Recommended Sequence of Courses

##### First Semester

AMF 103	Introduction to Aviation	3
AMF 104	Basic Aviation Sciences	3
AMF 109	Aircraft Materials and Hand Tools	3
AMF 111	Aircraft Corrosion Control	1
AMF 116	Aircraft Fluid Lines	2

**Total 12**

#### Second Semester

AMF 132	Aircraft Sheet Metal Assembly	3
AMF 137	Aircraft Composite Structures	3
AMF 142	Aircraft Auxiliary Systems	2
AMF 147	Aviation Electrical Systems	3
AMF 152	Aircraft Flight Control Systems	2

**Total 13**

## Aircraft Maintenance Airframe

#### Certificate: Industrial Technology

##### Credit Requirements: 29 Semester Credit Hours

This certificate, along with the General and Powerplant certificates, prepares the student to sit for the certification exams required by the Federal Aviation Administration to become certified airframe and powerplant maintenance technicians. Students are prepared for employment repairing aircraft, engines and related systems with airlines, government agencies, aircraft manufacturers and aircraft service companies.

For admission into this program the student must be a high school graduate or possess a GED and take TTC's placement test or meet the College's SAT or ACT requirements.

#### Recommended Sequence of Courses

##### First Semester – Spring

ACM 125	Wood Structures, Coverings and Finishes	2
ACM 135	Sheet Metal and Non-metallic Structures	4
ACM 145	Aircraft Welding	2
ACM 165	Hydraulic and Pneumatic Systems	3

**Total 11**

##### Second Semester – Summer

ACM 150	Assembly and Rigging	3
ACM 155	Aircraft Environmental Systems	3
ACM 160	Utility and Warning Systems	3
ACM 167	Landing Gear Systems	3

**Total 12**

##### Third Semester – Fall

ACM 170	Aircraft Electrical Systems	4
ACM 172	Aircraft Fuel Systems	1
ACM 174	Airframe Inspection	1

**Total 6**

# Aircraft Maintenance

## General

**Certificate:** Industrial Technology

**Credit Requirements:** 18 Semester Credit Hours

This certificate, along with the Airframe and Powerplant certificates, prepares the student to sit for the certification exams required by the Federal Aviation Administration to become certified airframe and powerplant maintenance technicians. Students are prepared for employment repairing aircraft, engines and related systems with airlines, government agencies, aircraft manufacturers and aircraft service companies.

For admission into this program the student must be a high school graduate or possess a GED and take TTC's placement test or meet the College's SAT or ACT requirements.

### Recommended Sequence of Courses

#### First Semester – Fall

ACM 101	General Regulations	2
ACM 102	Aviation Sciences	3

ACM 212	Engine Installation	3
ACM 226	Engine Inspection	1
<b>Total</b>		<b>8</b>

# **ALLIED HEALTH SCIENCES**

## **Overview**

To meet the ever-expanding demand for qualified allied health professionals, TTC's Division of Allied Health Sciences offers a wide array of associate degree, diploma and certificate programs.

These programs combine classroom instruction, laboratory experience and clinical practice to assure that students obtain the most current and the highest-level skills in their chosen health profession.

Students interested in Allied Health Sciences programs may obtain admission requirements information from the Admissions office. Additional information about the sequence of course offerings, class schedules, program costs and job opportunities is available by consulting a faculty advisor or by attending a program advising session. Contact your assigned academic advisor for an appointment. Academic advisors are assigned as part of the College orientation process conducted in the Orientation Centers on each campus through a walk-in service. See the Orientation section for more details.

## **General Information**

Professional courses for Allied Health Sciences associate degree programs are offered in sequence and require two years for completion.

The exceptions are the Occupational Therapy Assistant and the Physical Therapist Assistant programs, which take one year to complete. However, all general education courses, other required courses and a humanities elective must be completed as a condition of admission to the Occupational Therapy Assistant and Physical Therapist Assistant programs.

Prior to beginning clinical training or enrolling in courses requiring personal protective equipment, students must have current CPR certification, medical professional liability (which is included in the College tuition) and major medical insurance, a physical examination, all required immunizations and current TB (PPD) tests.

Allied Health Sciences students are required to follow stringent safety procedures, including but not limited to, OSHA's Standard Precautions for handling potentially infectious materials.

Students are required to purchase uniforms in most programs and to purchase laboratory supplies and materials in some programs.

Students will be assigned to off-campus clinics and must have reliable transportation.

## **Criminal Background Checks/ Drug Screening**

All students enrolled in an Allied Health Sciences program will be required to complete a criminal background check and will be subjected to random drug screening. Results of the criminal background check and/or drug screening could affect the student's ability to complete required clinical rotations and/or become credentialed. (Conviction of a felony could make a student ineligible to take the licensing exam(s) required by the profession upon graduation. Early notification to the appropriate board is required. Faculty advisors will provide information about this procedure). Only criminal background checks and drug screenings conducted through the College-approved agency will be accepted. Faculty advisors will provide information about the criminal background check and drug screening procedure at the program open advisement session. Criminal background checks must be completed prior to the first day of the entering semester. Drug screenings will be conducted randomly but prior to a clinical rotation.

## **Cancellation Policy**

TTC reserves the right to cancel courses due to inadequate enrollment.

---

## Dental Hygiene

### Associate in Health Science

#### Credit Requirements: 84 Semester Credit Hours

The dental hygienist is a licensed primary health care professional, oral health educator and clinician who, as co-therapist with the dentist, provides preventive, educational and therapeutic services supporting total health for the control of oral diseases and the promotion of oral health. Dental hygiene positions are available in general and specialty dental practices, community health centers and hospitals, as well as federal programs, the armed services and dental product promotion.

The curriculum, which includes both general education and professional dental hygiene courses, is accredited by the Commission on Dental Accreditation of the American Dental Association. Graduates are eligible to sit for the Dental Hygiene National Board Exam and individual state board examinations for licensure.

### Admission Requirements

Applicants will be admitted to the Dental Hygiene program on a first-qualified, first-admitted basis. Applicants are considered to be qualified for admission to the next available class when they meet all College and program requirements. Classes in this program begin Spring Semester.

### APPLICANTS MUST COMPLETE ALL OF THE FOLLOWING REQUIREMENTS

#### I. General College Admission Requirements

Achieve admission to the College by meeting TTC's requirements for associate degree programs. Please note that applicants not achieving appropriate test scores will be required to complete courses indicated by placement test scores.

*Note: Admission to the College does not guarantee admission to the Dental Hygiene program.*

#### II. Program Admission Requirements

Applicants should ensure that documentation of each of the following admission requirements is on file in the Admissions office as soon as it is completed. Information may be submitted in person or by mail to:

Trident Technical College  
Admissions Office, AM-M  
(Student Center, Bldg. 410, Room 110)  
P.O. Box 118067  
Charleston, SC 29423-8067

- A. Achieve qualifying scores on the College's placement test, SAT or ACT. Contact an academic advisor and complete all courses indicated by placement test scores.

- B. Complete an Allied Health application for the Dental Hygiene program.  
Note: When the number of applicants qualifying at the same time exceeds the number of spaces available in this program, admission will be prioritized according to the date and time that the Allied Health application was received in the Admissions office.
- C. Attend an official advising session and obtain a signed statement from your program faculty advisor verifying attendance.
- D. Provide proof of high school graduation or equivalent by submitting a copy of your high school transcript, diploma or GED.

- E. Provide proof that general education courses and their prerequisites (support courses required in the Dental Hygiene program) have been completed with a minimum grade of C and a cumulative GPA of 2.5. Laboratory sciences must be completed within five years of the admission date with a minimum GPA of 2.5. The following required general education courses may be completed prior to admission to the Dental Hygiene program or may be completed concurrently with the Dental Hygiene curriculum:

PSY 201 General Psychology  
SOC 101 Introduction to Sociology  
ELE HUM Humanities Elective

- F. Satisfy academic probation/suspension requirement, if applicable, by providing proof of a minimum 2.0 GPA on all college course work by submitting official copies of college transcripts, other than TTC transcripts, to the Admissions office.

#### OR

Complete 10 semester credit hours with a minimum grade of C in each course, and a cumulative 2.0 GPA. At least one of these courses must be a laboratory science of four semester credit hours. Laboratory sciences must have been taken within five years of admission date with a minimum grade of C and a cumulative GPA of 2.5.

- G. Submit proof of a minimum of 15 hours of observation of a licensed dental hygienist working in a dental practice. The applicant is responsible for arranging the observation time.
- H. Achieve a minimum 2.5 GPA in the four required prerequisite science courses and an overall minimum cumulative 2.5 GPA at the time of admission and date of entry into the program. In addition, students must not be on academic or disciplinary suspension at the time of admission and date of entry into the program.
- I. At the time of entry to the program, show evidence of completion of the criminal background check required by the College.

### III. General Admission Procedures for the Dental Hygiene Program

Prior to admission to the program, provide the TTC program coordinator with a completed, current Allied Health-Student Health Record. Applicants who meet College and program requirements will be considered qualified and will be admitted on a first-qualified, first-admitted basis. Qualified applicants will be sent a letter indicating the year and semester that they have been admitted. If openings occur in earlier semesters, students who are not enrolled in another Allied Health program may be offered the opportunity to move to an earlier acceptance date.

*Note: Falsification of any information submitted will make a student ineligible for admission to or continuation in the Dental Hygiene program.*

#### Transfer to the Dental Hygiene Program

Students seeking admission to the Dental Hygiene program at TTC who have been enrolled in (and not completed) another Dental Hygiene program must complete the following requirements to be considered for admission:

1. Meet the College's admission requirements.
2. Meet the Dental Hygiene program's admission requirements.
3. Submit a letter from the dean or director of the former Dental Hygiene program that addresses the student's:
  - a. theoretical standing
  - b. clinical standing
  - c. eligibility for readmission to that program

*Note: Only students who have no more than one unsuccessful attempt in a clinical Dental Hygiene course are considered for admission.*

4. Meet the College's requirements for 25 percent of the curriculum credit hours to be taken at TTC.
5. Meet all prerequisite and corequisite courses applicable to the semester for which the student is seeking entry. Laboratory sciences must be taken within five years of the date of entry into the program.
6. Once the student is eligible for admission, he/she may request consideration for transfer credit for Dental Hygiene courses taken within the last two years.

### Readmission to a Program

Students who receive a W, D or F in a prerequisite or corequisite course may request consideration for readmission to the Dental Hygiene program. Readmission to the program is not automatic. Specific policies and procedures for readmission are listed in the Dental Services Department Policies and Procedures Manual. Students requesting readmission must meet all admission criteria in place at the time of readmission. See the Allied Health Sciences overview.

### Course Sequence and Progression

To progress to the next Dental Hygiene course, the student must:

1. Achieve a grade of C or better in each professional course.
2. Achieve a grade of C or better in all prerequisites and corequisites for professional courses.
3. Receive a satisfactory in Professional Development.

### Recommended Sequence of Courses

#### Prerequisites

BIO 210	Anatomy and Physiology I	4
BIO 211	Anatomy and Physiology II	4
BIO 225	Microbiology	4
*CHM 105	General Organic and Biochemistry	4
CPT 101	Introduction to Computers	3
ENG 101	English Composition I	3
MAT 110	College Algebra	3
<b>or</b>		
MAT 120	Probability and Statistics	3

SPC 205	Public Speaking	3
<b>or</b>		
SPC 209	Interpersonal Communication	3
		<b>Total 28</b>

### First Semester – Spring

DHG 111	Orofacial Embryology	2
DHG 125	Tooth Morphology and Histology	2
DHG 140	General and Oral Pathology	2
DHG 151	Dental Hygiene Principles	5
DHG 244	Dental Materials	3
		<b>Total 14</b>

### Second Semester – Summer

BIO 218	Head and Neck Anatomy	1
DHG 121	Dental Radiography	3
DHG 165	Clinical Dental Hygiene I	5
PSY 201	General Psychology	3
		<b>Total 12</b>

### Third Semester – Fall

DHG 141	Periodontology	2
DHG 143	Dental Pharmacology	2
DHG 175	Clinical Dental Hygiene II	5
DHG 230	Public Health Dentistry	3
DHG 241	Integrated Dental Hygiene I	1
SOC 101	Introduction to Sociology	3
		<b>Total 16</b>

### Fourth Semester – Spring

DHG 231	Dental Health Education	1
DHG 255	Clinical Dental Hygiene III	5
DHG 265	Clinical Dental Hygiene IV	5

		<b>Total 14</b>

*\*MAT 102 and CHM 100 required as prerequisite*

## Emergency Medical Technology

### Associate in Health Science

#### Advanced Placement Option Career Path

Currently certified paramedics who plan to earn an Associate in Health Sciences degree should consider the advanced placement option. To successfully complete the program, you must complete the following requirements:

- Meet EMT program admission requirements
- Maintain a current paramedic credential
- Successfully complete the general education requirements with no less than a C in any course:

BIO 210	Anatomy and Physiology I	4
BIO 211	Anatomy and Physiology II	4
CPT 101	Introduction to Computers	3
ENG 101	English Composition I	3
MAT 120	Probability and Statistics	3
SPC 205	Public Speaking	3
PSY 201	General Psychology	3
Fine Arts/Humanities Electives (3 credit)		3

Meet with the program coordinator and successfully complete an experiential learning credit application for:

EMT-Basic	5
EMT-Intermediate	5

**Complete EMS core courses:**

EMS 114	Emergency Vehicle Operations Management	2
EMS 216	Principles of Rescue	4

**Advanced Placement online courses**

The advanced placement core courses are delivered in an online format. Advanced students will complete all without having to repeat clinical or internship experiences. Students will be expected to review and test on didactic material with all required courses following DOT curriculum standards. Research with paper submission as well as discussion projects will be expected for successful completion.

EMS 120	Pharmacology	3
EMS 218	EMS Management Seminar	2
EMS 250	Advanced Placement Paramedic Care	5
EMS 251	Advanced Placement Paramedic Care II	4
EMS 252	Advanced Placement Clinical Experience I	3
EMS 253	Advanced Placement Clinical Experience II	3
EMS 254	Advanced Placement Internship Experience I	3
EMS 255	Advanced Placement Internship Experience II	3

# Emergency Medical Technology

**Associate in Health Science**

**Credit Requirements: 69 Semester Credit Hours**

The Emergency Medical Technology program prepares students to practice in the complex and dynamic profession of the EMT. The curriculum is structured to allow the beginning student to test and practice as a basic or intermediate EMT while continuing in the advanced program. Internship and clinical experiences strengthen learned material and prepare the student for the reality of practice.

**Admission Requirements**

Applicants will be admitted to the Emergency Medical Technology program on a first-qualified, first-admitted basis. Applicants are considered to be qualified for admission to the next available class when they meet all College and program requirements.

**APPLICANTS MUST COMPLETE ALL OF THE FOLLOWING REQUIREMENTS**

**I. General College Admission Requirements**

Achieve admission to the College by meeting TTC's requirements for associate degree programs. Please note that applicants not achieving appropriate test scores will be required to complete courses indicated by placement test scores.

*Note: Admission to the College does not guarantee admission to the Emergency Medical Technology program.*

**II. Program Admission Requirements**

- A. Achieve qualifying scores on the College's placement test, SAT or ACT.
- B. Complete an Allied Health application for the Emergency Medical Technology program.
- C. Attend an official advising session.
- D. Provide proof of high school graduation or equivalent by submitting a copy of high school transcript, diploma or GED.
- E. Provide proof that general education courses and their prerequisites (support courses required in the Emergency Medical Technology program) have been completed with a minimum grade of C

- and a cumulative GPA of 2.5. Laboratory sciences must have been completed within five years of the admission date.
- F. Satisfy academic probation/suspension requirements, if applicable, by providing proof of a minimum 2.0 GPA on all college course work by submitting official copies of college transcripts, other than TTC transcripts, to the Admissions office.
  - G. Submit proof of a minimum of 15 hours of observation of an EMT-Paramedic employed by an emergency services agency. The applicant is responsible for arranging the observation time.
  - H. Maintain a minimum cumulative 2.5 GPA and not be on academic or disciplinary suspension at the time of admission and date of entry into the program.
  - I. At the time of entry to the program, show evidence of completion of the criminal background check required by the college.
  - J. Prior to admission to the program, provide the TTC program coordinator with a completed, current Allied Health Student Health Record.
  - K. Provide proof of current CPR certification.

Applicants who meet College and program requirements will be considered qualified and will be admitted on a first-qualified, first-admitted basis.

### Recommended Sequence of Courses

#### First Semester – Fall

BIO 210	Anatomy and Physiology I	4
CPT 101	Introduction to Computers	3
EMS 110	Basic Emergency Medical Care	5
ENG 101	English Composition I	3
<b>Total 15</b>		

#### Second Semester – Spring

BIO 211	Anatomy and Physiology II	4
EMS 111	Intermediate Emergency Care	5
MAT 120	Probability and Statistics	3
PSY 201	General Psychology	3
<b>Total 15</b>		

#### Third Semester – Summer

EMS 120	Pharmacology	3
EMS 217	Introduction to Electrocardiography	2
EMS 220	Paramedic Internship I	3
SPC 205	Public Speaking	3
<b>Total 11</b>		

#### Fourth Semester – Fall

EMS 114	Emergency Vehicle Operations Management	2
EMS 211	Advanced Clinical Experience I	3
EMS 213	Advanced Emergency Medical Care II	4
EMS 221	Paramedic Internship II	3
<b>Total 12</b>		

#### Fifth Semester – Spring

EMS 210	Advanced Emergency Medical Care I	5
EMS 214	Advanced Clinical Experience II	3
EMS 218	EMS Management Seminar	2
EMS 222	Paramedic Internship III	3
ELE HUM	Select one course from Humanities Electives	3
<b>Total 16</b>		

## General Technology

### Associate in Occupational Technology

#### Expanded Duty Dental Assisting Career Path

#### Credit Requirements: 70 Semester Credit Hours

The Associate Degree in Occupational Technology-General Technology is designed to be a completion program for students who hold a diploma in Expanded Duty Dental Assisting. For admission requirements, see the Expanded Duty Dental Assisting diploma program page. Students who already hold this diploma should consult with the program advisor.

### Recommended Sequence of Courses

#### First Semester – Fall

CPT 101	Introduction to Computers	3
<b>or</b>		
AOT 163	Word Processing	3
DAT 114	Dental Emergencies and Medicine	3
DAT 115	Ethics and Professionalism	1
DAT 118	Dental Morphology	2
DAT 123	Oral Medicine/Oral Biology	3

**Total 10**

## Associate Degree Completion Program

### Associate in Occupational Technology

#### Expanded Duty Dental Assisting Career Path

Students who have completed the Expanded Duty Dental Assisting diploma program as outlined above (with CPT 101, ENG 101 and PSY 201) will be eligible for an Associate Degree in Occupational Technology upon completion of the following general education and secondary specialty courses. A grade point average of 2.0 on all college work presented to fulfill program requirements is required for graduation.

### Core Curriculum Requirements

MAT 110	College Algebra	3
---------	-----------------	---

or

MAT 120	Probability and Statistics	3
---------	----------------------------	---

SPC 205	Public Speaking	3
---------	-----------------	---

or

SPC 209	Interpersonal Communication	3
---------	-----------------------------	---

ELE HUM	Select one course from Humanities Electives	
---------	---------------------------------------------	--

### Other Required Courses

Select a minimum of 15 hours from the following courses to meet career goals:

BIO 210	Anatomy and Physiology I	4
BIO 211	Anatomy and Physiology II	4
ECO 210	Macroeconomics	3
MGT 101	Principles of Management	3
MGT 120	Small Business Management	3
MGT 150	Fundamentals of Supervision	3

MGT 250	Situational Supervision	3
MGT 270	Managerial Communication	3
MKT 101	Marketing	3
PSY 203	Human Growth and Development	3
SOC 101	Introduction to Sociology	3
SPA 101	Elementary Spanish I	4

## General Technology

### Associate in Occupational Technology

#### Medical Assisting Clinical Manager Career Path

#### Credit Requirements: 75-76 Semester Credit Hours

This Associate Degree in Occupational Technology Medical Assisting is a completion program for students who hold a diploma in Medical Assisting. For admission requirements, see the Medical Assisting diploma program page. Students who already hold this diploma should consult with the program advisor.

### Recommended Sequence of Courses

#### Prerequisites

AHS 104	Medical Vocabulary/Anatomy	3
---------	----------------------------	---

**Total 3**

### First Term – Summer

AHS 105	Medical Ethics and Law	2
---------	------------------------	---

AHS 114	Basic First Aid	1
---------	-----------------	---

AHS 121	Basic Pharmacology	2

Total 24		

# Medical Laboratory Technology

## Associate in Health Science Credit Requirements: 79 Semester Credit Hours

The Medical Laboratory Technology program is accredited by the National Accrediting Agency for the Clinical Laboratory Sciences (NAACLS).

The Medical Laboratory Technology program prepares students for employment as medical laboratory technicians. Medical laboratory technicians perform a wide variety of routine diagnostic and prognostic laboratory procedures in a health care setting. Students gain both theoretical and practical lab experience analyzing the chemistry, cellular composition, microbial flora

and immunological components of body fluids and tissues.

Upon graduation, students are eligible to take national certifying examinations, earning the designation Medical Laboratory Technician (MLT) by the American Society for Clinical Pathology or Clinical Laboratory Technician (CLT) by the National Credentialing Agency (NCA).

## Program Admission and Progression Requirements

Applicants will be admitted to this program by completing the general College admission requirements and returning a completed Allied Health application to the Admissions office. Students can enroll in Medical Laboratory Technology courses (MLT prefix) by meeting specific program progression requirements described below. Space in MLT classes will be filled every Fall Semester on a first-qualified, first-admitted basis.

- I. **General College Admission Requirements**
  - A. Achieve admission to the College by meeting TTC's requirements for associate degree programs.
  - B. Provide proof of high school graduation or completion of a GED.
  - C. \*Complete the TTC placement testing procedure.
  - D. Attend TTC College Orientation and obtain the name of your assigned academic advisor.
  - E. Meet with your assigned academic advisor.

*\*Please note that applicants not achieving appropriate test scores will be required to complete all courses indicated by placement test scores.*

*Note: Admission to the College does not guarantee progression into the Medical Laboratory Technology courses.*

- II. **Application for the Medical Laboratory Technology Program**

Apply for the Medical Laboratory Technology program by returning a completed Allied Health application to the Admissions office. Information may be submitted in person or by mail to:

Trident Technical College  
 Admissions Office, AM-M  
 (Student Center, Bldg. 410, Room 110)  
 P.O. Box 118067  
 Charleston, SC 29423-8067

*Note: When the number of applicants qualifying for progression at the same time exceeds the number of spaces available in this program, admission will be prioritized according to the date and time that the Allied Health application was received in the Admissions office.*

### III. Procedures Required for Program Progression

- A. Attend an information session with a program faculty advisor and verify attendance by obtaining a signed statement of advising. Open information/advising sessions are held each semester in the Health Sciences Building (Bldg. 630). Schedules with dates and times are posted on bulletin boards on each campus.
- B. Maintain a minimum cumulative 2.0 GPA and not be on academic probation or disciplinary suspension on the date of entry into MLT-prefix courses.
- C. Satisfy academic probation/suspension requirements, if applicable, by providing proof of a minimum 2.0 GPA on all college course work by submitting copies of official transcripts, excluding TTC transcripts, to the Admissions office; or complete 10 semester hours with a minimum grade of C in each course and a cumulative 2.0 GPA. At least one of these courses must be a laboratory science. Laboratory sciences must have been taken within five years of the admission date with a minimum grade of C.
- D. Successfully complete all courses indicated by placement test scores (see your advisor for scores) and courses required for progression with a grade of C or better. Students must earn a C or better in all prerequisite and corequisite courses, and in each lecture, laboratory and clinical component of all MLT courses. While enrolled in MLT courses, students must successfully complete a professional development evaluation

component before progressing to the next MLT course.

- E. Provide proof that MAT 110 and CPT 101 have been completed with a minimum grade of C before entering the program.
- F. Applicants who meet College and program requirements will be considered qualified and will be allowed to progress in the program on a first-qualified, first-admitted basis. Qualified applicants will receive a letter indicating the year and semester they may begin taking MLT-prefix courses.

### IV. General Procedures

Students who receive a W, D or F in a prerequisite or corequisite course, or who fail to successfully complete a professional development plan, may request consideration for readmission to the Medical Laboratory Technology program. Readmission to the program is not automatic. See the Allied Health Sciences overview.

*Note: Falsification of any information submitted will make a student ineligible for admission to or continuation in the Medical Laboratory Technology program.*

*\*May substitute BIO 210 and BIO 211 for BIO 112*

*\*\*May substitute SPC 205*

## Occupational Therapy Assistant

### Associate in Health Science

#### Credit Requirements: 72 Semester Credit Hours

Occupational Therapy is an allied health specialty that employs the use of purposeful activity for individuals who are limited by physical injury or illness, psychosocial dysfunction, developmental or learning disabilities, or the aging process, in order to maximize independence, prevent disability and maintain health. Practice encompasses evaluation, treatment and consultation.

The Occupational Therapy Assistant program is accredited by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA), located at 4720 Montgomery Lane, P.O. Box 31220, Bethesda, MD 20824-1220. AOTA's telephone number is 301.652.2682. Graduates of the program will be able to sit for the national certification examination for occupational therapy assistants administered by the National Board for Certification in Occupational Therapy Inc. (NBCOT). Successful completion of this exam entitles the individual to practice as a Certified Occupational Therapy Assistant (COTA) under the supervision of a registered occupational therapist. Most states require licensure in order to practice;

however, state licenses are usually based on the results of the NBCOT Certification Examination.

### Program Admission and Course Progression Requirements

Applicants will be admitted to this program on a first-qualified, first-admitted basis. Applicants are considered to be qualified for admission to the next available class when they meet all TTC and OTA program requirements. Classes begin Summer Semester of each year.

### APPLICANTS MUST COMPLETE ALL OF THE FOLLOWING REQUIREMENTS

- I. General College Admission Requirements**  
Achieve admission to TTC by meeting the College's requirements for associate degree programs. See College admission procedures. Please note that applicants not achieving appropriate test scores will be required to complete courses indicated by placement test scores.
- II. Program Progression Requirements**  
Applicants should ensure that each of the following progression requirements is on file in the Admissions office as soon as it is completed. Information may be submitted in person or by mail to:

Trident Technical College  
Admissions Office, AM-M  
(Student Center, Bldg. 410, Room 110)  
P.O. Box 118067  
Charleston, SC 29423-8067

### Phase I Provisional Acceptance for Fall Semester

- A.** Achieve qualifying scores on the College's placement test, SAT or ACT. Contact an academic advisor and complete all courses indicated by placement test scores.
- B.** Complete the Allied Health application for the Occupational Therapy Assistant program. (Note: When the number of applicants qualifying for progression at the same time exceeds the number of spaces available in this program, admission will be prioritized according to the date and time that the Allied Health application was received in the Admissions office.)

- C. Provide proof of high school graduation or equivalent by submitting a copy of your high school transcript, diploma or GED.
- D. Complete PSY 201 and BIO 210 with a minimum grade of C. Laboratory sciences must have been taken within five years of admission date.
- E. Submit official copies of all college transcripts, other than TTC transcripts, to the Admissions office.
- F. Maintain a minimum cumulative 2.0 GPA and not be on academic or disciplinary suspension at the time of admission and date of entry into OTA-prefix courses.

## Phase II Acceptance for Summer Semester

- G. In order to progress in the Occupational Therapy Assistant (OTA) program and be able to enroll in OTA-prefix classes for Summer Semester, you must have the following completed by the end of Spring Semester. Applicants who meet college and program requirements will be considered qualified and will be admitted on a first qualified-first admitted basis in the next available class.

*Courses with a minimum grade of C or better: ENG 101, CPT 101, SPC 205 or SPC 209, PSY 203, MAT 120 or MAT 110, BIO 211 and Humanities Elective. Laboratory sciences must have been taken within five years of admission date. If you have any questions regarding these courses, please contact your academic advisor.*

*Submit proof of minimum of 40 hours of observation/volunteer work performed in two separate occupational therapy facilities. The applicant is responsible for arranging the observation/volunteer time.*

*Attend an official open advising session and obtain a signed statement from an Occupational Therapy Assistant program faculty member verifying attendance.*

- H. At the time of entry to the program, show evidence of completion of the criminal background check required by the College. Drug screening will be conducted randomly but prior to clinical rotation.

## III. General Admission Procedures for the Occupational Therapy Assistant program

Prior to admission to the program, provide the TTC program coordinator with a completed, current Allied Health-Student Health Record. Applicants who meet College and program requirements will be considered qualified and will be admitted on a first-qualified, first-admitted basis. Qualified applicants will receive a letter indicating the year and semester that they have been admitted.

*Note: Falsification of any information submitted will make a student ineligible for admission to or continuation in the Occupational Therapy Assistant program.*

## Readmission to a Program

Students who receive a W, D or F in a professional course may request consideration for readmission to the Occupational Therapy Assistant program. Readmission to the program is not automatic. See the Allied Health Sciences overview.

## Course Progression

To progress to the next Occupational Therapy Assistant course, the student must complete all Occupational Therapy Assistant courses with a grade of C or better. The student must earn a grade of satisfactory on the final professional development evaluation each semester of the program.

*Note: Students are responsible for transportation, meals and housing expenses during field work.*

## Recommended Sequence of Courses

### First Semester – Fall

## Physical Therapist Assistant

### Associate in Health Science

#### Credit Requirements: 78 Semester Credit Hours

The Physical Therapist Assistant program prepares students to implement physical therapy treatment procedures, including various types of exercise, rehabilitation techniques, electrical modalities and heat/cold modalities, designed and supervised by a registered physical therapist. Other responsibilities include clerical duties, record keeping and continuing education. The program is accredited by the Commission on Accreditation in Physical Therapy Education. Graduates become licensed by passing the National Physical Therapist Assistant Licensure Examination.

### Admission Requirements

Applicants will be admitted to this program on a first-qualified, first-admitted basis. Applicants are considered to be qualified for admission to the next available class when they meet all College and program requirements. Classes in this program begin Summer Semester.

### APPLICANTS MUST COMPLETE ALL OF THE FOLLOWING REQUIREMENTS

#### I. General College Admission Requirements

Achieve admission to the College by meeting TTC's requirements for associate degree programs. Please note that applicants not achieving appropriate test scores will be required to complete courses indicated by placement test scores.

*Note: Admission to the College does not guarantee admission to the Physical Therapist Assistant program.*

#### II. Program Admission Requirements

Applicants should ensure that documentation of each of the following admission requirements is on file in the Admissions office as soon as it is completed. Information may be submitted in person or by mail to:

Trident Technical College  
Admissions Office, AM-M  
(Student Center, Bldg. 410, Room 110)  
P.O. Box 118067  
Charleston, SC 29423-8067

- A. Achieve qualifying scores on the College's placement test, SAT or ACT. Contact an academic advisor and complete all courses indicated by placement test scores.
- B. Complete an Allied Health application for the Physical Therapist Assistant program.

*Note: When the number of applicants qualifying at the same time exceeds the number of spaces available in this program, admission will be prioritized according to the date and time that the Allied Health application was received in the Admissions office.*

- C. Provide proof of high school graduation or equivalent by submitting a copy of your high school transcript, diploma or GED.
- D. Provide proof that all general education courses (support courses) required in the Physical Therapist Assistant program have been completed with a minimum grade of C. Laboratory sciences and AHS 104 must have been completed within five years of admission date.
- E. Submit official copies of all college transcripts, other than TTC transcripts, to the Admissions office.
- F. Submit to the Admissions office a completed volunteer/observation form documenting a minimum of 40 hours spent in a physical therapy facility. While all 40 hours may be completed in a hospital, it is preferred that the observation/volunteer hours be divided between hospital and nonhospital facilities, with a minimum of 20 hours in an acute care hospital. The applicant is responsible for arranging the observation/volunteer experience.
- G. Maintain a minimum cumulative 2.5 GPA and not be on academic or disciplinary suspension at the time of admission and date of entry into the program.
- H. At the time of entry to the program, show evidence of completion of the criminal background check required by the College.

### III. General Admission Procedures for the Physical Therapist Assistant program

Prior to admission to the program, provide the TTC program coordinator with a completed, current Allied Health-Student Health Record. Applicants who meet College and program requirements will be considered qualified and will be admitted on a first-qualified, first-admitted basis. Qualified applicants will receive a letter indicating the year and semester that they have been admitted.

*Note: Falsification of any information submitted will make a student ineligible for admission to or continuation in the Physical Therapist Assistant program.*

### Readmission to a Program

Students who receive a W, D or F in a professional course may request consideration for readmission to the Physical Therapist Assistant program. Readmission to the program is not automatic. See the Allied Health Sciences overview.

### Course Progression

To progress to the next Physical Therapist Assistant course, the student must complete all Physical Therapist Assistant courses with a grade of C or better. The student must earn a grade of satisfactory on the final professional development evaluation each semester of the program.

*Note: Students are responsible for transportation, meals and housing expenses during clinical rotations.*

### Recommended Sequence of Courses

#### First Semester – Fall

BIO 210	Anatomy and Physiology I	4
ENG 101	English Composition I	3
MAT 110	College Algebra	3
<b>or</b>		
MAT 120	Probability and Statistics	3

## Radiologic Technology

### Associate in Health Science

#### Credit Requirements: 86 Semester Credit Hours

The Radiologic Technology program is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT), 20 N. Wacker Drive, Suite 2850, Chicago, IL 60606-3182. Tel: 312.704.5300.

The Radiologic Technology program prepares students to provide patient services using imaging modalities, as directed by physicians in order to perform radiologic procedures. Graduates are eligible to apply to take the National Registry Examination offered by the American Registry of Radiologic Technologists.

#### Admission Requirements

Applicants will be admitted to this program on a first-qualified, first-admitted basis. Applicants are considered to be qualified for admission to the next available class when they meet all College and program requirements. Classes in this program begin Summer Semester.

#### APPLICANTS MUST COMPLETE ALL OF THE FOLLOWING REQUIREMENTS

##### I. General College Admission Requirements

Achieve admission to the College by meeting TTC's requirements for associate degree programs. Please note that applicants not achieving appropriate test scores will be required to complete courses indicated by placement test scores.

*Note: Admission to the College does not guarantee admission to the Radiologic Technology program.*

##### II. Program Admission Requirements

Applicants should ensure that documentation of each of the following admission requirements is on file in the Admissions office as soon as it is completed. Information may be submitted in person or by mail to:

Trident Technical College  
Admissions Office, AM-M  
(Student Center, Bldg. 410, Room 110)  
P.O. Box 118067  
Charleston, SC 29423-8067

- A. Achieve qualifying scores on the College's placement test, SAT or ACT. Contact an academic advisor and complete all courses indicated by placement test scores.
- B. Complete an Allied Health application for the Radiologic Technology program.

*Note: When the number of applicants qualifying at the same time exceeds the number of spaces available in this program, admission will be prioritized according to the date and time that the Allied Health application was received in the Admissions office.*

- C. Attend an open advising session and obtain a signed statement from a program faculty advisor verifying attendance. Advising session schedules are posted on the bulletin board located on the second floor of the Health Sciences Building (Bldg. 630) and on other College bulletin boards.
- D. Submit proof of algebra and chemistry competencies by completing one requirement each in:

##### Algebra

1. MAT 110 College Algebra with a minimum grade of C,

OR

2. Complete a college algebra course equivalent to MAT 110 with a minimum grade of C from an approved, regionally accredited postsecondary institution.

##### Chemistry

1. One year of high school chemistry with a C average,

OR

2. CHM 100 Introductory Chemistry with a minimum grade of C,  
OR
  3. Complete three semester credit hours of chemistry with a minimum grade of C from an approved, regionally accredited postsecondary institution.
- E. Provide proof of high school graduation or equivalent by submitting a copy of your high school transcript, diploma or GED.
  - F. Satisfy academic probation/suspension requirements, if applicable, by providing proof of a minimum 2.0 on all college course work by submitting copies of official transcripts, excluding TTC transcripts, to the Admissions office; or complete 10 semester credit hours with a minimum grade of C in each course and a cumulative 2.5 GPA. At least one of these courses must be a laboratory science. Laboratory sciences must have been taken within five years of the admission date with a minimum grade of C.
  - G. Maintain a minimum cumulative 2.5 GPA and not be on academic or disciplinary suspension at the time of admission and date of entry into the program.
  - H. At the time of entry to the program, show evidence of completion of the criminal background check required by the College.

### III. General Admission Procedures for the Radiologic Technology program

Prior to admission to the program, provide the TTC program coordinator with a completed, current Allied Health-Student Health Record. Applicants who meet College and program requirements will be considered qualified and will be admitted on a first-qualified, first-admitted basis. Qualified applicants will be sent a letter indicating the year and semester that they have been admitted.

*Note: Falsification of any information submitted will make a student ineligible for admission to or continuation in the Radiologic Technology program.*

### IV. Course Progression

In order to progress to the next semester once accepted into the program, students must:

1. Earn a C or better in the lecture, laboratory and clinical components of all Radiologic Technology courses.
2. Earn a satisfactory grade of S on professional development evaluation.
3. Earn a C or better in all prerequisite and corequisite and general education courses (laboratory science must have been completed within five years of admission).
4. Earn a C or better in all general education courses (support courses) required for the Radiologic Technology program.
5. Maintain a minimum 2.0 cumulative GPA throughout the program.
6. Successfully meet a stringent clinical attendance policy.

### Readmission to a Program

Students who receive a W, D or F in a prerequisite or corequisite course may request consideration for readmission to the Radiologic Technology program. Readmission to the program is not automatic. See the Allied Health Sciences overview.

### Recommended Sequence of Courses

#### Prerequisite

MAT 110	College Algebra	3
		<b>Total 3</b>

#### First Semester – Summer

AHS 110	Patient Care Procedures	2
BIO 210	Anatomy and Physiology I	4
ENG 101	English Composition I	3

## Respiratory Care

### Associate in Health Science

#### Credit Requirements: 83-84 Semester Credit Hours

Respiratory care is an allied health specialty that focuses on the treatment, management, control, diagnostic evaluation and care of patients with deficiencies and abnormalities associated with the cardiopulmonary system.

TTC's Respiratory Care program prepares students for employment as advanced-level respiratory care practitioners. The program is accredited by the Commission on Accreditation of Allied Health Educational Programs in cooperation with the Committee on Accreditation for Respiratory Care. Graduates are eligible to take the certification and registry examinations administered by the National Board for Respiratory Care, Inc.

#### Admission Requirements

Applicants will be admitted to this program on a first-qualified, first-admitted basis. Applicants are considered to be qualified for admission to the

next available class when they meet all College and program requirements. Classes in this program begin Summer Semester.

### APPLICANTS MUST COMPLETE ALL OF THE FOLLOWING REQUIREMENTS

#### I. General College Admission Requirements

Achieve admission to TTC by meeting the College's requirements for associate degree programs. Please note that applicants not achieving appropriate test scores will be required to complete courses indicated by placement test scores.

*Note: Admission to the College does not guarantee admission to the Respiratory Care program.*

#### II. Program Admission Requirements

Applicants should ensure that documentation of each of the following admission requirements is on file in the Admissions office as soon as it is completed. Information may be submitted in person or by mail to:

Trident Technical College  
Admissions Office, AM-M  
(Student Center, Bldg. 410, Room 110)  
P.O. Box 118067  
Charleston, SC 29423-8067

- A. Achieve qualifying scores on the College's placement test, SAT or ACT. Contact an academic advisor and complete all courses indicated by placement test scores.
- B. Complete an Allied Health application for the Respiratory Care program.

*Note: When the number of applicants qualifying at the same time exceeds the number of spaces available in this program, admission will be prioritized according to the date and time that the Allied Health application was received in the Admissions office.*

- C. Submit proof of arithmetic competencies by completing one of the following:
  - 1. Achieve the appropriate score on the SAT, ACT or TTC's placement test,
- OR
- 2. Complete MAT 102 Intermediate Algebra

OR

3. Complete an intermediate algebra course equivalent to MAT 102 with a minimum grade of C from an approved, regionally accredited postsecondary institution.

- D. Provide proof of high school graduation or equivalent by submitting a copy of your high school transcript, diploma or GED.
- E. Satisfy academic probation/suspension requirements, if applicable, by providing proof of a minimum 2.5 GPA on all college course work by submitting copies of official transcripts, excluding TTC transcripts, to the Admissions office; or complete 10 semester credit hours with a minimum grade of C in each course and a cumulative 2.5 GPA. At least one of these courses must be a laboratory science. Laboratory sciences must have been completed within five years of the admission date with a minimum grade of C.
- F. A minimum cumulative 2.5 GPA is required at the time of admission. Students cannot be on academic or disciplinary suspension at date of entry into the program.
- G. Submit a completed observation/volunteer form showing evidence of a minimum of two hours of observation/volunteer work in a respiratory care department. These hours must be in an intensive care unit. Contact the program faculty at 843.574.6101 or 843.574.6023 for assistance in meeting this requirement. Forms can be obtained from and should be returned to the Admissions office.
- H. At the time of entry to the program, show evidence of completion of the criminal background check required by the College.

### III. General Admission Procedures for the Respiratory Care Program

Prior to admission to the program, provide the TTC program coordinator with a completed, current Allied Health-Student Health Record. Applicants who meet College and program requirements will be considered qualified and will be admitted on a first-qualified, first-

admitted basis. Qualified applicants will be sent a letter indicating the year and semester that they have been admitted.

*Note: Falsification of any information submitted will make a student ineligible for admission to or continuation in the Respiratory Care program.*

### Readmission to a Program

Students who receive a W, D or F in a prerequisite or corequisite Respiratory Care course may request consideration for readmission to the Respiratory Care program. Readmission to the program is not automatic. See the Allied Health Sciences overview.

### Course Progression

To progress to the next Respiratory Care course, students must:

1. Earn a C or better in the lecture, laboratory and clinical components of Respiratory Care courses.
2. Earn a satisfactory grade of S on all professional development evaluations.

### Recommended Sequence of Courses

## Veterinary Technology

### Associate in Health Science

#### Credit Requirements: 77 Semester Credit Hours

##### Full-time

The Veterinary Technology curriculum prepares graduates to assist large and small animal veterinarians, as well as provide opportunities for careers in research laboratories and pharmaceutical and veterinary supply businesses.

Veterinary technicians assist by obtaining and recording information about cases, preparing animals for medical and surgical procedures, obtaining specimens, performing laboratory procedures, applying bandages and splints, assisting with anesthesia and surgery, and many other challenging tasks.

This program is offered in two formats: a program for full-time students and a program for part-time students.

#### Admission Requirements

Applicants will be admitted to this program on a first-qualified, first-admitted basis. Applicants are considered to be qualified for admission to the next available class when they meet all College and program requirements. Classes for the full-time format begin each Fall Semester. Classes for the part-time format begin each Spring Semester.

#### APPLICANTS MUST COMPLETE ALL OF THE FOLLOWING REQUIREMENTS

##### I. General College Admission Requirements

Achieve admission to TTC by meeting the College's requirements for associate degree programs. Please note that applicants not achieving appropriate test scores will be required to complete courses indicated by placement test scores.

*Note: Admission to the College does not guarantee admission to the Veterinary Technology program.*

##### II. Program Admission Requirements

Applicants should ensure that documentation of each of the following admission requirements is on file in the Admissions office as soon as it is completed. Information may be submitted in person or by mail to:

Trident Technical College  
Admissions Office, AM-M  
(Student Center, Bldg. 410, Room 110)  
P.O. Box 118067  
Charleston, SC 29423-8067

- A. Achieve qualifying scores on the College's placement test, SAT or ACT. Contact an academic advisor and complete all courses indicated by placement test scores.
- B. Complete an Allied Health application for the Veterinary Technology program.

*Note: When the number of applicants qualifying at the same time exceeds the number of spaces available in this program, admission will be prioritized according to the date and time that the Allied Health application was received in the Admissions office.*

- C. Attend an advising session and obtain a signed statement from a program faculty member verifying attendance.
- D. Submit proof of algebra, biology, chemistry and English competencies by completing one requirement each in:

##### Algebra

- 1. Achieve the appropriate score on the SAT, ACT or TTC's placement test,

OR

- 2. Complete MAT 101 Beginning Algebra with a minimum grade of C,

OR

3. Complete a beginning algebra course equivalent to MAT 101 with a minimum grade of C from an approved, regionally accredited postsecondary institution.

#### **Biology**

1. BIO 101 Biological Science with a minimum grade of C,

OR

2. Complete four semester credit hours of equivalent biology with a minimum grade of C from an approved, regionally accredited postsecondary institution within the last five years.

#### **English**

1. Complete ENG 101 English Composition I or its equivalent with a minimum of a C average.
- E. Provide proof of high school graduation or equivalent by submitting a copy of your high school transcript, diploma or GED.
- F. Satisfy academic probation/suspension requirements, if applicable, by providing proof of a minimum 2.0 GPA on all college course work by submitting copies of official transcripts, excluding TTC transcripts, to the Admissions office; or complete 10 semester credit hours with a minimum grade of C in each course, and a cumulative 2.0 GPA. At least one of these courses must be a laboratory science. Laboratory sciences must have been completed within five years of the admission date with a minimum grade of C.
- G. Provide proof of completion for the following courses with a minimum grade of C: VET 105, BIO 101, ENG 101. BIO 101 must have been taken within the last five years. To exempt the VET 105 requirement, provide documentation of at least six months of full-time employment in a veterinary hospital setting.
- H. Maintain a minimum cumulative 2.0 GPA and not be on academic or disciplinary suspension at the time of admission and date of entry into the program.
- I. Submit a completed observation/volunteer form showing evidence of a minimum of 20 hours of observation/

volunteer work in an animal care facility with a veterinarian present. Contact the program faculty at 843.899.8011 or 843.899.8086 for assistance in meeting this requirement. Forms can be obtained from and should be returned to the Admissions office.

- J. A rabies vaccination (optional) must be completed by the first day of class. Students who have already been vaccinated must provide proof of adequate blood titer (within previous two years). If a student elects not to receive rabies immunization, he/she must sign a waiver. Call the program coordinator at 843.899.8011.
- K. At the time of entry to the program, show evidence of completion of the criminal background check required by the College.

### **III. General Admission Procedures for the Veterinary Technology Program**

Prior to admission to the program, provide the TTC program coordinator with a completed, current Allied Health-Student Health Record. Applicants who meet College and program requirements will be considered qualified and will be admitted on a first-qualified, first-admitted basis. Qualified applicants will be sent a letter indicating the year and semester that they have been admitted.

*Note: Falsification of any information submitted will make a student ineligible for admission to or continuation in the Veterinary Technology program.*

#### **Readmission to a Program**

Students who receive a W, D or F in a prerequisite or corequisite Veterinary Technology course may request consideration for readmission to the Veterinary Technology program. Readmission to the program is not automatic. See the Allied Health Sciences overview.

#### **Course Progression**

To progress to the next Veterinary Technology course the student must:

1. Earn a C or better in the lecture, laboratory and clinical components of all Veterinary Technology courses.
2. Earn a satisfactory grade of S on all professional development evaluations.

# Veterinary Technology

## Associate in Health Science

**Credit Requirements: 77 Semester Credit Hours**

### Part-time

The Veterinary Technology curriculum prepares graduates to assist large and small animal veterinarians, as well as provides opportunities for careers in research laboratories and pharmaceutical and veterinary supply businesses.

Veterinary technicians assist by obtaining and recording information about cases, preparing animals for medical and surgical procedures, obtaining specimens, performing laboratory procedures, applying bandages and splints, assisting with anesthesia and surgery, and many other challenging tasks.

This program is offered in two formats: a program for full-time students and a program for part-time students.

### Admission Requirements

Applicants will be admitted to this program on a first-qualified, first-admitted basis. Applicants are considered to be qualified for admission to the next available class when they meet all College and program requirements. Classes for the part-time format begin each Spring Semester.

### APPLICANTS MUST COMPLETE ALL OF THE FOLLOWING REQUIREMENTS

#### I. General College Admission Requirements

Achieve admission to TTC by meeting the College's requirements for associate degree programs. Please note that applicants not achieving appropriate test scores will be required to complete courses indicated by placement test scores.

*Note: Admission to the College does not guarantee admission to the Veterinary Technology program.*

#### II. Program Admission Requirements

Applicants should ensure that documentation of each of the following admission requirements is on file in the Admissions office as soon as it is completed. Information may be submitted in person or by mail to:

Trident Technical College  
Admissions Office, AM-M  
(Student Center, Bldg. 410, Room 110)  
P.O. Box 118067  
Charleston, SC 29423-8067

- A. Achieve qualifying scores on the College's placement test, SAT or ACT. Contact an academic advisor and complete all courses indicated by placement test scores.
- B. Complete an Allied Health application for the Veterinary Technology program.

*Note: When the number of applicants qualifying at the same time exceeds the number of spaces available in this program, admission will be prioritized according to the date and time that the Allied Health application was received in the Admissions office.*

- C. Attend an advising session and obtain a signed statement from a program faculty member verifying attendance.
- D. Submit proof of algebra, biology, chemistry and English competencies by completing one requirement each:

#### **Algebra**

- 1. Achieve the appropriate score on the SAT, ACT or TTC's placement test,

OR

- 2. Complete MAT 101 Beginning Algebra with a minimum grade of C,

OR

- 3. Complete a beginning algebra course equivalent to MAT 101 with a minimum grade of C from an approved, regionally accredited postsecondary institution.

#### **Biology**

- 1. BIO 101 Biological Science with a minimum grade of C taken within the last five years,

OR

- 2. Complete three semester credit hours of equivalent biology with a minimum grade of C from an approved, regionally accredited postsecondary institution within the last five years.

#### **English**

- 1. Complete ENG 101 English Composition I or its equivalent with a minimum of a C average.
- E. Provide proof of high school graduation or equivalent by submitting a copy of your high school transcript, diploma or GED.

- F. Satisfy academic probation/suspension requirements, if applicable, by providing proof of a minimum 2.0 GPA on all college course work by submitting copies of official transcripts, excluding TTC transcripts, to the Admissions office; or complete 10 semester credit hours with a minimum grade of C in each course, and a cumulative 2.0 GPA. At least one of these courses must be a laboratory science. Laboratory sciences must have been completed within five years of the admission date with a minimum grade of C.
- G. Maintain a minimum cumulative 2.0 GPA and not be on academic probation or suspension at the time of admission and date of entry into the program.
- H. To exempt the VET 105 requirement, provide documentation of at least six months of full-time employment in a veterinary hospital setting.
- I. A rabies vaccination (optional) must be completed by the first day of class. Students who have already been vaccinated must provide proof of adequate blood titer (within previous two years must be provided). If a student elects not to receive rabies immunization, he/she must sign a waiver. Call the program coordinator at 843.899.8011.
- J. Submit a completed observation/volunteer form showing evidence of a minimum of 20 hours of observation/volunteer work in an animal care facility with a veterinarian present. Contact the program faculty at 843.899.8011 or 843.899.8086 for assistance in meeting this requirement. Forms can be obtained from and should be returned to the Admissions office.
- K. At the time of entry to the program, show evidence of completion of the criminal background check required by the College.

### **III. General Admission Procedures for the Veterinary Technology Program**

Prior to admission to the program, provide the TTC program coordinator with a completed, current Allied Health-Student Health Record. Applicants who meet the College and program requirements will be considered qualified and

will be admitted on a first-qualified, first-admitted basis. Qualified applicants will be sent a letter indicating the year and semester that they have been admitted.

*Note: Falsification of any information submitted will make a student ineligible for admission to or continuation in the Veterinary Technology program.*

### Readmission to a Program

Students who receive a W, D or F in a prerequisite or corequisite Veterinary Technology course may request consideration for readmission to the Veterinary Technology program. Readmission to the program is not automatic. See the Allied Health Sciences overview.

### Course Progression

To progress to the next Veterinary Technology course the student must:

1. Earn a C or better in the lecture, laboratory and clinical components of all Veterinary Technology courses.
2. Earn a satisfactory grade of S on all professional development evaluations.

### Recommended Sequence of Courses

## Expanded Duty Dental Assisting

### Diploma: Health Science

#### Credit Requirements: 46 Semester Credit Hours Full-time

The Expanded Duty Dental Assisting program prepares students for dental assisting procedures under the direct supervision of a licensed dentist. The program is accredited by the Commission on Dental Accreditation of the American Dental Association. Graduates are certified in infection control and radiation health and safety and are eligible for certification in monitoring nitrous oxide sedation by the South Carolina State Board of Dentistry. Upon satisfactory completion of the Dental Assisting National Board, graduates are designated certified dental assistants.

### Admission Requirements

Applicants will be admitted to this program on a first-qualified, first-admitted basis. Applicants are considered to be qualified for admission to the next available class when they meet all College

and program requirements. Classes in this program begin Fall Semester.

## **APPLICANTS MUST COMPLETE ALL OF THE FOLLOWING REQUIREMENTS**

### **I. General College Admission Requirements**

Achieve admission to the College by meeting TTC's requirements for diploma programs. Please note that applicants not achieving appropriate test scores will be required to complete courses indicated by placement test scores.

*Note: Admission to the College does not guarantee admission to the Expanded Duty Dental Assisting program.*

### **II. Program Admission Requirements**

Applicants should ensure that documentation of each of the following admissions requirements is on file in the Admissions office as soon as it is completed. Information may be submitted in person or by mail to:

Trident Technical College  
Admissions Office, AM-M  
(Student Center, Bldg. 410, Room 110)  
P.O. Box 118067  
Charleston, SC 29423-8067

- A. Achieve qualifying scores on the College's placement test, SAT or ACT. Contact an academic advisor and complete all courses indicated by placement test scores.
- B. Complete all courses indicated by TTC's placement test, SAT or ACT scores, if applicable.
- C. Complete an Allied Health application for the program.

*Note: When the number of applicants qualifying at the same time exceeds the number of spaces available in this program, admission will be prioritized according to the date and time that the Allied Health application was received in the Admissions office.*

- D. Attend an advising session and obtain a signed statement from a program faculty member verifying attendance. See list of academic advisors published in *On Course*.

- E. Provide proof of high school graduation or equivalent by submitting a copy of your high school transcript, diploma or GED.
- F. Satisfy academic probation/suspension requirements, if applicable, by providing proof of a minimum 2.0 GPA on all college course work by submitting official copies of college transcripts to the Admissions office, other than TTC transcripts, OR, complete six semester credit hours with a minimum grade of C in each course, and a cumulative 2.0 GPA.
- G. Maintain a minimum cumulative 2.0 GPA and not be on academic or disciplinary suspension at the time of admission and date of entry into the program.
- H. Achieve the appropriate math score on TTC's placement test.
- I. Submit proof of a minimum of five hours of observation of a certified dental assistant or a graduate of an ADA accredited dental assisting program working in a dental practice. The applicant is responsible for arranging the observation time.
- J. At the time of entry to the program, show evidence of completion of the criminal background check required by the College.

### **III. General Admission Procedures for the Expanded Duty Dental Assisting program**

Prior to admission to the program, provide the TTC program coordinator with a completed, current Allied Health-Student Health Record. Applicants who meet College and program requirements will be considered qualified and will be admitted on a first-qualified, first-admitted basis. Qualified applicants will be sent a letter indicating the year and semester that they have been admitted.

*Note: Falsification of any information submitted will make a student ineligible for admission to or continuation in the Expanded Duty Dental Assisting program.*

### **Readmission to a Program**

Students who receive a W, D or F in a prerequisite or corequisite course may request

consideration for readmission to the program. Readmission to the program is not automatic. Specific policies and procedures for readmission are listed in the Dental Services Department Policies and Procedures Manual. See the Allied Health Sciences overview.

**Course Sequence and Progression**

To progress to the next Expanded Duty Dental Assisting course, the student must:

- 1. Achieve a grade of C or better in each professional course.
- 2. Achieve a grade of C or better in all prerequisites and corequisites for professional courses and all support classes.

## Medical Assisting

### Diploma: Health Science

#### Credit Requirements: 52 Semester Credit Hours

The Medical Assisting program prepares students to help other health care providers examine and treat patients and perform routine tasks needed to keep offices running smoothly. Duties may be administrative, clinical or both. Students who work in a small office or health care facility may handle both clinical and clerical duties. Students working in an office with a sizable staff will probably specialize in either the clinical or administrative aspects of the job.

The Medical Assisting program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Curriculum Review Board of the American Association of Medical Assistants Endowment (CRB-AAMAE). CAAHEP, 1361 Park St., Clearwater, FL 33756, 727.210.2350. Graduates of the program are eligible to take the national AAMA certification examination.

#### Admission Requirements

Applicants will be admitted to this program on a first-qualified, first-admitted basis. Applicants are considered to be qualified for admission to the

next available class when they meet all College and program requirements. The program begins Summer Semester.

#### APPLICANTS MUST COMPLETE ALL OF THE FOLLOWING REQUIREMENTS

##### I. General College Admission Requirements

Achieve admission to the College by meeting TTC's requirements for diploma programs. Please note that applicants not achieving appropriate test scores will be required to complete courses indicated by placement test scores.

*Note: Admission to the College does not guarantee admission to the Medical Assisting program.*

##### II. Program Admission Requirements

Applicants should ensure that each of the following admission requirements is on file in the Admissions office as soon as it is completed. Information may be submitted in person or by mail to:

Trident Technical College  
Admissions Office, AM-M  
(Student Center, Bldg. 410, Room 110)  
P.O. Box 118067  
Charleston, SC 29423-8067

- A. Achieve qualifying scores on the College's placement test, SAT or ACT. Contact an academic advisor and complete all courses indicated by placement test scores.
- B. Complete an Allied Health application for the Medical Assisting program.

*Note: When the number of applicants qualifying at the same time exceeds the number of spaces available in this program, admission will be prioritized according to the date and time that the Allied Health application was received in the Admissions office.*

- C. Attend an advising session and obtain a signed statement from a program faculty advisor verifying attendance. Advising session schedules are posted on the bulletin board located on the second floor of the Health Sciences Building (Bldg. 630), Room 206.
- D. Provide proof of high school graduation or equivalent by submitting a copy of

your high school transcript, diploma or GED.

- E. Satisfy academic probation/suspension requirements, if applicable, by providing proof of a minimum 2.0 GPA on all college course work by submitting official copies of college transcripts to the Admissions office, other than TTC transcripts, OR, complete six semester credit hours with a minimum grade of C in each course, and a cumulative 2.0 GPA.
- F. Achieve the appropriate math score on TTC's placement test  
OR
  1. Complete MAT 101 Beginning Algebra with a minimum grade of C,
  - OR
  2. Complete a beginning algebra course equivalent to MAT 101 with a minimum grade of C from an approved, regionally accredited postsecondary institution.
- G. Provide proof of current CPR certification. Students must maintain a current CPR card through entire program.
- H. Provide proof of keyboarding skills by completing AOT 105 Keyboarding or high school keyboarding with a minimum grade of C.
- I. Maintain a minimum cumulative 2.0 GPA and not be on academic or disciplinary suspension at the time of admission and date of entry into the program.
- J. At the time of entry to the program, show evidence of completion of the criminal background check required by the College.
- K. AHS 104 Medical Vocabulary/Anatomy completed within five years.

*Note: Students who intend to complete the Associate Degree in Occupational Technology need to complete appropriate prerequisites for the math and English requirements.*

### III. General Admission Procedures for the Medical Assisting Program

Prior to admission to the program, provide the TTC program coordinator with a completed, current Allied Health-Student Health Record. Applicants who meet College and program requirements will be considered qualified and will be admitted on a first-qualified, first-admitted basis. Qualified applicants will be sent a letter indicating the year and semester that they have been admitted.

*Note: Falsification of any information submitted will make a student ineligible for admission to or continuation in the Medical Assisting program.*

### IV. Course Progression

In order to progress to the next semester once accepted into the program, students must:

1. Earn a C or better in the lecture, laboratory and clinical components of all Medical Assisting courses.
2. Earn a satisfactory grade of S on professional development evaluation.
3. Earn a C or better in all prerequisite, corequisite and support courses.
4. Maintain a minimum 2.0 cumulative GPA throughout the program.
5. Successfully meet a stringent clinical attendance policy.

### Readmission to a Program

Students who receive a W, D or F in a prerequisite or corequisite course may request consideration for readmission to the Medical Assisting program. Readmission to the program is not automatic. See the Allied Health Sciences overview.

*\*Students who intend to pursue an Associate in Occupational Technology should select ENG 101.*

## Ophthalmic Clinical Assistant

### Diploma in Health Science

#### Credit Requirements: 49 Semester Credit Hours

The Ophthalmic Clinical Assistant program prepares students to provide support services to ophthalmologists and optometrists. The ophthalmic clinical assistant is an important member of the eye care team, supplying vital information to the doctor who is treating the patient.

### Admission Requirements

Applicants will be admitted to this program on a first-qualified, first admitted basis. Applicants are considered to be qualified for admission to the next available class when they meet all College and program requirements.

### APPLICANTS MUST COMPLETE ALL OF THE FOLLOWING REQUIREMENTS

- I. **General College Admission Requirements**  
Achieve admission to the College by meeting TTC's requirements for diploma programs. Please note that applicants not achieving appropriate test scores will be required to complete courses indicated by placement test scores.

*Note: Admission to the College does not guarantee admission to the Ophthalmic Clinical Assisting program.*

- II. **Program Admission Requirements**  
Applicants should ensure that each of the following admission requirements is on file in the Admissions office as soon as it is completed. Information may be submitted in person or by mail to:

Trident Technical College  
Admissions Office, AM-M  
(Student Center, Bldg. 410, Room 110)  
P.O. Box 118067  
Charleston, SC 29423-8067

- A. Achieve qualifying scores on the College's placement test, SAT or ACT. Contact an academic advisor and complete all courses indicated by placement test scores.
- B. Complete an Allied Health application for the Ophthalmic Clinical Assisting program.

*NOTE: When the number of applicants qualifying at the same time exceeds the number of spaces available in this program, admission will be prioritized according to the date and time that the Allied Health application was received in the Admissions office.*

- C. Attend an advising session and obtain a signed statement from a program faculty advisor verifying attendance. Advising session schedules are posted on the bulletin board located on the second floor of the Health Sciences Building (Bldg. 630), Room 206.
- D. Provide proof of high school graduation or equivalent by submitting a copy of your high school transcript, diploma or GED.
- E. Satisfy academic probation/suspension requirements, if applicable, by providing proof of a minimum 2.0 GPA on all college course work by submitting official copies of college transcripts to the Admissions office, other than TTC transcripts, OR, complete six semester credit hours with a minimum grade of C in each course, and a cumulative 2.0 GPA.
- F. Achieve the appropriate math score on TTC's placement test  
OR  
1. Complete MAT 101 Beginning Algebra with a minimum grade of C,  
OR  
2. Complete a beginning algebra course equivalent to MAT 101 with a minimum grade of C from an approved, regionally accredited

- postsecondary institution.
- G. Achieve the appropriate reading score on the TTC placement test, SAT or ACT  
OR  
Complete RDG 100 Critical Reading with a minimum grade of C.
- H. Achieve the appropriate English score on the TTC placement test, SAT or ACT  
OR  
Complete ENG 100 Introduction to Composition with a minimum grade of C.
- I. Provide proof of current CPR certification. Students must maintain a current CPR card through entire program.
- J. Maintain a minimum cumulative 2.0 GPA and not be on academic or disciplinary suspension at the time of admission and date of entry into the program.
- K. At the time of entry to the program, show evidence of completion of the criminal background check required by the College.
- L. Prior to admission to the program, provide the TTC program coordinator with a completed, current Allied Health–Student Health Record.

**Recommended Sequence of Courses**

**First Semester – Fall**

BIO 115	Basic Microbiology	3

## Pharmacy Technician

### Diploma: Health Science

#### Credit Requirements: 42 Semester Credit Hours

The Pharmacy Technician program is accredited by the American Society of Health System Pharmacists. The Pharmacy Technician program prepares students to perform, within the health care setting, a variety of technical duties related to the preparation and dispensing of medication under the direct supervision of a registered pharmacist.

#### Admission Requirements

Applicants will be admitted to this program on a first-qualified, first-admitted basis. Applicants are considered to be qualified for admission to the next available class when they meet all College and program requirements. Classes in this program begin Fall Semester.

#### APPLICANTS MUST COMPLETE ALL OF THE FOLLOWING REQUIREMENTS

##### I. General College Admission Requirements

Achieve admission to the College by meeting TTC's requirements for diploma programs. Please note that applicants not achieving appropriate test scores will be required to complete courses indicated by placement test scores.

*Note: Admission to the College does not guarantee admission to the Pharmacy Technician program.*

##### II. Program Admission Requirements

Applicants should ensure that each of the following admission requirements is on file in the Admissions office as soon as it is completed. Information may be submitted in person or by mail to:

Trident Technical College  
Admissions Office, AM-M  
(Student Center, Bldg. 410, Room 110)  
P.O. Box 118067  
Charleston, SC 29423-8067

- A. Achieve qualifying scores on the College's placement test, SAT or ACT. Contact an academic advisor and complete all courses indicated by placement test scores.
- B. Achieve the appropriate score on TTC's placement test  
OR
  - 1. Complete MAT 102 Intermediate Algebra with a minimum grade of C,
- OR
  - 2. Complete an intermediate algebra course equivalent to MAT 102 with a minimum grade of C from an approved, regionally accredited postsecondary institution.
- C. Achieve the appropriate sentence skills scores on TTC's placement test  
OR
  - 1. Complete English 100 Introduction to Composition with a minimum grade of C,
- OR
  - 2. Complete an introductory English composition course with a minimum grade of C.

*Note: Students who intend to complete the Associate Degree in Occupational Technology need to complete appropriate prerequisites for the English requirement.*

- D. Complete an Allied Health application for the Pharmacy Technician program.

*Note: When the number of applicants qualifying at the same time exceeds the number of spaces available in this program, admission will be prioritized according to the date and time that the Allied Health application was received in the Admissions office.*

- E. Attend an advising session and obtain a signed statement from a program faculty member verifying attendance. See the list of academic advisors published in *On Course*.

- F. Provide proof of high school graduation or equivalent by submitting a copy of your high school transcript, diploma or GED.
- G. Satisfy academic probation/suspension requirements, if applicable, by providing proof of a minimum 2.0 GPA by submitting official copies of college transcripts, other than TTC transcripts, to the Admissions office, OR, complete six semester credit hours with a minimum grade of C in each course, and a cumulative 2.0 GPA.
- H. Maintain a minimum cumulative 2.0 GPA and not be on academic or disciplinary suspension at the time of admission and date of entry into the program.
- I. At the time of entry to the program, show evidence of completion of the criminal background check and drug screening required by the College. Students entering the Administrative Office Technology program may submit a letter of recommendation from their employer in lieu of a background check.

### III. General Admission Procedures for the Pharmacy Technician program

Prior to admission to the program, provide the TTC program coordinator with a completed, current Allied Health-Student Health Record. Applicants who meet College and program requirements will be considered qualified and will be admitted on a first-qualified, first-admitted basis. Qualified applicants will be sent a letter indicating the year and semester that they have been admitted.

You must receive a satisfactory background check (SLED) before the mandatory program orientation session. Note: S.C. Code of Law prohibits pharmacies from employing anyone who has been convicted of a felony offense relating to controlled substances.

*Note: Falsification of any information submitted will make a student ineligible for admission to or continuation in the Pharmacy Technician program.*

### IV. Course Progression

In order to progress to the next semester once accepted into the program, students must:

- 1. Earn a C or better in the lecture, laboratory and clinical components of all Pharmacy Technician courses.
- 2. Earn a satisfactory grade of S on professional development evaluations.
- 3. Earn a C or better in all prerequisite, corequisite and support courses.
- 4. Maintain a minimum 2.0 cumulative GPA throughout the program.
- 5. Successfully meet a stringent clinical attendance policy.

### Readmission to a Program

Students who receive a W, D or F in a prerequisite, corequisite or PHM course may request consideration for readmission to the Pharmacy Technician program. Readmission to the program is not automatic. See the Allied Health Sciences overview.

### Recommended Sequence of Courses

PSY 201	General Psychology	3
***SPC 205	Public Speaking	3
ELE AHS	Select one course that will satisfy your future career path.	3
Total 14		

- \* Students planning to enter the MLT program should choose BIO 112 and CHM 110 instead of BIO 210 and BIO 211; students planning to enter the Veterinary Technology program must substitute either BIO 101 or BIO 115.
- \*\* Students planning to enter the Dental Hygiene, Physical Therapist Assistant, Occupational Therapy Assistant, and Veterinary Technology programs may substitute MAT 120; RES students must take MAT 110.
- \*\*\* May substitute SPC 209 for SPC 205. RES students may substitute HSS 201.

# Massage Therapy

## Certificate: Health Science Credit Requirements: 30 Semester Credit Hours Full-time

The Massage Therapy program prepares a student for employment as a massage therapist. Swedish, sports and deep tissue massage techniques are emphasized. Chair massage, neuromuscular therapy and Eastern massage techniques also are introduced.

Employment opportunities include private practice, physical fitness facilities, hotels/resorts, sports medicine clinics and health care facilities.

Graduates are eligible to take the National Certification Examination administered by the National Certification Board for Therapeutic Massage and Bodywork.

## Admission Requirements

Applicants will be admitted to this program on a first-qualified, first-admitted basis. Applicants are considered to be qualified for admission to the next available class when they meet all College and program requirements. Classes in this program begin Fall Semester.

### APPLICANTS MUST COMPLETE ALL OF THE FOLLOWING REQUIREMENTS

#### I. General College Admission Requirements

Achieve admission to the College by meeting TTC's requirements for certificate programs. Please note that applicants not achieving appropriate test scores will be required to complete courses indicated by placement test scores.

*Note: Admission to the College does not guarantee admission to the Massage Therapy program.*

#### II. Program Admission Requirements

Applicants should ensure that each of the following admission requirements is on file in the Admissions office as soon as it is completed. Information may be submitted in person or by mail to:

Trident Technical College  
Admissions Office, AM-M  
(Student Center, Bldg. 410, Room 110)  
P.O. Box 118067  
Charleston, SC 29423-8067

- A. Achieve qualifying scores on the College's placement test, SAT or ACT. Contact an academic advisor and complete all courses indicated by placement test scores.
- B. Complete an Allied Health application for the Massage Therapy program.

*Note: When the number of applicants qualifying at the same time exceeds the number of spaces available in this program, admission will be prioritized according to the date and time that the Allied Health application was received in the Admissions office.*

- C. Provide proof of high school graduation or equivalent by submitting a copy of your high school transcript, diploma or GED.
- D. Submit official copies of all college transcripts, other than TTC transcripts, to the Admissions office.

- E. Attend an advising session and obtain a signed statement from a program faculty member verifying attendance.
- F. Maintain a minimum cumulative 2.0 GPA for courses taken at TTC, and not be on academic suspension or disciplinary suspension at the time of admission and date of entry into the program.
- G. At the time of entry to the program, show evidence of completion of the criminal background check required by the College.

#### III. General Admission Procedures for the Massage Therapy Program

Prior to admission to the program, provide the TTC program coordinator with a completed, current Allied Health-Student Health Record. Applicants who meet College and program requirements will be considered qualified and will be admitted on a first-qualified, first-admitted basis. Qualified applicants will be sent a letter indicating the year and semester that they have been admitted.

#### Readmission to a Program

Students who receive a W, D or F in a prerequisite or corequisite course may request consideration for readmission to the Massage Therapy program. Readmission to the program is not automatic. See the Allied Health Sciences overview.

#### Recommended Sequence of Courses

##### First Semester – Fall

*BIO 112	Basic Anatomy and Physiology	4
MTH 120	Introduction to Massage	4
MTH 121	Principles of Massage I	4
MTH 124	Massage Business Applications	3
MTH 127	Principles of Massage III	3
		<b>Total 18</b>

##### Second Semester – Spring

AHS 106	Cardiopulmonary Resuscitation	1
*BIO 238	Musculoskeletal System Anatomy	3
MTH 122	Principles of Massage II	4
MTH 128	Clinical Applications of Massage Therapy	4
		<b>Total 12</b>

*\*BIO 112 is a prerequisite of BIO 238 and may not be taken at the same time.*

# Massage Therapy

**Certificate: Health Science**

**Credit Requirements: 30 Semester Credit Hours**

## **Part-time**

The Massage Therapy program prepares a student for employment as a massage therapist. Swedish, sports and deep tissue massage techniques are emphasized. Chair massage, neuromuscular therapy and Eastern massage techniques also are introduced.

Employment opportunities include private practice, physical fitness facilities, hotels/resorts, sports medicine clinics and health care facilities.

Graduates are eligible to take the National Certification Examination administered by the National Certification Board for Therapeutic Massage and Bodywork.

## **Admission Requirements**

Applicants will be admitted to this program on a first-qualified, first-admitted basis. Applicants are considered to be qualified for admission to the next available class when they meet all College and program requirements. Classes in this program begin Fall Semester.

## **APPLICANTS MUST COMPLETE ALL OF THE FOLLOWING REQUIREMENTS**

### **I. General College Admission Requirements**

Achieve admission to the College by meeting TTC's requirements for certificate programs. Please note that applicants not achieving appropriate test scores will be required to complete courses indicated by placement test scores.

*Note: Admission to the College does not guarantee admission to the Massage Therapy program.*

### **II. Program Admission Requirements**

Applicants should ensure that each of the following admission requirements is on file in the Admissions office as soon as it is completed. Information may be submitted in person or by mail to:

Trident Technical College  
Admissions Office, AM-M  
(Student Center, Bldg. 410, Room 110)  
P.O. Box 118067  
Charleston, SC 29423-8067

- A. Achieve qualifying scores on the College's placement test, SAT or ACT. Contact an academic advisor and complete all courses indicated by placement test scores.
- B. Complete an Allied Health application for the Massage Therapy program.

*Note: When the number of applicants qualifying at the same time exceeds the number of spaces available in this program, admission will be prioritized according to the date and time that the Allied Health application was received in the Admissions office.*

- C. Provide proof of high school graduation or equivalent by submitting a copy of your high school transcript, diploma or GED.
- D. Submit official copies of all college transcripts, other than TTC transcripts, to the Admissions office.
- E. Attend an advising session and obtain a signed statement from a program faculty member verifying attendance.
- F. Maintain a minimum cumulative 2.0 GPA for courses taken at TTC, and not be on academic suspension or disciplinary suspension at the time of admission and date of entry into the program.
- G. At the time of entry to the program, show evidence of completion of the criminal background check required by the College.

## Medical Record Coder

### Certificate: Health Science

#### Credit Requirements: 37 Semester Credit Hours

A medical record coder is a health information management professional who focuses on medical record management. Health care statistics, indexes, databases, regulatory requirements, procedural coding, billing and compliance are major components of this profession.

The Medical Recorder Coder program prepares students for employment as a medical record coder. Graduates will be eligible to take the certification and registry examinations administered by the American Health Information Management Association and American Academy of Professional Coders.

### Admission Requirements

Applicants will be admitted to this program on a first-qualified, first admitted basis. Applicants are considered to be qualified for admission to the next available class when they meet all TTC and program requirements. Classes begin Spring Semester.

## APPLICANTS MUST COMPLETE ALL OF THE FOLLOWING REQUIREMENTS

### I. General College Admission Requirements

Achieve admission to the College by meeting the College's requirements for certificate programs. Please note that applicants not achieving appropriate test scores will be required to complete courses indicated by placement test scores.

*Note: Admission to the College does not guarantee admission to the Medical Record Coder program.*

### II. Program Admission Requirements

Applicants should ensure that each of the following admission requirements is on file in the Admissions office as soon as it is completed. Information may be submitted in person or by mail to:

Trident Technical College  
Admissions Office, AM-M  
(Student Center, Bldg. 410, Room 110)  
P.O. Box 118067  
Charleston, SC 29423-8067

- A. Achieve qualifying scores on the College's placement test, SAT or ACT. Contact an academic advisor and complete all courses indicated by placement test scores.
- B. Complete an Allied Health application for the Medical Record Coder program.

*Note: When the number of applicants qualifying at the same time exceeds the number of spaces available in this program, admission will be prioritized according to the date and time that the Allied Health application was received in the Admissions office.*

- C. Provide proof of high school graduation or equivalent by submitting a copy of your high school transcript, diploma or GED.
- D. Satisfy academic probation/suspension requirements, if applicable, by providing proof of a minimum 2.0 GPA on all college course work by submitting official copies of college transcripts, other than TTC transcripts, OR, complete six semester hours with a minimum grade of C in each course, and a cumulative 2.0 GPA.

- E. Achieve the equivalent math score on TTC's placement test,  
OR  
Complete MAT 032 (Developmental Mathematics) with a minimum grade of C,  
OR  
Complete a math course equivalent to MAT 032 with a minimum grade of C from an approved, regionally accredited postsecondary institution.
- F. Achieve the equivalent English score on TTC's placement test,  
OR  
Complete ENG 100 with a minimum grade of C.
- G. Maintain a minimum cumulative 2.0 GPA for courses taken at TTC, and not be on academic probation/suspension or disciplinary suspension at the time of admission and date of entry into the program.
- H. Complete these prerequisite courses with a grade of C or better: AHS 104 Medical Vocabulary/Anatomy; BIO 112 Basic Anatomy and Physiology; CPT 101 Introduction to Computers; MAT 155 Contemporary Mathematics.
- I. At the time of entry to the program, show evidence of completion of the criminal background check required by the College.

### III. General Admission Procedures for the Medical Record Coder Program

Applicants who meet TTC and program requirements will be considered qualified and will be admitted on a first-qualified, first-admitted basis. Qualified applicants will be sent a letter indicating the year and semester that they have been admitted.

### IV. Course Progression

To progress to the next Medical Record Coder course, the student must meet the following requirements:

1. Earn a C or better in the lecture, laboratory and clinical components of all HIM courses.
2. Earn a satisfactory grade of S on all professional development evaluations.
3. Achieve a grade of C or better in all prerequisites and corequisites for professional courses.

### V. Readmission to the Medical Record Coder Program

Students who receive a W, D or F in a prerequisite, corequisite or HIM course may request consideration for readmission to the Medical Record Coder program. Readmission to the program is not automatic. See the Allied Health Sciences overview.

*Note: Falsification of any information submitted will make a student ineligible for admission to or continuation in the Medical Record Coder program.*

### Recommended Sequence of Courses

#### Prerequisites

AHS 104	Medical Vocabulary/Anatomy	3

HIM 264	Clinical Practice	4
		<b>Total 6</b>

# Phlebotomy

## Certificate: Health Science

### Credit Requirements: 15 Semester Credit Hours

Phlebotomists are responsible for collecting blood for laboratory testing. Phlebotomists assist in collection, transportation and basic lab procedures for many types of specimens, such as venous blood, arterial blood, urine, sputum and other body tissues.

Phlebotomy skills are needed by a wide variety of health care workers, including nurses, physicians, clinical assistants, patient care technicians, medical assistants, medical laboratory technicians, radiologic technicians and respiratory care personnel.

### Admission Requirements

Applicants will be admitted to this program on a first-qualified, first-admitted basis. Applicants are considered to be qualified for admission to the next available class when they meet all TTC and program requirements. New classes begin each Fall Semester. Students should be able to schedule two days of clinical experience during regular Monday-Friday daytime work hours.

### APPLICANTS MUST COMPLETE ALL OF THE FOLLOWING REQUIREMENTS

#### I. General College Admission Requirements

Achieve admission to the College by meeting TTC's requirement for certificate programs. Please note that applicants not achieving appropriate test scores will be required to complete courses indicated by placement test scores.

*Note: Admission to the College does not guarantee admission to the Phlebotomy program.*

#### II. Program Admission Requirements

Applicants should ensure that each of the following admission requirements is on file in the Admissions office as soon as it is completed. Information may be submitted in person or by mail to:

Trident Technical College  
Admissions Office, AM-M  
(Student Center, Bldg. 410, Room 110)  
P.O. Box 118067  
Charleston, SC 29423-8067

- A. Achieve qualifying scores on the College's placement test, SAT or ACT. Following College orientation, contact your academic advisor and complete all courses indicated by placement test scores.
- B. Complete an Allied Health application for the Phlebotomy program.

*Note: When the number of applicants qualifying at the same time exceeds the number of spaces available in this program, admission will be prioritized according to the date and time that the Allied Health application was received by the Admissions office.*

- C. Attend an advising session and obtain a signed statement from a program faculty advisor verifying attendance. (Advising schedules are available in Health Sciences Building, Bldg. 630, Room 206).
- D. Satisfy academic probation/suspension requirements, if applicable, by providing proof of a minimum 2.0 GPA on all college course work by submitting official copies of college transcripts, other than TTC transcripts, or  
Complete six semester credit hours with a minimum grade of C.
- E. Achieve the equivalent placement test score or complete MAT 101 with a minimum grade of C.
- F. Achieve the equivalent placement test score or complete ENG 032 with a grade of C.
- G. Complete AHS 142 no more than two semesters prior to the start of the Fall Phlebotomy program.
- H. Complete CPT 101 or equivalent course work with a grade of C or better.
- I. Maintain a minimum cumulative 2.0 GPA for courses taken at TTC, and not be on academic probation/suspension or disciplinary suspension at the time of admission and date of entry into the program.
- I. At the time of entry to the program, show evidence of completion of the criminal background check required by the college.

**III. General Admission Procedures for the Phlebotomy Program**

Prior to admission to the program, provide the TTC program coordinator with a completed, current Allied Health-Student Health Record and current certification in CPR. Applicants must also be able to meet the Essential Functions/Technical Standards while enrolled in this program. Copies of these standards are available from the Allied Health office in the Health Sciences Building (Bldg. 630), Room 206. Applicants who meet TTC and program requirements will be considered qualified and will be admitted on a first-qualified, first-admitted basis. Qualified applicants will be sent a letter indicating the year and semester that they have been admitted.

**IV. Readmission to the Phlebotomy Program**

Students who receive a W, D or F in a prerequisite, corequisite or AHS course may request consideration for readmission to the Phlebotomy program. Readmission to the program is not automatic. Contact the program coordinator for details. See the Allied Health Sciences overview.

*Note: Falsification of any information submitted will make a student ineligible for admission to or continuation in the Phlebotomy program.*

**Recommended Sequence of Courses**

**Prerequisites**

*AHS 106	Cardiopulmonary Resuscitation	1
**AHS 142	Phlebotomy	2
CPT 101	Introduction to Computers	3
		<b>Total 6</b>

**First Semester – Fall**

AHS 105	Medical Ethics and Law	2
AHS 143	Phlebotomy Skills	6
		<b>Total 8</b>

**Second Semester – Spring**

AHS 146	Phlebotomy Experience	7
		<b>Total 7</b>

*\*AHS 106 or proof of current CPR certification*  
*\*\*AHS 142 should be taken no more than two semesters prior to the start of the Fall Phlebotomy program.*

# **BUSINESS TECHNOLOGY**

## **Overview**

TTC's Business Technology programs are designed to prepare students for entry-level positions in business, industry and government. Responding to the needs of the growing business community, the Business Technology associate degree and certificate programs combine academic theory with hands-on training using state-of-the-art equipment. TTC's associate degree programs in Accounting, General Business, Management, Office Systems Technology and Computer Technology are accredited by the Association of Collegiate Business Schools and Programs.

## **General Information**

As with all TTC programs, students interested in Business Technology programs should consult with a faculty advisor to discuss program requirements, class times and frequency of offerings. For more information, call 843.574.6252.

## **Cancellation Policy**

TTC reserves the right to cancel courses due to inadequate enrollment.

## **Programs of Study**

## Telecommunications Systems Management

### Associate in Computer Technology

#### Credit Requirements: 72 Semester Credit Hours

The Telecommunications Systems Management program prepares students for entry level or higher positions as help desk and PC support, network administrators, network managers, network designers, network engineers, system administrators, routing and switching specialists, Linux/UNIX system administrators or network security specialists. Students have the option of acquiring a set of basic skills in a number of Information Technology disciplines or focusing in one discipline (for example, routing and switching) to acquire the higher level skill sets of a Cisco Certified Network Professional. With eight department electives, students can design the degree program which best fits their job requirements or their own goals and ambitions. Courses help students prepare for a myriad of IT vendor and vendor neutral certification exams. TTC is a Cisco Networking Academy for both the Cisco Certified Network Associate and the Cisco Certified Network Professional academic programs. TTC is also an MSDN Academic Alliance partner.

IST 204	Cisco Troubleshooting	3
<b>Total 6</b>		

# Cisco Certified Network Professional

**Certificate: Computer Technology**

**Credit Requirements: 12 Semester Credit Hours**

This program is delivered by TTC in its role as a Cisco Networking Academy. It provides students with advanced knowledge of networks. Students learn to install, configure, and operate LAN, WAN, and dial-access services for organizations with networks from 100 to more than 500 nodes including but not limited to these protocols and services: IP, IGRP, IPX, Async Routing, AppleTalk, Extended Access Lists, IP RIP, Route Redistribution, RIP, Route Summarization, OSPF, VLSM, BGP, Serial, Frame Relay, ISDN, ISL, X.25, DDR, PSTN, PPP, VLANs, Ethernet, Access Lists, 802.10, FDDI, and Transparent and Translational Bridging. Classes prepare students for the four exams required to obtain the Cisco Certified Network Professional credential.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test. The prerequisite for this program is IST 204 or possession of a valid Cisco Certified Network Associate (CCNA) credential.

## Recommended Sequence of Courses

### First Semester

IST 205	Cisco Advanced Routing	3
IST 206	Cisco Remote Access	3
<b>Total 6</b>		

### Second Semester

IST 207	Cisco Multilayer Switching	3
IST 208	Cisco Internetwork Troubleshooting	3
<b>Total 6</b>		

# Computer Game Design

**Certificate: Computer Technology**

**Credit Requirements: 24 semester Credit Hours**

The Computer Game Design Certificate provides students with the skills to understand and apply computer game design and development concepts. Students are prepared for entry-level employment in game design and related fields. Topics covered include game programming fundamentals, game math and physics, 2D and 3D graphics and animation.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

## Recommended Sequence of Courses

### First Semester

CPT 102	Basic Computer Concepts	3
CPT 232	C++ Programming I	3
ARV 217	Computer Imagery	3
<b>Total 9</b>		

### Second Semester

CPT 233	C++ Programming II	3
ARV 222	Computer Animation	3

<b>Total 9</b>		

### Third Semester

CPT 288	Computer Game Development	3
ARV 225	Advanced Computer Animation	3
<b>Total 6</b>		

# Computer Network Technician

**Certificate: Computer Technology**

**Credit Requirements: 27 Semester Credit Hours**

This program prepares you for network technician jobs. It is designed for students who are employed in businesses that use or plan to use a computer network and need on-site primary support. Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

## Recommended Sequence of Courses

### First Semester

CPT 102	Basic Computer Concepts	3
IST 166	Network Fundamentals	3
IST 220	Data Communications	3
<b>Total 9</b>		

### Second Semester

IST 161	Introduction to Network Administration	3
IST 190	Linux Essentials	3
IST 253	LAN Service and Support	3
<b>Total 9</b>		

### Third Semester

IST 164	Implementing Windows Network Infrastructure Services	3
IST 165	Implementing and Administering Windows Directory Services	3
IST 191	Linux System Administration	3
<b>Total 9</b>		

## Corporate Quality

### Certificate: Business

#### Credit Requirements: 24 Semester Credit Hours

This certificate program identifies the fundamentals of quality and management responsibilities in a total quality environment. This certificate also addresses statistical process control, manufacturing methods, cost-of-quality, corrective action procedures and auditing methods in both the manufacturing and service environments. This program provides students with the tools to better integrate and implement the principles and concepts of total quality in their work environment.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

#### Recommended Sequence of Courses

##### First Semester – Fall

MGT 235	Production Management	3
QAT 101	Introduction to Quality Assurance	3
QAT 105	Total Quality Systems	3
<b>Total 9</b>		

##### Second Semester – Spring

## Database

### Certificate: Computer Technology

#### Credit Requirements: 18 Semester Credit Hours

This certificate prepares students for employment with companies looking for database professionals. Starting with a basic computer class, students progress course by course to a skill level where they can work in any database environment. The curriculum uses both MS Access and Oracle to teach students how to design, build, manipulate and maintain business database management systems. You must be able to demonstrate basic computer skills through a credit course (CPT 101 or 102), transfer credit or credit by examination for CPT 101 or 102.

### Recommended Sequence of Courses

#### First Semester

CPT 102	Basic Computer Concepts	3
CPT 114	Computers and Programming	3

or

CPT 232	C++ Programming I	3
CPT 172	Microcomputer Database	3

**Total 9**

#### Second Semester

CPT 207	Complex Computer Applications	3
CPT 242	Database	3

**Total 6**

#### Third Semester

IST 272	Relational Database	3
---------	---------------------	---

**Total 3**

## e-Commerce

#### Certificate: Business

##### Credit Requirements: 27 Semester Credit Hours

This certificate provides students with a broad overview of Internet training and applications within a small business and marketing communication environment. The certificate introduces students the Internet and how it is changing business, communication, supply chain functions, marketing and trading practices. Additionally, students gain experience in Web site design, and the business opportunities and potential of e-Commerce.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

### Recommended Sequence of Courses

#### First Semester – Fall

BUS 210	Introduction to e-Commerce in Business	3
CPT 174	Microcomputer Spreadsheets	3
MGT 120	Small Business Management	3

**Total 9**

#### Second Semester – Spring

CPT 220	e-Commerce	3
CPT 270	Advanced Microcomputer Applications	3
MKT 110	Retailing	3

**Total 9**

### Third Semester – Summer

CPT 179	Microcomputer Word Processing	3
MGT 230	Managing Information Resources	3
MKT 260	Marketing Management	3

**Total 9**

## Information Processing

#### Certificate: Business

##### Credit Requirements: 36 Semester Credit Hours

The Information Processing certificate program provides you with entry-level information processing skills.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

### Recommended Sequence of Courses

#### First Semester

AOT 134	Office Communications	3
AOT 161	Records Management	3
*AOT 163	Word Processing	3
CPT 101	Introduction to Computers	3

**Total 12**

#### Second Semester

AOT 260	Office Word Processing Applications	3
AOT 265	Office Desktop Publishing	3
IST 225	Internet Communications	3
MKT 130	Customer Service Principles	3

**Total 12**

#### Third Semester

AOT 250	Advanced Information Processing	3
BUS 220	Business Ethics	3
CPT 172	Microcomputer Database	3
CPT 174	Microcomputer Spreadsheets	3

**Total 12**

*\*Prerequisite of AOT 105 or equivalent*

*\*\*Must be taken last semester*

## International Business

#### Certificate: Business

##### Credit Requirements: 26 Semester Credit Hours

This certificate develops the basic skills necessary to enter the international business environment. The certificate includes studies in the areas of international business, marketing and management. Students are exposed to the power of the Internet

along with cultural and political issues within the international business community. Students also study a foreign language(s) as a foundation to understanding the social and communication issues within that environment.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

**Recommended Sequence of Courses**

**First Semester – Fall**

BUS 250	Introduction to International Business	3
ECO 207	International Economics	3
CPT 220	e-Commerce	3
<b>Total 9</b>		

**Second Semester – Spring**

BUS 220	Business Ethics	3
PSC 220	Introduction to International Relations	3
ELE FLG1	Select a foreign language elective	4
<b>Total 10</b>		

**Third Semester – Summer**

BUS 176	International Marketing	3
ELE FLG1	Select a foreign language elective	4
<b>Total 7</b>		

# Internet Programming

**Certificate: Computer Technology**

**Credit Requirements: 18 Semester Credit Hours**

This certificate program prepares students for employment with companies looking for Internet programming professionals. Starting with a basic computer class, students progress course by course to a skill level where they can work in any Internet programming environment. The curriculum uses many of the current programming languages to teach students how to design, build, manipulate and maintain business Web sites. You must be able to demonstrate basic computer skills through a credit course (CPT 101 or 102), transfer credit or credit by examination for CPT 101 or 102.

**Recommended Sequence of Courses**

**First Semester**

CPT 102	Basic Computer Concepts	3
CPT 220	e-Commerce	3
CPT 114	Computers and Programming	3
<b>or</b>		
CPT 232	C++ Programming I	3
<b>Total 9</b>		

**Second Semester**

CPT 239	Active Server Pages	3
CPT 283	PHP Programming	3
IST 239	Datum and JavaScript	3
<b>Total 9</b>		

# Leadership Development

**Certificate: Business**

**Credit Requirements: 24 Semester Credit Hours**

This certificate program provides you with the necessary skills to succeed in the competitive workplace of the 21st century. Studies in leadership, supervision, business technology and decision making augment the traditional skills required in business and industry.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

**Recommended Sequence of Courses**

**First Semester – Fall**

BUS 220	Business Ethics	3
MGT 101	Principles of Management	3
BUS 210	Introduction to e-Commerce in Business	3
<b>Total 9</b>		

**Second Semester – Spring**

IDS 201	Leadership Development	3
MGT 160	Managerial Motivation	3
MGT 250	Situational Supervision	3
<b>Total 9</b>		

**Third Semester – Summer**

MGT 240	Management Decision Making	3
MGT 270	Managerial Communication	3
<b>Total 6</b>		

# Medical Office Specialist

**Certificate: Business**

**Credit Requirements: 35 Semester Credit Hours**

The Medical Office Specialist program prepares you for front office work in a physician's office. Courses cover medical vocabulary, document production and office procedures.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

**Recommended Sequence of Courses**

**First Semester – Fall**

AHS 104	Medical Vocabulary/Anatomy	3
AOT 134	Office Communications	3
AOT 161	Records Management	3
*AOT 163	Word Processing	3
<b>Total 12</b>		

**Second Semester – Spring**

**AOT 137	Office Accounting	3
AOT 212	Medical Document Production	3
AOT 260	Office Word Processing Applications	3
HIM 110	Health Information Science I	3
<b>Total 12</b>		

**Third Semester – Fall**

AHS 105	Medical Ethics and Law	2
AOT 252	Medical Systems and Procedures	3
HIM 130	Billing and Reimbursement	3
MGT 110	Office Management	3
<b>Total 11</b>		

*\*Prerequisite of AOT 105 or equivalent*

*\*\*May substitute ACC 101*

# Medical Transcriptionist

**Certificate: Business**

**Credit Requirements: 32 Semester Credit Hours**

The Medical Transcriptionist program prepares you to transcribe medical records. Courses cover medical terminology, human anatomy, physiology and skills in information processing. Medical transcriptionists are employed in hospitals, clinics, nursing homes and physicians' offices.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

**Recommended Sequence of Courses**

**First Semester – Fall**

AHS 104	Medical Vocabulary/Anatomy	3
AHS 170	Fundamentals of Disease	3
AOT 134	Office Communications	3
*AOT 163	Word Processing	3
<b>Total 12</b>		

**Second Semester – Spring**

AHS 121	Basic Pharmacology	2
AOT 122	Medical Transcription	3
AOT 260	Office Word Processing Applications	3
BIO 112	Basic Anatomy and Physiology	4
<b>Total 12</b>		

**Third Semester – Summer**

AHS 105	Medical Ethics and Law	2
AOT 222	Advanced Medical Transcription	3
AOT 254	Office Simulation	3
<b>Total 8</b>		

*\*Prerequisite of AOT 105 or equivalent*

# Microcomputer Business Applications

**Certificate: Computer Technology**

**Credit Requirements: 12 Semester Credit Hours**

The Microcomputer Business Applications program prepares you for microcomputer (personal computer) business applications specialist jobs. It is for students who are employed in businesses that use or want to use microcomputer word processing, spreadsheet and database software packages. Microsoft Windows, Word, Excel and Access are thoroughly explored in this program.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

**Recommended Sequence of Courses**

**First Semester**

CPT 179	Microcomputer Word Processing	3
CPT 101	Introduction to Computers	3
<b>or</b>		
CPT 102	Basic Computer Concepts	3
ACC 245	Accounting Applications	3
<b>or</b>		
CPT 174	Microcomputer Spreadsheets	3
<b>Total 9</b>		

<b>Second Semester</b>		
CPT 172	Microcomputer Database	3
	<b>Total</b>	<b>3</b>

## Microcomputer Expert User

**Certificate: Computer Technology**  
**Credit Requirements: 18 Semester Credit Hours**

The Microcomputer Expert User program trains students to the level of expert in all applications in the Microsoft Office suite and Microsoft FrontPage. It prepares students to take the Microsoft Office Expert Specialist certification exam. This exam provides a benchmark to validate users' skills in using Office. It measures their Office skills and proves their ability to get the most out of Office. A Microsoft Office Expert Specialist designation distinguishes a worker from his/her peers as truly knowledgeable in using Microsoft Office products and makes that individual more competitive in a tight job market.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test. You must be able to demonstrate basic computer skills through a credit course (CPT 101 or 102), transfer credit or credit by examination for CPT 101 or 102.

<b>Recommended Sequence of Courses</b>		
<b>First Semester</b>		
CPT 172	Microcomputer Database	3
CPT 179	Microcomputer Word Processing	3
ACC 245	Accounting Applications	3
<b>or</b>		
CPT 174	Microcomputer Spreadsheets	3
	<b>Total</b>	<b>9</b>

<b>Second Semester</b>		
CPT 207	Complex Computer Applications	3
CPT 220	e-Commerce	3
CPT 270	Advanced Microcomputer Applications	3
	<b>Total</b>	<b>9</b>

## Microcomputer Programming

**Certificate: Computer Technology**  
**Credit Requirements: 18 Semester Credit Hours**

This certificate program prepares students for employment with companies looking for programming professionals. Starting with a basic computer class, students progress in a step-by-step, class-by-class methodology that takes them to a skill level where they can work in any programming environment. The curriculum uses many of the current programming languages. You must be able to demonstrate basic computer skills through a credit course (CPT 101 or 102), transfer credit or credit by examination for CPT 101 or 102.

<b>Recommended Sequence of Courses</b>		
<b>First Semester</b>		
CPT 102	Basic Computer Concepts	3
CPT 172	Microcomputer Database	3
CPT 232	C++ Programming I	3
	<b>Total</b>	<b>9</b>

<b>Second Semester</b>		
CPT 233	C++ Programming II	3
	<b>Total</b>	<b>3</b>

<b>Third Semester</b>		
<b>Take two of the following three courses:</b>		
CPT 212	Visual Basic Programming	3
CPT 236	Introduction to Java Programming	3
CPT 244	Data Structures	3
	<b>Total</b>	<b>6</b>

## Microsoft Network Operations

**Certificate: Computer Technology**  
**Credit Requirements: 27 Semester Credit Hours**

This program prepares you for computer network operations specialist jobs. It is ideal if you are employed or are pursuing employment in a business that uses the Microsoft Windows Server operating system in a LAN and/or WAN environment. This program is designed to prepare you for the examinations required to achieve certification as a Microsoft Certified Systems Engineer (MCSE).

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

## Recommended Sequence of Courses

### First Semester

CPT 102	Basic Computer Concepts	3
IST 161	Introduction to Network Administration	3
IST 220	Data Communications	3
		<b>Total 9</b>

### Second Semester

IST 163	Internet Server Network Configuration	3
IST 165	Implementing and Administering Windows Directory Services	3
IST 166	Network Fundamentals	3
		<b>Total 9</b>

### Third Semester

IST 164	Implementing Windows Network Infrastructure Services	3
IST 259	Electronic Messaging	3
IST 263	Designing Windows Network Security	3
		<b>Total 9</b>

## Network Security

### Certificate: Computer Technology

#### Credit Requirements: 24 Semester Credit Hours

This program is designed for individuals who have experience or training in network operations. This program prepares you for network security specialist jobs. It is ideal if you are employed or are pursuing employment in a business that uses a LAN and WAN environment to accomplish its business objectives. This program presents the knowledge and skills needed to use the Internet as a secure link between corporate and partner LANs. It is designed to help you prepare for a number of certification examinations including CompTIA: Security+ and Microsoft: Designing Security for a Microsoft Windows Network.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

## Recommended Sequence of Courses

### First Semester

CPT 102	Basic Computer Concepts	3
IST 220	Data Communications	3
		<b>Total 6</b>

## Second Semester

IST 161	Introduction to Network Administration	3
IST 165	Implementing and Administering Windows Directory Services	3
IST 166	Network Fundamentals	3
		<b>Total 9</b>

### Third Semester

IST 263	Designing Windows Network Security	3
IST 293	IT and Data Assurance I	3
IST 294	IT and Data Assurance II	3
		<b>Total 9</b>

## Professional Accountancy

### Certificate: Business

#### Credit Requirements: 27 Semester Credit Hours

This certificate is designed for the nontraditional market not currently being served by the associate degree in accounting. For example, some individuals may need 24 or more accounting hours to advance in civil service or private business accounting positions.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test. Additionally, you should be able to demonstrate proficiency in accounting principles.

## Recommended Sequence of Courses

### First Semester

ACC 201	Intermediate Accounting I	3
ACC 124	Individual Tax Procedure	3
ACC 265	Not-for-Profit Accounting	3
		<b>Total 9</b>

### Second Semester

ACC 202	Intermediate Accounting II	3
ACC 221	Corporate Taxation	3
ACC 260	Auditing	3
		<b>Total 9</b>

### Third Semester

ACC 203	Intermediate Accounting III	3
ACC 226	Tax Audit and Research	3
ACC 245	Accounting Applications	3
		<b>Total 9</b>

# Small Business/ Entrepreneurship

**Certificate: Business**

**Credit Requirements: 24 Semester Credit Hours**

This certificate offers students the opportunity to focus on entrepreneurial aspects of business. Instructional topics include evaluation, planning, communication, supervision and business database management. The certificate also gives students the foundation to successfully venture into the 21st century in a small business environment.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

**Recommended Sequence of Courses**

**First Semester – Fall**

BUS 112	Service Management Systems	3
CPT 220	e-Commerce	3
MGT 120	Small Business Management	3
		<b>Total 9</b>

**Second Semester – Spring**

CPT 174	Microcomputer Spreadsheets	3
MGT 210	Employee Selection and Retention	3
MGT 250	Situational Supervision	3
		<b>Total 9</b>

**Third Semester – Summer**

MKT 130	Customer Services Principles	3
MKT 240	Advertising	3
		<b>Total 6</b>

# Transportation and Logistics

**Certificate: Business**

**Credit Requirements: 24 Semester Credit Hours**

This certificate program provides students with an academic foundation in several areas: transportation, customer service management, logistics, warehousing, export/import, shipping and commercial motor carrier. Students who complete this certificate have potential for employment as a dispatcher, operations specialist, and shipping and receiving and warehouse specialist. This certificate may be applied to the Transportation and Logistics career path.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

**Recommended Sequence of Courses**

**First Semester – Fall**

TRL 101	Introduction to Transportation	3
TRL 102	Customer Service Management	3
TRL 103	Logistics Management	3
		<b>Total 9</b>

**Second Semester – Spring**

MMT 110	Inventory Management	3
TRL 104	Transportation Administration	3
TRL 105	Warehousing	3
		<b>Total 9</b>

**Third Semester – Summer**

TRL 106	Export/Import	3
TRL 107	Commercial Motor Carrier	3
		<b>Total 6</b>

# UNIX Systems Operations

**Certificate: Computer Technology**

**Credit Requirements: 18 Semester Credit Hours**

This program prepares you for computer network operations specialists jobs. It is ideal if you are employed in a business that uses the UNIX operating system in a LAN or WAN environment. Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

**Recommended Sequence of Courses**

**First Semester**

CPT 102	Basic Computer Concepts	3
IST 220	Data Communications	3
		<b>Total 6</b>

**Second Semester**

IST 166	Network Fundamentals	3
IST 190	Linux Essentials	3
		<b>Total 6</b>

**Third Semester**

IST 191	Linux System Administration	3
IST 192	Linux Network Applications	3
		<b>Total 6</b>

# **COMMUNITY, FAMILY AND CHILD STUDIES**

## **Overview**

Community, Family and Child Studies is a division dedicated to meeting local, regional and national needs of the community for quality training in human services, as well as child and youth services. It is designed to equip students with the skills necessary to meet the increased demands for qualified professionals. These programs combine classroom instruction, field experience and interdisciplinary skills.

Students interested in Community, Family and Child Studies may obtain requirement information from the Admissions office. Additional information about the sequence of course offerings, class schedule, program costs and job opportunities can be obtained by consulting a faculty advisor or by attending a program advising session. To schedule a faculty advising appointment, contact the Division of Community, Family and Child Studies on Main Campus in Bldg. 940, Room 102, or call 843.574.6529.

## **General Information**

The Division offers programs that prepare students to enter some of the nation's fastest growing occupations. These programs include Early Care and Education, Early Childhood Development, Child Care Management, School-Age and Youth Development, Early Childhood Special Education, and Infant and Toddler Development. Within the Human Services field, a growing body of data supports the need for practitioners trained and skilled in the specific areas of family intervention studies, developmental disabilities, human services generalist and addictions/substance abuse. In the tricounty there has also been a significant increase in the number of retirees, indicating a need for professionals skilled in gerontology.

Prior to enrolling in the Community, Family and Child Studies programs students must have a high school diploma or a GED and take the College's placement test or possess qualifying SAT or ACT scores for all programs. Students who have transfer credits of C or better from an approved, regionally accredited postsecondary institution may not need to take the placement test.

The Early Childhood Development diploma and certificate programs, Child Care Management certificate, Infant and Toddler Development certificate, School-Age and Youth Development certificate, and associate degree in Early Care and Education programs require the following additional admission requirements: a health assessment denoting good health and a negative tuberculosis skin test and compliance with technical standards as prerequisites to labs in licensed child care centers. A clear criminal background check by the South Carolina Law Enforcement Division (SLED) also is required. In addition to SLED background checks, some child development centers and schools may require fingerprinting. Students entering these laboratory courses may opt to be fingerprinted. Fingerprinting and a SLED background check are required for the Early Care and Education work force. A clear criminal background check by the South Carolina Law Enforcement Division (SLED) is also required for students entering the Human Services, Addictions/Substance Abuse, Developmental Disabilities, Family Intervention Studies and Gerontology programs.

## **Cancellation Policy**

TTC reserves the right to cancel courses due to inadequate enrollment.

School-Age and Youth Development

# Early Care and Education

## Associate in Public Service

**Credit Requirements: 69-72 Semester Credit Hours**

The Early Care and Education two-year degree helps students prepare for employment at the associate degree level in settings that include, but are not limited to, any part- or full-day program in a center, school or home that serves young and school-age children and their families, including children with special developmental and learning needs. While some courses in the program may transfer, the program is not designed as a transfer program.

Key features of this associate degree include career specializations such as Infant and Toddler Development, Early Childhood Development, Child Care Management, School-Age and Youth Development and Early Childhood Special Education. Laboratory placement exists in diverse settings that allow for quality practical and hands-on experiences.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test. Students who have transfer credits of C or better from an approved, regionally accredited postsecondary institution may not need to take the placement test. The Early Care and Education associate degree also requires the following additional admission requirements as prerequisites to labs in licensed child care centers: a health assessment denoting good health, a negative tuberculosis skin test and compliance with technical standards. A clear criminal background check by the South Carolina Law Enforcement Division (SLED) is also required. In addition to SLED background checks, some child development centers and schools may require fingerprinting. Students entering these laboratory courses may opt to be fingerprinted. Fingerprinting and a SLED background check are required for the Early Care and Education work force.

## Recommended Sequence of Courses

### First Semester

# Human Services

## Associate in Public Service

### Credit Requirements: 66-67 Semester Credit Hours

Human Services professionals hold jobs in such diverse settings as group homes and halfway houses; correctional and community mental health centers; family, child and youth service agencies; and programs concerned with family violence and aging. Depending on the employment setting and the kinds of clients served, the job titles and duties vary a great deal. The primary purpose of the human services worker is to assist individuals, families or communities to function as effectively as possible in the major domains of living. Students in the Human Services program will choose a focus area in Addictions/Substance Abuse, Developmental Disabilities, Family Intervention Studies, Gerontology or as a Human Services Generalist.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test. Students who have transfer credits of C or better from an approved, regionally accredited postsecondary institution may not need to take the placement test.

Students will complete a comprehensive field placement during the last half of the program. Assignments for the field placement exist in mental health, youth services, social services, eldercare, corrections, disabilities, rehabilitation and addiction services. A clear criminal background check by the South Carolina Law Enforcement Division (SLED) is required for students prior to field placement assignments. Students may be subject to additional agency screening above and beyond those required by TTC.

# Early Childhood Development

## Diploma: Public Service

### Credit Requirements: 42 Semester Credit Hours

The Early Childhood Development diploma program prepares students to provide quality care for young children. This program is designed for students preparing for careers in early childhood development as child care providers in diverse child development settings.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test. Students who have transfer credits of C or better from an approved, regionally accredited postsecondary institution may not need to take the placement test.

The Early Childhood Development diploma program requires a health assessment denoting good health, a negative tuberculosis skin test and compliance with technical standards. A clear criminal background check by the South Carolina Law Enforcement Division (SLED) is also required. In addition to SLED background checks, some child development centers and schools may require fingerprinting. Students entering these laboratory courses may opt to be fingerprinted. Fingerprinting and a SLED background check are required for the Early Care and Education work force.

## Addictions/Substance Abuse

### Certificate: Public Service

#### Credit Requirements: 28 Semester Credit Hours

The Addictions/Substance Abuse certificate program prepares students to perform ancillary psychotherapeutic treatment functions in both inpatient and outpatient facilities that cater to a broad range of addictive or compulsive behaviors. Students may choose to work in a treatment facility or a prevention capacity. A clear criminal background check by the South Carolina Law Enforcement Division (SLED) is also required for students prior to field placement assignment in HUS 150. Students may be subject to additional agency screening above and beyond those required by TTC.

Admission into this program requires proof of high school diploma (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

All courses in the Addictions/Substance Abuse certificate program can be counted toward the Human Services associate degree in Public Service.

### Recommended Sequence of Courses

# Child Care Management

**Certificate: Public Service**

**Credit Requirements: 39 Semester Credit Hours**

The Child Care Management certificate program prepares students to work in supervisory, management or administrative positions in early childhood development.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test. Students who have transfer credits of C or better from an approved, regionally accredited postsecondary institution may not need to take the placement test. Program admission requires a health assessment denoting good health, a negative tuberculosis skin test and compliance with technical standards.

A clear criminal background check by the South Carolina Law Enforcement Division (SLED) also is required. In addition to SLED background checks, some child development centers and schools may require fingerprinting. Students entering these laboratory courses may opt to be fingerprinted. Fingerprinting and a SLED background check are required for the Early Care and Education work force.

Students who wish to exempt prerequisite requirements must present documentation of training and work experience to the dean of the Division of Community, Family and Child Studies.

# Developmental Disabilities

**Certificate: Public Service**

**Credit Requirements: 28 Semester Credit Hours**

The Developmental Disabilities certificate program prepares students to work with children and adults with physical, mental and emotional disabilities. Students specialize in the areas of developmental disabilities and mental retardation. Students gain an understanding of the effects of developmental disabilities in medical, psychological, social, educational, vocational and economic terms. Graduates qualify for employment in group homes, foster care homes, respite services, vocational rehabilitation agencies, sheltered workshops, supported employment programs, adult vocational programs, early childhood intervention programs, and other programs for individuals with developmental disabilities and mental retardation.

Admission to the program requires proof of high school graduation (GED) and qualifying scores on SAT, ACT or the TTC placement test.

A clear criminal background check by the South Carolina Law Enforcement Division (SLED) is required for students prior to the field placement assignment in HUS 150. Students may be subject to additional agency screening above and beyond those required by TTC.

All courses in the Developmental Disabilities certificate program can be counted toward the Human Services associate degree in Public Service.

## Early Childhood Development

### Certificate: Public Service

#### Credit Requirements: 27 Semester Credit Hours

The Early Childhood Development certificate program prepares students to work primarily in federally funded programs such as Head Start. This certificate also is designed for those currently employed who desire to make a career move and parents who want to learn more about the development of young children.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test. Students who have transfer credits of C or better from an approved, regionally accredited postsecondary institution may not need to take the placement test.

Program admission requires that students have a health assessment denoting good health, a negative tuberculosis skin test and compliance with technical standards. A clear criminal background check by the South Carolina Law Enforcement Division (SLED) also is required. In addition to SLED background checks, some child development centers and schools may require fingerprinting. Students entering these laboratory courses may opt to be fingerprinted. Fingerprinting and a SLED background check are required for the Early Care and Education work force.

## Early Childhood Special Education

### Certificate: Public Service

#### Credit Requirements: 27 Semester Credit Hours

The Early Childhood Special Education certificate program helps upgrade and enhance the skills of early childhood special education paraeducators and is open to those with no experience. This certificate is organized with standards from the Council for Exceptional Children (CEC) and the National Association for the Education of Young Children (NAEYC). Paraeducators working with children from birth through age eight will be provided adequate training related to experiences in typical growth and development, curriculum issues, exceptionality and early intervention, communication systems, activity therapy, facilitation and environmental management for early childhood special education, counseling techniques, creative experiences, and safety, health and nutrition.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test. Students who have transfer credits of C or better from an approved, regionally accredited postsecondary institution may not need to take the placement test. Program admission requires that students have a health assessment denoting good health, a negative tuberculosis skin test, and compliance with technical standards. A clear criminal background check by the South Carolina Law Enforcement Division (SLED) is also required. In addition to SLED background checks, some

child development centers and schools may require fingerprinting. Students entering these laboratory courses may opt to be fingerprinted. Fingerprinting and a SLED background check are required for the Early Care and Education work force.

# Family Intervention Studies

**Certificate: Public Service**

**Credit Requirements: 28 Semester Credit Hours**

The Family Intervention Studies certificate program prepares students for work with fragile families. Specialized study includes child maltreatment, intimate partner violence, elder abuse and working with at-risk youth. Graduates are qualified to perform various levels of intervention, including intake processing, referrals and case management.

A clear criminal background check by the South Carolina Law Enforcement Division (SLED) is required for students prior to field placement assignment in HUS 150. Students may be subject to additional agency screening above and beyond those required by TTC.

Admission into this program requires proof of high school diploma (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

All courses in the Family Intervention Studies certificate program can be counted toward the Human Services associate degree in Public Service.

**Recommended Sequence of Courses**

# Gerontology

**Certificate: Public Service**

**Credit Requirements: 27 Semester Credit Hours**

The Gerontology certificate prepares students to work with individuals 65 years old and older. As this population continues to increase in numbers, the need for more services also increases. Students will find careers in areas such as income assistance, health care, housing and leisure activities.

Admission into this program requires proof of high school diploma (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

A clear criminal background check by the South Carolina Law Enforcement Division (SLED) is also required for students prior to the field placement assignment in HUS 150. Students may be subject to additional agency screening above and beyond those required by TTC.

All courses in the Gerontology Certificate can be counted toward the Human Services associate degree in Public Service.

## Human Services Generalist

### Certificate: Public Service

#### Credit Requirements: 28 Semester Credit Hours

The Human Services Generalist certificate program prepares students for positions working with individuals, families or communities in a number of different settings. The certificate is designed for students who prefer a more generalized program of study in the Human Services field. It is also appropriate for those who want to craft a specific area of study using the choice of electives. This can be achieved by working closely with the Human Services academic advisor. Field placement assignments exist in mental health, youth services, social services, eldercare, corrections, disabilities, rehabilitation and addictions services.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

A clear criminal background check by the South Carolina Law Enforcement Division (SLED) is also required for students prior to field placement assignment in HUS 150. Students may be subject to additional agency screening above and beyond those required by TTC.

All courses in the Human Services Generalist Certificate program can be counted toward the Human Services Associate Degree in Public Service.

## Infant and Toddler Development

### Certificate: Public Service

#### Credit Requirements: 18 Semester Credit Hours

The Infant and Toddler Development certificate program upgrades and enhances the skills of infant and toddler child care professionals and is also open to those with no experience. This certificate is organized with standards from the National Association for the Education of Young Children (NAEYC). Professionals working with children birth through 2 years old are provided with adequate training related to experiences in growth and development, curriculum issues, guidance, exceptionality and early intervention, creative experiences, safety, health and nutrition, and socialization.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test. Students who have transfer credits of C or better from an approved, regionally accredited postsecondary institution may not need to take the placement test.

Program admission requires that students have a health assessment denoting good health, a negative tuberculosis skin test and compliance with technical standards. A clear criminal background check by the

South Carolina Law Enforcement Division (SLED) is also required. In addition to SLED background checks, some child development centers and schools may require fingerprinting. Students entering laboratory courses may opt to be fingerprinted. Fingerprinting and a SLED background check are required for the Early Care and Education work force.

# **CULINARY INSTITUTE** **OF CHARLESTON**

## **Overview**

The Culinary Institute of Charleston (CIC) responds to the expanding educational needs of one of the area's largest industries. The \$5.7 billion economic impact of tourism in the greater Charleston area includes 105,000 related jobs, according to the Center for Business Research of the Metro Charleston Chamber of Commerce. Within the state of South Carolina, hospitality and culinary employment is of major significance. The economic impact of this industry continues to increase nationally and internationally. Education within this field offers a range of employment opportunities and career progression.

In culinary arts studies, CIC offers an associate degree in Culinary Arts Technology, certificates in Culinary Arts, Baking and Pastry, and Food Service Specialist. Courses offered in the curriculum will also recertify industry employees for the American Culinary Federation. The culinary studies are accredited by the American Culinary Federation Accrediting Commission.

In hospitality and tourism studies, CIC offers an associate degree in Hospitality and Tourism Management and certificate programs in Event Management, Hospitality Industry Service and Hotel Operations. The hospitality studies are accredited by the Commission on Accreditation of Hospitality Management Programs.

CIC courses prepare students with knowledge and practice in the principles, skills and scope of the industry. Classes focus on quality in product and service. Hands-on training takes place within the modern CIC laboratories and through cooperative industry work experiences.

## **General Information**

Students interested in culinary or hospitality and tourism programs should consult with a faculty advisor to discuss requirements and other details of scheduling. For more information, call 843.820.5090 or visit [www.CulinaryInstituteofCharleston.com](http://www.CulinaryInstituteofCharleston.com).

## **Cancellation Policy**

TTC reserves the right to cancel courses due to inadequate enrollment.

# Hotel Operations

**Certificate: Business**  
**Credit Requirements – 18 Semester Credit Hours**

The Hotel Operations certificate will equip students with the skills necessary to understand and apply basic hotel industry concepts including knowledge of operations, guest services, software applications, sales and marketing. Students will be prepared for entry-level employment in hotels, bed and breakfast operations, timeshares, resorts and other lodging operations and related fields.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or appropriate TTC placement test. Successful completion of ENG 100 is recommended.

<b>Recommended Sequence of Courses</b>		
<b>First Semester – Fall</b>		
HOS 140	The Hospitality Industry	3
HOS 150	Hotel Management	3
HOS 163	International Etiquette and Protocol	3
		<b>Total 9</b>

<b>Second Semester – Spring</b>		
CPT 101	Introduction to Computers	3
<b>or</b>		
HOS 262	Hospitality Software Systems	3
HOS 265	Hotel, Restaurant and Travel Law	3

<b>Select one course from the following:</b>		
HOS 169	Club Management	3
HOS 250	Beverage Service Management	3
HOS 254	Catering Management	3
HOS 258	Convention Management	3
		<b>Total 9</b>

# ACF Recertification

These three courses offered in the curriculum will recertify industry employees for the American Culinary Federation.

<b>Recommended Sequence of Courses</b>		
HOS 103	Nutrition	3
HOS 154	Safety and Sanitation	2
HOS 256	Hospitality Management Concepts	3
		<b>Total 8</b>

# **ENGINEERING** **TECHNOLOGY**

## **Overview**

TTC's Division of Industrial and Engineering Technology offers a wide array of associate degrees and certificates designed to provide excellent career opportunities in the highly technical and rapidly expanding area of engineering technology.

Courses offered within the Department of Engineering Technology are designed to develop critical thinking and broad technical knowledge. The engineering technology principles learned are applied to practical engineering problems. Classroom study is related to shop, laboratory and field experience.

The associate degree programs require two years of study. The certificate programs require two to four semesters of study and are offered when sufficient interest is generated to support class-size groups. All have requirements for admission. Students interested in any of these programs should call the Department of Engineering Technology at 843.574.6156 for additional information on programs, scheduling and admission requirements. Any of the programs may be completed on a part-time basis, though it will require a longer period of time to do so.

## **General Information**

As with all TTC programs, students interested in Engineering Technology programs should consult with a faculty advisor to discuss program requirements, class times and frequency of offerings. For more information, call 843.574.6156.

## **Cancellation Policy**

TTC reserves the right to cancel courses due to inadequate enrollment.

## **Civil Engineering Technology**

### **Associate in Engineering Technology** **Credit Requirements: 74 Semester Credit Hours** **Day**

The Civil Engineering Technology program prepares students to perform at the technician level in engineering design, drafting, surveying and construction. Employers of Civil Engineering Technology graduates include engineering consultants, surveying firms, state and federal governments, public works, construction companies, highway departments, and soil and materials testing firms. Graduates typically obtain jobs working under the supervision of land development engineers, building inspectors, construction superintendent trainees, and soil and concrete testing technicians. They aid engineers in the design of steel and concrete structures, highways, storm drainage, sewage and water supply systems. They also obtain jobs as members of survey teams or in computer-aided drafting and design.

## Recommended Sequence of Courses

### First Semester – Fall

CET 120	Construction Materials	3
EGR 285	Engineering Surveying I	3
EGR 295	Engineering Surveying Lab I	1
***EGT 109	Introduction to Engineering Design Graphics	3
ENG 101	English Composition I	3
*MAT 110	College Algebra	3
<b>Total</b>		<b>16</b>

### Second Semester – Spring

EGT 151	Introduction to CAD	3
EGR 110	Introduction to Computer Environment	3
EGR 286	Engineering Surveying II	3
EGR 296	Engineering Surveying Lab II	1
*MAT 111	College Trigonometry	3
<b>Total</b>		<b>13</b>

### Third Semester – Summer

EGR 190	Statics	3
**PHY 201	Physics I	4
PSY 201	General Psychology	3

## Architectural Design Graphics I

### Certificate: Engineering Technology

#### Credit Requirements: 18 Semester Credit Hours

This certificate is designed for students with little or no drafting experience who want to move into architectural graphics. The certificate also includes a study of construction materials and architectural history.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

#### Recommended Sequence of Courses

##### First Semester – Fall

CET 120	Construction Materials	3
EGT 109	Introduction to Engineering Design Graphics	3
<b>Total 6</b>		

##### Second Semester – Spring

AET 202	History of Architecture	3
EGT 151	Introduction to CAD	3
<b>Total 6</b>		

##### Third Semester – Summer

AET 110	Architectural Graphics I	3
EGT 152	Fundamentals of CAD	3
<b>Total 6</b>		

## Architectural Design Graphics II

### Certificate: Engineering Technology

#### Credit Requirements: 14 Semester Credit Hours

This certificate is designed for students with previous experience in architectural graphics who want to move into the advanced areas of architectural graphics. In addition to the drawing classes, this certificate includes the study of software for architectural presentations.

For admission into this program, you must complete Architectural Design Graphics I or receive approval from your advisor.

#### Recommended Sequence of Courses

##### First Semester – Fall

AET 111	Architectural Computer Graphics I	3
<b>Total 3</b>		

##### Second Semester – Spring

AET 120	Architectural Graphics II	3
AET 221	Architectural Computer Graphics II	4
<b>Total 7</b>		

##### Third Semester – Summer

AET 233	Architectural CAD Presentations	4
<b>Total 4</b>		

## Basic Electronic Journeyman I

### Certificate: Engineering Technology

#### Credit Requirements: 20 Semester Credit Hours

The curriculum for this certificate teaches basic electrical/electronics fundamentals needed to enter the electronics technician work force. Courses combine a mixture of classroom and lab instruction using the classroom to present basic theory and the lab to reinforce that theory with hands-on practical experiments.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

#### Recommended Sequence of Courses

##### First Semester

EGR 104	Engineering Technology Foundations3	
*MAT 170	Algebra, Geometry and Trigonometry I	3
<b>Total 6</b>

# Chemical Engineering Transfer (USC)

## Certificate: Engineering Technology

### Credit Requirements: 35 Semester Credit Hours

This certificate allows you to select course work to transfer to the University of South Carolina's bachelor of science in Chemical Engineering curriculum. Please see an advisor for actual course offering times, scheduling and prerequisites. For entry into the program, you must be a high school graduate or possess a GED and have taken the prerequisite for each course listed.

## Recommended Sequence of Courses

ECE 221	Introduction to Electrical Engineering I	3
EGR 260	Engineering Statics	3
EGR 262	Engineering Dynamics	3
<b>or</b>		
EGR 264	Introduction to Engineering Mechanics of Solids	3
EGR 266	Engineering Thermodynamics Fundamentals	3
EGR 275	Introduction to Engineering/Computer Graphics	3
MAT 141	Analytic Geometry and Calculus II	4
MAT 240	Analytic Geometry and Calculus III	4
MAT 242	Differential Equations	4
PHY 221	University Physics I	4
PHY 222	University Physics II	4
<b>Total</b>		<b>35</b>

# Civil Engineering Transfer (The Citadel)

## Certificate: Engineering Technology

### Credit Requirements: 36 Semester Credit Hours

This certificate allows you to select course work to transfer to The Citadel's bachelor of science in Civil Engineering curriculum. Please see an advisor for actual course offering times, scheduling and prerequisites. For entry into the program, you must be a high school graduate or possess a GED and have taken the prerequisite for each course listed.

## Recommended Sequence of Courses

EGR 260	Engineering Statics	3
EGR 275	Introduction to Engineering/Computer Graphics	3
EGR 282	Introduction to Civil Engineering	2
EGR 285	Engineering Surveying I	3
EGR 286	Engineering Surveying II	3
EGR 295	Engineering Surveying Lab I	1
EGR 296	Engineering Surveying Lab II	1
MAT 141	Analytic Geometry and Calculus II	4
MAT 240	Analytic Geometry and Calculus III	4
MAT 242	Differential Equations	4
PHY 221	University Physics I	4
PHY 222	University Physics II	4

**Total 36**

# Civil/Mechanical Engineering Transfer (USC)

## Certificate: Engineering Technology

### Credit Requirements: 38 Semester Credit Hours

This certificate allows you to select course work to transfer to the University of South Carolina's bachelor of science in either Civil or Mechanical Engineering curriculum. Please see an advisor for actual course offering times, scheduling and prerequisites. For entry into the program, you must be a high school graduate or possess a GED and have taken the prerequisite for each course listed.

### Recommended Sequence of Courses

ECE 221	Introduction to Electrical Engineering I	3
EGR 260	Engineering Statics	3
EGR 262	Engineering Dynamics	3
EGR 264	Introduction to Engineering Mechanics of Solids	3
EGR 266	Engineering Thermodynamics Fundamentals	3
EGR 275	Introduction to Engineering/Computer Graphics	3
MAT 141	Analytic Geometry and Calculus II	4
MAT 240	Analytic Geometry and Calculus III	4
MAT 242	Differential Equations	4
PHY 221	University Physics I	4
PHY 222	University Physics II	4
<b>or</b>		
CHM 111	College Chemistry II	4
<b>or</b>		
BIO 101	Biological Science I	4
<b>or</b>		
BIO 102	Biological Science II	4
		<b>Total 38</b>

## Computer Aided Design I

### Certificate: Engineering Technology

#### Credit Requirements: 9 Semester Credit Hours

This program introduces you to the computer and how it can be used to generate engineering drawings. Topics include beginning and advanced two-dimensional CAD.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

### Recommended Sequence of Courses

#### First Semester – Fall

EGT 109	Introduction to Engineering Design Graphics	3
		<b>Total 3</b>

#### Second Semester – Spring

EGT 151	Introduction to CAD	3
		<b>Total 3</b>

#### Third Semester – Summer

EGT 152	Fundamentals of CAD	3
		<b>Total 3</b>

## Computer Aided Design II

### Certificate: Engineering Technology

#### Credit Requirements: 12 Semester Credit Hours

This program is designed for students desiring advanced computer aided design skills to generate engineering drawings. Topics include three-dimensional CAD, feature-based modeling and CAD/CAM applications.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

Completion of the Computer Aided Design I certificate is required for admission into this program.

### Recommended Sequence of Courses

#### First Semester – Fall

EGT 251	Principles of CAD	3
EGT 252	Advanced Computer Aided Design	3
		<b>Total 6</b>

#### Second Semester – Spring

EGT 265	CAD/CAM Applications	3
		<b>Total 3</b>

#### Third Semester – Summer

EGT 245	Principles of Parametric CAD	3
		<b>Total 3</b>

## Construction Management

### Certificate: Industrial Technology

#### Credit Requirements: 17 Semester Credit Hours

This certificate prepares you to work in construction management. It includes reading and understanding construction blueprints, construction materials and methods, materials estimating, scheduling and construction management.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

### Recommended Sequence of Courses

#### First Semester – Fall

CET 120	Construction Materials	3
CET 127	Building Construction and Print Reading	4
		<b>Total 7</b>

### Second Semester – Spring

CET 230	Construction Management	3
CET 245	Cost Estimating	3
<b>Total</b>		<b>6</b>

### Third Semester – Summer

CET 135	Construction Contracts	2
CET 238	Construction Planning and Scheduling	2
<b>Total</b>		<b>4</b>

## Electrical Engineering Transfer (The Citadel)

### Certificate: Engineering Technology

#### Credit Requirements: 31 Semester Credit Hours

This certificate allows you to select course work to transfer to The Citadel's bachelor of science in Electrical Engineering curriculum. Please see an advisor for actual course offering times, scheduling and prerequisites. For entry into the program, you must be a high school graduate or possess a GED and have taken the prerequisite for each course listed.

#### Recommended Sequence of Courses

ECE 201	Electrical and Computer Engineering Seminar	1
ECE 205	Electrical and Computer Lab I	3
ECE 221	Introduction to Electrical Engineering I	3
ECE 222	Introduction to Electrical Engineering II	3
EGR 273	Problem Solving for Engineers	2
EGR 275	Introduction to Engineering/Computer Graphics	3
MAT 240	Analytic Geometry and Calculus III	4
MAT 242	Differential Equations	4
PHY 221	University Physics I	4
PHY 222	University Physics II	4
<b>Total</b>		<b>31</b>

## Electrical Engineering Transfer (USC)

### Certificate: Engineering Technology

#### Credit Requirements: 34 Semester Credit Hours

This certificate allows you to select course work to transfer to the University of South Carolina's bachelor of science in Electrical Engineering

curriculum. Please see an advisor for actual course offering times, scheduling and prerequisites. For entry into the program, you must be a high school graduate or possess a GED and have taken the prerequisite for each course listed.

#### Recommended Sequence of Courses

ECE 205	Electrical and Computer Lab I	3
ECE 211	Introduction to Computer Engineering I	3
ECE 212	Introduction to Computer Engineering II	3
ECE 221	Introduction to Electrical Engineering I	3
ECE 222	Introduction to Electrical Engineering II	3
EGR 270	Introduction to Engineering	3
MAT 240	Analytic Geometry and Calculus III	4
MAT 242	Differential Equations	4
PHY 221	University Physics I	4
PHY 222	University Physics II	4
<b>Total</b>		<b>34</b>

## Engineering Design Graphics

### Certificate: Engineering Technology

#### Credit Requirements: 34 Semester Credit Hours

The Engineering Design Graphics program prepares you for employment in the broad field of drafting with industry, government and other users of graphic communication. You learn manual and computer aided drafting skills. Graduates typically obtain drafting jobs in architectural, electrical, mechanical, marine, civil, electronics or commercial drafting.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

#### Recommended Sequence of Courses

##### First Semester – Fall

CET 120	Construction Materials	3
EGT 109	Introduction to Engineering Design Graphics	3

or

EGR 275	Introduction to Engineering/Computer Graphics	3
---------	-----------------------------------------------	---

**Total 6**

### Second Semester – Spring

EGT 115	Engineering Graphics II	4
EGT 151	Introduction to CAD	3
<b>Total 7</b>		

### Third Semester – Summer

AET 110	Architectural Graphics I	3
EGT 210	Engineering Graphics III	4
EGT 220	Structural and Piping Application	4
<b>Total 11</b>		

### Fourth Semester – Fall

AET 111	Architectural Computer Graphics I	3
EGT 152	Fundamentals of CAD	3
<b>Total 6</b>		

### Fifth Semester – Spring

AET 221	Architectural Computer Graphics II	4
<b>Total 4</b>		

## Land Development Technology

### Certificate: Engineering Technology

#### Credit Requirements: 19 Semester Credit Hours

This certificate follows the Surveying certificate and allows a student to select courses that will enhance the possibility of progression in the land development career field. It includes boundary law, subdivision design, water and sewer design, and highway design. Completion of this certificate will satisfy the 12-credit requirement for survey licensing in South Carolina.

For admission to this program, you must complete the Surveying certificate program.

#### Recommended Sequence of Courses

##### First Semester – Spring

MAT 111	College Trigonometry	3
<b>Total 3</b>		

##### Second Semester – Summer

PHY 201	Physics I	4
<b>Total 4</b>		

##### Third Semester – Fall

CET 218	Hydraulics	3
GMT 250	Evidence Procedures for Boundary Control	3
<b>Total 6</b>		

### Fourth Semester – Spring

CET 246	Environmental Systems Technology	3
CET 251	Highway Design	3
<b>Total 6</b>		

## Surveying

### Certificate: Engineering Technology

#### Credit Requirements: 17 Semester Credit Hours

This certificate prepares you for a career in the land surveying job market. It is designed for those individuals having little or no surveying experience and for those who presently hold a position with a surveying firm and desire to move into another position.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

#### Recommended Sequence of Courses

##### First Semester – Summer

*EGT 109	Introduction to Engineering Design Graphics	3
<b>Total 3</b>

## Transfer Engineering Programs

### *In preparation for Transfer to The Citadel*

This is a transfer opportunity for students wanting to transfer into The Citadel in selected programs.

A special articulation agreement between The Citadel and TTC allows students to enroll at TTC with the following courses approved for transfer

to The Citadel. The purpose of this agreement is to provide courses at TTC equivalent to the lower division requirements of The Citadel's Department of Engineering to promote access to and facilitate the transfer of TTC's students into The Citadel's engineering programs.

## Recommended Sequence of Courses

### A. Civil Engineering

EGR 260	Engineering Statics	3
EGR 270	Introduction to Engineering	3
EGR 282	Introduction to Civil Engineering	2
EGR 285	Engineering Surveying I	3
EGR 286	Engineering Surveying II	3
EGR 295	Engineering Surveying Lab I	1
EGR 296	Engineering Surveying Lab II	1
<b>Total</b>		<b>16</b>

### B. Electrical Engineering

ECE 201	Electrical and Computer Engineering Seminar	1
ECE 205	Electrical and Computer Lab I	3
ECE 221	Introduction to Electrical Engineering I	3
ECE 222	Introduction to Electrical Engineering II	3
EGR 270	Introduction to Engineering	3
EGR 273	Problem Solving for Engineers	2
MAT 132	Discrete Mathematics	3
<b>Total</b>		<b>18</b>

### Required Humanities/Social Sciences Courses

ENG 101	English Composition I	3
ENG 102	English Composition II	3
ENG 205	English Literature I	3
ENG 206	English Literature II	3
HIS 101	Western Civilization to 1689	3
HIS 102	Western Civilization Post 1689	3
PSY 201	General Psychology	3
<b>Total</b>		<b>21</b>

### Math/Science Requirements

CHM 110	College Chemistry I	4
CHM 111	College Chemistry II	4
EGR 275	Introduction to Engineering/Computer Graphics	3
MAT 140	Analytic Geometry and Calculus I	4
MAT 141	Analytic Geometry and Calculus II	4
MAT 240	Analytic Geometry and Calculus III	4
MAT 242	Differential Equations	4
PHY 221	University Physics I	4
PHY 222	University Physics II	4
<b>Total</b>		<b>35</b>

Students who complete each 2+2 program course at TTC with a grade of C or higher and who maintain a cumulative GPA of at least 2.0 are eligible to apply for admission to The Citadel Graduate College Civil Engineering or Electrical Engineering programs. This application must be accompanied by a letter of transmittal from TTC's 2+2 advisor. Formal application must be made through The Citadel Graduate College.

Upon completion of the above program, the student will have earned an Associate in Science degree as well as the appropriate Engineering Transfer certificate.

## ***In preparation for Transfer to the University of South Carolina, College of Engineering***

This is a transfer opportunity for students wanting to transfer into the University of South Carolina's College of Engineering in selected programs.

An articulation agreement between the University of South Carolina and TTC allows students to enroll at TTC in courses approved for transfer to USC. This agreement provides courses at TTC equivalent to specific lower division requirements of USC's College of Engineering in order to promote access to and facilitate the transfer of TTC's students into USC's engineering programs. Upon completion, students will have satisfied the majority of USC's lower division requirements. Please see the appropriate Engineering Transfer advisor for specific course information.

## ***In preparation for Transfer to Clemson University, College of Engineering and Science***

This is a transfer opportunity for students wanting to transfer into Clemson University College of Engineering and Science in selected programs.

An articulation agreement between Clemson and TTC allows students to enroll at TTC in courses approved for transfer to Clemson. This agreement provides courses at TTC equivalent to specific lower division requirements of Clemson's College of Engineering and Science in order to promote access to and facilitate the transfer of TTC's students into Clemson's engineering programs. Upon completion, students will have satisfied the

majority of Clemson's lower division requirements. Please see the appropriate Engineering Transfer advisor for specific course information. In addition, TTC students earning an Associate in Science degree (with math and chemistry bias) may transfer into the bachelor of science in Polymer and Textile Chemistry or in Textile Management. Please see the appropriate advisor in TTC's Science and Mathematics Division for specific course information.

# FILM, MEDIA AND VISUAL ARTS

Radio Production  
Web Site Design

## Overview

The Film, Media and Visual Arts programs are designed to prepare students for entry-level positions in broadcasting, radio production, filmmaking, film production, graphic design, computer graphics, digital media, photography, Web site design, illustration, multimedia, non-linear film editing and animation. The various associate degree and certificate programs combine academic theory with hands-on training using state-of-the-art equipment.

## General Information

As with all TTC programs, students interested in Film, Media and Visual Arts programs should consult with a faculty advisor to discuss program requirements, class times and frequency of offerings. To contact the Film, Media and Visual Arts Division office, call 843.574.6852.

## Cancellation Policy

TTC reserves the right to cancel courses due to inadequate enrollment.

**Associate in Industrial Technology****Digital Media Career Path****Credit Requirements: 72 Semester Credit Hours**

Digital media is an exciting new field of integrated electronic communication. Employment opportunities are on the increase due to rapid growth in this expanding industry: production management, media integration, Web design, presentation and interactive authoring for entertainment and education, information delivery and electronic communications. These are just a few areas where strong demand has arisen for talented digital media specialists. Graduates will be able to qualify for entry-level employment positions in many diverse industries such as entertainment, publishing, electronic games, education, marketing, e-commerce, corporate communication and consumer information delivery.

## General Technology

### Associate in Occupational Technology

#### Film Production Course Display

#### Credit Requirements: 70 Semester Credit Hours

The General Technology major allows students to select course work necessary to become multiskilled technicians. In addition to completing the College's core curriculum, students also complete course work in at least two technical areas. The Film Production career path provides students with a general education experience as well as operational training in the use of industry standard cameras, lighting equipment and editing software. The program trains students in various filmmaking and production techniques so that they possess the skills needed to compete in this growing field. The following is an example of a career path available.

### Recommended Sequence of Courses

## Advanced Computer Animation

### Certificate: Industrial Technology

#### Credit Requirements: 15 Semester Credit Hours

This certificate is designed for students with previous experience in 3D animation who want to move into an advanced software environment and learn how to create 3D animation using a non-linear, node-based process.

Admission into the program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or TTC's placement test. The prerequisite for this program is ARV 248 with a minimum grade of C.

### Recommended Sequence of Courses

#### First Semester – Fall

ARV 223	3-D Animation I	3
ARV 227	Web Site Design I	3
RTV 102	Lighting Fundamentals	3
<b>Total 9</b>

ARV 263	Special Projects in Computer Animation	3
<b>Total 6</b>		

# Advanced Film Production

## Certificate in Industrial Technology

### Credit Requirements: 26 Semester Credit Hours

The Advanced Film Production certificate provides students who have previous film production experience with additional training in cinematography, lighting and directing techniques. Graduates from this program will be able to create independent media for the rapidly growing Internet and podcasting industries as well as own and operate an independent film production company.

## Recommended Sequence of Courses

### First Semester – Fall

FLM 250	Film Production Senior Project	3
FLM 265	Documentary Filmmaking	3
RTV 150	Scriptwriting	3
RTV 270	Media Arts Business Procedures	3
<b>Total 12</b>		

### Second Semester – Spring

<b>Total 5</b>		

# Art Foundations

## Certificate: Industrial Technology

### Credit Requirements: 24 Semester Credit Hours

This certificate is designed for students who are currently enrolled in either the Associate in Arts or Associate in Science program and who want to create an academic placement portfolio that demonstrates a variety of advanced skills to be competitive for admission to a four-year college art program.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

## Recommended Sequence of Courses

### First Semester – Fall

ART 107	History of Early Western Art	3
<b>or</b>		
ART 105	Film as Art	3
ART 111	Basic Drawing I	3
ARV 114	Photography I	3

<b>Total 9</b>		

# Computer Graphics

## Certificate: Industrial Technology

### Credit Requirements: 39 Semester Credit Hours

The Computer Graphics certificate program provides an opportunity for those working or desiring to work in electronic publishing to acquire the skills necessary for employment in the publishing industry. You are trained on a wide variety of software packages running on both PC and Macintosh platforms.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

### Recommended Sequence of Courses

#### First Semester – Fall

ARV 110	Computer Graphics I	3
ARV 121	Design	3

<b>Total 12</b>		

# Film Production

## Certificate: Industrial Technology

### Credit Requirements: 40 Semester Credit Hours

This certificate program provides instruction in a broad spectrum of film production skills including lighting, cinematography, sound, and equipment maintenance and handling. These courses will be combined with practical on-the-job experience to enhance the learning process.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

### Recommended Sequence of Courses

#### First Semester

FLM 150	Pre-Production	3
FLM 155	Film Production I	3
FLM 158	Post Production	3
RTV 102	Lighting Fundamentals	3
RTV 140	Basic Photography	3

<b>Total 12</b>		

##### Third Semester – Summer

ARV 210	Computer Graphics II	3
ARV 218	Computer Imagery II	3
ARV 280	Visual Arts Exit Portfolio	3
<b>Total 9</b>		

## Multimedia Design

### Certificate: Industrial Technology

#### Credit Requirements: 39 Semester Credit Hours

The Multimedia Design certificate program provides training for teachers, media technicians and those desiring work in the field of interactive media. Courses cover the design, development and production of educational and business interactive multimedia applications for CD and DVD distribution.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

#### Recommended Sequence of Courses

##### First Semester – Fall

ARV 110	Computer Graphics I	3
ARV 121	Design	3
ARV 217	Computer Imagery	3
ARV 221	Interactive Media Design	3
<b>Total 12</b>		

##### Second Semester – Spring

ARV 123	Composition and Color	3
ARV 219	Multimedia Techniques	3
ARV 220	Multimedia Presentations	3
ARV 222	Computer Animation	3
ARV 227	Web Site Design I	3
<b>Total 15</b>		

##### Third Semester – Summer

ARV 212	Digital Photography	3
ARV 229	Advanced Multimedia	3
ARV 280	Visual Arts Exit Portfolio	3
FLM 148	Basic Editing	3
<b>Total 12</b>		

## Non-Linear Film Editing

### Certificate: Industrial Technology

#### Credit Requirements: 34 Semester Credit Hours

The curriculum has been designed to train students in non-linear editing with industry standard hardware and software currently used by filmmaking professionals. Additionally, students will learn skills in visual storytelling through editing images and designing sound and effects around those images.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

#### Recommended Sequence of Courses

##### First Semester – Fall

FLM 148	Basic Editing	3
FLM 158	Post Production	3
FLM 168	Advanced Post Production I	3
FLM 230	Animation Production	3
<b>Total 12</b>		

### Second Semester – Spring

ARV 247	3D Animation III	3
FLM 169	Advanced Post Production II	3
FLM 178	Advanced Editing	3
RTV 101	Audio Techniques	3
<b>Total 12</b>		

### Third Semester – Summer

FLM 159	Digital Distribution	3
FLM 179	Senior Film Editing	3
FLM 248	Film Editing Capstone	3
RTV 280	Media Arts Exit Review	1
<b>Total 10</b>		

## Photography

### Certificate: Industrial Technology

#### Credit Requirements: 36 Semester Credit Hours

The Photography certificate program is designed to provide students with basic skills in traditional camera and darkroom techniques as well as the new and fast growing field of digital photography and image manipulation. The purpose of the program is to provide educational opportunities for students wishing to obtain entry-level positions at portrait studios, media production facilities or photo finishing establishments.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

#### Recommended Sequence of Courses

##### First Semester – Fall

ARV 114	Photography I	3
ARV 121	Design	3
ARV 161	Visual Communications Media	3
ARV 217	Computer Imagery	3
<b>Total 12</b>		

##### Second Semester – Spring

ARV 115	Aesthetics of Photography	3
ARV 212	Digital Photography	3
ARV 213	Lighting	3
ARV 214	Photography II	3
<b>Total 12</b>		

##### Third Semester – Summer

ARV 215	Photography III	3
ARV 216	Lighting II	3
ARV 230	Visual Arts Business Procedures	3
ARV 280	Visual Arts Exit Portfolio	3
<b>Total 12</b>		

## Radio Production

### Certificate: Industrial Technology

#### Credit Requirements: 24 Semester Credit Hours

This certificate is designed for students who wish to pursue a career in Radio Production primarily as board operators and production assistants but also in some cases as on-the-air talent.

Admission into the program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT, or the TTC placement test.

#### Recommended Sequence of Courses

##### First Semester – Fall

RTV 101	Audio Techniques	3
RTV 109	Writing for Electronic Media	3
RTV 111	Radio Studio Techniques I	3
<b>Total 9</b>		

##### Second Semester – Spring

RTV 112	Radio Studio Techniques II	3
RTV 121	Introduction to Broadcasting	3
RTV 231	SCWE in Broadcasting I	3
<b>Total 9</b>		

##### Third Semester – Summer

RTV 211	Radio Studio Techniques III	3
RTV 232	SCWE in Broadcasting II	3
<b>Total 6</b>		

## Web Site Design

### Certificate: Industrial Technology

#### Credit Requirements: 39 Semester Credit Hours

The Web Site Design program provides training for teachers, media technicians and those desiring work in the field of Internet design. Courses cover the design, development and production of interactive Web sites for distribution on the Internet.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

#### Recommended Sequence of Courses

##### First Semester – Fall

ARV 110	Computer Graphics I	3
ARV 121	Design	3
ARV 217	Computer Imagery	3
ARV 221	Interactive Media Design	3

**Total 12**

**Second Semester – Spring**

ARV 123	Composition and Color	3

ARV 225	Advanced Computer Animation	3
ARV 228	Web Site Design II	3
ARV 280	Visual Arts Exit Portfolio	3

**Total 12**

# **HUMANITIES AND** **SOCIAL SCIENCES**

## **Overview**

The Humanities and Social Sciences (HSS) Division offers the Associate in Arts (AA) degree and provides general education and support courses for most other programs at TTC. The AA degree, while emphasizing communication, social sciences and humanities, can provide students with the first two years of baccalaureate course work. The AA program is designed to prepare students for four-year (baccalaureate) majors in fields such as:

- Business Administration
- Accounting
- Communication
- Management
- English
- Foreign Language
- Education
- Music
- Political Science
- Psychology
- History
- Pre-Law
- Sociology
- Other Humanities, Fine Arts and Social Sciences

AA students should consult with their academic advisors to discuss program requirements. Academic advisors are assigned through the College orientation process conducted in the Orientation Centers on each campus. Your AA advisor will work closely with you to pick courses that not only fulfill curriculum requirements for the AA degree but also, in most cases, fulfill the general education requirements at the four-year institution (if you plan to transfer).

## **General Information**

For general information on the Humanities and Social Sciences Division and/or the AA degree, call 843.574.6034.

## **Cancellation Policy**

TTC reserves the right to cancel courses due to inadequate enrollment.

## **Programs of Study**

### **Associate Degree Programs**

Associate in Arts

## **Associate in Arts**

**Credit Requirements: 60 Semester Credit Hours**

### **Program Credit Requirements**

The Associate in Arts degree is designed for students planning to transfer to four-year programs and for students who wish to broaden their general knowledge. The degree stresses communication, social sciences and humanities.

### **Program Requirements**

**(60 credits required)**

### **Recommended Sequence of Courses**

#### **General Education Requirements**

ENG 101	English Composition I	3
ENG 102	English Composition II	3
CPT 101	Introduction to Computers	3

#### **Oral Communication**

Select three semester credit hours from the following:

SPC 205	Public Speaking	3
SPC 209	Interpersonal Communication	3
SPC 210	Oral Interpretation of Literature	3
THE 101	Introduction to Theater	3

#### **Social Science**

Select three semester credit hours from the following:

ANT 101	General Anthropology	3
ECO 210	Macroeconomics	3
PSC 201	American Government	3
PSC 215	State and Local Government	3
PSC 220	Introduction to International Relations	3
PSY 201	General Psychology	3
SOC 101	Introduction to Sociology	3

#### **Mathematics**

Select three semester credit hours from the following:

MAT 110	College Algebra	3
MAT 120	Probability and Statistics	3

**History**

Select six semester credit hours from the following:

HIS 101	Western Civilization to 1689	3
HIS 102	Western Civilization Post 1689	3
HIS 104	World History I	3
HIS 105	World History II	3
HIS 201	American History: Discovery to 1877	3
HIS 202	American History: 1877 to Present	3

**Literature**

Select three semester credit hours from the following:

ENG 201	American Literature I	3
ENG 202	American Literature II	3
ENG 205	English Literature I	3
ENG 206	English Literature II	3
ENG 208	World Literature I	3
ENG 209	World Literature II	3
ENG 214	Fiction	3
ENG 218	Drama	3
ENG 222	Poetry	3
ENG 234	Survey in Minority Literature	3
ENG 236	African American Literature	3

**Mathematics or Natural Sciences**

Select six semester credit hours from the following:

AST 101	Solar System Astronomy	4
AST 102	Stellar Astronomy	4
BIO 101	Biological Science I	4
BIO 102	Biological Science II	4
BIO 210	Anatomy and Physiology I	4
BIO 211	Anatomy and Physiology II	4
BIO 225	Microbiology	4
CHM 106	Contemporary Chemistry I	4
CHM 107	Contemporary Chemistry II	4
CHM 110	College Chemistry I	4
CHM 111	College Chemistry II	4
CHM 211	Organic Chemistry I	4
CHM 212	Organic Chemistry II	4
MAT 110	College Algebra	3
MAT 111	College Trigonometry	3
MAT 112	Precalculus	5
MAT 120	Probability and Statistics	3
MAT 123	Contemporary College Mathematics	3
MAT 130	Elementary Calculus	3
MAT 140	Analytic Geometry and Calculus I	4
MAT 141	Analytic Geometry and Calculus II	4
MAT 240	Analytic Geometry and Calculus III	4
MAT 242	Differential Equations	4
PHY 201	Physics I	4
PHY 202	Physics II	4

PHY 221	University Physics I	4
PHY 222	University Physics II	4
PHY 223	University Physics III	4

**Communication, Humanities and Social Science Requirements**

Select 18 semester credit hours from the following:

*(Note: Students also may select from extra courses in Oral Communication, Social Science, History and Literature above.)*

**Communication:**

JOU 101	Introduction to Journalism	3
SPC 205	Public Speaking	3
SPC 209	Interpersonal Communication	3
SPC 225	Introduction to Communication Theory	3

**Foreign Language:**

*FLG 001		
*FRE 001		
FRE 101	Elementary French I	4

			Foreign Language	3
			***Electives	6
			<b>Total</b>	<b>15</b>

*\*Hours vary.*

No more than 15 hours of courses with the same prefix may apply toward the AA degree.

No course can count more than once.

## Associate in Arts

### Associate in Arts

### Sample Degree Plan

The AA program allows flexibility in course selection and sequencing. The following sample may be a helpful guide for students who are planning to transfer but are unsure where or for what major. If you already know where you plan to transfer and/or for which major, see your assigned advisor. This degree plan may not be suited to your goal.

#### Recommended Sequence of Courses

##### First Semester

English Composition I (ENG 101)	3
College Algebra (MAT 110)	3

or

Minimum semester credit hours required: 60  
(See also Requirements for Graduation.)

*\*Check requirements for your major at the four-year college to which you are transferring before choosing.*

*\*\*Some colleges do not require a foreign language. You may want to substitute a humanities or social science course.*

*\*\*\*Electives are open to most courses offered at TTC. See exceptions in Electives Listing for details.*

# INDUSTRIAL TECHNOLOGY

## Overview

Rapid advancements in the Industrial Technology areas make the need for up-to-date education and training essential. TTC's Industrial Technology programs combine classroom study and hands-on training emphasizing skill development, related technical knowledge and general education.

TTC offers a wide array of associate degrees, diplomas and certificates. The associate degree programs require two years of study. The certificate programs require two to four semesters of study and are offered when sufficient interest is generated to support class-size groups. Any of the programs may be completed on a part-time basis, though it will require more time to do so.

## General Information

As with all TTC programs, students interested in Industrial Technology programs should consult with a faculty advisor to discuss program requirements, class times and frequency of offerings. For more information, call 843.574.6156.

## Cancellation Policy

TTC reserves the right to cancel courses due to inadequate enrollment.

## Programs of Study

### Associate in Occupational Technology

#### Air Conditioning/Refrigeration Course Display

**Credit Requirements: 60-84 Semester Credit Hours**

The General Technology major allows students to select course work necessary to become multiskilled technicians. In addition to completing the College's core curriculum, students also complete course work in at least two technical areas. The following is an example of a career path available. The secondary paths may be substituted for courses in other programs' primary path. Interested students should talk with their advisors.

For entry into this program the student must be a high school graduate or possess a GED and take the College's placement test or meet the College's SAT or ACT requirements.

## Core Curriculum Requirements

### Core

CPT 101	Introduction to Computers	3

# Horticulture Technology

## Associate in Agriculture

### Credit Requirements: 68-69 Semester Credit Hours

The Horticulture Technology program prepares students for positions in landscape design and construction, turf supervision, horticultural sales, nursery plant production and landscape maintenance. Students in horticulture must see an advisor for specific scheduling needs. Classes are taught in the Horticulture Technology building, the greenhouse and horticulture gardens. Some courses will transfer to Clemson University's horticulture program. See your advisor for more information.

For entry into this program the student must be a high school graduate or possess a GED and take the College's placement test or meet the College's SAT or ACT requirements.

### Recommended Sequence of Courses

#### First Semester – Fall

HRT 106	Ornamentals	2
HRT 110	Plant Form and Function	4
HRT 111	Foliage Plants	2
HRT 144	Plant Pests	3
ELE	Select one course from the	
MAT/SCI	Mathematics/Natural Sciences Electives	3-4
		<b>Total 14-15</b>

#### Second Semester – Spring

HRT 102	Landscape Design	4
HRT 107	Woody Ornamentals	2
HRT 125	Soils	4
HRT 240	Pesticides	4
		<b>Total 14</b>

#### Third Semester – Summer

HRT 108	Annuals and Perennials	2
HRT 139	Plant Propagation	3
ENG 101	English Composition I	3
		<b>Total 8</b>

#### Fourth Semester – Fall

CPT 101	Introduction to Computers	3
HRT 153	Landscape Construction	3
HRT 171	Landscape Business Techniques	3
HRT 241	Turf Management	3
		<b>Total 12</b>

**Fifth Semester – Spring**

HRT 130	Greenhouse Production	3
ELE Oral	Select one course from Oral Communications Electives	3
ELE SSC	Select one course from Behavioral Social Sciences Electives	3
SPA 155	Technical Spanish I	3
<b>Total 12</b>		

**Sixth Semester – Summer**

HRT 121	Commercial Irrigation	3
HRT 254	Landscape Maintenance	2
ELE HUM	Select one course from the Humanities Electives	3
<b>Total 8</b>		

**Second Semester – Spring**

CPT 101	Introduction to Computers	3
<b>or</b>		
EGR 110	Introduction to Computer Environment	3
MTT 123	Machine Tool Theory II	3
MTT 124	Machine Tool Practice II	4
MTT 141	Metals and Heat Treatment	3
MTT 241	Jigs and Fixtures I	2
<b>Total 15</b>

IDS 201	Leadership Development	3
EGT 109	Introduction to Engineering Design Graphics	3
ENG 101	English Composition I	3
<b>Total 9</b>		

# Machine Tool Technology

**Associate in Industrial Technology****Credit Requirements: 74 Semester Credit Hours****Day**

The Machine Tool Technology program prepares students for employment in manufacturing industries as machinists, tool makers and machinery repairmen. It teaches basic skills required to operate conventional and computer-controlled machine tools, perform precision measurements and to read and properly interpret blueprints. Students are offered the option of participating in cooperative work experience in industry. The Automated Manufacturing Career Path of the Machine Tool Technology degree is designed to prepare students to work in automated production facilities.

For entry into this program the student must be a high school graduate or possess a GED and take the College's placement test or meet the College's SAT or ACT requirements.

*Note: (1) Scheduled courses may be cancelled due to low enrollment. (2) Placement test scores required for entry into degree program.*

**Recommended Sequence of Courses****First Semester – Fall**

EGT 106	Print Reading and Sketching	3
MTT 121	Machine Tool Theory I	3
MTT 122	Machine Tool Practice I	4
MTT 143	Precision Measurements	2
MTT 240	Specifications	3
<b>Total 15</b>		

**Fourth Semester – Fall**

IMT 163	Problem Solving for Mechanical Applications	3
MAT 170	Algebra, Geometry and Trigonometry I	3
MTT 125	Machine Tool Theory III	3
MTT 126	Machine Tool Practice III	4
<b>Total 13</b>		

**Fifth Semester – Spring**

EGT 151	Introduction to CAD	3
MTT 215	Tool Room Machining I	4
MTT 250	Principles of CNC	3
ECO 210	Macroeconomics	3
<b>or</b>		
PSY 110	Applied Psychology	3
<b>or</b>		
PSY 201	General Psychology	3
<b>Total 13</b>		

**Sixth Semester – Summer**

ENG 260	Advanced Technical Communications	3
MTT 253	CNC Programming and Operation	3
SPC 205	Public Speaking	3
<b>or</b>		
SPC 209	Interpersonal Communication	3
<b>Total 9</b>

# Cosmetology

## Diploma: Business

**Credit Requirements: 48 Semester Credit Hours**  
**Day**

The Cosmetology program prepares students for entry into the cosmetology career field by providing instruction in basic skills and theory.

Admission into this program requires qualifying scores on SAT, ACT or the TTC placement test. High school graduation is not required if you are at least 18 years old and can provide proof of 10th grade completion. (No correspondence schools.)

### Recommended Sequence of Courses

#### First Semester – Fall

COS 112	Shampoo and Rinses	4
COS 108	Nail Care	3
COS 120	Manikin Practice	3
COS 206	Chemical Hair Waving	3
<b>Total 13</b>		

### Second Semester – Spring

COS 110	Scalp and Hair Care	3
COS 101	Fundamentals of Cosmetology	3
COS 106	Facials and Makeup	3
COS 220	Cosmetology Clinical Practice I	3
<b>Total</b>		<b>12</b>

### Third Semester – Summer

COS 116	Hair Styling I	4
COS 210	Hair Coloring	3
MAT 155	Contemporary Mathematics	3
<b>Total</b>		<b>10</b>

### Fourth Semester – Fall

COS 114	Hair Shaping	4
COS 222	Cosmetology Clinical Practice II	3
ENG 150	Basic Communications	3
PSY 110	Applied Psychology	3
<b>Total</b>		<b>13</b>

## Air Conditioning/ Refrigeration Beginning Certificate

### Certificate: Industrial Technology

#### Credit Requirements: 14 Semester credit Hours

This is a basic ACR fundamentals certificate designed to offer documentation of basic knowledge in the ACR field. This prepares students for entry positions where multiple trades are required such as in apartment and/or building maintenance. Other positions such as counter/distributor HVAC sales would also benefit.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

#### Recommended Sequence of Courses

##### First Semester-Fall

ACR 106	Basic Electricity	4
ACR 108	Refrigeration Fundamentals	3
ACR 109	Tools and Service II	2
<b>Total</b>		<b>9</b>

##### Second Semester-Spring

ACR 122	Principles of Air Conditioning	5
<b>Total</b>		<b>5</b>

## Air Conditioning/ Refrigeration Mechanics

### Certificate: Industrial Technology

#### Credit Requirements: 29 Semester Credit Hours Day

The Air Conditioning/Refrigeration Mechanics program prepares students for entry-level positions in the residential and light commercial heating and air conditioning field.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

#### Recommended Sequence of Courses

##### First Semester – Fall

ACR 106	Basic Electricity for HVAC/R	4
ACR 108	Refrigeration Fundamentals	3
ACR 109	Tools and Service II	2
<b>Total</b>		<b>9</b>

##### Second Semester – Spring

ACR 111	Gas Heating Principles	3
ACR 122	Principles of Air Conditioning	5
ACR 206	Advanced Electricity	2
<b>Total</b>		<b>10</b>

##### Third Semester – Summer

ACR 131	Commercial Refrigeration	4
ACR 210	Heat Pumps	4
ACR 224	Codes and Ordinances	2
<b>Total</b>		<b>10</b>

## Air Conditioning/ Refrigeration Advanced Certificate

### Certificate: Industrial Technology

#### Credit Requirements: 13 Semester Credit Hours

This certificate covers more advanced principles in ACR for individuals who have been in the field and desire more formal education or students who have an excellent understanding of basic ACR principles and desire more specific training on equipment and/or troubleshooting. It is strongly recommended that students who do not have a solid fundamental ACR foundation start with the ACR Beginning Certificate

Admission into this program requires qualifying scores on SAT, ACT or TTC’s placement test. High school graduation is not required if you are at least 18 years old.

**Fall Start**

**First Semester-Fall**

ACR 210	Heatpumps	4
ACR 131	Commercial Refrigeration	4
<b>Total 8</b>		

**Second Semester-Spring**

ACR 111	Gas Heating	3
ACR 206	Advanced Electricity	2
<b>Total 5</b>		

**Spring Start**

**First Semester-Spring**

ACR 111	Gas Heating	3
ACR 206	Advanced Electricity	2
<b>Total 5</b>		

**Second Semester-Fall**

ACR 131	Commercial Refrigeration	4
ACR 210	Heatpumps	4
<b>Total 8</b>		

# Automatic Transmission Repair Specialist

**Certificate: Industrial Technology**

**Credit Requirements: 11 Semester Credit Hours**

The Automatic Transmission Repair Specialist certificate program provides instruction on the theory, service and repair of automobile manual and automatic transmission, and transaxle and conventional drive axles. Graduates of this program should be able to perform most phases of transmission repair including diagnosis, disassembly, measurement, preassembly checks, reassembly and unit testing. Graduates with the required work experience should be prepared for the ASE certification tests in Automatic Transmission and Transaxle and Manual Drive Train and Axles.

Admission into this program requires a valid driver’s license and qualifying scores on SAT, ACT or TTC’s placement test. High school graduation is not required if you are at least 18 years old.

**Recommended Sequence of Courses**

**First Semester – Spring**

AUT 152	Automatic Transmission	4
AUT 153	Automatic Transmission Diagnosis	3
<b>Total 7</b>		

**Second Semester – Summer**

*AUT 252	Advanced Automatic Transmission	4
<b>Total 4</b>		

*\* Prerequisite AUT 152*

# Automotive Brakes and Alignment Specialist

**Certificate: Industrial Technology**

**Credit Requirements: 10 Semester Credit Hours**

The Automotive Brakes and Alignment Specialist program provides instruction in the theory, diagnosis and repair of automobile steering and braking systems. Graduates of this program should be able to service and repair the hydraulic, vacuum and mechanical components of automobile braking systems, and to diagnose, adjust and repair components of manual and power assist steering systems. Graduates with the required work experience should be prepared for the ASE certification tests in Brakes and Suspension and Steering.

Admission into this program requires a valid driver’s license and qualifying scores on SAT, ACT or TTC’s placement test. High school graduation is not required if you are at least 18 years old.

**Recommended Sequence of Courses**

**First Semester – Spring**

AUT 122	Suspension and Alignment	4
<b>Total 4</b>		

**Second Semester – Summer**

AUT 111	Brakes	3
AUT 211	Advanced Brakes	3
<b>Total 6</b>		

# Automotive Engine Performance Specialist

## Certificate: Industrial Technology

### Credit Requirements: 11 Semester Credit Hours

This certificate program provides instruction on the theory, diagnosis and repair of engine fuel, electrical and emission control systems. Graduates of this program should be able to evaluate, diagnose and repair carbureted and fuel-injected automobile fuel systems, conventional and electronic ignition systems, emission control systems, and on-board, computer-managed engine systems. Graduates with the required work experience should be prepared for the ASE certification test in Engine Performance.

Admission into this program requires a valid driver's license, qualifying scores on SAT, ACT or TTC's placement test, and successful completion of AUT 133 or departmental approval. High school graduation is not required if you are at least 18 years old.

### Recommended Sequence of Courses

#### First Semester – Spring

*AUT 145	Engine Performance	3
AUT 149	Ignition and Fuel Systems	4
<b>Total</b>		<b>7</b>

#### Second Semester – Summer

*AUT 247	Electronic Fuel Systems	4
<b>Total</b>		<b>4</b>

\*AUT 149 Prerequisite

# Automotive Engine Repair Specialist

## Certificate: Industrial Technology

### Credit Requirements: 11 Semester Credit Hours

The Automotive Engine Repair Specialist certificate program provides instruction on the theory, service and repair of automobile engines. Graduates of this program should be able to perform all phases of engine repair including diagnosis, disassembly, measurement, machining and reconditioning of components, reassembly and run-in of engines. Graduates with the required work experience should be prepared for the ASE certification test in Engine Repair.

Admission into this program requires a valid driver's license and qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

### Recommended Sequence of Courses

#### First Semester – Fall

AUT 101	Engine Fundamentals	3
<b>Total</b>		<b>3</b>

#### Second Semester – Summer

AUT 103	Engine Reconditioning	4
<b>Total</b>		<b>4</b>

#### Third Semester – Fall

AUT 263	Advanced Automotive Machining	4
<b>Total</b>		<b>4</b>

# Automotive Servicing

## Certificate: Industrial Technology

### Credit Requirements: 39 Semester Credit Hours

#### Day

The Automotive Servicing program prepares students for employment in the automotive servicing industry. This program teaches the basic skills required for the diagnosis, maintenance and repair of passenger cars and light trucks, through theory and shop instruction.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

### Recommended Sequence of Courses

#### First Semester – Fall

AUT 101	Engine Fundamentals	3
AUT 111	Brakes	3
AUT 131	Electrical Systems	3
AUT 133	Electrical Fundamentals	3
<b>Total</b>		<b>12</b>

#### Second Semester – Spring

AUT 103	Engine Reconditioning	4
AUT 145	Engine Performance	3
AUT 149	Ignition and Fuel Systems	4
AUT 241	Automotive Air Conditioning	4
<b>Total</b>		<b>15</b>

#### Third Semester – Summer

AUT 116	Manual Transmission and Axle	4
AUT 122	Suspension and Alignment	4
AUT 152	Automatic Transmission	4
<b>Total</b>		<b>12</b>

# Automotive Servicing

**Certificate: Industrial Technology**  
**Credit Requirements: 39 Semester Credit Hours**  
**Evening**

The Automotive Servicing program prepares students for employment in the automotive servicing industry. This program teaches the basic skills required for the diagnosis, maintenance and repair of passenger cars and light trucks, through theory and shop instruction.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

**Recommended Sequence of Courses**  
**First Semester – Fall**

AUT 101	Engine Fundamentals	3
AUT 133	Electrical Fundamentals	3
<b>Total 6</b>		

**Second Semester – Spring**

AUT 122	Suspension and Alignment	4
AUT 131	Electrical Systems	3
<b>Total 7</b>		

**Third Semester – Summer**

AUT 111	Brakes	3
AUT 241	Automotive Air Conditioning	4
<b>Total 7</b>		

**Fourth Semester – Fall**

AUT 116	Manual Transmission and Axle	4
AUT 152	Automatic Transmission	4
<b>Total 8</b>		

**Fifth Semester – Spring**

AUT 145	Engine Performance	3
AUT 149	Ignition and Fuel Systems	4
<b>Total 7</b>		

**Sixth Semester – Summer**

AUT 103	Engine Reconditioning	4
<b>Total 4</b>		

# Basic Construction Trades

**Certificate: Industrial Technology**  
**Credit Requirements: 27 Semester Credit Hours**

This certificate program teaches basic residential construction skills. A combination of credit courses is used to teach and build a house. The program prepares students for entry into the residential construction industry.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

**Recommended Sequence of Courses**  
**First Semester – Fall**

BCT 102	Fundamentals of Building Construction	4
BCT 103	Construction Site Layout	4
BCT 112	Construction Print Reading	2
BCT 201	Principles of Roof Construction	4
<b>Total 14</b>		

**Second Semester – Spring**

BCT 138	Residential Wiring	5
BCT 151	Introduction to Residential Plumbing	3
BCT 203	Exterior and Interior Finishes	5
<b>Total 13</b>		

# Basic Industrial Work Skills

**Certificate: Industrial Technology**  
**Credit Requirements: 25 Semester Credit Hours**

This certificate is designed to offer employability skills for the industrial environment and to prepare the student for various entry level positions at industrial and manufacturing work sites. Topics such as safety, communication, problem solving and computer use are introduced.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

**Recommended Sequence of Courses**  
**First Semester – Summer**

IMT 102	Industrial Safety	2
*CWE 114	Cooperative Work Experience	4
<b>Total 6</b>		

### Second Semester – Fall

IMT 163	Problem Solving for Mechanical Applications	3
ENG 150	Basic Communications	3
<b>Total 6</b>		

### Third Semester – Spring

BCT 158	Introductory Building Maintenance	5
*CWE 122	Cooperative Work Experience	2
<b>Total 7</b>		

### Fourth Semester – Summer

QAT 110	Manufacturing Methods	3
CPT 101	Introduction to Computers	3
<b>Total 6</b>		

*\* Students may substitute the following for CWE 114 and CWE 122: 6 credit hours from one of the following categories: IMT, WLD, ACR, MTT or EEM. Courses selected must be from the same course category and are subject to advisor approval.*

## Computer Numerical Control Operations

### Certificate: Industrial Technology

**Credit Requirements: 19 Semester Credit Hours**

#### Day

The Computer Numerical Control Operations program provides instruction in the theory, operation and programming of Computer Numerical Control (CNC) machine tools. This program teaches the basic skills required to read and interpret blueprints, operate CNC turning centers and machining centers, perform setups for CNC machine tools, perform tool off-sets, generate CNC program code manually or using computer software, edit CNC programs, upload and download CNC programs from off-line computers to CNC machine tools, and measure and inspect parts produced using CNC technology.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

### Recommended Sequence of Courses

#### First Semester – Fall

EGT 106	Print Reading and Sketching	3
MTT 101	Introduction to Machine Tool	2
<b>Total 5</b>		

### Second Semester – Spring

EGT 109	Introduction to Engineering Design Graphics	3
MTT 143	Precision Measurements	2
<b>Total 5</b>		

### Third Semester – Summer

EGT 265	CAD/CAM Applications	3
MTT 250	Principles of CNC	3
<b>Total 6</b>		

### Fourth Semester – Fall

MTT 253	CNC Programming and Operation	3
<b>Total 3</b>		

## Computer Numerical Control Operations

### Certificate: Industrial Technology

**Credit Requirements: 19 Semester Credit Hours**

#### Evening

The Computer Numerical Control Operations program provides instruction in the theory, operation and programming of Computer Numerical Control (CNC) machine tools. This program teaches the basic skills required to read and interpret blueprints, operate CNC turning centers and machining centers, perform setups for CNC machine tools, perform tool off-sets, generate CNC program code manually or using computer software, edit CNC programs, upload and download CNC programs from off-line computers to CNC machine tools, and measure and inspect parts produced using CNC technology.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

<b>Total</b>		<b>12</b>

<b>Third Semester – Summer</b>		
COS 116	Hair Styling I	4
COS 210	Hair Coloring	3
<b>Total</b>		<b>7</b>

<b>Fourth Semester – Fall</b>		
COS 114	Hair Shaping	4
COS 222	Cosmetology Clinical Practice II	3
<b>Total</b>		<b>7</b>

## Electrician: Automated Controls

**Certificate: Industrial Technology**  
**Credit Requirements: 28 Semester Credit Hours**  
**Day**

The Electrician: Automated Controls certificate program prepares you for employment in industry as an automated controls maintenance technician. Emphasis is placed on electrical/electronic theory,

programmable controllers and their applications, and hydraulic and pneumatic systems.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

### Recommended Sequence of Courses

<b>First Semester – Fall</b>		
EEM 107	Industrial Computer Techniques	2
EEM 117	AC/DC Circuits I	4
EEM 118	AC/DC Circuits II	4
<b>Total</b>		<b>10</b>

<b>Second Semester – Spring</b>		
BCT 158	Introductory Building Maintenance	5
EEM 251	Programmable Controllers	3
<b>Total</b>		<b>8</b>

<b>Third Semester – Summer</b>

The Electrician: Construction certificate program prepares you for employment in the electrical construction trade. Emphasis is placed on electrical theory, wiring techniques, electrical equipment installations and license preparation in accordance with the latest edition of the National Electrical Code.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

### Recommended Sequence of Courses

#### First Semester – Spring

EEM 117	AC/DC Circuits I	4
EEM 118	AC/DC Circuits II	4
		<b>Total 8</b>

#### Second Semester – Summer

BCT 158	Introductory Building Maintenance	5
EEM 107	Industrial Computer Techniques	2
		<b>Total 7</b>

#### Third Semester – Fall

BCT 140	Commercial Wiring	3
BCT 141	Fixtures and Installation	3
<b>or</b>		
CWE	Cooperative Work Experience	3
		<b>Total 6</b>

#### Fourth Semester – Spring

BCT 120	Electrical Building Code License Preparation	2
EEM 165	Residential/Commercial Wiring	4
		<b>Total 6</b>

## Electrician: Industrial

### Certificate: Industrial Technology

**Credit Requirements: 31 Semester Credit Hours**  
**Day**

The Electrician: Industrial certificate program prepares you for employment as an industrial maintenance electrician. Emphasis is placed on electrical/electronic theory and industrial electrical equipment such as motors, transformers, motor control systems, drive systems and programmable controllers. Special emphasis is placed on developing troubleshooting skills.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

### Recommended Sequence of Courses

#### First Semester – Fall

EEM 107	Industrial Computer Techniques	2
EEM 117	AC/DC Circuits I	4
EEM 118	AC/DC Circuits II	4
<b>Total 10</b>		

#### Second Semester – Spring

BCT 140	Commercial Wiring	3
EEM 131	Solid State Devices	4
EEM 217	AC/DC Machines with Electrical Codes	4
EEM 251	Programmable Controllers	3
<b>Total 14</b>		

#### Third Semester – Summer

EEM 151	Motor Controls I	4
EEM 221	DC/AC Drives	3
<b>Total 7</b>		

## Electrician: Industrial

### Certificate: Industrial Technology

#### Credit Requirements: 31 Semester Credit Hours

#### Evening

The Electrician: Industrial certificate program prepares you for employment as an industrial maintenance electrician. Emphasis is placed on electrical/electronic theory and industrial electrical equipment such as motors, transformers, motor control systems, drive systems and programmable controllers. Special emphasis is placed on developing troubleshooting skills.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

### Recommended Sequence of Courses

#### First Semester – Spring

EEM 117	AC/DC Circuits I	4
EEM 118	AC/DC Circuits II	4
<b>Total 8</b>		

#### Second Semester – Summer

EEM 107	Industrial Computer Techniques	2
EEM 131	Solid State Devices	4
<b>Total 6</b>		

#### Third Semester – Fall

EEM 221	DC/AC Drives	3
EEM 251	Programmable Controllers	3
<b>Total 6</b>		

#### Fourth Semester – Spring

EEM 217	AC/DC Machines with Electrical Codes	4
<b>Total 4</b>		

#### Fifth Semester – Summer

EEM 151	Motor Controls I	4
<b>Total 4</b>		

#### Sixth Semester – Fall

BCT 140	Commercial Wiring	3
<b>Total 3</b>		

## Esthetics

### Certificate: Business

#### Credit Requirements: 24 Semester Credit Hours

This certificate program teaches basic skin care, various facials, makeup application, hair removal, sanitation procedures and salon management practices.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old and can provide proof of 10th grade completion (no correspondence schools).

### Recommended Sequence of Courses

#### First Semester

COS 151	Dermatology	3
COS 152	Hygiene and Sanitation	2
COS 153	Structure and Function of Human Systems	3
COS 156	Fundamentals of Massage	2
COS 158	Facial Treatments	2
COS 160	Electric Current Facial Treatments	1
COS 162	Hair Removal	1
<b>Total 14</b>		

#### Second Semester

COS 164	Basic Makeup and Application	3
COS 165	Business Practice	3
COS 221	Facial Practice I	2
COS 223	Facial Practice II	2
<b>Total 10</b>		

*Note: Palmer Campus sequence of course varies.  
See your advisor.*

# Golf Course Maintenance

**Certificate: Agriculture**

**Credit Requirements: 23 Semester Credit Hours**

The Golf Course Maintenance certificate program provides short-term training for individuals employed in golf course maintenance and those wishing to enter the field. The program is structured so that novice students can develop basic skills, and those individuals currently employed at golf courses can upgrade their skills through formal course work combined with on-the-job training. This on-the-job training consists of supervised work experience in which students are placed at a golf course for hands-on practice with chemical and fertilizer application equipment as well as training in routine maintenance practices. Students must see the Horticulture faculty for more information.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

## Recommended Sequence of Courses

### First Semester – Fall

HRT 110	Plant Form and Function	4
HRT 144	Plant Pests	3
HRT 241	Turf Management	3
<b>Total 10</b>		

### Second Semester – Spring

HRT 125	Soils	4
HRT 240	Pesticides	4
<b>Total 8</b>		

### Third Semester – Summer

CWE 112	Cooperative Work Experience	2
HRT 121	Commercial Irrigation	3
<b>Total 5</b>		

# Industrial Maintenance

**Certificate: Industrial Technology**

**Credit Requirements: 22 Semester Credit Hours**

**Evening**

The Industrial Maintenance program prepares students for employment in commercial and industrial building and plant maintenance. This program teaches basic skills required for maintenance, installation, troubleshooting and repair of air conditioning and electrical systems.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

## Recommended Sequence of Courses

### First Semester – Fall

ACR 106	Basic Electricity for HVAC/R	4
ACR 108	Refrigeration Fundamentals	3
ACR 109	Tools and Service II	2
<b>Total 9</b>		

### Second Semester – Spring

BCT 138	Residential Wiring	5
<b>Total 5</b>		

### Third Semester – Summer

BCT 158	Introductory Building Maintenance	5
<b>Total 5</b>		

### Fourth Semester – Fall

BCT 140	Commercial Wiring	3
<b>Total 3</b>		

# Industrial Mechanic

**Certificate: Industrial Technology**

**Credit Requirements: 24 Semester Credit Hours**

**Evening**

The Industrial Mechanic program prepares students for employment in industrial mechanics. This program teaches skills required for troubleshooting, maintenance and repair of mechanical systems.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

## Recommended Sequence of Courses

### First Semester – Fall

IMT 160	Preventive Maintenance	3
IMT 163	Problem Solving for Mechanical Applications	3
<b>Total 6</b>		

### Second Semester – Spring

IMT 131	Hydraulics and Pneumatics	4
IMT 151	Piping Systems	3
<b>Total 7</b>		

### Third Semester – Summer

BCT 158	Introductory Building Maintenance	5
IMT 124	Pumps	2
<b>Total 7</b>		

### Fourth Semester – Fall

IMT 105	Mechanical Sketching	2
IMT 121	Drive Systems	2
<b>Total 4</b>		

## Landscape Design

### Certificate: Agriculture

#### Credit Requirements: 16 Semester Credit Hours

The Landscape Design certificate program provides training for individuals involved in landscape design and installation. The program is useful for those with practical experience in landscape installation, but with little or no formal training in plant arrangements and plant selection. Students must see the Horticulture faculty for advising.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

#### Recommended Sequence of Courses

##### First Semester – Fall

HRT 106	Ornamentals	2
HRT 153	Landscape Construction	3
<b>Total 5</b>		

##### Second Semester – Spring

HRT 102	Landscape Design	4
HRT 107	Woody Ornamentals	2
<b>Total 6</b>		

##### Third Semester – Summer

HRT 108	Annuals and Perennials	2
HRT 212	Commercial Landscape Design	3
<b>Total 5</b>		

## Landscape Management

### Certificate: Agriculture

#### Credit Requirements: 17 Semester Credit Hours

The Landscape Management certificate is ideal if you want to take courses in a specific area of landscape maintenance and management. The objective of this certificate is to create confidence and professionalism in the landscaper and nursery

worker by broadening his or her horticultural knowledge and increasing exposure to modern techniques and materials used in landscape management.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

#### Recommended Sequence of Courses

##### First Semester – Fall

HRT 101	Introduction to Horticulture	3
HRT 106	Ornamentals	2
HRT 241	Turf Management	3
<b>Total 8</b>		

##### Second Semester – Spring

HRT 107	Woody Ornamentals	2
MGT 120	Small Business Management	3
<b>Total 5</b>		

##### Third Semester – Summer

HRT 108	Annuals and Perennials	2
HRT 254	Landscape Maintenance	2
<b>Total 4</b>		

## Machine Tool Technology

### Certificate: Industrial Technology

#### Credit Requirements: 34 Semester Credit Hours Day

The Machine Tool Technology certificate program prepares you for entry-level employment in the metal working industry.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

#### Recommended Sequence of Courses

##### First Semester – Fall

EGT 106	Print Reading and Sketching	3
MTT 121	Machine Tool Theory I	3
MTT 122	Machine Tool Practice I	4
MTT 143	Precision Measurements	2
MTT 240	Specifications	3
<b>Total 15</b>		

##### Second Semester – Spring

MTT 123	Machine Tool Theory II	3
MTT 124	Machine Tool Practice II	4
MTT 141	Metals and Heat Treatment	3
MTT 241	Jigs and Fixtures I	2
<b>Total 12</b>		

### Third Semester – Fall

MTT 125	Machine Tool Theory III	3
MTT 126	Machine Tool Practice III	4
<b>Total</b>		<b>7</b>

## Machine Tool Technology

### Certificate: Industrial Technology

**Credit Requirements: 34 Semester Credit Hours**

#### Fall Semester Start / Evening

The Machine Tool Technology certificate program prepares you for entry-level employment in the metal-working industry.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

### Recommended Sequence of Courses

#### First Semester – Fall

EGT 106	Print Reading and Sketching	3
MTT 121	Machine Tool Theory I	3
MTT 122	Machine Tool Practice I	4
<b>Total</b>		<b>10</b>

#### Second Semester – Spring

MTT 123	Machine Tool Theory II	3
MTT 124	Machine Tool Practice II	4
MTT 143	Precision Measurements	2
<b>Total</b>		<b>9</b>

#### Third Semester – Summer

MTT 141	Metals and Heat Treatment	3
MTT 240	Specifications	3
MTT 241	Jigs and Fixtures I	2
<b>Total</b>		<b>8</b>

#### Fourth Semester – Fall

MTT 125	Machine Tool Theory III	3
MTT 126	Machine Tool Practice III	4
<b>Total</b>		<b>7</b>

## Machine Tool Technology

### Certificate: Industrial Technology

**Credit Requirements: 34 Semester Credit Hours**

#### Spring Semester Start / Evening

The Machine Tool Technology certificate program prepares you for entry-level employment in the metal working industry.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

### Recommended Sequence of Courses

#### First Semester – Spring

EGT 106	Print Reading and Sketching	3
MTT 121	Machine Tool Theory I	3
MTT 122	Machine Tool Practice I	4
<b>Total</b>		<b>10</b>

#### Second Semester – Summer

MTT 141	Metals and Heat Treatment	3
MTT 143	Precision Measurements	2
MTT 240	Specifications	3
<b>Total</b>		<b>8</b>

#### Third Semester – Fall

MTT 123	Machine Tool Theory II	3
MTT 124	Machine Tool Practice II	4
MTT 241	Jigs and Fixtures I	2
<b>Total</b>		<b>9</b>

#### Fourth Semester – Spring

MTT 125	Machine Tool Theory III	3
MTT 126	Machine Tool Practice III	4
<b>Total</b>		<b>7</b>

## Nail Technology

### Certificate: Business

**Credit Requirements: 24 Semester Credit Hours**

#### Day

This program teaches basic nail care, various nail additions, repair wraps, sanitation procedures and basic salon management practices.

Admission into this program requires qualifying scores on SAT, ACT or the TTC placement test. High school graduation is not required if you are at least 18 years old and can provide proof of 10th grade completion (no correspondence schools).

### Recommended Sequence of Courses

#### First Semester

COS 130	Professional Image	2
COS 131	Bacteria and Other Infectious Agents	2
COS 132	Science of Nail Technology	2
COS 133	Basic Procedures	3
COS 135	The Business of Nail Technology	2
COS 136	Fundamentals of Artificial Nail Application	4
COS 137	Fundamentals of Nail Art	1

COS 224	Nail Practice I	4
COS 226	Nail Practice II	4
<b>Total</b>		<b>24</b>

## Welding Gas Metal Arc and Flux Cored Arc

**Certificate: Industrial Technology**  
**Credit Requirements: 28 Semester Credit Hours**  
**Fall Semester Start**

This certificate teaches beginning and intermediate welding students the principles and practices of gas metal arc and flux cored arc welding in preparation for entry into the welding fields of manufacturing, construction, transportation and maintenance.

Admission into this program requires qualifying scores on SAT, ACT or TTC’s placement test. High school graduation is not required if you are at least 18 years old.

### Recommended Sequence of Courses

#### First Semester – Fall

EGT 114	Welding Print Basics	2
WLD 110	Welding Safety and Health	1
WLD 118	Gas Metal Arc Welding Ferrous I	4
WLD 119	Gas Metal Arc Welding Ferrous II	1
WLD 201	Welding Metallurgy	2
<b>Total</b>		<b>10</b>

#### Second Semester – Spring

EGT 117	Welding Print Principles	2
WLD 120	Flux Cored Arc Welding I	4
WLD 121	Flux Cored Arc Welding II	1
WLD 141	Weld Quality	2
WLD 240	Robotic Welding and Manufacturing	4
<b>Total</b>		<b>13</b>

#### Third Semester – Summer

WLD 122	Gas Metal Arc Welding Nonferrous I	4
WLD 123	Gas Metal Arc Welding Nonferrous II	1
<b>Total</b>		<b>5</b>

## Welding Gas Metal Arc and Flux Cored Arc

**Certificate: Industrial Technology**  
**Credit Requirements: 28 Semester Credit Hours**  
**Spring Semester Start**

This certificate teaches beginning and intermediate welding students the principles and practices of gas metal arc and flux cored arc welding in preparation for entry into the welding fields of manufacturing, construction, transportation and maintenance.

Admission into this program requires qualifying scores on SAT, ACT or TTC’s placement test. High school graduation is not required if you are at least 18 years old.

### Recommended Sequence of Courses

<b>Total 13</b>		

# Welding Gas Metal Arc and Flux Cored Arc Advanced

**Certificate: Industrial Technology**

**Credit Requirements: 15 Semester Credit Hours**

**Fall Semester Start**

This certificate teaches advanced welding students pipe welding skills using the gas metal arc and flux cored arc welding processes. Requirements for entry into this program are prerequisite courses WLD 119 and WLD 121; current welder

qualification documentation of gas metal arc and flux cored arc in 3G and 4G positions on carbon steel; or skills evaluation by the Welding instructor at TTC.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

## Recommended Sequence of Courses

### First Semester – Fall

WLD 231	Gas Metal Arc/Flux Cored Arc Welding Pipe I	4
WLD 232	Gas Metal Arc/Flux Cored Arc Welding Pipe II	2
<b>Total 6</b>		

### Second Semester – Spring

WLD 110	Welding Safety and Health	1
WLD 141	Weld Quality	2
<b>Total 3</b>		

### Third Semester – Fall

EGT 114	Welding Print Basics	2

<b>Total 4</b>		

## Welding Gas Tungsten Arc

### Certificate: Industrial Technology

**Credit Requirements: 24 Semester Credit Hours**

#### Fall Semester Start

This certificate teaches beginning and intermediate welding students the principles and practices of gas tungsten arc welding carbon steel, aluminum and stainless steel sheet metal, plate and tubing.

Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

Students can enter the certificate program in any semester.

### Recommended Sequence of Courses

#### First Semester – Fall

EGT 114	Welding Print Basics	2
WLD 110	Welding Safety and Health	1
WLD 132	Inert Gas Welding Ferrous	4
WLD 133	Inert Gas Welding Ferrous Tubing	1
WLD 201	Welding Metallurgy	2
<b>Total 10</b>		

#### Second Semester – Spring

# Welding Shielded Metal Arc Advanced

**Certificate: Industrial Technology**

**Credit Requirements: 15 Semester Credit Hours**

**Spring Semester Start**

This certificate teaches advanced welding students pipe welding skills using the shielded metal arc welding process. Requirements for entry into this program are: prerequisite courses WLD

170 and WLD 125; current welder qualification documentation of shielded metal arc welding in 3G and 4G positions; or skills evaluation by the welding instructor at TTC. Admission into this program requires qualifying scores on SAT, ACT or TTC's placement test. High school graduation is not required if you are at least 18 years old.

Students can enter the certificate in Fall or Spring semesters.

## Recommended Sequence of Courses

## LAW-RELATED STUDIES

### Overview

The Division of Law-Related Studies offers students the education needed to enter the law enforcement and paralegal professions.

The Criminal Justice associate degree program is for students who desire to begin careers in law enforcement, upgrade their skills, or transfer to a four-year institution to obtain a bachelor's degree in criminal justice, criminology or sociology. The College also offers three Criminal Justice certificates: Law Enforcement, Corrections and Crime Scene Investigation. These certificates are designed for students who are not seeking an associate degree but need course work in criminal justice to help them gain employment or advance in their respective field of employment.

TTC's Paralegal associate degree program is designed for students who want a career as a paralegal. The College also offers a Paralegal certificate program for students who already have some college credit. To enter this program students must have at least 49.5 quarter or 33 semester credit hours, at a C or better, from an approved, accredited postsecondary institution. Of these hours, three hours must be CPT 101 or a comparable computer course, and 18 hours must be general education courses spread across three disciplines, with six of those 18 hours being comprised of ENG 101 and SPC 205 or SPC 209. Contact your advisor for further details. The Paralegal certificate program and the Paralegal associate degree program have received the approval of the American Bar Association.

### General Information

Through internships, work-study positions or the College's cooperative education program, Criminal Justice and Paralegal students are provided the opportunity to receive on-the-job training in a variety of settings.

Students interested in Law-Related Studies programs should consult with a faculty advisor to discuss program requirements, class times and frequency of offerings. Seating is limited, so early registration is recommended. For more information call 843.722.5526.

### Cancellation Policy

TTC reserves the right to cancel courses due to inadequate enrollment.

## Programs of Study

### Associate Degree Programs

Criminal Justice

Paralegal

### Certificate Programs

Criminal Justice: Corrections

Criminal Justice: Law Enforcement

Crime Scene Investigation

Paralegal

## Criminal Justice

### Associate in Public Service

#### Credit Requirements: 66 Semester Credit Hours

The Criminal Justice associate degree program was designed in response to the local need for professionally trained and competent criminal justice practitioners. Generally, three groups of students are served: those who plan to seek employment in public or private agencies immediately upon completion of the two-year degree, those who are already employed in the system and have a desire for further education in order to qualify for professional advancement, and those who intend to pursue advanced studies in criminal justice, criminology or sociology at four-year institutions. Students may receive college transfer credit for classes in which a grade of C or better was earned from other approved, accredited postsecondary institutions. Official transcripts must be submitted before credit can be granted. Contact your advisor for more information. Some courses offered in the training curriculum at the South Carolina Criminal Justice Academy are eligible for credit toward the Criminal Justice associate degree at TTC. Courses taken at TTC may be transferable to the South Carolina Criminal Justice Academy for recertification credit for certified police and detention officers. Contact your advisor for more specific information. Students who earn credit at TTC may be able to transfer to public and private institutions within South Carolina and across the United States. A number of four-year institutions in South Carolina maintain transfer agreements with TTC. Contact your advisor for more information about specific articulation agreements for Criminal Justice. To provide more flexibility in scheduling, all courses required for the Criminal Justice associate degree and certificates may now be taken online.

## Recommended Sequence of Courses

ELE GEN	Select three hours from Criminal Justice General Electives	3
<b>Total 12</b>		

*Note: Discuss course selection with your advisor regarding transferability to four-year colleges. Some courses may not transfer.*

## Paralegal

### Associate in Public Service

#### Credit Requirements: 69 Semester Credit Hours

The Paralegal associate degree program prepares students to work under the direct supervision of an attorney to prepare legal documents, recommend solutions for procedural problems, and create and implement detailed office procedures for the efficient handling of specialized fields of law. This program has received approval from the American Bar Association.

*Note: Please see course descriptions. Most LEG courses require completion of prerequisites, corequisites or advisor's approval. Many LEG courses are offered only once each year, so following the recommended course sequence is very important. See your advisor prior to registration.*

### Recommended Sequence of Courses

#### First Semester – Fall

CPT 101	Introduction to Computers	3

LEG 214	Property Law	3
LEG 233	Wills, Trusts and Probate	3
*LEG 242	Law Practice Workshop	3
MAT 110	College Algebra	3
or		
MAT 120	Probability and Statistics	3
or		
MAT 155	Contemporary Mathematics	3
ELE LEG	Select three credit hours from Paralegal Electives	3
<b>Total</b>		<b>15</b>

#### Fifth Semester – Spring

CPT 179	Microcomputer Word Processing	3
LEG 230	Legal Writing	3
LEG 231	Criminal Law	3
or		
LEG 234	Title Examination Procedures I	3
ELE LEG	Select three credit hours from Paralegal Electives	3
ELE SSC	Select three credit hours from Behavioral and Social Sciences Electives	3
<b>Total</b>		<b>15</b>

Students may select six credit hours from any college-level courses in the Catalog to be used as electives except courses labeled nondegree credit, including all 100-level courses, COL 103, COL 104, COL 107, IDS 101, IDS 104 and ENG 150 or any course labeled nondegree credit in the course descriptions. The following courses are strongly recommended by the department as electives:

BUS 123, ENG 170, CPT 172 and CPT 174.

*\*May be taken in Fall or Spring of second year, but not prior to that time*

Students transferring credits into the Paralegal programs may only transfer five courses for LEG prefix course credit.

## Criminal Justice: Corrections

### Certificate: Public Service

#### Credit Requirements: 30 Semester Credit Hours

This certificate prepares students for entry-level positions where a degree is not required but where advanced education enhances employability and promotion. Many employers want an employee to have post-high school education in the corrections area, without requiring a degree.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or TTC's placement test. See your advisor for reading and writing placement.

### Recommended Sequence of Courses

#### First Semester – Fall

***CRJ 101	Introduction to Criminal Justice	3
CRJ 125	Criminology	3
CRJ 244	Probation, Pardon and Parole	3
<b>Total</b>		<b>9</b>

#### Second Semester – Spring

**CRJ 115	Criminal Law I	3
CRJ 140	Criminal Justice Report Writing	3

CRJ 222	Ethics in Criminal Justice	3
CRJ 242	Correctional Systems	3
*CRJ 230	Criminal Investigation I	3
<b>Total</b>		<b>9-12</b>

*\*Students may choose either CRJ 202 or CRJ 230. CRJ 230 is only offered in summer.*

*Students are not required to take both CRJ 202 and CRJ 230 and should discuss this choice with their advisors.*

*\*\*Course is offered every semester.*

*\*\*\*Course is offered in Fall and Spring semesters.*

# Criminal Justice: Law Enforcement

## Certificate: Public Service

### Credit Requirements: 30 Semester Credit Hours

This certificate prepares students for entry-level positions where a degree is not required, but advanced education enhances employability and promotion. Many private security companies do not require an academic degree for applicants, but do look favorably upon people with post-high school education in the criminal justice field.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or TTC's placement test. See your advisor for reading and writing placement.

### Recommended Sequence of Courses

#### First Semester – Fall

CRJ 243	Criminal Profiling	3
<b>Total 9</b>		

*\*Offered in both Fall and Spring semesters*

*\*\*Approval from advisor is required.*

# Paralegal

## Certificate: Public Service

### Credit Requirements: 36 Semester Credit Hours

The Paralegal certificate program prepares students to work under the direct supervision of an attorney to prepare legal documents, recommend solutions for procedural problems, and create and implement detailed office procedures for the efficient handling of specialized fields of law.

To be admitted to the Paralegal certificate program, a student must have completed 33 semester hours or 49.5 quarter hours of college credit at a C or better from an approved, accredited postsecondary institution. Of these hours, three hours must be CPT 101 or a comparable computer course, and 18 hours must be general education courses spread across three disciplines, with six of those 18 hours being comprised of ENG 101 and SPC 205 or SPC 209. See advisor for further details. This program has received approval from the American Bar Association.

*Note: Please see course descriptions. Most LEG courses require completion of prerequisites, corequisites or advisor's approval. Many LEG courses are offered only once each year, so following the recommended course sequence is very important. Seating is limited, so early registration is recommended. See your faculty advisor prior to registration.*

For course sequences for Spring Semester and Summer Term starts, students should see their advisors.

**Recommended Sequence of Courses**  
**First Semester – Fall**

LEG 135	Introduction to Law and Ethics	3
LEG 201	Civil Litigation I	3
LEG 214	Property Law	3
<b>Total 9</b>		

**Second Semester – Spring**

LEG 213	Family Law	3
LEG 240	Claims Investigation	3
<b>Total 9</b>		

**Fourth Semester – Fall**

*LEG 231	Criminal Law	3
LEG 233	Wills, Trusts and Probate	3
LEG 242	Law Practice Workshop	3
<b>Total 6-9</b>		

*\*Students may elect to take either LEG 231 Criminal Law or LEG 234 Title Examination Procedures. However, LEG 234 Title Examination Procedures is offered only in the Spring Semester. Students are not required to take both LEG 231 and LEG 234 and should discuss this choice with their advisors.*

*Note: Students transferring credits into the Paralegal programs may only transfer five courses for LEG prefix course credit.*

# Paralegal Program Objectives

## Program Objectives

- Explain role of paralegal in law office, identify employment opportunities, prepare resumes and apply effective interview techniques.
- Discuss the S.C. Rules of Professional Conduct and explain their application to lawyers and paralegals.
- Locate, read and analyze constitutional law, statutory law, case law, administrative agency regulations and secondary source materials related to given factual situations.
- Research and prepare legal memoranda and properly cite law used according to the citation rules contained in a Uniform System of Citation.
- Discuss and apply the S.C. Rules of Civil Procedure and describe jurisdiction of state and federal courts.
- Discuss legal issues related to real property, analyze documents for the conveyance and encumbrance of real property for validity and proper form and prepare loan closing documents.
- Apply legal principles involved in tort actions and investigate claims by gathering evidence, preparing discovery documents and interviewing witnesses.
- Apply legal principles related to domestic relations issues and prepare appropriate pleadings and documents.
- Prepare a simple will, analyze various types of trusts and apply legal principles, and prepare forms relative to administration of testate and intestate estates.
- Discuss legal principles governing formation, performance and breach of contracts, as well as appropriate remedies for breach.

- Apply legal principles and skills learned in classroom setting in law office internship or comprehensive research project.

**UNAUTHORIZED PRACTICE OF LAW (UPL)  
STATEMENT: PARALEGALS ARE NOT AUTHORIZED  
TO PRACTICE LAW IN SOUTH CAROLINA  
(S.C. CODE § 40-5-310).**

# THE LEARNING CENTER

## Overview

The Learning Center (920/211) provides instruction in developmental studies English, reading, math and critical reading (RDG 100) and offers academic support and tutoring through Learning Assistance. It also offers IDS 101-Human Thought and Learning, COL 107-Computer Literacy Skills for College Success and courses in English as a Second Language. All of these components provide services that enable students to be successful in college courses and to meet their academic goals.

## General Information

The purpose of developmental studies courses is to assist students in acquiring the skills and knowledge necessary for their success in curriculum courses. Many students who wish to continue their education beyond the high school level are lacking essential competencies in reading, writing and mathematics. Courses in developmental studies are designed to remove any deficiencies and help prepare students for programs of study leading to certificates, diplomas and degrees that will afford them opportunities for successful careers and lifelong learning.

Scores on entrance placement test(s) determine whether a student needs to enroll in one or more developmental studies courses before taking college credit courses. Your advisor or a college counselor can provide you with specific information about your scores and registration for courses. Please see the Course Description section of this catalog for details about the courses.

Students enrolled in ENG, MAT and RDG developmental studies courses and RDG 100 will find that learning takes place in a technology-enhanced environment. Each student will have an Individualized Study Plan (ISP) or set of assignments based on the results of diagnostic testing or assessment. The ISP includes computer tutorials, guided instruction, self-paced lessons using a variety of media (including Internet resources), and small group and learning lab activities. Instructors will work with you to help you pace your individualized assignments so that you can complete your ISP as quickly as you can master the course objectives. Faculty in The Learning Center will provide assistance and opportunities to help students develop the computer literacy

skills needed in most of the developmental studies courses.

Students in developmental studies courses will also use college-provided e-mail accounts to access course information, communicate with instructors, and find out information about financial aid and other college services. Grades are posted on the college's website rather than mailed, so knowing how to use your college e-mail account and TTC Express is very important.

Some developmental courses are also offered in online format. Before you enroll in a distance-learning option, you should discuss your situation with your advisor. Not everyone has the discipline to be successful in a distance-education environment. Moreover, to enroll in an online course, students need appropriate computer hardware, access to the Internet, a good knowledge of how to use features of interactive desktops and a definite plan of when they will complete assignments. Students in online courses have to submit course work and complete tests by specified deadlines, so it is important to have a plan before you enroll in a course in which you must manage your own learning time.

Some students enrolled in developmental studies RDG 032 and RDG 100 will be assigned two advisors: a Learning Center advisor and an advisor in their chosen program of study. The academic deans have determined which programs require two advisors for students in RDG 032 and RDG 100. Those students with two advisors must meet with the developmental studies advisor until they totally exit from the reading course (RDG 032 and/or RDG 100). Students who have completed new student orientation will be able to view their advisors' names on the Student Profile screen in TTC Express. It is your responsibility to visit an Orientation Center on any campus and then contact and meet with your advisor to plan your academic program.

Students enrolled in developmental studies courses are also encouraged to enroll in COL 103 College Skills to discover strategies that will facilitate success in all college courses. Another option is to take IDS 101 Human Thought and Learning, a course that includes topics such as information processing, problem solving, memory and cognitive awareness. If students need keyboarding skills or a course to become familiar with using the computer for instruction or accessing tutorials, they should enroll in COL 107 Computer Literacy Skills for College Success. Students who need to develop study skills may choose to enroll in a one-credit hour course, COL 104 Study Skills.

# Cancellation Policy

TTC reserves the right to cancel courses due to inadequate enrollment.

# Challenge Courses

Students who believe that their placement test results have misplaced them into a developmental studies course may wish to consider enrolling in a Challenge course. Challenge courses provide 15 hours of instruction during the week prior to the

beginning of each academic semester. Students who pass a Challenge course may enroll in the next level course. When you register for a Challenge course, you are challenging the zero-prefix ENG, RDG, or MAT course only. Enrollment is limited to students whose placement scores fall within the Challenge range. You may not enroll in a Challenge course once you have enrolled in a zero-prefix developmental studies ENG, RDG or MAT course.

A student may enroll in a Challenge course if the placement test scores fall within a given range as shown in the table:

Challenge Ranges on the College Placement Test

Challenge Course		Challenge Ranges* For Placement Test Scores: To Qualify for the Challenge Course		Developmental Studies Course Being Challenged
	COMPASS	Placement Test ASSET	CPT	
ENG 013	13-40 Writing	32-38 Writing	53-72 Sentence Structure	ENG 032 Dev. English
MAT 013	17-38 Pre-Algebra	32-38 Numerical Skills	35-60 Arithmetic	MAT 032 Dev. Math
RDG 013	44-60 Reading	31-35 Reading	49-67 Reading	RDG 032 Dev. Reading

*\*Range scores are subject to change. Please see your advisor.*

Students interested in taking a Challenge course should make an appointment with their advisor to review placement test scores and to obtain advisor approval. For more information, call The Learning Center at 843.574.6378.

## English as a Second Language (ESL)

The College offers English as a Second Language courses to non-native English speaking students who need assistance with speaking, listening, reading and writing in the English language to be successful in college credit courses. Students interested in ESL classes should call 843.574.6378 for more information.

Courses in ESL provide classes and laboratories that focus on specific needs of non-native speakers of English. These needs include grammar, pronunciation, writing, vocabulary, reading skills and communication. Please see the Course Description section in this catalog for details about the ESL courses.

Because helping others learn is a rewarding experience, students who have been successful in math, biology, Spanish, chemistry or other courses may wish to volunteer as Peer Tutors in Learning Assistance. Pick up an application from the reception desk in Learning Assistance on Main or Palmer campuses.

## Learning Assistance

Learning Assistance at TTC is provided in The Learning Center (920/211). Learning Assistance helps students succeed in their course work. The center provides one-to-one tutoring, videos, computer tutorials, reference materials, worksheets, informational handouts, and small group workshops to supplement learning needs in English, mathematics, physical and biological sciences, and other subjects. Tutors in The Writing Center and in The Math and Science Center are available to help students practice and master the skills learned in the classroom. Learning Assistance can also assist with calculator and computer use, including orientation to TTC Express and college e-mail accounts. Students have access to computers for writing papers and using the Internet. Appointments for individual tutoring may be scheduled through the reception desk. Students should also check for schedules of small group workshop sessions offered each semester.

Whether a student needs help with developmental English or with writing a research paper, with basic arithmetic or with calculus, with English as a Second Language or problem solving on a graphing calculator, Learning Assistance has resources available. Students should contact The Learning Center on Main Campus at 843-574-6409, on Palmer Campus at 843-722-5516 or on Berkeley Campus at 843-899-8079 for additional information or to schedule an appointment for assistance. Tutoring and resources in Learning Assistance are provided free of charge to TTC students.

# **NURSING**

## **Overview**

TTC's Division of Nursing offers a curriculum with multiple entry and exit points with options for students to earn a certificate, diploma and associate degree. The Nursing curriculum incorporates course requirements for all Nursing programs into three levels. The sequential program levels prepare students for progressive roles of nursing practice: the nursing assistant, the practical nurse and the registered nurse. Students may successfully complete requirements for each program level and exit, or progress, to the next level. Requirements for each program level of the curriculum are progressive and must be met before entering courses in the next program level.

All qualified students may enter the first program level, the Nursing Assistant certificate. Students who successfully complete the course requirements of the first program level (Nursing Assistant) may exit with the Health Science certificate or meet the progression requirements for the next program level and continue in the curriculum. Students who successfully complete the requirements for the second program level (Practical Nursing) may exit with a Health Science diploma or meet the progression requirements for the third program level and continue in the curriculum. Students who successfully complete the required courses of the third program level (Associate Degree Nursing) exit with an Associate in Health Science degree.

Qualified students who are Certified Nursing Assistants may enter the second program level of the curriculum and follow the CNA-to-PN Option. Students successfully completing the CNA-to-PN Option may exit with a Health Science diploma or meet the progression requirements for the third program level and continue in the curriculum. Qualified students who are Licensed Practical Nurses may enter the third program level of the curriculum and follow the LPN-to-ADN Option. The LPN students who successfully complete the third and final program level exit with an Associate in Health Science degree.

The Nursing curriculum combines general education courses and clinical nursing courses and incorporates classroom instruction, laboratory simulation and clinical practice to assure students obtain the most current knowledge and high-level skills available in the nursing profession.

## **General Information**

TTC's Associate Degree and Practical Nursing programs are accredited by the National League for Nursing Accrediting Commission (NLNAC, 61 Broadway 33rd Floor, New York, NY 10016, 212.363.5555) and approved by the South Carolina Department of Labor, Licensing and Regulation Board of Nursing (P.O. Box 12367, Columbia, SC 29211, 803.896.4550). The Nursing Assistant program is approved by the Department of Health and Human Services. All clinical Nursing courses are FastForward sessions. Professional courses for the Associate Degree Nursing level are offered in sequence and require two years for completion. Professional courses for the Practical Nursing level are offered in sequence and require three and a half semesters for completion. The course for the Nursing Assistant level requires one half semester for completion.

Prior to beginning clinical experiences in the Nursing programs, students must have current CPR certification, medical professional liability insurance (included in tuition), major medical insurance, a physical examination, and all required immunizations (see information in Open Advising Session) and tests. In these programs students are required to purchase uniforms, laboratory supplies and other course materials. Since students will be assigned to clinical sites off campus, they must have reliable transportation. In order to be in compliance with affiliation agreements between Trident Technical College and clinical facilities, all students entering Nursing programs are required to have a completed drug screen and criminal background check within six months prior to starting the Nursing program. Background checks for students will include, at a minimum, the following:

- Social Security number verification
- Criminal search
- Employment verification to include reason for separation and eligibility for re-employment
- Violent Sexual Offender and Predator Registry search
- HHS/OIG List of Excluded Individuals/Entities
- GSA List of Parties Excluded from Federal Programs
- U.S. Treasury, Office of Foreign Assets Control, List of Specially Designated Nationals
- Applicable State Exclusion List

Only drug screens and background checks conducted through the agency designated by the College within six months prior to admission to the Nursing programs are acceptable. Students will be assessed processing fees. Results of the drug screens and criminal background check will be made available to the dean, who will forward any adverse findings to the clinical agency.

The clinical agency will review all adverse findings and determine whether or not the findings disqualify the student from clinical practice. Should a student be disqualified from clinical practice in a clinical agency, the student must meet with the dean to review potential options. To be eligible for graduation, the student must be able to complete all clinical rotations.

Conviction of a crime (other than a minor traffic violation) could make the student ineligible to take the licensing exam required by the profession upon graduation. Early notification to the appropriate board is suggested.

## Cancellation Policy

TTC reserves the right to cancel courses due to inadequate enrollment.

## Admission to the Nursing Programs

Admission to the Nursing programs is on a first-qualified, first-admitted basis. Applicants who complete the admission requirements to enter the College and the nursing program for which they are applying are admitted on a space-available basis.

### *General College Admission Requirements*

1. Meet the College's admission requirements.
2. Students must be accepted to the College in order to apply for the Nursing program.
3. Admission to the College does not guarantee admission to the Nursing program.

## General Nursing Program Admission Requirements

All students applying to Nursing programs must be accepted to TTC and meet the following admission requirements:

1. Attend an Open Advising Session and obtain written faculty verification of attendance OR complete the Open Advising Session online. This should be done first since all program

requirements are reviewed in this session. Open Advising Session schedules are available at [www.tridenttech.edu/nursing.htm](http://www.tridenttech.edu/nursing.htm) or by calling 843.574.6370.

2. Maintain a minimum cumulative GPA of 2.0 for courses taken at TTC and NOT be on academic or disciplinary suspension at the time of admission and date of entry into the program.
3. Show evidence of a criminal background check and drug screen completed within six months prior to starting the nursing program. Only criminal background checks and drug screens that are conducted through the agency designated by the College will be accepted. Instructions for obtaining criminal background checks and drug screens will be mailed to students the semester before the date of entry to the nursing program. Students will be assessed a processing fee.
4. Submit official transcripts from all post-secondary institutions previously attended. Students who have had a cumulative GPA of less than 2.0 for courses taken during the last five years must complete 10 semester hours with a minimum grade of C or better in each course, and a minimum cumulative GPA of 2.0. At least one of these courses must be a required laboratory science. Laboratory sciences must be taken within five years of the entry date to the program.
5. Submit a Nursing Application, Open Advising Session Verification form, and Statement of Completion once all requirements are met either in person or by certified mail to the address below.
6. Submit the form accepting your seat in the Nursing program.

Trident Technical College  
Admissions Office  
Nursing Admissions Coordinator  
7000 Rivers Avenue (P.O. Box 118067)  
Charleston, SC 29423-8067

**In addition, students must meet the specific admission requirements listed under the Nursing program for which they are applying: ADN (Fall Semester start), ADN (Spring Semester start), LPN to ADN (Fall Semester start), LPN to ADN (Spring Semester start), CNA to ADN (Fall Semester start), CNA to ADN (Spring Semester start), PN (Fall Semester start), PN (Spring Semester start), CNA to LPN (Fall Semester**

**start), CNA to LPN (Spring Semester start) and NA.**

*Important Note:* Students initially admitted to the Nursing Assistant program who wish to progress to the PN or ADN programs MUST provide proof of current certification as a nursing assistant prior to progressing to the PN or ADN programs. Students initially admitted to the Practical Nursing program who wish to progress to the ADN program MUST provide proof of current South Carolina licensure as a practical nurse prior to progressing to the ADN program.

*Acceptance:* Students who meet College and program admission requirements are considered qualified and are accepted on a first-qualified, first-admitted basis to the next available space. Qualified students are sent an acceptance letter indicating the year and semester for which they have been accepted.

*Reminder:* Prerequisites for clinical courses may change based on clinical affiliation agreement requirements. Students are responsible for meeting all prerequisites to clinical courses throughout the program.

*Falsification of any information submitted will make a student ineligible for admission to or continuation in the Nursing program.*

## **Nursing Merit Placement**

Merit Placement is an opportunity for students already admitted to the nursing program to be considered for an earlier start date. Students who request consideration for Merit Placement will be awarded points based on the published criteria and ranked according to the total number of earned points. Students with the highest number of earned points will be selected to move their start date forward as space becomes available. To see the criteria for Merit Placement, go to the nursing web page at [www.tridenttech.edu/nursing.htm](http://www.tridenttech.edu/nursing.htm) under admission requirements.

Students who qualify for consideration for Merit Placement can download the Merit Placement Application. The application is located on the nursing web page at [www.tridenttech.edu/nursing.htm](http://www.tridenttech.edu/nursing.htm) under admission requirements. Students must keep a copy of the completed application and submit the original completed application, along with the required documentation, in person or by certified mail to:

Trident Technical College  
Admissions Office (Building 410)  
Nursing Admissions Coordinator  
7000 Rivers Avenue (P.O. Box 118067)  
Charleston, SC 29423-8067

The Merit Placement Application and all required documentation must be submitted according to the most current schedule, which can be found on the nursing web page at [www.tridenttech.edu/nursing.htm](http://www.tridenttech.edu/nursing.htm) under admission requirements.

Applications for Merit Placement will only be accepted during the specific dates and times for the current schedule. Required documentation must accompany all applications. Applications and/or required documentation received before or after these dates and times will not be considered.

The Nursing Admissions Coordinator will notify students via their CampusCruiser accounts within three weeks of the posted deadline as to whether or not they are selected to move their start date. Students not selected to move their start date forward will retain their original start date. Students selected for Merit Placement must begin preparing for admission to the nursing program.

To be considered for Merit Placement, students must be able to complete the required immunizations before beginning the nursing program. The required immunizations are outlined in the students' original acceptance letters and include: Hepatitis B, rubella, rubeola, varicella, and tetanus.

Additionally, students selected for Merit Placement must attend both of the mandatory meetings scheduled for the class they are entering. Dates and times will be announced.

Students who have questions or need additional information can use their CampusCruiser accounts to e-mail their advisors. Advisor names and contact information are listed under My Profile in TTC Express.

## **Transfer to Specific Programs**

Students seeking admission to a Nursing program at TTC who have been enrolled in (and not completed) another Nursing program must complete the following requirements to be considered for admission:

1. Meet the College's admission requirements.
2. Meet the Nursing program's admission requirements.

3. Submit a letter from the dean or director of the former Nursing program that addresses the student's
  - a. theoretical standing
  - b. clinical standing
  - c. eligibility for readmission to that program

NOTE: Only students who have no more than one unsuccessful attempt (W, D, F or U) in a clinical nursing course are considered for admission.

4. Meet the College's requirements for 25 percent of the curriculum credit hours to be taken at TTC.
5. Meet all prerequisite and corequisite courses applicable to the semester for which the student is seeking entry. Laboratory sciences must be taken within five years of the date of entry into the program.
6. Once the student is eligible for admission, he/she may request consideration for transfer credit for Nursing courses taken within the last two years by submitting a written request to the department head.

## Course Sequence and Progression

A student must achieve a minimum grade of C or better in all prerequisite and corequisite courses.

## Repeat Policy and Termination

Nursing Assistant students may have no more than one unsuccessful attempt in Basic Nursing Skills (NUR 102). Practical Nursing and Associate Degree Nursing students may have no more than two unsuccessful attempts in clinical nursing courses. LPN-ADN students may have no more than one unsuccessful attempt in clinical nursing courses. Students enrolled in the following non-clinical courses may have no more than three unsuccessful attempts: Health Calculations (AHS 126), Health Calculations II (AHS 129), Transitional Nursing (NUR 201) and Pharmacology for Nurses (NUR 105). An unsuccessful attempt is defined as receiving a D, F, U or W in a clinical nursing course.

## Readmission

Students enrolled in any Nursing program who do not progress in the curriculum sequence for any reason (academic or personal) must seek readmission in order to progress to another clinical course. Readmission is not automatic. Criteria for

readmission are outlined in the *Student Nurses Handbook*.

## Graduation Requirements

All general education requirements must be completed prior to or during the final semester to ensure eligibility to take the National Council Licensure Examination (NCLEX) upon graduation. Prior to graduation, students are required to demonstrate attainment of stated program competencies.

All students applying to Nursing programs must be accepted to TTC and meet the following admission requirements.

## Programs of Study

### Associate Degree Programs

Nursing (ADN)

Nursing (ADN) Accelerated Option

Nursing (ADN) – CNA to ADN Option

Nursing (ADN) – LPN to ADN Option

### Diploma Programs

## Nursing (ADN)

### Associate in Health Science

**Credit Requirements: 68 Semester Credit Hours**  
**Students entering Fall Semester**

The Associate Degree Nursing program requires a minimum of two years to complete. A graduate of the ADN program is eligible to apply to take the National Council Licensure Examination-RN (NCLEX-RN). Upon satisfactory completion of the examination, graduates are titled Registered Nurses (RN).

The ADN program has three options for student completion: the Generic Option, the LPN-to-ADN Option and the CNA-to-ADN Option.

### Admission Requirements

In addition to meeting the Program Specific Admission Requirements below, applicants must also meet the General Admission Requirements and General Nursing Program Admission Requirements.

## Specific Admission Requirements

1. Meet ONE of the following five admission options:

- a. Hold an associate degree or baccalaureate degree from a regionally accredited school.

**OR**

- b. Achieve the required minimum scores on the SAT (Verbal 400 and Math 400 if taken before April 1, 1995; Verbal 480 and Math 440 if taken on or after April 1, 1995), or ACT English component score of 19 and math component of 18. Students who have not taken either the SAT or ACT, or who have taken one of the tests but do not meet the minimum test requirements, must take TTC's placement test and achieve one of the following:

## COLLEGE PLACEMENT TEST (CPT):

RDG75 SS-93 ARIT-61 EALG-50

## COMPASS:

READ-86 WRTG-75 ALG-45

## ASSET:

READ-45 WRTG-45 NUSK-39 EALG-48

**OR**

- c. Complete the Developmental Studies and bridge courses and the Pre-Nursing Certificate with a grade of C or better in each course and a minimum cumulative GPA of 2.5. No more than 50 percent of the total number of courses required for the Pre-Nursing Certificate may be repeated, and no one course may be repeated more than once to meet this admission requirement.

**OR**

- d. Transfer college-level English/math courses to TTC and complete the Pre-Nursing Certificate with a grade of C or better in each course and a minimum cumulative GPA of 2.5. No more than 50 percent of the total number of courses required for the Pre-Nursing Certificate may be repeated, and no required course may be repeated more than once to meet this admission requirement.

**OR**

- e. Achieve the required placement test scores for the diploma program, complete the MAT 101 requirement and complete the PN program with a cumulative GPA of 2.5.

NUR 208	Health Promotion for Families II	4
NUR 219	Nursing Management and Leadership	4
*THE 101	Introduction to Theater	3
<b>Total 14</b>		

+Requirement may be met through co-op enrollment (CWE 112).

\*This course requirement can be met by taking both a Humanities elective and either Public Speaking (SPC 205) or Interpersonal Communication (SPC 209). See Humanities Electives.

## Nursing (ADN)

### Associate in Health Science

#### Accelerated Option

**Credit Requirements: 68 Semester Credit Hours**

#### Students entering Summer Term

The Associate Degree Nursing program requires a minimum of two years to complete. A graduate of the ADN program is eligible to apply to take the National Council Licensure Examination-RN (NCLEX-RN). Upon satisfactory completion of the examination, graduates are titled Registered Nurses (RN).

The ADN program has four options for student completion: the Generic Option, the Accelerated Option, the LPN-to-ADN Option and the CNA-to-ADN Option.

In the Accelerated Option clinical nursing courses can be completed in fifteen months after the non-nursing courses have been completed in the first two semesters. Students in this option must have no work obligations while enrolled in clinical nursing courses.

Note: The first Fall and Spring semesters include non-nursing courses only. For this option these courses are prerequisites for Basic Nursing Care Skills (NUR 102) and must be completed prior to submitting an application.

#### Admission Requirements

In addition to meeting the Program Specific Admission Requirements below, applicants must also meet the General Admission Requirements and General Nursing Program Admission Requirements.

### Specific Admission Requirements

1. Meet ONE of the following two admission options:
  - a. Achieve the required minimum combined score of 1200 on the SAT or a composite of 26 on the ACT.**OR**
  - b. Hold a baccalaureate degree with a minimum GPA of 3.5 from a regionally accredited school.
2. Complete all of the non-nursing courses for the Associate Degree Nursing Program (the courses in the Pre-Nursing Certificate and Microbiology (BIO 225)) with a grade of C or better in each course and a minimum cumulative GPA of 3.0 and a GPA of 3.0 in the three required lab sciences. None of the non-nursing courses required for the Associate Degree Nursing Program may be repeated to qualify for this option. Students who have been required to take developmental studies or bridge courses are not eligible for this option.

### Readmission to a Program Level (Accelerated)

Students who receive a grade of W, D, U or F in a clinical nursing course must seek readmission to the program in order to repeat the course or progress to another clinical course. Readmission to the program is not automatic. Note: Students in the accelerated option who receive a grade of W, D, U or F must seek readmission into the generic option. Criteria for readmission are stated in the *Student Nurses Handbook*.

### Recommended Sequence of Courses

#### First Semester – Fall

BIO 210	Anatomy and Physiology I	4
CPT 101	Introduction to Computers	3
ENG 101	English Composition I	3
MAT 120	Probability and Statistics	3
<b>or</b>		
MAT 110	College Algebra	3
PSY 201	General Psychology	3
<b>Total 16</b>		

#### Second Semester – Spring

<b>Total 4</b>		

*\*Courses taught in four and half weeks. Weekly contact hours will triple for class and lab.*

*\*\*Courses taught in seven weeks. Weekly contact hours will double for class and lab.*

## Nursing (ADN)

### Associate in Health Science

#### CNA to ADN Option Career Path

#### Credit Requirements: 68 Semester Credit Hours

#### Students entering Fall Semester

Applicants who are Certified Nursing Assistants from another program or who have been out of TTC's Nursing Assistant certificate program two or more years are eligible to be considered for admission to the CNA-ADN option.

Applicants who have graduated from TTC's NA program less than two years before application must meet Associate Degree Nursing Admission Requirements.

In addition to meeting the Program Specific Admission Requirements below, applicants must also meet the General College Admission Requirements and General Nursing Program Admission Requirements.

### Specific Admission Requirements

1. Meet ONE of the following four admission options.
    - a. Hold an associate degree or baccalaureate degree from a regionally accredited school.
- OR**
- b. Achieve the required minimum scores on the SAT (Verbal 400 and Math 400 if taken before April 1, 1995; Verbal 480 and Math 440 if taken on or after April 1, 1995) or ACT English component score of 19 and math component of 18. Students who have not taken either the SAT or ACT, or who have taken one of the tests but did not meet the minimum test requirements, must take TTC's placement test and achieve one of the following:

**Nursing (ADN)****Associate in Health Science****LPN to ADN Option Career Path****Credit Requirements: 71 Semester Credit Hours****Students entering Fall Semester**

Applicants who are Licensed Practical Nurses from another program or who have been out of TTC's PN program two or more years are eligible to be considered for admission to the LPN-to-ADN Option. Students in this option will be required to complete a transition course with a grade of C

or better before entering the third program level Nursing courses.

Note: Fall Semester includes non-nursing courses only. These courses are prerequisites for Transition Nursing (NUR 201) and must be completed prior to enrolling in NUR 201.

If you have completed these non-nursing courses, you may enroll in NUR 201 and follow the sequence of courses for LPN-ADN students entering Spring, beginning with the third semester.

Applicants who have graduated from TTC's PN program less than two years before application must meet Associate Degree Nursing Admission Requirements. These students are not required to take the transition course.

**Admission Requirements**

In addition to meeting the Program Specific Admission Requirements below, applicants must also meet the General Admission Requirements and General Nursing Program Admission Requirements.

**Specific Admission Requirements**

- 1. Meet ONE of the following four admission options.
  - a. Hold an associate degree or baccalaureate degree from a regionally accredited school.
- OR**
- b. Achieve the required minimum scores on the SAT (Verbal 400 and Math 400 if taken before April 1, 1995; Verbal 480 and Math 440 if taken on or after April 1, 1995), or ACT English component score of 19 and math component of 18. Students who have not taken either the SAT or ACT, or who have taken one of the tests but do not meet the minimum test requirements, must take TTC's placement test and achieve one of the following:

**COLLEGE PLACEMENT TEST (CPT):**

RDG-75    SS-93    ARIT-61    EALG-50

**COMPASS:**

READ-86    WRTG-75    ALG-45

**ASSET:**

READ-45    WRTG-45    NUSK-39    EALG-48

**OR**

- c. Complete the Developmental Studies and bridge courses and the Pre-Nursing Certificate with a grade of C or better in each course and a minimum cumulative GPA of 2.5. No more than 50 percent

of the total number of courses required for the Pre-Nursing Certificate may be repeated, and no one course may be repeated more than once to meet this admission requirement.

**OR**

- d. Transfer college-level English/math courses to TTC and complete the Pre-Nursing Certificate with a grade of C or better in each course and a minimum cumulative GPA of 2.5. No more than 50 percent of the total number of courses required for the Pre-Nursing Certificate may be repeated, and no required course may be repeated more than once to meet this admission requirement.
- 2. Provide proof of graduation from a practical nursing program by submitting official transcripts.
  - 3. Provide proof of current S.C. licensure as a practical nurse. Submit with Statement of Completion.
  - 4. LPNs from another program or who have been out of TTC's PN program for two years or more must provide proof (letter from employer) of a minimum of 960 hours (equivalent to six months full-time) employment as a LPN providing direct patient care to adult medical/surgical patients in a hospital or nursing home within three years prior to admission to the program. Work experience must include demonstrated competencies required by the program.

**Recommended Sequence of Courses**

**First Semester – Fall**

BIO 210	Anatomy and Physiology I	4

## Nursing (ADN)

#### Associate in Health Science

#### LPN to ADN Option Career Path

#### Credit Requirements: 71 Semester Credit Hours

#### Students entering Spring Semester

Applicants who are Licensed Practical Nurses from another program or who have been out of TTC's PN program two or more years are eligible to be considered for admission to the LPN-to-ADN Option. Students in this option will be required to complete a transition course with a grade of C or better before entering the third program level Nursing courses.

Note: Spring and Summer include non-nursing courses only. These courses are prerequisites for Transition Nursing (NUR 201) and must be completed prior to enrolling in NUR 201. If you have completed these non-nursing courses, you may enroll in NUR 201 and follow the sequence of courses for LPN-ADN students entering Fall, beginning with the second semester.

Applicants who have graduated from TTC's PN program less than two years before application must meet Associate Degree Admission Requirements. These students are not required to take the transition course.

#### Admission Requirements

In addition to meeting the Program Specific Admission Requirements below, applicants must also meet the General Admission Requirements and General Nursing Program Admission Requirements.

#### Specific Admission Requirements

1. Meet ONE of the following four admission options.
    - a. Hold an associate degree or baccalaureate degree from a regionally accredited school.
- OR**
- b. Achieve the required minimum scores on the SAT (Verbal 400 and Math 400 if taken before April 1, 1995; Verbal 480 and Math 440 if taken on or after April 1, 1995), or ACT English component score of 19 and math component of 18. Students who have not taken either the SAT or the ACT, or who have taken one of the tests but do not meet the minimum test requirements, must take TTC's placement test and achieve one of the following:

#### COLLEGE PLACEMENT TEST (CPT):

RDG-75 SS-93 ARIT-61 EALG-50

#### COMPASS:

READ-86 WRTG-75 ALG-45

#### ASSET:

READ-45 WRTG-45 NUSK-39 EALG-48

#### OR

- c. Complete the Developmental Studies and bridge courses and the Pre-Nursing Certificate with a grade of C or better in each course and a minimum cumulative GPA of 2.5. No more than 50 percent of the total number of courses required for the Pre-Nursing Certificate may be repeated, and no one course may be repeated more than once to meet this admission requirement.
- OR**
- d. Transfer college-level English/math courses to TTC and complete the Pre-Nursing Certificate with a grade of C or better in each course and a minimum cumulative GPA of 2.5. No more than 50 percent of the total number of courses required for the Pre-Nursing Certificate may be repeated, and no required course may be repeated more than once to meet this admission requirement.
2. Provide proof of graduation from a practical nursing program by submitting official transcripts.

3. Provide proof of current S.C. licensure as a practical nurse. Submit with Statement of Completion.
4. LPNs from another program or who have been out of TTC's PN program for two years or more must provide proof (letter from employer) of a minimum of 960 hours (equivalent to six months full-time) employment as a LPN providing direct patient care to adult medical/surgical patients in a hospital or nursing home within three years prior to admission to the program. Work experience must include demonstrated competencies required by the program.

## Practical Nursing

### Diploma: Health Science

### Credit Requirements: 46 Semester Credit Hours

### Students entering Fall Semester

The Practical Nursing program is a three-and-a-half semester program of study that prepares students to provide patient care under the supervision of professional registered nurses, physicians or dentists. A graduate of the Practical Nursing program is eligible to apply to take the National Council Licensure Examination-PN (NCLEX-PN). Upon satisfactory completion of the examination, graduates are titled Licensed Practical Nurses (LPN).

The PN program combines general education with clinical nursing courses and incorporates classroom instruction, laboratory simulation and clinical practice into two options for student completion: the Generic Option and the CNA-to-PN Option. Students who complete the Practical Nursing program may qualify for progression and continue the Nursing curriculum to complete the Associate Degree Nursing program. Requirements for these options are described on the following pages.

### Admission Requirements

In addition to meeting the Program Specific Admission Requirements below, applicants must also meet the General Admission Requirements and General Nursing Program Admission Requirements.

### Specific Admission Requirements

1. Meet ONE of the following five admission options.
    - a. Hold an associate degree or baccalaureate degree from a regionally accredited school.
- OR**
- b. Achieve the required minimum scores on the SAT (Verbal 400 and Math 350 if taken before April 1, 1995; Verbal 480 and Math 400 if taken on or after April 1, 1995), or ACT English component score of 19 and math component of 16. Students who have not taken either the SAT or the ACT, or who have taken one of the tests but do not meet the minimum test requirements, must take TTC's placement test and achieve one of the following:

## COLLEGE PLACEMENT TEST (CPT):

RDG-75 SS-93 ARIT-61

## COMPASS:

READ-86 WRTG-75 PALG-39

## ASSET:

READ-45 WRTG-45 NUSK-39

### OR

- c. Complete the Developmental Studies and bridge courses and the Pre-Nursing Certificate with a grade of C or better in each course and a minimum cumulative GPA of 2.5. No more than 50 percent of the total number of courses required for the Pre-Nursing Certificate may be repeated, and no one course may be repeated more than once to meet this admission requirement.

### OR

- d. Transfer college-level English/math courses to TTC and complete the Pre-Nursing Certificate with a grade of C or better in each course and a minimum cumulative GPA of 2.5. No more than 50 percent of the total number of courses required for the Pre-Nursing Certificate may be repeated, and no one course may be repeated more than once to meet this admission requirement.

### OR

- e. Achieve the required placement scores for the Nursing Assistant program and complete the Nursing Assistant Certificate with a cumulative GPA of 2.5 and complete MAT 032/012 requirement.

## Important Note:

Students initially admitted to the Practical Nursing program who wish to progress to the ADN program MUST provide proof of current S.C. licensure as a Practical Nurse prior to progressing to the ADN program.

## Recommended Sequence of Courses

## Nursing Assistant

### Certificate: Health Science

### Credit Requirements: 8 Semester Credit Hours

The Nursing Assistant program is a curriculum program that offers eight hours of college credit. It prepares students to assist in patient care and function as effective members of the nursing team, under the supervision of a Registered Nurse or a Licensed Practical Nurse. Graduates of the Nursing Assistant program are eligible to take the Nurse Aide Certification exam administered by the Department of Health and Human Services (DHHS). Upon satisfactory completion of the exam, graduates are Certified Nursing Assistants. Nursing Assistants work in hospitals, nursing homes and home health agencies.

The curriculum incorporates classroom instruction, laboratory simulation and clinical practice.

Prior to beginning clinical training, students must have a current CPR certification, medical professional liability insurance (included in tuition), major medical insurance, a physical examination and all required immunizations/testing.

Applicants who are Certified Nursing Assistants from another program or who have been out of TTC's Nursing Assistant certificate program two or more years are eligible to be considered for admission to the CNA-to-PN Option.

Applicants who have graduated from TTC's NA program less than two years before application must meet Practical Nursing Admission Requirements.

### Admission Requirements

In addition to meeting the Program Specific Admission Requirements below, applicants must also meet the General Admission Requirements and General Nursing Program Admission Requirements.

### Specific Admission Requirements

1. Meet ONE of the following four admission options:
  - a. Hold an associate degree or baccalaureate degree from a regionally accredited school.
- OR**
- b. Achieve the required minimum score of the SAT (Verbal 400 if taken before April 1, 1995; Verbal 480 if taken on or after April 1, 1995), or ACT English component score of 19. Students who have not taken either the SAT or ACT, or who have taken one of the tests but do not meet the minimum test requirements, must take TTC's placement test and achieve one of the following:

### COLLEGE PLACEMENT TEST (CPT):

RDG-75 SS-93

### COMPASS:

READ-86 WRTG-75

### ASSET:

READ-45 WRTG-45

### OR

- c. Complete Developmental Studies and bridge courses and PSY 201 and AHS 106 with a grade of C or better in each course and a minimum cumulative GPA of 2.5. PSY 201 may not be repeated more than once to meet this admission requirement.

### OR

- d. Transfer a college-level English course into TTC and complete PSY 201 and AHS 106 with a grade of C or better in each course and a minimum cumulative GPA of 2.5. PSY 201 may not be repeated more than once to meet this admission requirement.

### Important Note:

Students initially admitted to the Nursing Assistant program who wish to progress to the PN or ADN programs MUST provide proof of current certification as a Nursing Assistant prior to progressing to the PN or ADN programs.

### Recommended Sequence of Courses

#### Program Requirements

AHS 106	Cardiopulmonary Resuscitation	1
NUR 102	Basic Nursing Care Skills	4
PSY 201	General Psychology	3
<b>Total 8</b>		

## Pre-Nursing Certificate

### Certificate: Health Science

#### Credit Requirements: 26 Semester Credit Hours

The Pre-Nursing Certificate is a curriculum program, which offers 26 hours of college credit. Pending admission to one of the Nursing programs, students may complete the certificate program. While completion of this certificate may not be an admission requirement, it will provide the student with skills and knowledge prior to entering one of the Nursing programs.

The curriculum incorporates classroom and laboratory instruction. Students interested in the Pre-Nursing Certificate program should attend an Open Advising Session or complete the online Open Advising Session by visiting TTC's Web site. For more information, call 843.574.6370.

### Recommended Sequence of Courses

#### First Semester

BIO 210	Anatomy and Physiology I	4
CPT 101	Introduction to Computers	3
ENG 101	English Composition I	3
PSY 201	General Psychology	3
<b>Total 13</b>		

#### Second Semester

BIO 211	Anatomy and Physiology II	4
MAT 110	College Algebra	3
<b>or</b>		
MAT 120	Probability and Statistics	3
PSY 203	Human Growth and Development	3
**THE 101	Introduction to Theater	3
<b>Total 13</b>		

*\*\*This course requirement can be met by taking both a Humanities elective and either Public Speaking (SPC 205) or Interpersonal Communication (SPC 209). See Humanities Electives.*

*Note:* Completion of the Pre-Nursing Certificate alone does not meet the pre-nursing certificate option for admission to the Nursing program. Students using the Pre-Nursing Certificate as their admission option must complete all courses in the Pre-Nursing Certificate with a grade of C or better and minimum cumulative GPA of 2.5. No more than 50 percent (four courses) of the total number of courses required for the Pre-Nursing Certificate may be repeated, and no required course may be repeated more than once to meet this admission option.

# SCIENCE AND MATHEMATICS

## Overview

TTC's Division of Science and Mathematics provides the first two years of a four-year degree as well as general education and support courses for TTC programs. Students who plan to earn a degree from a four-year college or university can take freshman and sophomore-level transfer courses through the Associate in Science degree program or through one of the specialty 2+2 programs.

In addition to its transfer program, the division offers a degree and a certificate designed for career opportunities in environmental technology.

For more information, call the Division of Science and Mathematics at 843.574.6015.

## General Information

The Associate in Science program is designed to prepare students for four-year (baccalaureate) majors in such fields as:

- Engineering
- Biology
- Mathematics
- Chemistry
- Physics
- Education
- Environmental Science
- Pre-Med
- Pre-Veterinary
- Physician's Assistant
- Veterinary Medicine
- Forensic Science
- Chiropractic
- Radiation Therapy
- Industrial Management
- Medical Technology
- Cytotechnology
- Communication Sciences and Disorders
- Extracorporeal Circulation
- Health Information Administration
- Occupational Therapy
- Pharmacy
- Physical Therapy
- Other Health-Related Fields

## Cancellation Policy

TTC reserves the right to cancel courses due to inadequate enrollment.

## Note:

As with all TTC programs, students should consult with an academic advisor to discuss program requirements. Please note that you must have a separate advisor for this program, even if enrolled in more than one program at TTC. Academic advisors are assigned as part of the College orientation process conducted in the Orientation Centers on each campus through a walk-in service. Associate in Science advisors are selected based upon the college or university and upon the program to which you intend to transfer, including programs at TTC. Please refer to the New Student Orientation for more details.

## Programs of Study

### Associate Degree Programs

Associate in Science  
General Technology

### Certificate Programs

Environmental Technology

## Associate in Science

### Associate in Science

**Credit Requirements: 60 Semester Credit Hours**

### Program Credit Requirements

The Associate in Science degree is designed for students planning to transfer to four-year programs and for students who wish to broaden their general knowledge. The degree stresses mathematics and natural and physical sciences.

THE 101	Introduction to Theater	3	HIS 102	Western Civilization Post 1689	3
			HIS 104	World History I	3
			HIS 105	World History II	3
			HIS 106	Introduction to African History	3
			HIS 130	African-American History to 1877	3
			HIS 131	African-American History, 1877 to Present	3

## II. Math/Lab Science Requirements

(Must include another math course and at least one lab science course.)

Select 21 semester credit hours from the following:

AST 101	Solar System Astronomy	4
AST 102	Stellar Astronomy	4
BIO 101	Biological Science I	4
BIO 102	Biological Science II	4
BIO 210	Anatomy and Physiology I	4
BIO 211	Anatomy and Physiology II	4
BIO 225	Microbiology	4
CHM 110	College Chemistry I	4
CHM 111	College Chemistry II	4
CHM 211	Organic Chemistry I	4
CHM 212	Organic Chemistry II	4
CHM 220	Analytical Chemistry I	5
EVT 222	Environmental Microbiology	4
EVT 224	Environmental Chemical Analyses	4
MAT 110	College Algebra	3
MAT 111	College Trigonometry	3
MAT 112	Precalculus	5
MAT 120	Probability and Statistics	3
MAT 132	Discrete Mathematics	3
MAT 140	Analytic Geometry and Calculus I	4
MAT 141	Analytic Geometry and Calculus II	4
MAT 240	Analytic Geometry and Calculus III	4
MAT 242	Differential Equations	4
PHY 201	Physics I	4
PHY 202	Physics II	4
PHY 221	University Physics I	4
PHY 222	University Physics II	4
PHY 223	University Physics III	4

## III. Humanities, Languages and Social Science Requirements

Select nine semester credit hours from the following (must include at least one Humanities course):

ART 101	Art History and Appreciation	3
ART 107	History of Early Western Art	3
ART 108	History of Western Art	3
ENG 201	American Literature I	3
ENG 202	American Literature II	3
ENG 205	English Literature I	3

## Languages/Social Sciences:

ANT 101	General Anthropology	3
CRJ 101	Introduction to Criminal Justice	3
ECO 210	Macroeconomics	3
ECO 211	Microeconomics	3
FRE 101	Elementary French I	4
FRE 102	Elementary French II	4
FRE 201	Intermediate French I	3
FRE 202	Intermediate French II	3
GER 101	Elementary German I	4
GER 102	Elementary German II	4
GER 201	Intermediate German I	3
GER 202	Intermediate German II	3
PSC 201	American Government	3
PSC 215	State and Local Government	3
PSC 220	Introduction to International Relations	3
PSY 201	General Psychology	3
PSY 203	Human Growth and Development	3
PSY 212	Abnormal Psychology	3
SOC 101	Introduction to Sociology	3
SOC 102	Marriage and the Family	3
SOC 230	Introduction to Gerontology	3
SPA 101	Elementary Spanish I	4
SPA 102	Elementary Spanish II	4
SPA 201	Intermediate Spanish I	3
SPA 202	Intermediate Spanish II	3

## IV. Computing Requirement

(Select one from the following.)

CPT 101	Introduction to Computers	3
CPT 102	Basic Computer Concepts	3

EGR 270 Introduction to Engineering 3

## V. Electives

Select 12 credits from the following courses:

(NOTE: Students may also select from courses in Mathematics and Lab Science requirements and Humanities, Languages and Social Sciences requirements above.)

ACC 101	Accounting Principles I	3
ACC 102	Accounting Principles II	3
BUS 101	Introduction to Business	3
BUS 121	Business Law I	3
CHM 101	Survey of Organic Chemistry	3
CWE	Cooperative Work Experience	3
ECE 201	Electrical and Computer Engineering Seminar	1
ECE 205	Electrical and Computer Lab I	3
ECE 211	Introduction to Computer Engineering I	3
ECE 212	Introduction to Computer Engineering II	3
ECE 221	Introduction to Electrical Engineering I	3
ECE 222	Introduction to Electrical Engineering II	3
EGR 260	Engineering Statics	3
EGR 262	Engineering Dynamics	3
EGR 264	Introduction to Engineering Mechanics of Solids	3
EGR 266	Engineering Thermodynamics Fundamentals	3
EGR 273	Problem Solving for Engineers	2
EGR 275	Introduction to Engineering/Computer Graphics	3
EGR 282	Introduction to Civil Engineering	2
EGR 285	Engineering Surveying I	3
EGR 286	Engineering Surveying II	3
EGR 295	Engineering Surveying Lab I	1
EGR 296	Engineering Surveying Lab II	1
ENG 260	Advanced Technical Communications	3
EVT 110	Introduction to Treatment Facilities	3
EVT 154	Chemistry of Hazardous Materials	4
EVT 201	Environmental Science	3
EVT 210	Introduction to Environmental Law	3
EVT 251	Health Effects of Hazardous Materials	3
EVT 254	Industrial Safety and Emergency Response	3
EVT 256	Hazardous Waste	3
GEO 102	World Geography	3
JOU 101	Introduction to Journalism	3
MAT 123	Contemporary College Mathematics	3
MAT 130	Elementary Calculus	3

MGT 101	Principles of Management	3
MGT 201	Human Resource Management	3
MKT 101	Marketing	3
SCI 205	Environmental Science Institute	3
SPC 205	Public Speaking	3
SPC 209	Interpersonal Communication	3

No course can count more than once.

## Associate in Science

### Associate in Science

#### Credit Requirements: 60 Semester Credit Hours

#### Sample Degree Plan

The associate in science program allows flexibility in course selection and sequencing. The following sample may be a helpful guide for students who are planning to transfer but are unsure where or for what major. If you already know where you plan to transfer and/or for which major, see your assigned advisor for the Associate in Science program. This degree plan may not be suited to your goal.

#### First Semester

English Composition I (ENG 101)	3
General Psychology (PSY 201)	
<b>or</b>	
Macroeconomics (ECO 210)	3
Introduction to Computers (CPT 101)	3
College Algebra (MAT 110)	3
Lab Science	4

#### Second Semester

English Composition II (ENG 102)	3
College Trigonometry (MAT 111)	3
Lab Science	4
Languages/Social Science	3
*Electives	3

#### Third Semester

Math or Lab Science	4
Math or Lab Science	4
Humanities	3
*Electives	3

### Fourth Semester

Math or Lab Science	4
Communication (SPC 205, SPC 209 or THE 101)	3
Humanities/Languages/Social Sciences	3
*Electives	4-6

Minimum semester credit hours required: 60

*\* Recommend additional math/lab science or humanities/languages/social sciences courses as electives*

All courses must be selected from the Associate in Science display.

Lighter semester loads may be accomplished by attending Summer Semester(s).

## General Technology

### Associate in Occupational Technology Environmental Technology Career Path

#### Credit Requirements: 60-84 Semester Credit Hours

The General Technology major allows students to select course work necessary to become multiskilled technicians. In addition to completing the College's core curriculum, students also complete course work in at least two technical areas. The following is an example of a career path available. The secondary paths may be substituted for courses in other programs' primary path. Interested students should talk with their advisors.

For entry into this program the student must be a high school graduate or possess a GED and take the College's placement test or meet the College's SAT or ACT requirements.

#### Recommended Sequence of Courses

##### First Semester – Fall

CPT 102	Basic Computer Concepts	3
ENG 101	English Composition I	3
EVT 101	Man and His Environment	3
MAT 110	College Algebra	3
<b>Total 12</b>		

##### Second Semester – Spring

CHM 110	College Chemistry I	4
EVT 201	Environmental Science	3
EVT 210	Introduction to Environmental Law	3
MAT 111	College Trigonometry	3
<b>Total 13</b>		

### Third Semester – Summer

EVT 110	Introduction to Treatment Facilities	3
EVT 254	Industrial Safety and Emergency Response	3
ENG 260	Advanced Technical Communications	3
PSY 201	General Psychology	3
<b>Total 12</b>		

### Fourth Semester – Fall

EVT 154	Chemistry of Hazardous Materials	4
EVT 222	Environmental Microbiology	4
EVT 251	Health Effects of Hazardous Materials	3
SPC 205	Public Speaking	3
<b>Total 14</b>		

### Fifth Semester – Spring

BIO 101	Biological Science I	4
EVT 224	Environmental Chemical Analyses	4
EVT 256	Hazardous Waste	3
ELE EVT	Select one course from Environmental Electives	3
<b>Total 14</b>		

### Sixth Semester – Summer

BIO 225	Microbiology	4
ELE HUM	Select one course from Humanities Electives	3
<b>Total 7</b>		

## Environmental Technology

### Certificate: Engineering Technology

#### Credit Requirements: 40 Semester Credit Hours

This certificate program provides instruction to prepare students to perform a wide variety of skills within the environmental field such as permitting, emergency chemical spill response, operation and maintenance of control equipment, and environmental sampling. Students are prepared for technical positions in the areas of air pollution, water pollution and waste management.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

## Recommended Sequence of Courses

### First Semester

EVT 101	Man and His Environment	3
EVT 201	Environmental Science	3
EVT 254	Industrial Safety and Emergency Response	3
MAT 110	College Algebra	3
<b>Total</b>		<b>12</b>

### Second Semester

CHM 110	College Chemistry I	4
EVT 210	Introduction to Environmental Law	3
EVT 222	Environmental Microbiology	4
EVT 251	Health Effects of Hazardous Materials	3
<b>Total</b>		<b>14</b>

### Third Semester

EVT 110	Introduction to Treatment Facilities	3
EVT 154	Chemistry of Hazardous Materials	4
EVT 224	Environmental Chemical Analyses	4
EVT 256	Hazardous Waste	3
<b>Total</b>		<b>14</b>

# Course Hours and Credits

Following the prefix numbers are numbers that indicate lecture, laboratory and credit hours. The number of lecture hours in class each week and/or the number of laboratory hours in each week combine to make up the total “contact” hours required for the class each week. Contact hours equate to the time spent under the direct supervision of a faculty member. The contact hours are the sum of the first two numbers shown. The credit for the course is the last number shown.

## Nondegree Credit

Courses labeled nondegree credit will not count toward graduation requirements in any certificate, diploma or degree program.

## Division Designation

Following the course hours and credits are letters that indicate the division responsible for the course.

The division designations are as follows:

AH – Allied Health Sciences  
AR – Aeronautical Studies  
BT – Business Technology  
CF – Community, Family and Child Studies  
FV – Film, Media and Visual Arts  
LC – The Learning Center  
ET – Industrial and Engineering Technology  
HS – Humanities and Social Sciences  
CI – The Culinary Institute of Charleston  
IT – Industrial and Engineering Technology  
LR – Law-Related Studies  
NU – Nursing  
OR – Orientation Center  
SM – Science and Mathematics

## Prerequisites/Corequisites

Prerequisites are required before enrolling in a course; they will be identified following the course description. See your advisor for details. Corequisites are courses that must be taken at the same time and will be identified following the course description.

**Most courses have additional prerequisite reading skills that can be demonstrated by test scores or transfer credit.**

## Course Schedule

Not all of the courses in the following list are taught each semester. *On Course* is published prior to each semester, showing the courses that will

be offered. Courses offered are subject to change, based on the availability of faculty, funds and enrollment. The College reserves the right to cancel any course due to insufficient enrollment.

# COURSE DESCRIPTIONS

**ACC 001 Lec: Lab: Cred:**

Indicates credit given for accounting course work transferred from another college for which there is no equivalent course at TTC.

**ACC 100 Lec: 3 Lab: 0 Cred: 3 BT**

## Basic Accounting

This course introduces basic accounting principles, including the accounting cycle, bookkeeping, the debit-credit procedure, journals, ledgers, trial balances and preparing financial statements for sole proprietorships. (Nondegree credit)

*PreReq: MAT 032 or MAT 013 or appropriate test scores*

**ACC 101 Lec: 3 Lab: 0 Cred: 3 BT**

## Accounting Principles I

This course introduces basic accounting procedures for analyzing, recording and summarizing financial transactions, adjusting and closing the financial records at the end of the accounting cycle, and preparing financial statements. This course is designed to include all aspects of financial accounting at the introductory level.

*PreReq: MAT 101 or MAT 152 or appropriate test scores and ACC 100 or advisor approval. Students who receive credit for ACC 111 may not receive credit for ACC 101.*

**ACC 102 Lec: 3 Lab: 0 Cred: 3 BT**

## Accounting Principles II

This course emphasizes managerial accounting theory and practice in basic accounting and procedures for cost accounting, budgeting, cost-volume analysis and financial statement analysis.

*PreReq: ACC 101 or ACC 112, CPT 101 or 102 or appropriate math test scores*

**ACC 111 Lec: 3 Lab: 0 Cred: 3 BT**

## Accounting Concepts

This course is the study of the principles of the basic accounting functions – collecting, recording, analyzing, and reporting information.

*PreReq: MAT 101 or MAT 152. Students who receive credit for ACC 111 may not receive credit for ACC 101.*

**ACC 112 Lec: 3 Lab: 0 Cred: 3 BT**  
**Organizational Accounting**

This course is the study of financial accounting with specific emphasis on partnerships and the corporate form of organization.

*PreReq: ACC 111*

**ACC 124 Lec: 3 Lab: 0 Cred: 3 BT**  
**Individual Tax Procedures**

This course is a study of the basic federal income tax structure from the standpoint of the individual, including the preparation of individual income tax returns.

*PreReq: ACC 101 or ACC 111*

**ACC 150 Lec: 3 Lab: 0 Cred: 3 BT**  
**Payroll Accounting**

This course introduces the major tasks of payroll accounting; employment practices; federal, state and local governmental laws and regulations; internal controls; and various forms and records using both a manual and computerized approach.

*PreReq: ACC 101 or ACC 111, CPT 101*

**ACC 201 Lec: 3 Lab: 0 Cred: 3 BT**  
**Intermediate Accounting I**

This course explores fundamental processes of accounting theory, including the preparation of financial statements.

*PreReq: ACC 101 or ACC 112*

**ACC 202 Lec: 3 Lab: 0 Cred: 3 BT**  
**Intermediate Accounting II**

This course covers the application of accounting principles and concepts to account evaluation and income determination, including special problems peculiar to corporations and the analysis of financial reports.

*PreReq: ACC 201*

**ACC 203 Lec: 3 Lab: 0 Cred: 3 BT**  
**Intermediate Accounting III**

This course covers the application of accounting theory to income tax allocation, and accounting for leases and pensions. Revenue recognition, financial statement analysis, cash flow statement preparation and an overview of international accounting also are covered.

*PreReq: ACC 202*

**ACC 221 Lec: 3 Lab: 0 Cred: 3 BT**  
**Corporate Taxation**

This course is a study of federal tax regulations and procedures governing corporations, partnerships and special tax situations of individuals.

*PreReq: ACC 124, ACC 101 or ACC 112*

**ACC 226 Lec: 3 Lab: 0 Cred: 3 BT**  
**Tax Audit and Research**

This course is a study of the internal revenue service's procedures for individual and corporation tax audits and refunds, as well as other tax research services available to tax practitioners.

*PreReq: ACC 221*

**ACC 240 Lec: 3 Lab: 0 Cred: 3 BT**  
**Computerized Accounting**

This course covers using the computer to design and implement various accounting functions, including financial transactions, records, statements, reports and documents normally found in a moderately complex business.

*PreReq: ACC 101 or ACC 111, CPT 101*

**ACC 245 Lec: 3 Lab: 0 Cred: 3 BT**  
**Accounting Applications**

This course introduces microcomputer accounting using electronic spreadsheet software.

*PreReq: ACC 101 or ACC 111, CPT 101*

**ACC 260 Lec: 3 Lab: 0 Cred: 3 BT**  
**Auditing**

This course is a study of the procedures for conducting audits and investigations of various enterprises. It covers collecting data from working papers, arranging and systemizing the audit, and writing the audit report. Emphasis is placed on detailed audits, internal auditing and the auditing process.

*PreReq: ACC 101 or ACC 112*

**ACC 265 Lec: 3 Lab: 0 Cred: 3 BT**  
**Not-for-Profit Accounting**

This course introduces the special accounting needs of municipalities, counties, states, the federal government and governmental agencies, and other not-for-profit organizations.

*PreReq: ACC 102 or ACC 112*

**ACC 275 Lec: 3 Lab: 0 Cred: 3 BT**  
**Selected Topics in Accounting**

This course provides an advanced in-depth review of selected topics in accounting using case studies and individual and group problem solving.

*PreReq: ACC 202 and ACC 221*

**ACM 101 Lec: 2 Lab: 0 Cred: 2 AR**  
**General Regulations**

This course covers FAA regulations that pertain to the mechanics and maintenance of aircraft engines and airframes, technical standard orders, manufacturers' maintenance and parts manuals, service letters, bulletins and instructions.

**ACM 102 Lec: 3 Lab: 0 Cred: 3 AR**  
**Aviation Sciences**

This course is a study of the fundamentals of simple machines, heat dynamics, theory of flight and geometrical concepts as established for aviation applications, including basic math and algebraic operations.

**ACM 105 Lec: 3.5 Lab: 1.5 Cred: 4 AR**  
**Basic Aircraft Electricity**

This course covers basic electricity including AC and DC circuits, the use of electrical measuring instruments, the interpretation of electrical circuit diagrams, energy sources, and batteries and their maintenance.

**ACM 110 Lec: 0 Lab: 3 Cred: 1 AR**  
**Aircraft Drawings**

This course covers skills required to use drawings, identify symbols and schematic layouts, sketch repairs and alterations made to aircraft, and interpret graphs and charts.

**ACM 114 Lec: 1 Lab: 0 Cred: 1 AR**  
**Fluid Lines and Fittings**

This course covers the techniques used to identify, select, inspect, service, repair and fabricate both rigid and flexible plumbing systems.

**ACM 115 Lec: 2.5 Lab: 1.5 Cred: 3 AR**  
**Ground Handling and Servicing**

This course covers engine starting, ground operation, aircraft movement, ground handling safety requirements and aircraft servicing procedures. Also covered are interpreting and applying aircraft weight and balance procedures.

**ACM 120 Lec: 3 Lab: 3 Cred: 4 AR**  
**Materials and Corrosion Control**

This course covers nondestructive testing; identification and selection of aircraft hardware and materials; use of hand, power and precision measuring tools; identification and use of cleaning materials; and identification and treatment of aircraft corrosion.

**ACM 125 Lec: 1 Lab: 3 Cred: 2 AR**  
**Wood Structures, Coverings and Finishes**

This course covers the fundamentals of inspection, maintenance and repair of aircraft wood structures; selection, application and maintenance of aircraft fabric and fiberglass coverings; and selection, application and maintenance of aircraft finishes, trim and lettering.

**ACM 135 Lec: 1.5 Lab: 7.5 Cred: 4 AR**  
**Sheet Metal and Non-metallic Structures**

This course covers the principles of sheet metal layout, bending, rivet installation, structural inspection and repair methods. Composite construction, honeycomb, plastic laminates, fiberglass and thermoplastics for aircraft applications also are included in the course.

**ACM 145 Lec: 1 Lab: 3 Cred: 2 AR**  
**Aircraft Welding**

This course covers the welding techniques and safety procedures used to manufacture and repair truss-type aircraft structures. It includes types of welds, setup of welding equipment, soldering techniques, brazing, gas welding and electric welding of aluminum, stainless steel, magnesium and titanium.

**ACM 150 Lec: 2 Lab: 3 Cred: 3 AR**  
**Assembly and Rigging**

This course covers the methods and procedures used to maintain an aircraft in aerodynamically and structurally sound condition. Flight theory, aircraft assembly, jacking, structural alignment, rigging of fixed-wing and rotor-wing aircraft, balancing, and rigging of flight control surfaces are covered.

**ACM 155 Lec: 2.5 Lab: 1.5 Cred: 3 AR**  
**Aircraft Environmental Systems**

This course covers the skills required to inspect, check, service and repair aircraft heating, cooling, vapor cycle and air cycle air conditioning; pressurization, oxygen, ice and rain control; carbon monoxide detection; and fire protection systems.

**ACM 160 Lec: 3 Lab: 0 Cred: 3 AR**  
**Utility and Warning Systems**

This course covers the principles of inspecting, troubleshooting, servicing and repairing instrument systems, communication and navigation systems, and landing gear antiskid indicating and warning systems.

**ACM 165 Lec: 1.5 Lab: 4.5 Cred: 3 AR**  
**Hydraulic and Pneumatic Systems**

This course covers the operating principles for aircraft hydraulic and pneumatic power systems. The theory of fluid power; identification and selection of aircraft hydraulic fluids; and servicing, troubleshooting, inspecting and repairing of hydraulic and pneumatic power systems and components are included.

**ACM 167 Lec: 2.5 Lab: 1.5 Cred: 3 AR**  
**Landing Gear Systems**

This course covers the skills required to perform maintenance and service requirements for aircraft landing gear systems. The inspection, servicing, repair and operational check of landing gear, retracting systems, shock struts, brakes, wheels, tires and steering systems are included.

**ACM 170 Lec: 2.5 Lab: 4.5 Cred: 4 AR**  
**Aircraft Electrical Systems**

This course covers skills required to inspect, check, service, troubleshoot and repair aircraft electrical system controls, wiring installation, switches, indicators and protective devices.

**ACM 172 Lec: 0 Lab: 3 Cred: 1 AR**  
**Aircraft Fuel Systems**

This course covers maintenance of aircraft fuel systems including troubleshooting, inspection, service and repair principles for fuel system components, pressure fuel systems, quantity indicating systems, pressure and temperature systems, dump systems, and fuel management procedures.

**ACM 174 Lec: 0.5 Lab: 1.5 Cred: 1 AR**  
**Airframe Inspection**

This course covers the fundamentals of airframe inspection, including the purposes, requirements and type of inspection, inspection records, and suggested methods for performing systematic inspection procedures.

**ACM 201 Lec: 2 Lab: 0 Cred: 2 AR**  
**Lubricating Systems**

This course covers the use and classification of lubricants, oils and greases. The basic lubrication systems of opposed, radial and turbine engines are included.

**ACM 205 Lec: 2 Lab: 3 Cred: 3 AR**  
**Ignition and Starting Systems**

This course covers the theory and operation of aircraft powerplant ignition systems used on reciprocating and turbine engines, including the requirements for inspecting, servicing, repairing and/or overhauling magnetos, spark plugs, and ignition harnesses and switches.

**ACM 210 Lec: 0.5 Lab: 10.5 Cred: 4 AR**  
**Reciprocating Engine Overhaul**

This course covers the theory and development of the internal combustion engine used in aviation and the disassembly, inspection, service, repair and overhaul of opposed and radial aircraft engines.

**ACM 212 Lec: 3 Lab: 0 Cred: 3 AR**  
**Engine Installation**

This course covers the techniques for removal and installation of opposed and radial aircraft piston engines, including the evaluation of performance after reconditioning, testing, inspection, troubleshooting, preservation and return to service after long-term storage.

**ACM 220 Lec: 1.5 Lab: 4.5 Cred: 3 AR**  
**Turbine Engines**

This course covers the history, theory, construction and principles of operation of turbine engines, including removal, installation, maintenance, testing, inspection, adjustment and overhaul.

**ACM 226 Lec: 0.5 Lab: 1.5 Cred: 1 AR**  
**Engine Inspection**

This course covers the procedures necessary for powerplant inspection to conform to the manufacturer's and FAA requirements.

**ACM 234 Lec: 2.5 Lab: 4.5 Cred: 4 AR**  
**Propellers and Components**

This course covers the theory, installation, inspection, service, maintenance, repair and principles of operation of fixed and controllable pitch propellers. This course also includes the study of propeller de-icing, anti-icing, synchronization, and selection and use of propeller lubricants for reciprocating and turbo propeller engines.

**ACM 240 Lec: 1 Lab: 6 Cred: 3 AR**  
**Engine Electrical Instrumentation and Fire Protection**

This course covers the skills required to inspect, check, service, troubleshoot and repair reciprocating and turbine engine starters and generators, alternators and charging systems, including wiring controls; switches; protective devices; and temperature, pressure, RPM indicating and fire protection systems.

**ACM 245 Lec: 3 Lab: 3 Cred: 4 AR**  
**Powerplant Fuel Systems**

This course covers inspecting, troubleshooting, servicing, repairing and overhauling of powerplant fuel metering systems, including warning indicators, pressure and rate of flow instruments, and carburetor overhaul.

**ACM 250 Lec: 2.5 Lab: 1.5 Cred: 3 AR**  
**Induction Cooling and Exhaust**

This course covers the skills required to inspect, check, troubleshoot, service and repair reciprocating and turbine engine induction, cooling and exhaust systems.

**ACR 001 Lec: Lab: Cred:**

Indicates credit given for heating, ventilation and air conditioning courses transferred from another college for which there is no equivalent course at TTC.

**ACR 106 Lec: 2 Lab: 6 Cred: 4 IT**  
**Basic Electricity for HVAC/R**

This course includes a basic study of electricity including Ohm's Law and series and parallel circuits as they relate to heating, ventilating, air conditioning and refrigeration systems.

**ACR 108 Lec: 2 Lab: 3 Cred: 3 IT**  
**Refrigeration Fundamentals**

This course is an introduction to the principles of refrigeration.

**ACR 109 Lec: 1 Lab: 3 Cred: 2 IT**  
**Tools and Service Techniques II**

This course is an advanced study of tools and service equipment used in the installation and repair of HVAC equipment.

**ACR 111 Lec: 2 Lab: 3 Cred: 3 IT**  
**Gas Heating Principles**

This course is the study of residential and commercial gas burners and their components.  
*PreReq: ACR 106*

**ACR 122 Lec: 3 Lab: 6 Cred: 5 IT**  
**Principles of Air Conditioning**

This course is the study of the air cycle, psychrometrics, equipment selection, load calculations and maintenance and/or repair of AC systems.

*PreReq: ACR 108 and 109*

**ACR 131 Lec: 2 Lab: 6 Cred: 4 IT**  
**Commercial Refrigeration**

This course is a study of maintenance and repair of commercial refrigeration systems.

*PreReq: ACR 106, ACR 108, ACR 109*

**ACR 206 Lec: 1 Lab: 3 Cred: 2 IT**  
**Advanced Electricity for HVAC/R**

This course includes a practical application of electrical and electronic components and circuits used to control HVAC and /or refrigeration systems.

*PreReq: ACR 106*

**ACR 210 Lec: 2 Lab: 6 Cred: 4 IT**  
**Heat Pumps**

This course is a study of theory and operational principles of the heat pump.

*PreReq: ACR 106, ACR 108, ACR 109*

**ACR 224 Lec: 2 Lab: 0 Cred: 2 IT**  
**Codes and Ordinances**

This course covers instruction on how to reference appropriate building codes and ordinances where they apply to the installation of heating and air conditioning.

*PreReq: ACR 111, ACR 122 or advisor approval*

**AET 110 Lec: 2 Lab: 3 Cred: 3 ET**  
**Architectural Graphics I**

This course is an introduction to the skills of architectural manual drafting. It includes residential or light commercial drafting, site planning, preliminary sketches, presentation drawings and working drawings. This course also includes computer applications.

*PreReq: EGT 151*

**AET 111 Lec: 2 Lab: 3 Cred: 3 ET**  
**Architectural Computer Graphics I**

This course includes architectural construction, basic computer-aided design commands, and creation of industry symbols and standards.

*PreReq: AET 110*

**AET 120 Lec: 2 Lab: 3 Cred: 3 ET**  
**Architectural Graphics II**

This course covers the skills needed for the development of a complete set of residential or commercial working drawings using construction methods, codes, material selection, site development and modular systems.

*PreReq: AET 110*

**AET 202 Lec: 3 Lab: 0 Cred: 3 ET**  
**History of Architecture**

This course is a study of the origins, influences and aesthetics that underlie the various styles of architecture from prehistoric times to present.

**AET 221 Lec: 3.5 Lab: 1.5 Cred: 4 ET**  
**Architectural Computer Graphics II**

This course includes a study of CAD commands with architectural applications and routines. A complete set of working drawings of a residential or commercial building, using the computer as a drafting tool, is produced.

*PreReq: AET 110, AET 120*

**AET 233 Lec: 3.5 Lab: 1.5 Cred: 4 ET**  
**Architectural CAD Presentations**

This course covers the development of CAD commands, including 3-D wire frame drawings and rendering capabilities of a building model.

*PreReq: AET 111 or departmental approval*

**AHS 001 Lec: Lab: Cred:**

Indicates credit given for Allied Health Sciences course work transferred from another college for which there is no equivalent course at TTC.

**AHS 101 Lec: 2 Lab: 0 Cred: 2 AH**  
**Introduction to Health Professions**

This course provides a study of the health professions and the health care industry.

**AHS 103 Lec: 2 Lab: 0 Cred: 2 AH**  
**Bio Medical Vocabulary**

This course covers the basis of word formation, prefixes, suffixes and vocabulary used in biomedical disciplines and health sciences.

**AHS 104 Lec: 3 Lab: 0 Cred: 3 AH**  
**Medical Vocabulary/Anatomy**

This course introduces students to fundamental principles of medical terminology and includes a survey of human anatomy and physiology.

**AHS 105 Lec: 2 Lab: 0 Cred: 2 AH**  
**Medical Ethics and Law**

This course provides a study of ethical conduct and legal responsibility related to health care.

**AHS 106 Lec: 1 Lab: 0 Cred: 1 AH**  
**Cardiopulmonary Resuscitation**

This course introduces students to cardiopulmonary resuscitation in the adult, child and infant.

**AHS 110 Lec: 2 Lab: 0 Cred: 2 AH**  
**Patient Care Procedures**

This course includes a study of the procedures and techniques used in the general care of the patient.

*PreReq: CHM 100 or high school chemistry strongly recommended, MAT 110, approval of program coordinator for RAD students*

**AHS 114 Lec: 1 Lab: 0 Cred: 1 AH**  
**Basic First Aid**

This course provides instruction in basic procedures used in medical emergencies.

*PreReq: AHS 106*

**AHS 121 Lec: 2 Lab: 0 Cred: 2 AH**  
**Basic Pharmacology**

This course covers the nature of drugs, their actions in the body and side effects.

**AHS 126 Lec: 1 Lab: 0 Cred: 1 NU**  
**Health Calculations**

This course is a study of the mathematical concepts needed in health science studies. It is an introduction to basic drug calculations.

*PreReq: Acceptance into the PN or ADN level or instructor approval, unsuccessful completion of the PN level Dosage Calculation Proficiency*

**AHS 129 Lec: 1 Lab: 0 Cred: 1 NU**  
**Health Calculations II**

This course is an introduction to advanced drug calculations.

*PreReq: Acceptance into the ADN level or instructor approval, unsuccessful completion of the ADN level Dosage Calculation Proficiency*

**AHS 142 Lec: 1.5 Lab: 1.5 Cred: 2 AH**  
**Phlebotomy**

This course is a study of phlebotomy procedures utilized in clinical facilities and physicians' offices.

*PreReq: Vaccination series for Hepatitis B begun by second week of class*

**AHS 143 Lec: 5 Lab: 3 Cred: 6 AH**  
**Phlebotomy Skills**

This course is a study of phlebotomy equipment, procedures, techniques and practical experience.  
*PreReq: AHS 142; acceptance into the Phlebotomy program*

**AHS 146 Lec: 2 Lab: 15 Cred: 7 AH**  
**Phlebotomy Experience**

This course provides phlebotomy students with comprehensive clinical experience in medical laboratory specimen collections, transport, storage and basic test procedures.

*PreReq: AHS 105, AHS 142, AHS 143*

**AHS 170 Lec: 3 Lab: 0 Cred: 3 AH**  
**Fundamentals of Disease**

This course includes a study of the general principles of disease and the disorders that affect the human body, with an emphasis on symptoms and signs routinely assessed in health care facilities.

*PreReq or CoReq: AHS 104*

**AMF 103 Lec: 3 Lab: 0 Cred: 3 AR**  
**Introduction to Aviation**

This course is designed to introduce the student to the history and background of aviation, the role of the Federal Aviation Administration (FAA) in aviation, the nomenclature of aircraft, and safety. (This course is not FAA Part 147 approved.)

**AMF 104 Lec: 3 Lab: 0 Cred: 3 AR**  
**Basic Aviation Sciences**

This course is designed to equip the student with a basic working knowledge of mathematical concepts used in aircraft construction and design, including basic math and geometric concepts, theory of flight, and simple machines. (This course is not FAA Part 147 approved.)

*PreReq: MAT 032 or appropriate test scores*

**AMF 109 Lec: 2.5 Lab: 1.5 Cred: 3 AR**  
**Aircraft Materials and Hand Tools**

This course covers the identification and selection of materials used in aircraft construction, aircraft hardware, use of hand tools including precision measuring tools, and testing methods used in the aerospace industry. (This course is not FAA Part 147 approved.)

*PreReq: MAT 032 or appropriate test scores*

**AMF 111 Lec: 1 Lab: 0 Cred: 1 AR**  
**Aircraft Corrosion Control**

This course covers the identification of the various forms of corrosion that occur in aerospace materials as well as methods of detection and forms of treatment. (This course is not FAA Part 147 approved.)

**AMF 116 Lec: 1.5 Lab: 1.5 Cred: 2 AR**  
**Aircraft Fluid Lines**

The course covers the identification, selection, fabrication, and installation practices of rigid and flexible aircraft fluid line systems, as well as the basic introduction to aircraft hydraulic systems and fluids. (This course is not FAA Part 147 approved.)

**AMF 132 Lec: 2 Lab: 3 Cred: 3 AR**  
**Aircraft Sheet Metal Assembly**

This course covers the principles of sheet metal layout, bending, drilling, countersinking, as well as installation and removal of fasteners. (This course is not FAA Part 147 approved.)

*PreReq: MAT 032 or appropriate test scores*

**AMF 137 Lec: 2 Lab: 3 Cred: 3 AR**  
**Aircraft Composite Structures**

This course covers the fabrication of aircraft primary and secondary members utilizing composite technology, including the lay-up, bonding, curing, trimming, and machining of composite structures. (This course is not FAA Part 147 approved.)

**AMF 142 Lec: 2 Lab: 0 Cred: 2 AR**  
**Aircraft Auxiliary Systems**

This course is designed to introduce the student to the various systems that make up the infrastructure of an aircraft, to include cabin atmospheric control systems, fire protection, cockpit instrumentation and avionics systems, and warning systems. (This course is not FAA Part 147 approved.)

**AMF 147 Lec: 2.5 Lab: 1.5 Cred: 3 AR**  
**Aviation Electrical Systems**

This course covers the fundamentals of electricity including DC and AC circuits, design and installation practices of aircraft electrical systems including circuit components, power distribution systems, and circuit protection devices. (This course is not FAA Part 147 approved.)

*PreReq: MAT 032 or appropriate test scores*

**AMF 152 Lec: 2 Lab: 0 Cred: 2 AR**  
**Aircraft Flight Control Systems**

This course covers the design and rigging methods of aircraft primary and secondary flight control systems. (This course is not FAA Part 147 approved.)

**ANT 101 Lec: 3 Lab: 0 Cred: 3 HS**  
**General Anthropology**

This course studies physical and cultural anthropology and explores subfields of anthropology to examine primateology, human paleontology, human variation, archeology and ethnology.

**AOT 001 Lec: Lab: Cred:**

Indicates credit given for office systems course work transferred from another college for which there is no equivalent course at TTC.

**AOT 105 Lec: 3 Lab: 0 Cred: 3 BT**  
**Keyboarding**

This course focuses on the mastery of keyboarding and formatting principles.

**AOT 122 Lec: 3 Lab: 0 Cred: 3 BT**  
**Medical Transcription I**

This course provides experience in transcribing medical documents from dictation equipment.  
*PreReq: AOT 163, AHS 104, AOT 134*

**AOT 134 Lec: 3 Lab: 0 Cred: 3 BT**  
**Office Communications**

This course develops proficiency in specialized applications of communications in the office environment.  
*PreReq: ENG 100 with a minimum grade of C or appropriate test scores and AOT 105 or equivalent skills*  
*CoReq: AOT 163*

**AOT 137 Lec: 3 Lab: 0 Cred: 3 BT**  
**Office Accounting**

This course introduces the fundamentals of basic accounting principles and focuses on basic financial records of a typical office.  
*PreReq: MAT 032 or MAT 013 or appropriate test scores*

**AOT 161 Lec: 3 Lab: 0 Cred: 3 BT**  
**Records Management**

This course emphasizes information management functions and various types of information systems, technology and procedures. Computer literacy in a Windows environment is essential.  
*PreReq: AOT 105 or keying skills; knowledge of Windows environment*

**AOT 163 Lec: 3 Lab: 0 Cred: 3 BT**  
**Word Processing**

This course introduces the basic concepts of information processing, letter styles, memos and reports. Requires a touch keyboarding speed of 25 words per minute or higher. See advisor.  
*PreReq: ENG 100 with a minimum grade of C or appropriate test scores, and AOT 105 or equivalent skills*  
*CoReq: AOT 134*

**AOT 212 Lec: 3 Lab: 0 Cred: 3 BT**  
**Medical Document Production**

This course covers medical terminology and the production of documents found in medical offices. The major focus is on productivity and excellence in medical document production.  
*PreReq: AOT 163 and BIO 110 or AHS 104*

**AOT 213 Lec: 3 Lab: 0 Cred: 3 BT**  
**Legal Document Production**

This course introduces legal terminology and covers the production of documents found in the legal office environment. Emphasis is on productivity and excellence in legal document production.  
*PreReq: AOT 134, AOT 163 and BUS 121*

**AOT 222 Lec: 3 Lab: 0 Cred: 3 BT**  
**Advanced Medical Transcription**

This course provides advanced experience in transcribing medical documents from dictation equipment.  
*PreReq: AOT 122*

**AOT 234 Lec: 3 Lab: 0 Cred: 3 BT**  
**Administrative Office Communications**

This course emphasizes communication skills necessary in the business environment. It includes composing business correspondence, developing and giving oral presentations, practicing recording and translating information using the latest technology, and developing effective verbal and nonverbal communication and listening skills.  
*PreReq: AOT 260*

**AOT 250 Lec: 3 Lab: 0 Cred: 3 BT**  
**Advanced Information Processing**

This course emphasizes complex applications of information processing software using advanced features and concepts.  
*PreReq or CoReq: AOT 260*

**AOT 251 Lec: 3 Lab: 0 Cred: 3 BT**  
**Administrative Systems and Procedures**

This course covers processing information in the electronic office. Emphasis is on increasing proficiency in performing a variety of office tasks by integrating previously learned knowledge and skills.

*PreReq: AOT 134, AOT 161, AOT 163*

**AOT 252 Lec: 3 Lab: 0 Cred: 3 BT**  
**Medical Systems and Procedures**

This course emphasizes development of proficiency in integrating skills commonly performed in medical offices.

*PreReq: AOT 134, AOT 163, BIO 110 or AHS 104*

**AOT 254 Lec: 3 Lab: 0 Cred: 3 BT**  
**Office Simulation**

This course integrates a wide variety of skills and knowledge through practical work experiences in an office environment. (Must be taken in final semester.) This course is open only to Bank Teller and Medical Transcription certificate students.

**AOT 260 Lec: 3 Lab: 0 Cred: 3 BT**  
**Office Word Processing Applications**

This course emphasizes the concepts of word processing for information management in an office environment.

*PreReq: AOT 134, AOT 163*

**AOT 265 Lec: 3 Lab: 0 Cred: 3 BT**  
**Office Desktop Publishing**

This course covers the integration of text and graphics using computer software to design, edit and produce a variety of documents.

*PreReq: AOT 163*

**AOT 267 Lec: 3 Lab: 0 Cred: 3 BT**  
**Integrated Information Processing**

This course covers the application of integrated computer software.

*PreReq: AOT 250, AOT 260, CPT 172, CPT 174*

**ART 101 Lec: 3 Lab: 0 Cred: 3 HS**  
**Art History and Appreciation**

This course introduces the history and appreciation of art, including elements and principles of the visual arts.

**ART 105 Lec: 2 Lab: 3 Cred: 3 FV**  
**Film as Art**

This course introduces the appreciation of film and covers the elements and principles of cinema with historical and contemporary examples.

*PreReq: ENG 100 or appropriate test scores*

**ART 107 Lec: 3 Lab: 0 Cred: 3 HS**  
**History of Early Western Art**

This course is a visual and historical survey of Western art from the Paleolithic Age to the Renaissance. The techniques, forms and expressive content of painting, sculpture and architecture are studied within the context of the cultural environment that produced them.

**ART 108 Lec: 3 Lab: 0 Cred: 3 HS**  
**History of Western Art**

This course is a visual and historical survey of Western art from the Renaissance through modern times. The techniques, forms and expressive content of painting, sculpture and architecture are studied within the context of the cultural environment that produced them.

**ART 111 Lec: 2 Lab: 3 Cred: 3 FV**  
**Basic Drawing I**

This course provides an introduction to the materials and the basic techniques of drawing.

**ART 112 Lec: 2 Lab: 3 Cred: 3 FV**  
**Basic Drawing II**

This course covers a study of the materials and basic techniques of drawing.

*PreReq: ART 111 with a minimum grade of C*

**ART 214 Lec: 3 Lab: 0 Cred: 3 HS**  
**Art History Study Abroad**

This course provides a study abroad experience for students studying art history. The course includes travel to selected regions outside the United States and provides a field study of historical and contemporary art, artists and architecture, with emphasis on art history.

*PreReq: ART 107 or ART 108*

**ARV 110 Lec: 2 Lab: 3 Cred: 3 FV**  
**Computer Graphics I**

This course is a study of the fundamentals of computer-assisted graphic design using Adobe Illustrator software. It is recommended that students enrolling in ARV 110 be familiar with basic computer functions and computer file management.

**ARV 114 Lec: 2 Lab: 3 Cred: 3 FV**  
**Photography I**

This course is a study of the principles, terminology, techniques, tools and materials of basic black-and-white photography.

**ARV 115 Lec: 3 Lab: 0 Cred: 3 FV**

**Aesthetics of Photography**

This course covers the history and aesthetics of photography from 1839 to the present, with special emphasis on the development of photographic seeing.

*PreReq: ENG 100 or appropriate test scores*

**ARV 121 Lec: 2 Lab: 3 Cred: 3 FV**

**Design**

This course covers basic theories, vocabulary, principles, techniques, media and problem-solving in basic design.

**ARV 123 Lec: 2 Lab: 3 Cred: 3 FV**

**Composition and Color**

This course covers the investigation and application of principles and concepts of visual organization and the psychological and physical properties of color.

*PreReq: ARV 121 with a minimum grade of C*

**ARV 124 Lec: 2 Lab: 3 Cred: 3 FV**

**Sequential Drawing I**

This course covers the basic principles, techniques and tools of creating sequential drawings for illustration and animation.

*PreReq: ART 111 with a minimum grade of C or approval of department head*

**ARV 125 Lec: 2 Lab: 3 Cred: 3 FV**

**Drawing for Animators**

This course introduces students to the basic elements of gesture drawing, quick sketch, volume, and depth techniques to capture action and attitude. Drawing for weight, force, thought, emotion and movement is stressed.

*PreReq: ART 111 with a minimum grade of C or approval of department head*

**ARV 161 Lec: 3 Lab: 0 Cred: 3 FV**

**Visual Communications Media**

This course introduces the theory, psychology, principles and practices of major visual communications media.

**ARV 162 Lec: 2 Lab: 3 Cred: 3 FV**

**Graphic Reproduction I**

This course is a study of the principles and practices used in print preparation and print reproduction.

*PreReq: ARV 217, CGC 106 and CGC 110 with a minimum grade of C*

**ARV 205 Lec: 2 Lab: 3 Cred: 3 FV**

**Graphic Illustration**

This course covers the tools and techniques used to create graphic illustrations for various types of print advertising.

*PreReq: ART 111 and ARV 121 with a minimum grade of C*

**ARV 210 Lec: 2 Lab: 3 Cred: 3 FV**

**Computer Graphics II**

This course is an advanced computer art course that includes a study of the creation of graphic design using electronic imagery.

*PreReq: ARV 110 with a minimum grade of C*

**ARV 212 Lec: 2 Lab: 3 Cred: 3 FV**

**Digital Photography**

This course is a study of the principles, terminology, techniques, tools and materials of basic digital photography. Images produced in this course will address the needs of the visual communication industry.

*PreReq: ARV 217 with a minimum grade of C*

**ARV 213 Lec: 2 Lab: 3 Cred: 3 FV**

**Lighting**

This course introduces the fundamentals of photographic lighting techniques.

*PreReq: ARV 114 with a minimum grade of C*

*CoReq: ARV 214*

**ARV 214 Lec: 2 Lab: 3 Cred: 3 FV**

**Photography II**

This course covers advanced projects in black-and-white and color photography, including studio work.

*PreReq: ARV 114 with a minimum grade of C*

**ARV 215 Lec: 2 Lab: 3 Cred: 3 FV**

**Photography III**

This course incorporates advanced projects in black-and-white and color photography, including studio and lab work.

*PreReq: ARV 213 with a minimum grade of C*

**ARV 216 Lec: 2 Lab: 3 Cred: 3 FV**

**Lighting II**

This course covers advanced projects in photographic lighting techniques used in the studio and on location.

*PreReq: ARV 213 with a minimum grade of C*

**ARV 217 Lec: 2 Lab: 3 Cred: 3 FV  
Computer Imagery**

This course covers the use of the computer as a tool to create images that address the needs of the visual communication field. Adobe Photoshop software is used. It is recommended that students enrolling in ARV 217 be familiar with basic computer functions and computer file management.

**ARV 218 Lec: 2 Lab: 3 Cred: 3 FV  
Computer Imagery II**

This course covers advanced computer techniques in creating images for visual communications such as presentations, print, graphics, etc. Editorial illustration will be the focus.

*PreReq: ARV 110 and ARV 217 with a minimum grade of C*

**ARV 219 Lec: 2 Lab: 3 Cred: 3 FV  
Multimedia Techniques**

This course introduces the production of current interactive multimedia. It is recommended that students enrolling in ARV 219 be familiar with basic computer functions and computer file management.

**ARV 220 Lec: 2 Lab: 3 Cred: 3 FV  
Multimedia Presentations**

This course covers a study of interactive multimedia techniques culminating in a presentation.

*PreReq: ARV 219 with a minimum grade of C*

**ARV 221 Lec: 2 Lab: 3 Cred: 3 FV  
Interactive Media Design**

This course introduces techniques and concepts used to develop proposals, treatments, production scripts and design documents that act as templates for interactive media applications.

**ARV 222 Lec: 2 Lab: 3 Cred: 3 FV  
Computer Animation**

This course introduces techniques of creating the illusion of motion and three-dimensional space using computer software. It is recommended that students enrolling in this course be familiar with basic computer functions and computer file management.

**ARV 223 Lec: 2 Lab: 3 Cred: 3 FV  
3-D Animation I**

This course covers advanced techniques used in creating 3-D animation using computer software. 3ds Max software is used.

*PreReq: ARV 217 or FLM 168 with a minimum grade of C*

**ARV 224 Lec: 2 Lab: 3 Cred: 3 FV  
3-D Animation II**

This course includes advanced projects in 3-D animation using computer software. 3ds Max software is used.

*PreReq: ARV 223 with a minimum grade of C*

**ARV 225 Lec: 2 Lab: 3 Cred: 3 FV  
Advanced Computer Animation**

This course covers advanced techniques for creating motion using computer software.

*PreReq: ARV 222 with a minimum grade of C*

**ARV 227 Lec: 2 Lab: 3 Cred: 3 FV  
Web Site Design I**

This course introduces the production of an interactive Web site. It is recommended that students enrolling in ARV 227 be familiar with basic computer functions and computer file management.

**ARV 228 Lec: 2 Lab: 3 Cred: 3 FV  
Web Site Design II**

This course covers a study of advanced Web site design techniques culminating in an interactive Web site.

*PreReq: ARV 217 and ARV 227 with a minimum grade of C*

**ARV 229 Lec: 2 Lab: 3 Cred: 3 FV  
Advanced Multimedia**

This course covers a study of advanced multimedia techniques culminating in an interactive CD-ROM. It is recommended that students enrolling in ARV 229 be familiar with basic computer functions and computer file management.

**ARV 230 Lec: 3 Lab: 0 Cred: 3 FV  
Visual Arts Business Procedures**

This course covers a study of professional practices involved in the organization and operation of businesses concerned with visual arts.

*PreReq: ARV 161 with a minimum grade of C*

**ARV 232 Lec: 2 Lab: 3 Cred: 3 FV  
Digital Photography II**

This course covers advanced projects in digital photography, including studio as well as computer lab work.

*PreReq: ARV 212 with a minimum grade of C*

**ARV 247 Lec: 2 Lab: 3 Cred: 3 FV**  
**3-D Animation III**

This course is an exploration of the basic principles of animation using three-dimensional computer-generated animation. Students practice and develop observational skills that aid in creating motion and three-dimensional forms. Maya software is used.

*PreReq: ARV 217 or FLM 168 with a minimum grade of C*

**ARV 248 Lec: 2 Lab: 3 Cred: 3 FV**  
**3-D Animation IV**

This course emphasizes the principles of designing and producing three-dimensional computer-generated animation through the creation of advanced motion studies. Projects focus on developing higher-level skills in model building, animation, and color and lighting. Maya software is used.

*PreReq: ARV 247 with a minimum grade of C*

**ARV 249 Lec: 2 Lab: 3 Cred: 3 FV**  
**Special Effects**

This course emphasizes the techniques used to create special effects and non-linear animation. Projects focus on creating animations that simulate physical phenomena (fire and smoke), dynamic collisions, objects responding to real world forces (gravity and wind), and particles.

*PreReq: ARV 248 with a minimum grade of C*

**ARV 261 Lec: 2 Lab: 3 Cred: 3 FV**  
**Advertising Design I**

This course is an introduction to the advertising arts, including the principles, techniques, media, tools and skills used in the visual communications field.

*PreReq: ARV 217, CGC 106 and CGC 110 with a minimum grade of C*

**ARV 263 Lec: 2 Lab: 3 Cred: 3 FV**  
**Special Projects in Computer Animation**

This course covers an advanced animation project as assigned from concept to final production.

*PreReq: ARV 248 with a minimum grade of C*

**ARV 264 Lec: 2 Lab: 3 Cred: 3 FV**  
**Special Projects in Graphic Arts**

This course includes an assigned advanced project from conception to final production.

**ARV 267 Lec: 2 Lab: 3 Cred: 3 FV**  
**Special Projects in Photography**

This course covers advanced photography projects as assigned from concept to final production.

*PreReq: ARV 215 with a minimum grade of C*

**ARV 276 Lec: 2 Lab: 3 Cred: 3 FV**  
**Studio Practicum I**

This course includes advanced practical projects in graphic design, multimedia, animation, Web design, photography and/or computer imagery. This course should be taken in the last semester.

*PreReq: 33 semester credit hours in ART, ARV and/or CGC courses with a minimum GPA of 2.0*

**ARV 280 Lec: 2 Lab: 3 Cred: 3 FV**  
**Visual Arts Exit Portfolio**

This course covers the preparation of students' job seeking or academic placement portfolios. The course includes lectures, demonstrations and studio work. Students must successfully complete the required Portfolio Review in order to register for this course. This course should be taken in the last semester.

*PreReq: Departmental approval*

**AST 101 Lec: 3 Lab: 3 Cred: 4 SM**  
**Solar System Astronomy**

This course is a descriptive survey of the universe with emphasis on basic physical concepts and the objects of the solar system. Related topics of current interest are included. Laboratory exercises supplement lectures.

*PreReq: MAT 101 or MAT 152 or appropriate test scores. The prerequisite for this course should have been completed within the last five years.*

**AST 102 Lec: 3 Lab: 3 Cred: 4 SM**  
**Stellar Astronomy**

This course is a descriptive survey of the universe with emphasis on basic physical concepts and on galactic and extragalactic objects. Related topics of current interest are included. Laboratory exercises supplement lectures.

*PreReq: AST 101; the prerequisite for this course should have been completed within the last five years.*

**AUT 001 Lec: Lab: Cred:**

Indicates credit given for automotive course work transferred from another college for which there is no equivalent course at TTC.

**AUT 101 Lec: 2 Lab: 3 Cred: 3 IT**  
**Engine Fundamentals**

This course is a study of automotive engine fundamentals and principles of engine operations, including horsepower calculations, cubic inch displacement calculations, efficiency combustion theory, etc. Types of engines, cylinders, valve arrangements, lubrications, fuel, exhaust and cooling systems also are included.

**AUT 103 Lec: 2 Lab: 6 Cred: 4 IT**  
**Engine Reconditioning**

This course is a review of engine fundamentals and overhaul procedures, including engine block preparation, cleaning, specifications, measurements with micrometers, assembly and operation.

*PreReq: AUT 101*

**AUT 111 Lec: 1.5 Lab: 4.5 Cred: 3 IT**  
**Brakes**

This course is a study of the fundamentals of hydraulics and brake components and their application to automotive brake systems.

**AUT 116 Lec: 2 Lab: 6 Cred: 4 IT**  
**Manual Transmission and Axle**

This course is an advanced study of manual transmissions and transaxles, including proper overhaul procedures for axles and manual transmissions and transaxles.

**AUT 122 Lec: 2 Lab: 6 Cred: 4 IT**  
**Suspension and Alignment**

This course is a continued study of suspension and steering systems including nonadjustable and adjustable wheel alignment angles. The student becomes familiar with the use and application of balancing and alignment equipment.

**AUT 131 Lec: 1.5 Lab: 4.5 Cred: 3 IT**  
**Electrical Systems**

This course is a study of the individual systems and components that form the entire automobile electrical system. The course includes starting and charging systems, ignition, engine, chassis and accessory systems as well as instruction in the proper use of electrical schematics.

*PreReq: AUT 133 or advisor approval*

**AUT 133 Lec: 1.5 Lab: 4.5 Cred: 3 IT**  
**Electrical Fundamentals**

This course is a study of the theories of electricity including magnetism, series and parallel circuits, Ohm's law, and an introduction to the use of various types of electrical test equipment.

**AUT 145 Lec: 2 Lab: 3 Cred: 3 IT**  
**Engine Performance**

This course covers the diagnosis of various performance problems using the appropriate diagnostic equipment and diagnostic manuals. Logical thinking also is included in the course.

*PreReq: AUT 149*

**AUT 149 Lec: 2 Lab: 6 Cred: 4 IT**  
**Ignition and Fuel Systems**

This course is a study of ignition system operation and how it relates to fuel systems for proper engine performance.

*PreReq: AUT 133*

**AUT 152 Lec: 2 Lab: 6 Cred: 4 IT**  
**Automatic Transmission**

This course is a basic study of power flow and hydraulics, including the study of the torque converter operation.

**AUT 153 Lec: 2 Lab: 3 Cred: 3 IT**  
**Automatic Transmission Diagnosis**

This course is a basic study of power flow charts and their use in diagnosing automatic transmissions, including the use of pressure testing in diagnosing automatic transmission concerns.

**AUT 211 Lec: 2 Lab: 3 Cred: 3 IT**  
**Advanced Brakes**

This course is a study of four-wheel anti-lock brakes and rear anti-lock brakes, including operation of the system, diagnosis, service and repair.

*PreReq: AUT 111*

**AUT 241 Lec: 2 Lab: 6 Cred: 4 IT**  
**Automotive Air Conditioning**

This course is a study in the principles of refrigeration, operating and testing procedures to determine the cause of malfunction, and servicing or repairing by approved methods. Emphasis is on special tools, equipment and safety procedures.

*PreReq: AUT 133 or advisor approval*

**AUT 247 Lec: 2 Lab: 6 Cred: 4 IT**  
**Electronic Fuel Systems**

This course builds on AUT 149 with further study into fuel injection systems, other fuel system components and how computers control fuel delivery.

*PreReq: AUT 149 or advisor approval*

**AUT 252 Lec: 3 Lab: 3 Cred: 4 IT**  
**Advanced Automatic Transmission**

This course is an advanced study of automatic transmission and transaxle electronics, including torque converter clutch and clutch controls.

*PreReq: AUT 152*

**AUT 263 Lec: 2 Lab: 6 Cred: 4 IT**  
**Advanced Automotive Machining**

This advanced course covers proper procedures in the use of auto machine shop equipment, including cylinder block reboring, align boring, head and block resurfacing, and cylinder head reconditioning.

**BAF 001 Lec:**      **Lab:**      **Cred:**  
Indicates credit given for banking and finance course work transferred from another college for which there is no equivalent course at TTC.

**BAF 101 Lec: 3      Lab: 0      Cred: 3      BT**  
**Personal Finance**

This course includes the practical applications of concepts and techniques used in managing personal finances. Major areas of study include financial planning, budgeting, credit use, housing, insurance, investments and retirement planning.

*PreReq: MAT 155, MAT 101 or MAT 152 or appropriate placement test scores*

**BAF 201 Lec: 3      Lab: 0      Cred: 3      BT**  
**Principles of Finance**

This course introduces the field of finance. The monetary and credit systems are examined along with how the demand for funds is met in both the public and private sector.

*PreReq: ACC 101*

**BAF 215 Lec: 3      Lab: 0      Cred: 3      BT**  
**Money and Banking**

This course is a study of the United States monetary system with special emphasis on the commercial system and the central banking system.

**BAF 250 Lec: 3      Lab: 0      Cred: 3      BT**  
**Investments**

This course is a study of the securities field with emphasis on individual portfolio analysis, financial markets, fixed/variable returns, and investments in the primary and secondary markets.

**BCT 102 Lec: 3      Lab: 3      Cred: 4      IT**  
**Fundamentals of Building Construction**

This course is a study of framing for residential and light commercial building. Also included are exterior walls, windows and doors.

**BCT 103 Lec: 3.5      Lab: 1.5      Cred: 4      IT**  
**Construction Site Layout**

This course covers location and layout of building corners, elevation and the use of appropriate tools. Also included is foundation masonry.

**BCT 106 Lec: 1      Lab: 3      Cred: 2      IT**  
**Beginning Woodworking**

This course introduces woodworking. The student will have hands-on use of hand and power tools such as table saw, jigsaw, circular saw, router, joiner and radial arm saw to complete projects assigned by the instructor.

**BCT 108 Lec: 1      Lab: 3      Cred: 2      IT**  
**Finish Trim**

This course covers the intricacies of cutting and installing finish moldings using hand and power tools. It includes the installation of doors, casings, baseboards, shelving and stair parts.

**BCT 112 Lec: 2      Lab: 0      Cred: 2      IT**  
**Construction Print Reading**

This course is a study of residential and light commercial prints.

**BCT 116 Lec: 1      Lab: 0      Cred: 1      IT**  
**Residential Building Exam Preparation**

This course prepares you for the South Carolina residential contractor's exam. It presents a basic review of general contracting including documents, construction budgets, cost accounting and inspections.

**BCT 120 Lec: 0      Lab: 6      Cred: 2      IT**  
**Electrical Building Code License Preparation**

This course is a study of the National Electrical Code Manual. This course prepares the student for the electrician licensure examination. It includes learning to rough sample training problems in detail and identifying safety precautions.

*PreReq: BCT 140, BCT 141, EEM 165*

**BCT 138 Lec: 4.5      Lab: 1.5      Cred: 5      IT**  
**Residential Wiring**

This course is a study of wiring methods and practices used in residential application.

**BCT 140 Lec: 2      Lab: 3      Cred: 3      IT**  
**Commercial Wiring**

This course is a study and application to include service main, loads and installation. Also includes single and three-phase services.

**BCT 141 Lec: 2      Lab: 3      Cred: 3      IT**  
**Fixtures and Installation**

This course is a study and application of planning and installing electrical fixtures and devices.

**BCT 151 Lec: 2.5      Lab: 1.5      Cred: 3      IT**  
**Introduction to Residential Plumbing**

This course covers plumbing theory as it relates to residential construction.

**BCT 158 Lec: 4 Lab: 3 Cred: 5 IT**

**Introductory Building Maintenance**

This course is a study of basic safety, introduction to construction math, hand and power tools for the building industry, blueprints, and basic rigging. Course content is aligned to the National Center for Construction Education and Research accreditation requirements.

**BCT 201 Lec: 3.5 Lab: 1.5 Cred: 4 IT**

**Principles of Roof Construction**

This course is a study of design and construction of roof systems and roofing materials for residential and light commercial construction.

**BCT 203 Lec: 4 Lab: 3 Cred: 5 IT**

**Exterior and Interior Finishes**

This course is a study of exterior and interior finishes for residential and light commercial buildings. The course also includes windows, walls, cabinets and painting.

**BCT 204 Lec: 3 Lab: 3 Cred: 4 IT**

**Cabinet Making**

This course is a study of design and construction of cabinets, custom casework and counter tops.  
*PreReq: BCT 106 or advisor approval*

**BIO 001 Lec: Lab: Cred:**

Indicates credit given for biology course work transferred from another college for which there is no equivalent course at TTC.

**BIO 100 Lec: 4 Lab: 0 Cred: 4 SM**

**Introductory Biology**

This general biology course introduces the principles of biology. (Nondegree credit)

**BIO 101 Lec: 3 Lab: 3 Cred: 4 SM**

**Biological Science I**

This course is a study of the scientific method, basic biochemistry, cell structure and function, cell physiology, cell reproduction and development, Mendelian genetics, population genetics, natural selection, evolution, and ecology.

*PreReq: High school biology or high school chemistry, or BIO 100 or successful completion of a college-level, lab-based science course. The prerequisite for this course should have been completed within the last five years.*

**BIO 102 Lec: 3 Lab: 3 Cred: 4 SM**

**Biological Science II**

This course is a study of the classification of organisms and structural and functional considerations of all kingdoms (particularly major phyla as well as viruses). Vertebrate animals and vascular plants are emphasized.

*PreReq: BIO 101 with a grade of C or higher.*

*The prerequisite for this course should have been completed within the last five years.*

**BIO 110 Lec: 3 Lab: 0 Cred: 3 SM**

**General Anatomy and Physiology**

This course is a non-lab general introduction to the anatomy and physiology of the human body. Emphasis is on human organ systems and their interrelationships.

**BIO 112 Lec: 3 Lab: 3 Cred: 4 SM**

**Basic Anatomy and Physiology**

This course is a basic integrated study of the structure and function of the major systems of the human body. Labs complement the material presented in lecture.

**BIO 115 Lec: 2 Lab: 3 Cred: 3 SM**

**Basic Microbiology**

This general course in microbiology includes the study of epidemiology, ubiquity and control, and the identification of microorganisms.

*PreReq: None, but high school biology or BIO 100 is recommended*

**BIO 210 Lec: 3 Lab: 3 Cred: 4 SM**

**Anatomy and Physiology I**

The first part of a two-semester sequence, this comprehensive transfer course is a lecture and laboratory study with model and specimen dissections of the integrated structure and function of the human body. Basic cellular chemistry and the integumentary, skeletal, muscular, nervous and endocrine systems are presented. Cytology and histology are emphasized.

*PreReq: High school biology or high school chemistry, or BIO 100 or successful completion of a college-level, lab-based science course. The prerequisite for this course should have been completed within the last five years.*

**BIO 211 Lec: 3 Lab: 3 Cred: 4 SM**  
**Anatomy and Physiology II**

This course is a continuation of BIO 210 and includes the study of blood, heart, circulatory, lymphatic, respiratory, digestive, urinary and reproductive systems. Special senses, development and inheritance also are presented.

*PreReq: BIO 210 with a grade of C or higher.*

*The prerequisite for this course should have been completed within the last five years.*

**BIO 218 Lec: 1 Lab: 0 Cred: 1 AH**  
**Head and Neck Anatomy**

The anatomy and physiology of the head and neck are studied with special emphasis on nerves, muscles and their attachments, bone structures, and functions of the oral cavity.

*PreReq: BIO 210, BIO 211. The prerequisites for this course should have been completed within the last five years. Enrollment is restricted to Dental Hygiene students.*

**BIO 225 Lec: 3 Lab: 3 Cred: 4 SM**  
**Microbiology**

This lecture and laboratory course introduces bacteria, protozoa, rickettsia, viruses, fungi and algae. The course emphasizes the morphology, physiology, genetics, identification, cultivation and control of microbes. A survey is made of pathogenic microorganisms, their effects on the human body and the immunology of the human body.

*PreReq: BIO 101 or BIO 210 with a grade of C or higher. The prerequisite for this course should have been completed within the last five years.*

**BIO 238 Lec: 2 Lab: 3 Cred: 3 SM**  
**Musculoskeletal System Anatomy**

This course is a study of the muscular and skeletal systems with laboratory exercises on the bones, bone markings, and the muscles, addressing their origin, insertion, innervation and action.

*PreReq: BIO 112*

**BUS 001 Lec: Lab: Cred:**

Indicates credit given for business course work transferred from another college for which there is no equivalent course at TTC.

**BUS 101 Lec: 3 Lab: 0 Cred: 3 BT**  
**Introduction to Business**

This course is a study of the nature of business activity in relation to the economic society, including how a business is owned, organized, managed and controlled.

**BUS 110 Lec: 3 Lab: 0 Cred: 3 BT**  
**Entrepreneurship**

This course introduces the process of starting a small business, including forms of ownership and management. Entrepreneurship addresses innovation, change and planning in the creation of flexible, customer-driven, world-class companies.

**BUS 112 Lec: 3 Lab: 0 Cred: 3 BT**  
**Service Management Systems**

This course is a study of the conceptualization, structure and organization of a business service company.

**BUS 121 Lec: 3 Lab: 0 Cred: 3 LR**  
**Business Law I**

This course is a study of legal procedures, law and society, classifications and systems of law, the tribunals administering justice and their actions, contracts, sales, transfer of titles, rights and duties of the parties, conditions, and warranties.

**BUS 123 Lec: 3 Lab: 0 Cred: 3 LR**  
**Business Law II**

This course is a study of negotiable instruments, law of property, acquisition and transfer of title, bailments, duties, and liabilities of common carriers, innkeepers, warehousemen, and agencies.

*PreReq: BUS 121*

**BUS 136 Lec: 3 Lab: 0 Cred: 3 BT**  
**Compensation and Benefits Analysis**

This course offers a practical exploration of the systems, methods and procedures involved in establishing, administering and controlling compensation and benefits systems within the organization

**BUS 176 Lec: 3 Lab: 0 Cred: 3 BT**  
**International Marketing**

This course includes the study of economic, political, legal and cultural environments affecting international marketing; how to adapt the marketing mix to foreign markets; and how a company or product evaluates opportunities in international marketing.

**BUS 210 Lec: 3 Lab: 0 Cred: 3 BT**  
**Introduction to e-Commerce in Business**

This course is the study of electronic commerce and the operations and applications from the business perspective. Emphasis is placed on business concepts and strategies and how they apply to the process of buying and selling goods online.

**BUS 220 Lec: 3 Lab: 0 Cred: 3 BT  
Business Ethics**

This course includes an exploration of ethical issues arising in the context of doing business. Topics include employee rights and responsibilities, corporate regulations and rights, discrimination, truth in advertising, employee privacy, environmental exploitation, and free enterprise.

**BUS 230 Lec: 3 Lab: 0 Cred: 3 BT  
Purchasing**

This course is a study of the concepts and techniques involved in the efficient acquisition and management of purchased goods in business and industrial firms.

**BUS 250 Lec: 3 Lab: 0 Cred: 3 BT  
Introduction to International Business**

This survey course in international business is designed to enhance the global perspective of business students. Emphasis is placed on the legal, cultural, economic and political factors faced in operating an international business.

**CET 001 Lec: Lab: Cred:**

Indicates credit given for civil engineering technology course work transferred from another college for which there is no equivalent course at TTC.

**CET 120 Lec: 2 Lab: 3 Cred: 3 ET  
Construction Materials**

This course is a study of basic materials used in construction, research of building product specifications and code requirements.

*PreReq: MAT 032/012*

**CET 127 Lec: 3 Lab: 3 Cred: 4 ET  
Building Construction and Print Reading**

This course is a study of construction methods and blueprint reading.

**CET 135 Lec: 2 Lab: 0 Cred: 2 ET  
Construction Contracts**

This course covers basic engineering law, and owner, engineer and contractor relationships and responsibilities. It also includes performance requirements, bidding procedures, and format and specification interpretation.

**CET 210 Lec: 2 Lab: 3 Cred: 3 ET  
Strength of Materials**

This course covers the effects of applying various types of loads to structural members and makes comparisons of allowable stresses and strains. The various methods used to design structural members are explored as a foundation for further study.

*PreReq: EGR 190*

**CET 215 Lec: 1 Lab: 3 Cred: 2 ET  
Soil Mechanics Fundamentals**

This course is a study of soils and their engineering properties, underground investigations, classifications and foundations.

*PreReq or CoReq: CET 210*

**CET 218 Lec: 2 Lab: 3 Cred: 3 ET  
Hydraulics**

This course is a study of hydrostatics and fluid flow, control and disposal of water, including flow through open and closed channels, weirs and orifices.

*PreReq: PHY 201*

**CET 230 Lec: 3 Lab: 0 Cred: 3 ET  
Construction Management**

This course is a study of the management of construction firms dealing with bidding, contracts, costs and labor.

**CET 238 Lec: 1 Lab: 3 Cred: 2 ET  
Construction Planning and Scheduling**

This course covers the organization, planning and scheduling of labor, materials and equipment for a construction project through the use of contemporary scheduling methods.

*PreReq: CET 127 or BCT 112*

**CET 244 Lec: 2 Lab: 3 Cred: 3 ET  
Structural Steel Design**

This course covers the design of beams and floor framing, columns, tension and compression members, and bolted and welded connections using the AISC specifications.

*PreReq: CET 210*

**CET 245 Lec: 2 Lab: 3 Cred: 3 ET  
Cost Estimating**

This course covers preparing material lists, project costs and scheduling for a construction project using proven estimating methods.

*PreReq: CET 127 or BCT 112 and MAT 032/012*

**CET 246 Lec: 1 Lab: 6 Cred: 3 ET**  
**Environmental Systems Technology**

This course covers the design and drafting of sewer systems for subdivisions, including the sources, collection, treatment and distribution of water and sewer.

*PreReq: GMT 250, CET 218*

**CET 251 Lec: 1 Lab: 6 Cred: 3 ET**  
**Highway Design**

This course is a study of the design and construction of highways.

*PreReq: GMT 250*

**CGC 001 Lec: Lab: Cred:**

Indicates credit given for commercial graphics course work transferred from another college for which there is no equivalent course at TTC.

**CGC 106 Lec: 2 Lab: 3 Cred: 3 FV**  
**Typography I**

This course covers typography, photocomposition and design with letterforms using Adobe Illustrator software.

*PreReq: ARV 110 and ARV 121 with a minimum grade of C*

**CGC 110 Lec: 2 Lab: 3 Cred: 3 FV**  
**Electronic Publishing**

This course covers the fundamentals of electronic publishing and design. Adobe InDesign software is used.

*PreReq: ARV 110 or ARV 217 with a minimum grade of C*

**CGC 210 Lec: 2 Lab: 3 Cred: 3 FV**  
**Advanced Electronic Publishing**

This course covers a wide range of computer hardware, software and peripherals. Adobe InDesign software is used.

*PreReq: CGC 110 with a minimum grade of C or advisor approval*

**CHM 001 Lec: Lab: Cred:**

Indicates credit given for chemistry course work transferred from another college for which there is no equivalent course at TTC.

**CHM 100 Lec: 3 Lab: 3 Cred: 4 SM**  
**Introductory Chemistry**

This course introduces general chemistry and principles of chemistry. Emphasis is placed on mathematical solutions and laboratory techniques. This course is recommended for students who did not take high school chemistry. (Nondegree credit)

*PreReq: MAT 101 or 152*

**CHM 105 Lec: 3 Lab: 3 Cred: 4 SM**  
**General Organic and Biochemistry**

This course is a study of the fundamental principles of chemistry, including atomic and molecular structure, common substances and reactions, and organic chemistry and biochemistry. This is a terminal course designed for students who do not intend to take additional chemistry courses. It is usually transferable only to specific programs in the Allied Health field.

*PreReq: MAT 101 or MAT 152. High school chemistry, CHM 100 or CHM 106 is strongly recommended.*

**CHM 106 Lec: 3 Lab: 3 Cred: 4**  
**Contemporary Chemistry I**

This is a survey course in chemistry for non-science majors emphasizing basic principles. Topics include atomic and molecular structure, nuclear chemistry, formulas and nomenclature, states of matter, chemical reactions, acids, and bases. Laboratory sections emphasize application of basic techniques and supplement lecture topics.

*PreReq: MAT 102 or equivalent test score. Students may not receive credit for CHM 106 and CHM 110.*

**CHM 107 Lec: 3 Lab: 3 Cred: 4**  
**Contemporary Chemistry II**

This is a survey course in chemistry for non-science majors emphasizing applications of chemistry to present society. Topics include organic chemistry, polymers, biochemistry, consumer and environmental chemistry, drugs, fitness, and health. Laboratory sections emphasize applications of basic techniques and supplement lecture topics.

*PreReq: CHM 106. Students may not receive credit for both CHM 107 and CHM 111*

**CHM 110 Lec: 3 Lab: 3 Cred: 4 SM**  
**College Chemistry I**

This course is the first in a sequence that includes atomic and molecular structure, nomenclature and equations, properties, reactions and states of matter, stoichiometry, gas laws, solutions, and equilibria.

*PreReq: MAT 110 or MAT 112. The prerequisite for this course should have been completed within the last five years. High school chemistry or CHM 100 is strongly recommended.*

**CHM 111 Lec: 3 Lab: 3 Cred: 4 SM**  
**College Chemistry II**

This course continues the study of atomic and molecular structure, nomenclature and equations, properties, reaction and states of matter, stoichiometry, gas laws, solutions, and equilibria. Other topics include kinetics, thermodynamics and electrochemistry.

*PreReq: CHM 110 with a grade of C or higher. The prerequisite for this course should have been completed within the last five years.*

**CHM 201 Lec: 3 Lab: 0 Cred: 3 SM**  
**Survey of Organic Chemistry**

This course is a one-semester survey of the nomenclature, structure, reactions and reaction mechanisms of basic organic chemistry.

*PreReq: CHM 111 or advisor approval. Students who receive credit for CHM 201 may not receive credit for CHM 211 or CHM 212.*

**CHM 211 Lec: 3 Lab: 3 Cred: 4 SM**  
**Organic Chemistry I**

This course is the first in a sequence of courses that includes nomenclature, structure and properties, and reaction mechanisms of organic chemistry.

*PreReq: CHM 111 with a grade of C or higher. The prerequisite for this course should have been completed within the last five years. Students may not receive credit for CHM 211 and CHM 201.*

**CHM 212 Lec: 3 Lab: 3 Cred: 4 SM**  
**Organic Chemistry II**

This course is a continuation of organic chemistry. Topics include nomenclature, structure, properties and reaction mechanisms of organic chemistry, biochemistry and spectroscopy.

*PreReq: CHM 211 with a grade of C or higher. The prerequisite for this course should have been completed within the last five years. Students may not receive credit for CHM 212 and CHM 201.*

**CHM 220 Lec: 3 Lab: 6 Cred: 5 SM**  
**Analytical Chemistry I**

This course describes quantitative chemistry. Topics include gravimetric, volumetric, spectrophotometric and electrochemical analyses and chromatography. Emphasis is on laboratory techniques.

*PreReq: CHM 111*

**CIM 001 Lec: Lab: Cred: ET**

Indicates credit given for computer integrated manufacturing course work transferred from another college for which there is no equivalent course at TTC.

**COL 103 Lec: 3 Lab: 0 Cred: 3 OR**  
**College Skills**

This course may include selected topics such as career planning, study skills, stress management, tutoring, group guidance and other subjects to facilitate student success. (Nondegree credit)

*PreReq: Students may not receive credit for both COL 103 and COL 104.*

**COL 104 Lec: 1 Lab: 0 Cred: 1 OR**  
**Study Skills**

This course includes selected topics under study skills and student success. (Nondegree credit)

*PreReq: Students may not receive credit for both COL 103 and COL 104.*

**COL 105 Lec: 3 Lab: 0 Cred: 3 LC**  
**Freshman Seminar**

This course is a study of the purposes of higher education and provides a general orientation to the functions and resources of a college. The course is designed to help freshmen adjust to the college community, develop a better understanding of the learning process and acquire essential academic survival skills. (Nondegree credit)

**COL 107 Lec: 3 Lab: 0 Cred: 3 LC**  
**Computer Literacy Skills for College Success**

This course is designed for students who need an introduction to computer literacy and word processing skills to develop or improve basic keyboarding skills and to use the computer for self-paced computer-based and Web-based instruction and communication. (Nondegree credit)

*PreReq: Appropriate test scores*

**COM 001 Lec: Lab: Cred:**

Indicates credit given for communication course work transferred from another college for which there is no equivalent course at TTC.

**COS 101 Lec: 1 Lab: 6 Cred: 3 IT**  
**Fundamentals of Cosmetology**

This course introduces the fundamentals of professional ethics, hygiene, good grooming and salesmanship as they relate to the practices of the salon.

**COS 106 Lec: 1 Lab: 6 Cred: 3 IT**  
**Facials and Makeup**

This course introduces the procedures for various skin treatments, including anatomy, chemistry and safety.

**COS 108 Lec: 1 Lab: 6 Cred: 3 IT**  
**Nail Care**

This course is a study of nail structure and manicuring techniques, including anatomy, chemistry and safety.

**COS 110 Lec: 1 Lab: 6 Cred: 3 IT**  
**Scalp and Hair Care**

This course is a study of the structure and composition of hair, including the analysis and treatment of certain conditions of the hair and scalp.

**COS 112 Lec: 1.5 Lab: 7.5 Cred: 4 IT**  
**Shampoo and Rinses**

This course is a study of procedures and safety precautions in the application of shampoo and rinses.

**COS 114 Lec: 0 Lab: 12 Cred: 4 IT**  
**Hair Shaping**

This course introduces the techniques of hair shaping. Emphasis is given to the correct use and safety of implements, proper hair sectioning and various techniques used in hair design in relationship to body structure.

*PreReq: COS 120 or approval of program coordinator*

**COS 116 Lec: 0 Lab: 12 Cred: 4 IT**  
**Hair Styling I**

This course is a study of the fundamentals of hair design, including principles, molding, pin curl techniques, safety precautions and chemistry.

*PreReq: COS 120 or approval of program coordinator*

**COS 120 Lec: 0 Lab: 9 Cred: 3 IT**  
**Manikin Practice**

This course covers cosmetology applications, including hair shaping, chemical waving, hair styling and hair coloring.

**COS 130 Lec: 2 Lab: 0 Cred: 2 IT**  
**Professional Image**

This course is an introductory course that includes an overview of professionalism. Emphasis is on conduct, ethics, appearance and interpersonal skills.  
*CoReq: COS 135 or approval of program coordinator*

**COS 131 Lec: 2 Lab: 0 Cred: 2 IT**  
**Bacteria and Other Infectious Agents**

This course is an extensive study of bacterium and other infectious agents. Focus is on prevention, sanitation and safety.

*CoReq: COS 132, COS 133, COS 136, COS 137 or approval of program coordinator*

**COS 132 Lec: 2 Lab: 0 Cred: 2 IT**  
**Science of Nail Technology**

This course is an in-depth study of the structure of the human body and the functions it performs. Focus is on nail and skin disorders with emphasis on consultations.

*CoReq: COS 131, COS 133, COS 136, COS 137 or approval of program coordinator*

**COS 133 Lec: 3 Lab: 0 Cred: 3 IT**  
**Basic Procedures**

This course explores the basic steps, procedures, equipment and materials for manicuring and pedicuring. Emphasis is on current trends and issues with a review of state regulations.

*CoReq: COS 131, COS 132, COS 136, COS 137 or approval of program coordinator*

**COS 135 Lec: 2 Lab: 0 Cred: 2 IT**  
**The Business of Nail Technology**

This course explores the different types of working environments and handling of the business part of nail care. Focus is on products and services.

*CoReq: COS 130 or approval of program coordinator*

**COS 136 Lec: 4 Lab: 0 Cred: 4 IT**  
**Fundamentals of Artificial Nail Application**

This course introduces the fundamentals of gel/ powder acrylic sculpturing, repairs, maintenance, various nail wraps and tip application.

*CoReq: COS 131, COS 132, COS 133, COS 137 or approval of program coordinator*

**COS 137 Lec: 1 Lab: 0 Cred: 1 IT**

**Fundamentals of Nail Art**

This course introduces the basic techniques used in nail art design.

*CoReq: COS 131, COS 132, COS 133, COS 136 or approval of program coordinator*

**COS 151 Lec: 3 Lab: 0 Cred: 3 IT**

**Dermatology**

This course is the study of the structure, functions, conditions and disorders of the skin.

*CoReq: COS 153 or approval of program coordinator*

**COS 152 Lec: 2 Lab: 0 Cred: 2 IT**

**Hygiene and Sanitation**

This course is a study of professional hygiene and various methods of sanitation for facial implements and equipment used in the salon.

*CoReq: COS 156, COS 158 or approval of program coordinator*

**COS 153 Lec: 3 Lab: 0 Cred: 3 IT**

**Structure and Function of Human Systems**

This course is a basic study of the structure and function of the major systems of the human body.

*CoReq: COS 151 or approval of program coordinator*

**COS 156 Lec: 0 Lab: 6 Cred: 2 IT**

**Fundamentals of Massage**

This course introduces the theory, preparation, manipulations and safety measures of massage.

*CoReq: COS 152 or approval of program coordinator*

**COS 158 Lec: 0 Lab: 6 Cred: 2 IT**

**Facial Treatments**

This course introduces the procedures for various skin treatments and safety.

*CoReq: COS 152 or approval of program coordinator*

**COS 160 Lec: 0 Lab: 3 Cred: 1 IT**

**Electric Current Facial Treatments**

This course introduces types of current, purpose, procedures, safety and equipment used in facial treatments.

**COS 162 Lec: 1 Lab: 0 Cred: 1 IT**

**Hair Removal**

This course is a study of methods, procedures and safety used during hair removal services.

**COS 164 Lec: 3 Lab: 0 Cred: 3 IT**

**Basic Makeup and Application**

This course introduces makeup application, including purpose, effects, supplies, implements, preparation, procedures and safety.

*PreReq: COS 152 or approval of program coordinator*

**COS 165 Lec: 3 Lab: 0 Cred: 3 IT**

**Business Practice**

This course covers basic salon business practice, including rules, regulations and codes governing the practice of skin care.

*CoReq: COS 221 or approval of program coordinator*

**COS 206 Lec: 0 Lab: 9 Cred: 3 IT**

**Chemical Hair Waving**

This course is a study of methods of permanently waving the hair, including product types, chemistry and safety.

*PreReq: COS 120 or approval of program coordinator*

**COS 210 Lec: 0.5 Lab: 7.5 Cred: 3 IT**

**Hair Coloring**

This course is a study of the science and art of coloring the hair, including classification, methods, procedures, safety precautions and chemistry.

*PreReq: COS 120 or approval of program coordinator*

**COS 220 Lec: 0 Lab: 9 Cred: 3 IT**

**Cosmetology Clinical Practice I**

This course is an integration of cosmetology skills in a simulated salon environment.

*PreReq: COS 120 or approval of program coordinator*

**COS 221 Lec: 0 Lab: 6 Cred: 2 IT**

**Facial Practice I**

This course is an integration of massage and facial skills in a simulated salon environment.

*CoReq: COS 165 or approval of program coordinator*

**COS 222 Lec: 0 Lab: 9 Cred: 3 IT**

**Cosmetology Clinical Practice II**

This course is an integration of cosmetology skills in a salon environment to provide additional practical hours in skill development.

*PreReq: COS 120 or approval of program coordinator*

**COS 223 Lec: 0 Lab: 6 Cred: 2 IT**  
**Facial Practice II**

This course provides for the integration of corrective and preservation facials, massage and makeup application skills in a simulated salon environment.

*PreReq: COS 221 or approval of program coordinator*

**COS 224 Lec: 3 Lab: 3 Cred: 4 IT**  
**Nail Practice I**

This course is an integration of manicuring and pedicuring skills in a supervised simulated salon environment.

*PreReq: COS 131 or approval of program coordinator*

**COS 226 Lec: 3 Lab: 3 Cred: 4 IT**  
**Nail Practice II**

This course provides for the supervised practice of manicuring, pedicuring and application of various artificial nail application skills in a simulated salon environment.

*PreReq: COS 224 or approval of program coordinator*

**CPT 001 Lec: Lab: Cred:**

Indicates credit given for computer course work transferred from another college for which there is no equivalent course at TTC.

**CPT 101 Lec: 3 Lab: 0 Cred: 3 BT**  
**Introduction to Computers**

This course covers basic computer history, theory and applications, including word processing, spreadsheets, databases and the operating system. Presentation graphics will be covered as well. Computer Technology majors and those students who desire a more comprehensive computer literacy course should take CPT 102.

**CPT 102 Lec: 3 Lab: 0 Cred: 3 BT**  
**Basic Computer Concepts**

This course includes the basic use of a computer with an overview of computer terminology and provides a basic foundation in software applications.  
*PreReq: This course is required for Computer Technology and Telecommunications Systems Management majors and is open to any student who desires a more comprehensive computer literacy course. Credit toward graduation is not given for both CPT 101 and CPT 102.*

**CPT 114 Lec: 3 Lab: 0 Cred: 3 BT**  
**Computers and Programming**

This course introduces computer concepts and programming. Topics include basic concepts of computer architecture, files, memory and input/output devices. Programming is done in a modern high-level language. The course includes understanding how computer programs work and the role of the programmer in a business environment. The course starts with assembly language, then scripting language, then finishes with Object Oriented Programming. No previous programming knowledge is needed.

**CPT 124 Lec: 3 Lab: 0 Cred: 3 BT**  
**AS/400 Operations**

This introductory course covers the fundamentals of operations, screens and terminology of the AS/400 operating system. Exposure is given to different CL commands and menus used to create, maintain and manipulate libraries, objects and members in the AS/400.

**CPT 172 Lec: 3 Lab: 0 Cred: 3 BT**  
**Microcomputer Database**

This course introduces microcomputer database concepts, including generating reports from databases and creating, maintaining and modifying databases using Microsoft Access.

**CPT 174 Lec: 3 Lab: 0 Cred: 3 BT**  
**Microcomputer Spreadsheets**

This course introduces the use of spreadsheet software on the microcomputer. Topics include creating, editing, using formulas, using functions and producing graphs using Microsoft Excel.

**CPT 179 Lec: 3 Lab: 0 Cred: 3 BT**  
**Microcomputer Word Processing**

This course introduces microcomputer word processing. Topics include creating, editing, formatting and printing documents using Microsoft Word.

**CPT 207 Lec: 3 Lab: 0 Cred: 3 BT**  
**Complex Computer Applications**

This course covers analyzing, designing and implementing computerized solutions to realistic business applications problems. This course uses Microsoft Access to solve business problems. Additional topics include determining requirements, designing and building a relational database, designing and building a user interface, importing data in different formats and using Visual Basic for applications to add functionality to a database.

*PreReq: CPT 172*

**CPT 209 Lec: 3 Lab: 0 Cred: 3 BT**  
**Computer Systems Management**

This course examines the methods and procedures used in maintaining microcomputer systems. Topics include hardware and software installation, configuration, operations and troubleshooting. This course will cover learning objectives associated with CompTIA A+ core certification test.

**CPT 210 Lec: 3 Lab: 0 Cred: 3 BT**  
**Computer Resource Management**

This course examines the interaction of people, systems and computers. Strategic management issues unique to the information technology environment are discussed. This course will cover learning objectives associated with CompTIA A+ core certification test. Specialties include remote support technician, help desk technician, call center technician specialist, representative, depot technicians and bench technicians.

**CPT 212 Lec: 3 Lab: 0 Cred: 3 BT**  
**Visual Basic Programming**

This course focuses on windows programming using Visual Basic to create graphical user interfaces. The course examines forms, controls, graphical controls, loops, control arrays, database and traditional file processing, and application class scheduling.

*PreReq: CPT 172, CPT 233*

*CoReq: CPT 172*

**CPT 220 Lec: 3 Lab: 0 Cred: 3 BT**  
**e-Commerce**

This course studies fundamental computer and business concepts applied to the world of e-commerce. The course teaches how to become an independent contractor for business Web sites. Domain name registration, Web site hosting, search engine optimization and submission, and the developing of a business plan are covered in depth.

**CPT 232 Lec: 3 Lab: 0 Cred: 3 BT**  
**C++ Programming I**

This introductory course in C++ programming emphasizes the designing, coding, testing and debugging of C++ programs involving input/output operations, data types, storage classes, decision structures, looping, functions, arrays, simple pointers and strings. The course teaches procedural programming using the C++ .NET environment.

*PreReq: MAT 101 or MAT 152*

*CoReq: CPT 102*

**CPT 233 Lec: 3 Lab: 0 Cred: 3 BT**  
**C++ Programming II**

This course introduces object-oriented design techniques using C++. Topics include classes, friends, overloading operators, inheritance and virtual functions. The course teaches object-oriented design of programs using the C++ .NET environment and the use of one-dimensional arrays.

*PreReq: CPT 232*

**CPT 236 Lec: 3 Lab: 0 Cred: 3 BT**  
**Introduction to Java Programming**

This course introduces Java programming. Topics cover Java syntax and classes for use in the development of Java applications and applets.

*PreReq: CPT 233*

**CPT 239 Lec: 3 Lab: 0 Cred: 3 BT**  
**Active Server Pages**

This course is a study of active server pages (ASP) programming to build, implement and execute ASP scripts. Examines topics related to the syntax of server-side ASP scripting as well as the use of ASP with databases. Client-side scripting uses JavaScript and Visual Basic script with some cascading style sheets lessons. Server-side programming uses active server pages (ASP) using Visual Basic, VB script and PHP. SQL and Server-Side Includes (SSI) are taught.

*PreReq: CPT 220 and CPT 114 or CPT 232*

**CPT 242 Lec: 3 Lab: 0 Cred: 3 BT**  
**Database**

This course introduces database models and the fundamentals of database design. Topics include database structure, database processing and application programs that access a database. Upon completion of this course the student will be able to 1) demonstrate the fundamental skills needed to successfully design and implement a database, 2) demonstrate a thorough understanding of database concepts and technologies, and 3) be able to use and understand SQL commands.

*PreReq: CPT 172 and CPT 114 or CPT 232*

**CPT 244 Lec: 3 Lab: 0 Cred: 3 BT**  
**Data Structures**

This course examines data structures widely used in programming. Topics include linked lists, stacks, queues, trees, and sorting and searching techniques. Students use C++ to develop ideas about multi-dimensional tables of objects, variable record length files, pointers and complex programs that reuse functions.

*PreReq: CPT 233*

**CPT 255 Lec: 3 Lab: 0 Cred: 3 BT**

**Operating System Fundamentals**

This course examines popular operating systems of several different types of computers. Topics include command languages, utility programs and screen design.

*PreReq: CPT 124*

**CPT 257 Lec: 3 Lab: 0 Cred: 3 BT**

**Operating Systems**

This course examines the theory of operating systems and how it is implemented in current operating systems.

*PreReq: CPT 102*

**CPT 264 Lec: 3 Lab: 0 Cred: 3 BT**

**Systems and Procedures**

This course covers system analysis, design, development and implementation.

*PreReq: CPT 242 or CPT 207 and CPT 270*

**CPT 270 Lec: 3 Lab: 0 Cred: 3 BT**

**Advanced Microcomputer Applications**

This course emphasizes the integration of popular microcomputer software packages using advanced concepts in microcomputer applications software. Students will be required to plan and present a business-oriented project. Integrating Microsoft Project, PowerPoint, Excel and Word will give students a thorough understanding of MSProject and other applications within the Microsoft Office suite.

*PreReq: CPT 101 or 102*

**CPT 283 Lec: 3 Lab: 0 Cred: 3 BT**

**PHP Programming I**

This course is an introduction to the PHP programming language and will cover topics related to the syntax of PHP language and how PHP can be used to design and develop dynamic, database-driven Web pages.

*PreReq: CPT 220 and CPT 114 or CPT 232*

**CPT 288 Lec: 3 Lab: 0 Cred: 3 BT**

**Computer Game Development**

This course introduces computer game design and development using the Windows API model. Topics include creating 3-D models using matrices, transformation, rotation, texture mapping, 3-D lighting, meshes, sprites, particles, special effects and the application of game math and physics techniques.

*PreReq: CPT 233*

**CRJ 001 Lec: Lab: Cred:**

Indicates credit given for criminal justice course work transferred from another college for which there is no equivalent course at TTC.

**CRJ 101 Lec: 3 Lab: 0 Cred: 3 LR**

**Introduction to Criminal Justice**

This course includes an overview of the functions and responsibilities of agencies involved in the administration of justice to include police organizations, court systems, correctional systems and juvenile justice agencies.

**CRJ 102 Lec: 3 Lab: 0 Cred: 3 LR**

**Introduction to Security**

This course includes an introduction to the philosophy and application of security. The protection of personnel, facilities and other assets, as well as administrative, legal and technical problems of loss prevention and control are analyzed.

**CRJ 110 Lec: 3 Lab: 0 Cred: 3 LR**

**Police Patrol**

This course provides an understanding of the duties, extent of authority and responsibilities of the uniformed patrol officer. Special emphasis is placed on patrol function; line activities, including traffic control and investigation; community relations; vice control; tactical units; civil disturbances; and preventive patrol.

**CRJ 115 Lec: 3 Lab: 0 Cred: 3 LR**

**Criminal Law I**

This course covers the development of criminal law in America. The basic elements of specific criminal offenses, criminal defenses and various legal principles upon which criminal law is established are reviewed.

**CRJ 120 Lec: 3 Lab: 0 Cred: 3 LR**

**Constitutional Law**

This course covers an analysis of the historical development of the U.S. Constitution and the relationship of rights contained therein to the state and the individual. The application of the Bill of Rights to federal and state systems is examined.

**CRJ 125 Lec: 3 Lab: 0 Cred: 3 LR**

**Criminology**

This course is a study of the various theories of criminal causation and control, the identification of criminal typologies, and the reaction of society to crime and criminals.

**CRJ 126 Lec: 3 Lab: 0 Cred: 3 LR**  
**Criminal Justice Research Methods**

This course will introduce students to the language and methods of research used by criminal justice practitioners and policy-makers. The course includes the basics of research design, data gathering and interpretation of findings in criminal justice.

*PreReqs: MAT 032*

**CRJ 130 Lec: 3 Lab: 0 Cred: 3 LR**  
**Police Administration**

This course is a study of the organization, administration and management of law enforcement agencies.

**CRJ 140 Lec: 3 Lab: 0 Cred: 3**  
**Criminal Justice Report Writing**

This course is a study of the proper preparation of criminal justice records and reports, including observational skills, formatting and the value of accurate, complete and selective written articulation of information and observations.

*PreReq: ENG 100 or appropriate test*

**CRJ 202 Lec: 3 Lab: 0 Cred: 3 LR**  
**Criminalistics**

This course introduces investigative techniques stressing the examination of questioned documents, fingerprint techniques, polygraph examinations, firearms identifications, pathology, toxicology, ballistics and clandestine operations.

**CRJ 210 Lec: 3 Lab: 0 Cred: 3 LR**  
**The Juvenile and the Law**

This course is a study of the juvenile justice system. This process is examined from initial custody to disposition, both from a historical and modern perspective.

**CRJ 220 Lec: 3 Lab: 0 Cred: 3 LR**  
**Judicial Process**

This course includes an overview of the law-making function of the court, the growth of common law, the structure and organization of the courts, court processes and procedures involved in criminal and civil cases, and the question of reform for the administration of justice.

**CRJ 222 Lec: 3 Lab: 0 Cred: 3 LR**  
**Ethics in Criminal Justice**

This course is a study of the application of ethical theories to the criminal justice profession.

**CRJ 224 Lec: 3 Lab: 0 Cred: 3 LR**  
**Police Community Relations**

This course is a study of the importance of two-way communication between the criminal justice system and the community to foster a working relationship to control crime. A variety of topics are studied, including citizen involvement in crime prevention and police officer interpersonal relations.

**CRJ 230 Lec: 3 Lab: 0 Cred: 3 LR**  
**Criminal Investigation I**

This course is the study of the fundamentals of interviewing witnesses and interrogating suspects. Different methods of conducting crime scene searches and methods used investigating various crimes are studied.

**CRJ 233 Lec: 3 Lab: 0 Cred: 3 LR**  
**Cyber Crimes and the Law**

This course examines the problem of crime involving computers and the strategies used for identification, investigation and prosecution. Topics include computer crime offenses, computer fundamentals, security technologies, investigative methods, the Internet, state and federal computer crime statutes, management of electronic evidence, and crime prevention techniques.

*PreReqs: CPT 101 or CPT 102*

**CRJ 235 Lec: 3 Lab: 0 Cred: 3**  
**Practical Crime Scene Investigations**

This course is the study of practical hands-on instruction in methodology and policies for the identification, interpretation, collection, packaging, preservation and chain of custody of crime scenes and evidence taken from crime scenes.

**CRJ 236 Lec: 3 Lab: 0 Cred: 3 LR**  
**Criminal Evidence**

This course is a study of the established rules of evidence from arrest to release in the administration of criminal justice.

**CRJ 239 Lec: 3 Lab: 0 Cred: 3 LR**  
**Terrorism and Homeland Security**

This course provides an overview of the issues of terrorism and Homeland Security efforts by drawing on several disciplines. An emphasis is placed on problems and countermeasures within an all-hazards approach to protecting people and assets in conjunction with criminal justice agencies.

**CRJ 242 Lec: 3 Lab: 0 Cred: 3 LR**  
**Correctional Systems**

This course introduces aspects of the correctional function in criminal justice, including organization, process, procedure and clients incarcerated and on conditional release.

**CRJ 243 Lec: 3 Lab: 0 Cred: 3**  
**Criminal Profiling**

This course involves the analysis and interpretation of evidence discovered at the crime scene that might be useful in understanding the perpetrator's motivations and behavior to assist law enforcement in developing a criminal profile for identification, apprehension and prosecution.

**CRJ 244 Lec: 3 Lab: 0 Cred: 3 LR**  
**Probation, Pardon and Parole**

This course is a study of the development, organization, operation and results of systems of probation and parole as substitutes for incarceration. The philosophy and methods of treatment of offenders and the operational problems and activities of the probation/parole officer are studied in the course.

**CRJ 250 Lec: 1 Lab: 6 Cred: 3**  
**Criminal Justice Internship I**

This course includes practical experience in a criminal justice or private security setting.

*PreReq: Departmental approval*

**DAT 114 Lec: 3 Lab: 0 Cred: 3 AH**  
**Dental Emergencies and Medicine**

This course provides a study of various medical conditions and medications, including the management of a medically compromised dental patient.

*PreReq: Restricted to major*

**DAT 115 Lec: 1 Lab: 0 Cred: 1 AH**  
**Ethics and Professionalism**

This course introduces a cursory history of dental assisting; professional associations; scope of service in dentistry; and ethical, legal and professional considerations. The state dental practice set is reviewed.

*PreReq: Admission into DAT program*

**DAT 118 Lec: 2 Lab: 0 Cred: 2 AH**  
**Dental Morphology**

This course emphasizes the development, eruption and individual characteristics of each tooth and surrounding structures.

*PreReq: Restricted to major*

**DAT 121 Lec: 1 Lab: 3 Cred: 2 AH**  
**Dental Health Education**

This course defines the responsibilities of the dental assistant in individual and community dental health education with emphasis on the etiology of dental disease, methods for prevention, and principles of nutrition in relationship to oral health and preventive dentistry.

*PreReq: DAT 154*

---

## Cooperative Work Experience (CWE)

Courses for Cooperative Work Experiences are available in various programs. Call the director of Co-op and your advisor to discuss prerequisites and enrollment approvals. Credit and contact hours are distributed in the following manner:

	1st Exp.	2nd Exp.	3rd Exp.	4th Exp.	
1 credit	CWE 111	CWE 121	CWE 131	CWE 211	(5 hours)
2 credits	CWE 112	CWE 122	CWE 132	CWE 212	(10 hours)
3 credits	CWE 113	CWE 123	CWE 133	CWE 213	(15 hours)
4 credits	CWE 114	CWE 124	CWE 134	CWE 214	(20 hours)
See your advisor for specific course needs.					

**DAT 122 Lec: 1 Lab: 3 Cred: 2 AH**  
**Dental Office Management**

This course provides a study of the business aspects of a dental office.

*PreReq: CPT 101, DAT 154*

**DAT 123 Lec: 3 Lab: 0 Cred: 3 AH**  
**Oral Medicine/Oral Biology**

This course presents a basic study of oral pathology, pharmacology, nutrition and common emergencies as related to the role of the dental assistant. The basic study of the dental sciences and terminology are included in this course.

*PreReq: Restricted to major*

**DAT 124 Lec: 0 Lab: 3 Cred: 1 AH**  
**Expanded Functions/Specialties**

This course offers practice in performing the expanded clinical procedures designated by the South Carolina State Board of Dentistry for Dental Assistants.

*PreReq or CoReq: DAT 154, DHG 244*

**DAT 127 Lec: 3 Lab: 3 Cred: 4 AH**  
**Dental Radiography**

This course provides the fundamental background and theory for the safe and effective use of X-radiation in dentistry. It encompasses the history of X-rays, production and uses of radiation, radiographic film, exposure factors, interpretation of radiographs and radiation hygiene.

*PreReq: DAT 118*

**DAT 154 Lec: 2 Lab: 6 Cred: 4 AH**  
**Clinical Procedures I**

This course includes preparation to assist a dentist efficiently in four-handed dentistry. Emphasis is on the names and functions of all dental instruments, the principles involved in their use and the assistant's role in dental instrumentation.

*PreReq: Restricted to major; physical examination, major medical insurance and Hepatitis B vaccine series*

*CoReq: CPT 101/AOT 163*

**DAT 177 Lec: 1 Lab: 18 Cred: 7 AH**  
**Dental Office Experience**

This course consists of practice in the dental office or clinic with rotation of assignments to encompass experiences in office management and clinical experience in all areas of dentistry.

*PreReq: DAT 124, DAT 127, DAT 154, DAT 185, DHG 244, ENG 150/ENG 101, CPT 101/AOT 163, DAT 122, PSY 201*

*CoReq: DAT 122, PSY 110/PSY 201*

**DAT 185 Lec: 2 Lab: 9 Cred: 5 AH**  
**Dental Specialties**

This course covers the equipment and procedures related to dental specialties used in clinical experiences.

*PreReq: DAT 154, CPT 101, CPR certification and Hepatitis B vaccine series, ENG 150/ENG 101*

*CoReq: ENG 150/ENG 101*

**DHG 111 Lec: 2 Lab: 0 Cred: 2 AH**  
**Orofacial Embryology**

This course provides a study of the histological and embryonic development of the head, face, and hard and soft tissues of the oral cavity to include developmental abnormalities.

*PreReq: DHG 125*

**DHG 121 Lec: 2 Lab: 3 Cred: 3 AH**  
**Dental Radiography**

This course provides the application of the principles of radiology with emphasis on exposing, processing, mounting, evaluating and interpreting dental radiographs. Radiation safety is stressed.

*PreReq: DHG 125, DHG 151, DHG 111*

**DHG 125 Lec: 2 Lab: 0 Cred: 2 AH**  
**Tooth Morphology and Histology**

This course covers the embryogenesis and histology of the head and neck structures with primary emphasis on the oral cavity. The formation, eruption patterns and morphology of primary and permanent dentitions are studied.

*PreReq: Admission to the Dental Hygiene program*

**DHG 140 Lec: 2 Lab: 0 Cred: 2 AH**  
**General and Oral Pathology**

This course provides a correlation of basic pathologic principles to disease processes in the oral cavity. The role of the dental hygienist in early disease detection is emphasized. Diagnosis, treatment and prognosis of diseases affecting the head and neck also are discussed.

*PreReq: Admission to the Dental Hygiene program*

**DHG 141 Lec: 2 Lab: 0 Cred: 2 AH**  
**Periodontology**

This course presents a study of the principles, etiologies, classifications and treatments of periodontal disease with emphasis on the role of the dental hygienist.

*PreReq: DHG 121, DHG 140, DHG 165*

**DHG 143 Lec: 2 Lab: 0 Cred: 2 AH**  
**Dental Pharmacology**

This course provides a study of drugs used in dentistry. It emphasizes the physical and chemical properties of drugs, dosages and therapeutic effects, methods of administration, and indications and contraindications for the use of drugs. A study of dental anesthetics is included.

*PreReq: DHG 165*

**DHG 151 Lec: 3 Lab: 6 Cred: 5 AH**  
**Dental Hygiene Principles**

This course is a study of the principles of infection control and hazardous waste communication, instrumentation, instrumentation design, operator patient positioning, operation of basic dental equipment, patient evaluation and medical history review.

*PreReq: Admission to the Dental Hygiene program*

**DHG 165 Lec: 2 Lab: 9 Cred: 5 AH**  
**Clinical Dental Hygiene I**

This course introduces the clinical setting for application of dental hygiene skills for patient care.

*PreReq: DHG 151, CPR certification, major medical insurance and Hepatitis B vaccine series*

**DHG 175 Lec: 1.5 Lab: 10.5 Cred: 5 AH**  
**Clinical Dental Hygiene II**

This course provides for the continued development of skills necessary to perform dental hygiene care. Emphasis is placed on treatment of the patient with disabilities, total patient care and treatment planning.

*PreReq: DHG 165*

**DHG 230 Lec: 3 Lab: 0 Cred: 3 AH**  
**Public Health Dentistry**

This course provides a study of oral health and the prevention of oral disease in a community. Emphasis is on assessment of community groups and dental health needs, and on planning, implementation and evaluation of community programs. Nutrition and research also are studied.

*PreReq: DHG 165*

**DHG 231 Lec: 0 Lab: 3 Cred: 1 AH**  
**Dental Health Education**

This course provides an opportunity for the dental hygiene student to present and apply dental health information to various community groups and organizations. Project implementation and evaluation are included.

*PreReq: DHG 230, DHG 175*

**DHG 241 Lec: 0.5 Lab: 1.5 Cred: 1 AH**  
**Integrated Dental Hygiene I**

This course provides for the integration of basic and dental hygiene sciences with current concepts of clinical dental hygiene practice.

*PreReq: DHG 165*

**DHG 244 Lec: 2 Lab: 3 Cred: 3 AH**  
**Dental Materials**

This course is a study of physical and chemical properties, identification, characteristics and manipulation of dental materials.

*PreReq: Admission to the Dental Hygiene or Expanded-Duty Dental Assisting program*

**DHG 255 Lec: 1 Lab: 12 Cred: 5 AH**  
**Clinical Dental Hygiene III**

This course provides for the development of proficiency in the clinical dental hygiene setting with emphasis on the implementation of treatment plans to meet the individual patient's oral health needs.

*PreReq: DHG 175*

**DHG 265 Lec: 1 Lab: 12 Cred: 5 AH**  
**Clinical Dental Hygiene IV**

This course permits refinement of clinical techniques and skills, technology and current procedural practices of the dental hygienist with emphasis on self-evaluation and quality assurance.

*PreReq: DHG 255*

**ECD 101 Lec: 3 Lab: 0 Cred: 3 CF**  
**Introduction to Early Childhood**

This course gives an overview of growth and development, developmentally appropriate curriculum, positive guidance techniques, regulations, health, safety, and nutrition standards. Course content highlights importance of professionalism, family cultural values and practical applications based on historical and theoretical models in early care and education.

**ECD 102 Lec: 2 Lab: 3 Cred: 3 CF**  
**Growth and Development I**

This course is an extensive study of philosophies and theories of growth and development of infants and toddlers. Focus is on total development of the child, with emphasis on physical, social, emotional, cognitive and nutritional areas. Developmental tasks and appropriate activities are explored in the course.

*PreReq: Departmental approval for nondegree-seeking students*

**ECD 105 Lec: 3 Lab: 0 Cred: 3 CF**  
**Guidance-Classroom Management**

This course is an overview of developmentally appropriate, effective guidance and classroom management techniques for the teacher of young children. A positive, proactive approach is stressed.

*PreReq: Departmental approval for nondegree-seeking students*

**ECD 106 Lec: 3 Lab: 0 Cred: 3 CF**  
**Observation of Young Children**

In this course, a variety of observation skills and techniques for the purposes of achieving program goals and objectives, providing for individual needs, guiding children, and designing environments are covered. Focus is on the practical and appropriate use of these skills and techniques.

**ECD 107 Lec: 2 Lab: 3 Cred: 3 CF**  
**Exceptional Children**

This course includes an overview of children with special needs and their families. Emphasis is on the prevalence of disorders, treatment modalities, community resources serving exceptional children, the teacher's role in mainstreaming and early identification, and federal legislation affecting exceptional children.

*PreReq: Departmental approval for nondegree-seeking students*

**ECD 108 Lec: 3 Lab: 0 Cred: 3 CF**  
**Family and Community Relations**

This course is an overview of techniques and materials promoting effective family/program partnerships to foster positive child development. Emphasis is on availability and accessibility of community resources, and on developing appropriate communication skills.

**ECD 109 Lec: 3 Lab: 0 Cred: 3 CF**  
**Administration and Supervision**

This course is a study of the role and responsibilities of an early childhood administrator. Special focus is on monetary matters; space management; curriculum; health and food services; and relations among the public, staff and parents.

**ECD 131 Lec: 2 Lab: 3 Cred: 3 CF**  
**Language Arts**

This course is a study of methods and materials in age-appropriate language experiences.

Opportunities are provided to develop listening, speaking, prereading and prewriting skills through planning, implementation, and evaluation of media, methods, techniques and equipment. Methods to select, evaluate and present children's literature are included.

*PreReq: Departmental approval for nondegree-seeking students*

**ECD 132 Lec: 2 Lab: 3 Cred: 3 CF**  
**Creative Experiences**

In this course, the importance of creativity and independence in creative expression are stressed.

A variety of age-appropriate media, methods, techniques and equipment are utilized. Students plan, implement and evaluate instructional activities.

*PreReq: Departmental approval for nondegree-seeking students*

**ECD 133 Lec: 3 Lab: 0 Cred: 3 CF**  
**Science and Math Concepts**

This course includes an overview of pre-number and science concepts that are developmentally appropriate for young children. Emphasis is on the planning; implementation; and evaluation of developmentally appropriate activities utilizing a variety of methods and materials.

**ECD 135 Lec: 3 Lab: 0 Cred: 3 CF**  
**Health, Safety and Nutrition**

This course covers a review of health and safety practices recommended for child care and includes information on common diseases and health problems. Certification preparation is provided in pediatric safety, CPR and First Aid. Guidelines and information on nutrition and developmentally appropriate activities also are studied in the course.

*PreReq: Departmental approval for nondegree-seeking students*

**ECD 136 Lec: 3 Lab: 0 Cred: 3 CF**  
**Physical Education for Young Children**

This course is a study of ways that teachers can select appropriate experiences to support the physical education of young children. Teacher role and teaching strategies are considered as well as developmentally appropriate methods, materials, equipment, skills and abilities. Evaluation techniques are field tested.

**ECD 200 Lec: 3 Lab: 0 Cred: 3 CF**  
**Curriculum Issues in Infant and Toddler Development**

This course includes a focus on infant and toddler care. Emphasis is on brain development and its implications for caring for infants and toddlers. The student looks at planning and teaching strategies as they relate to child development, curriculum and environment.

**ECD 201 Lec: 3 Lab: 0 Cred: 3 CF**  
**Principles of Ethics and Leadership in Early Care and Education**

This course includes an overview of historical views on leadership and issues and challenges of leadership in early care and education. Emphasis is on current trends and issues. This course also reviews ethical principles as they relate to children, families, colleagues, the community and society.

*PreReq: 27 ECD credits to include ECD 102, ECD 203, ECD 107*

**ECD 203 Lec: 2 Lab: 3 Cred: 3 CF**  
**Growth and Development II**

This course is an in-depth study of preschool children growing and developing in today's world. Focus is on total development of the child with emphasis on physical, social, emotional, cognitive and nutritional areas of development. Developmental tasks and appropriate activities are explored.

*PreReq: ECD 102, departmental approval for nondegree-seeking students*

**ECD 205 Lec: 3 Lab: 0 Cred: 3 CF**  
**Socialization and Group Care of Infants and Toddlers**

This course involves the study of socialization and group care of infants and toddlers. Emphasis is on guidance and management; understanding behavior, temperament, the importance of routines, primary care and continuity of care; and examining the elements of quality environments.

**ECD 207 Lec: 2 Lab: 3 Cred: 3 CF**  
**Inclusive Care**

This course provides an overview of the field of infants and toddlers with special needs. Emphasis will be placed on instructional strategies, adaptations, environment, inclusion, etiology, federal legislation, family partnership, multicultural considerations and optimal development.

**ECD 210 Lec: 3 Lab: 0 Cred: 3 CF**  
**Early Childhood Intervention**

This course provides a study of a variety of intervention procedures reflecting various models, including child-centered, child-directed, behavioral, cognitive and social approaches to instruction.

**ECD 220 Lec: 3 Lab: 0 Cred: 3 CF**  
**Social Studies Curriculum in Early Education**

This course is an in-depth study and research into planning and implementing a developmentally appropriate social studies curriculum in the early childhood classroom.

**ECD 237 Lec: 3 Lab: 0 Cred: 3 CF**  
**Methods and Materials**

This course includes an overview of developmentally appropriate methods and materials for planning, implementing and evaluating environments. Emphasis is on integrating divergent activities in each curriculum area.

**ECD 239 Lec: 2 Lab: 3 Cred: 3 CF**  
**Assessment and Program Planning**

This course is designed to help students use assessment and evaluation tools to identify strengths and weaknesses of programs and provide developmentally appropriate practices for young children.

**ECD 243 Lec: 1 Lab: 6 Cred: 3 CF**  
**Supervised Field Experience I**

This course includes emphasis on planning, implementing and evaluating scheduled programs, age-appropriate methods, materials, activities and environments of early childhood principles and practices.

*PreReq: 27 ECD credits to include ECD 102, ECD 107, ECD 131, ECD 132, ECD 133, ECD 203, departmental approval for nondegree-seeking students*

**ECD 250 Lec: 0 Lab: 12 Cred: 4 CF**  
**Supervised Comprehensive Work Experience in Early Childhood Development**

This course provides the opportunity for interaction with young children, application of appropriate early childhood care-giving principles and documentation of these experiences. This course requires 12 hours per week of laboratory experiences in a supervised area center or school.

*PreReq: ECD 243, ECD 251, ECD 257 or SAC 208*

**ECD 251 Lec: 1 Lab: 6 Cred: 3 CF**  
**Supervised Field Experiences in Infant/Toddler Environments**

This course includes emphasis on planning, implementing and evaluating scheduled programs, age-appropriate methods, materials, activities and environments of infants and toddlers.

*PreReq: ECD 101, ECD 102, ECD 200, ECD 205 and ECD 207*

**ECD 252 Lec: 3 Lab: 0 Cred: 3 CF**  
**Diversity Issues in Early Care and Education**

This course meets the growing need for students in early care and education to learn how to interact with people who are different from them. It also allows students to examine and appreciate the differences that exist because of diversity from race, language, ethnicity, age and socioeconomic levels.

**ECD 253 Lec: 3 Lab: 0 Cred: 3 CF**  
**Communication Systems for Early Childhood Special Education**

This course studies sign language (ASL) and other assistive communication devices as are appropriate to work effectively with students who are developmentally delayed in speech and language.

**ECD 254 Lec: 2 Lab: 3 Cred: 3 CF**  
**Facilitation and Environmental Management for Early Childhood Special Education**

This course teaches students how the environment for infants, toddlers, preschoolers and young children with special needs can be manipulated to enhance their developmental and social needs and how the environment can also allow children to express creativity and independence.

**ECD 255 Lec: 2 Lab: 3 Cred: 3 CF**  
**Activity Therapy for Early Childhood Special Education**

This course teaches students to provide assistance in planning and organizing activities focusing on play in a developmentally appropriate environment for children with special needs.

**ECD 256 Lec: 3 Lab: 0 Cred: 3 CF**  
**Counseling Techniques for Early Childhood Special Education**

In this course students learn to collaborate with professionals, families and students to achieve various outcomes that are of particular interest to those individuals involved in the education and care of children with developmental delays.

**ECD 257 Lec: 1 Lab: 6 Cred: 3 CF**  
**Supervised Field Experience in Early Childhood Special Education**

This course includes a supervised field experience in a team environment by certified/licensed professionals who monitor and evaluate students' skills in order to work with children who are developmentally delayed.

*PreReq: 12 semester hours from the following list: ECD 107, ECD 203, ECD 207, ECD 210, ECD 253, ECD 254, ECD 255, ECD 256*

**ECD 270 Lec: 3 Lab: 0 Cred: 3 CF**  
**Foundations in Early Care and Education**

This course includes an overview of the history, theories, program models and trends in early care and education. Teaching as a profession will be explored with an emphasis on characteristics of the early childhood teacher.

**ECE 201 Lec: 0 Lab: 3 Cred: 1 ET**  
**Electrical and Computer Engineering Seminar**

This course covers professionalism, ethics, safety and career planning.

**ECE 205 Lec: 2 Lab: 3 Cred: 3 ET**  
**Electrical and Computer Lab I**

This course covers basic test and measurement instrumentation, basic electrical components and circuits, and technical writing using word processing.

*PreReq or CoReq: ECE 221*

**ECE 211 Lec: 3 Lab: 0 Cred: 3 ET**  
**Introduction to Computer Engineering I**

This course covers digital systems and employs basic mathematical techniques used in the design of combinational and sequential systems.

*PreReq: MAT 140*

**ECE 212 Lec: 3 Lab: 0 Cred: 3 ET**  
**Introduction to Computer Engineering II**

This course applies the overall concepts of microprocessor orientation and architecture and fundamental concepts of assembly-level programming.

*PreReq: ECE 211, EGR 270*

**ECE 221 Lec: 3 Lab: 0 Cred: 3 ET**  
**Introduction to Electrical Engineering I**

This course introduces the basic concepts of circuit analysis, applying fundamental laws and principles, resistor circuits, and first- and second-order linear circuits in the time domain using calculus-based solutions where applicable.

*PreReq: MAT 141*

**ECE 222 Lec: 3 Lab: 0 Cred: 3 ET**  
**Introduction to Electrical Engineering II**

This course covers sinusoidal steady-state analysis of AC circuits, complex frequency analysis, Fourier series analysis and Laplace transforms.

*PreReq: ECE 221*

**ECO 001 Lec: Lab: Cred:**

Indicates credit given for economics course work transferred from another college for which there is no equivalent course at TTC.

**ECO 207 Lec: 3 Lab: 0 Cred: 3 BT**  
**International Economics**

This course is a study of topics in international economics including the causes and consequences of economic development, international trade, and the emerging global economic systems.

*PreReq: MAT 101 or MAT 155 or MAT 152*

**ECO 210 Lec: 3 Lab: 0 Cred: 3 BT**  
**Macroeconomics**

This course covers the study of fundamental principles and policies of a modern economy including markets and prices, national income accounting, cycles, employment theory and fiscal policy, banking and monetary controls, and the government's role in economic decisions and growth.

*PreReq: MAT 155, MAT 101 or MAT 152 or appropriate placement test score*

**ECO 211 Lec: 3 Lab: 0 Cred: 3 BT**  
**Microeconomics**

This course includes the study of the behavior of households and firms, including supply and demand, elasticity, price/input in different market structures, pricing of resources, regulations, and comparative advantage and trade.

*PreReq: MAT 101, MAT 152 or MAT 155 or appropriate test scores*

**EEM 001 Lec: Lab: Cred:**

Indicates credit given for industrial electricity/electronics course work transferred from another college for which there is no equivalent course at TTC.

**EEM 107 Lec: 2 Lab: 0 Cred: 2 ET**  
**Industrial Computer Techniques**

This course is an introduction to microcomputers. Topics include definitions of computer types, hardware and software structure, movement of data, and applications of microcomputers. Emphasis will be placed on industry-standard software for the electrical and automated technologies industry.

**EEM 117 Lec: 2 Lab: 6 Cred: 4 IT**  
**AC/DC Circuits I**

This course is a study of direct and alternating current theory, Ohm's Law, series, parallel and combination circuits. Circuits are constructed and tested.

**EEM 118 Lec: 2 Lab: 6 Cred: 4 IT**  
**AC/DC Circuits II**

This course is a continuation of study of direct and alternating current theory to include circuit analysis using mathematics and verified with electrical measurements.

*PreReq: EEM 117*

**EEM 131 Lec: 3 Lab: 3 Cred: 4 IT**  
**Solid State Devices**

This course is a study of semiconductor theory and common solid state devices. Circuits are constructed and tested.

*PreReq: EEM 118 or EET 113*

**EEM 151 Lec: 2 Lab: 6 Cred: 4 IT**  
**Motor Controls I**

This course is an introduction to motor controls, including a study of the various control devices and wiring used in industrial processes.

*PreReq: EEM 217*

**EEM 165 Lec: 3 Lab: 3 Cred: 4 IT**  
**Residential/Commercial Wiring**

This course is a study of wiring methods and practices used in residential and commercial applications.

**EEM 217 Lec: 3 Lab: 3 Cred: 4 IT**  
**AC/DC Machines with Electrical Codes**

This course is a study of AC and DC machines to include operational theory, applications and construction. Relevant sections of the National Electrical Code will also be covered.

*PreReq: EEM 107 and EEM 118*

**EEM 221 Lec: 2 Lab: 3 Cred: 3 IT**  
**DC/AC Drives**

This course covers the principles of operation and application of DC drives and AC drives.

*PreReq: EEM 107 and EEM 131*

**EEM 251 Lec: 2 Lab: 3 Cred: 3 IT**  
**Programmable Controllers**

This course introduces programmable control systems with emphasis on basic programming techniques. A variety of input/output devices and their applications are covered.

*PreReq: EEM 107 and EEM 118 or EET 113*

**EEM 252 Lec: 2 Lab: 3 Cred: 3 IT**  
**Programmable Controllers Applications**

This course covers the application of programmable controller theories and operation procedures. Topics such as interfacing, data manipulation and report generation are covered. Programmable controller projects are constructed, operated and tested.

*PreReq: EEM 251*

**EET 001 Lec: Lab: Cred:**

Indicates credit given for electronics engineering technology course work transferred from another college for which there is no equivalent course at TTC.

**EET 113 Lec: 2 Lab: 6 Cred: 4 ET**  
**Electrical Circuits I**

This course is a study of direct and alternating currents, covering resistance and impedance in series, parallel and series-parallel circuits using Ohm's Law, Kirchhoff's Laws, and basic circuit theorems. Circuits are analyzed using mathematics and verified using electrical instruments.

*PreReq: EGR 104 or advisor approval*

*CoReq: MAT 110 or MAT 170*

**EET 141 Lec: 3 Lab: 3 Cred: 4 ET**  
**Electronic Circuits**

This course is a study of electronic circuits using discrete and integrated devices, including analysis, construction, testing and troubleshooting.

*PreReq: EET 113*

**EET 145 Lec: 2 Lab: 6 Cred: 4 ET**  
**Digital Circuits**

This course is a study of number systems, basic logic gates, Boolean algebra, logic optimization, flip-flops, counters and registers. Circuits are modeled, constructed and tested.

*PreReq: EGR 104 or EEM 117*

**EET 241 Lec: 3 Lab: 3 Cred: 4 ET**  
**Electronic Communications**

This course is a study of the theory of transmitters and receivers, with an emphasis on receivers, mixers, IF amplifiers and detectors. Some basic FCC rules and regulations also are covered.

*PreReq: EET 141*

**EET 243 Lec: 2 Lab: 3 Cred: 3 ET**  
**Data Communications**

This course is a study of the techniques for sending and receiving information. Topics include media characteristics, modulation and demodulation, signal conversions, multiplexing and demultiplexing, protocols, industrial standards, networks, and error detection and correction. Circuits are modeled, constructed and tested.

*PreReq: EET 145*

**EGR 001 Lec: Lab: Cred:**

Indicates credit given for engineering technology course work transferred from another college for which there is no equivalent course at TTC.

**EGR 104 Lec: 2 Lab: 3 Cred: 3**  
**Engineering Technology Foundations**

This problem-based course introduces the student to fundamental concepts of electrical, mechanical, thermal, fluids, optical and material systems related to engineering technology. Workplace readiness skills such as laboratory safety, communications and teamwork are integrated into the course.

*PreReq: MAT 102 or CPT/SAT score or MAT 170*

**EGR 110 Lec: 2 Lab: 3 Cred: 3 ET**  
**Introduction to Computer Environment**

This course provides an overview of computer hardware, available software, operating systems and applications.

*PreReq or CoReq: MAT 170 or MAT 102 or appropriate test scores*

**EGR 170 Lec: 2 Lab: 3 Cred: 3 ET**  
**Engineering Materials**

This course is a study of properties, material behaviors and applications.

*PreReq: MAT 110*

**EGR 175 Lec: 2 Lab: 3 Cred: 3 ET**  
**Manufacturing Processes**

This course includes processes, alternatives and operations in the manufacturing environment. Key elements of manufacturing processes such as quality, materials management, personnel issues and industrial economics will be covered.

*PreReq: MAT 102 and ENG 101*

**EGR 190 Lec: 3 Lab: 0 Cred: 3 ET**  
**Statics**

This course is a study of forces and the effect of forces acting on bodies in equilibrium without motion.

*PreReq: MAT 111 and ENG 101*

**EGR 230 Lec: 3 Lab: 3 Cred: 4 ET**  
**Measurement Principles**

This course is a study of basic control circuits and the common sensing elements, components and instruments which are used to measure temperature, pressure, flow, level and related phenomena.

The study of calibration standards, accuracy and precision will also be covered.

*PreReq: MAT 110*

**EGR 255 Lec: 1 Lab: 3 Cred: 2**  
**Engineering Technology Senior Systems Project**

This course includes an instructor-approved project which is designed, specified, constructed and tested. Projects may include elements of two or more engineering technology disciplines (i.e., EET, MET). This course is a capstone engineering technology course and is designed to be taken toward the end of the student's program of study.

*PreReq: SPC 205 and advisor approval*

**EGR 260 Lec: 3 Lab: 0 Cred: 3 ET**  
**Engineering Statics**

This course introduces the principles of engineering mechanics as applied to forces and force systems.

The techniques of vector mathematics are employed.  
*PreReq: MAT 240, PHY 221*

**EGR 262 Lec: 3 Lab: 0 Cred: 3 ET**  
**Engineering Dynamics**

This course introduces the principles of engineering as applied to kinematics and kinetics of particles and rigid bodies. The techniques of vector mathematics are employed.

*PreReq: EGR 260*

**EGR 264 Lec: 3 Lab: 0 Cred: 3 ET**  
**Introduction to Engineering Mechanics of Solids**

This course covers the relationships between external loads on solid bodies or members and the resulting internal effects and dimensional changes.

*PreReq: EGR 260*

**EGR 266 Lec: 3 Lab: 0 Cred: 3 ET**  
**Engineering Thermodynamics Fundamentals**

This course introduces the first and second laws of thermodynamics as applied to engineering systems.

*PreReq: MAT 240*

**EGR 270 Lec: 2 Lab: 3 Cred: 3 ET**  
**Introduction to Engineering**

This course covers the applications of computers in engineering practices, including the use of an appropriate operating system, programming in a high-level language, spreadsheets and word processing applications.

*PreReq: MAT 111 or MAT 112*

**EGR 273 Lec: 1 Lab: 3 Cred: 2 ET**  
**Problem Solving for Engineers**

This course covers basic problem-solving techniques as applied to the engineering profession.

*PreReq: EGR 270, ECE 221*

*CoReq: ECE 221*

**EGR 275 Lec: 2 Lab: 3 Cred: 3 ET**  
**Introduction to Engineering/Computer Graphics**

This course is a study of basic graphical concepts needed for engineering applications.

*PreReq or CoReq: MAT 110*

**EGR 282 Lec: 1 Lab: 3 Cred: 2 ET**  
**Introduction to Civil Engineering**

This course covers the engineering process from problem formulation to creative design through practical solution of civil engineering problems.  
*PreReq: MAT 111 or MAT 112*

**EGR 285 Lec: 3 Lab: 0 Cred: 3 ET**  
**Engineering Surveying I**

This course covers linear measurements, leveling, compass and transit/theodolite, theory of errors, areas, stadia, coordinate geometry, state plane coordinates and standard map projections.  
*CoReq: MAT 110, EGR 295, EGR 275*

**EGR 286 Lec: 3 Lab: 0 Cred: 3 ET**  
**Engineering Surveying II**

This course covers land surveying and boundary laws, public land surveys, topographic mapping, horizontal and vertical curves, lot calculations, and engineering astronomy.  
*PreReq: EGR 285, EGR 295*  
*CoReq: EGR 296*

**EGR 295 Lec: 0 Lab: 3 Cred: 1 ET**  
**Engineering Surveying Lab I**

This course covers horizontal control including distance and angular measurements, traversing and preparation of a plat, and vertical control including the performance of a level loop.  
*CoReq: EGR 285*

**EGR 296 Lec: 0 Lab: 3 Cred: 1 ET**  
**Engineering Surveying Lab II**

This course covers locating buildings and other objects within a boundary survey, performing a topographic survey, preparing a topographic map and staking out a horizontal curve.  
*CoReq: EGR 286*

**EGT 001 Lec: Lab: Cred:**  
Indicates credit given for engineering graphics course work transferred from another college for which there is no equivalent course at TTC.

**EGT 106 Lec: 3 Lab: 0 Cred: 3 ET**  
**Print Reading and Sketching**

This course covers the interpretation of basic engineering drawings and sketching techniques for making multiview pictorial representations.

**EGT 109 Lec: 2 Lab: 3 Cred: 3 ET**  
**Introduction to Engineering Design Graphics**

This course studies basic graphical concepts for engineering graphics, including freehand sketching and computer applications for engineering graphics.  
*PreReq: MAT 101 or MAT 152 or appropriate test scores*

**EGT 114 Lec: 2 Lab: 0 Cred: 2 ET**  
**Welding Print Basics**

This course covers the fundamentals of print reading for welding applications.

**EGT 115 Lec: 2 Lab: 6 Cred: 4 ET**  
**Engineering Graphics II**

This course in engineering graphics science includes additional drawing techniques for industrial applications. Mechanical detail and assembly drawings will be emphasized. Topics include section views, descriptive geometry, developments, threads and fasteners.  
*PreReq or CoReq: EGT 151*

**EGT 117 Lec: 2 Lab: 0 Cred: 2 ET**  
**Welding Print Principles**

This course covers welding symbols and their application to pipe fabrication.  
*PreReq: EGT 114*

**EGT 130 Lec: 2 Lab: 3 Cred: 3 ET**  
**Geometric Dimensioning and Tolerancing Applications**

This course covers interpreting, calculating tolerances, inspecting, computing geometrics of rejected parts, and analyzing the concepts of geometric control.

**EGT 151 Lec: 2 Lab: 3 Cred: 3 ET**  
**Introduction to CAD**

This course covers the operation of a computer-aided drafting system. The course includes interaction with a CAD station to produce technical drawings.  
*PreReq: EGR 275 or EGT 109*

**EGT 152 Lec: 2 Lab: 3 Cred: 3 ET**  
**Fundamentals of CAD**

This course includes a related series of problems and exercises utilizing the computer graphics station as a drafting tool.  
*PreReq: EGT 151*

**EGT 210 Lec: 2 Lab: 6 Cred: 4 ET**  
**Engineering Graphics III**

This advanced course in engineering graphics science covers the production of technical working drawings. Computer-aided drafting techniques are included.

*PreReq: EGT 115*

**EGT 220 Lec: 4 Lab: 0 Cred: 4 ET**  
**Structural and Piping Application**

This advanced drawing course covers structural steel and process piping applications.

*PreReq: EGT 115, EGT 151*

**EGT 245 Lec: 2 Lab: 3 Cred: 3 ET**  
**Principles of Parametric CAD**

This course is the study of 3-D product and machine design utilizing state-of-the-art parametric design software.

*PreReq: EGT 152 or departmental approval*

**EGT 251 Lec: 2 Lab: 3 Cred: 3 ET**  
**Principles of CAD**

This course includes the additional use of CAD software for production of technical drawings and related documentation.

*PreReq: EGT 152*

**EGT 252 Lec: 2 Lab: 3 Cred: 3 ET**  
**Advanced Computer Aided Design**

This course covers advanced concepts of CAD software and applications. The primary focus is on generating 3-D wireframe, surfaced and solid models.

*PreReq: EGT 152*

**EGT 257 Lec: 2 Lab: 3 Cred: 3 ET**  
**Advanced Civil CAD**

This course is a study of the advanced use of CAD in the field of civil engineering. Students will complete drawing projects using concepts related to planning, data capture and project design.

*PreReq: EGT 151 or departmental approval*

**EGT 265 Lec: 2 Lab: 3 Cred: 3 ET**  
**CAD/CAM Applications**

This course uses all available CAD skills to produce advanced drawings. The use of solids modeling, CAM and desktop publishing application packages are studied.

*PreReq: EGT 252 or departmental approval*

**EGT 290 Lec: 0 Lab: 3 Cred: 1 ET**  
**Computer Aided Design I**

This course focuses on AutoCAD basic skills. It covers how to create two-dimensional drawings using CAD commands: draw, edit, display, layer, settings, dimensions, blocks, plotting, creating and editing text entities, and associative crosshatching techniques.

*PreReq: CPT 101, EGR 275 or advisor approval*

**EMS 110 Lec: 3 Lab: 6 Cred: 5 AH**  
**Basic Emergency Medical Care**

This is an introductory course to the health care system and the function, role and responsibility of emergency medical providers within the system. Emphasis is placed on legal and ethical practices and stress management. A team approach is emphasized in the study of the initial assessment and management of illness and injury.

*PreReq: Acceptance to EMT program*

**EMS 111 Lec: 3 Lab: 6 Cred: 5 AH**  
**Intermediate Emergency Care**

This course is a study of the concepts and skills related to general patient assessment, initial management of life-threatening emergencies, airway management, pulmonary ventilation and oxygen administration, the pathophysiology of shock and treatment modalities for the shock syndrome, and pharmacological actions of groups of drugs and fluids. Emphasis is placed on administration of medication and fluid therapy, basic vehicle extrication and rescue.

*PreReq: EMS 110*

**EMS 114 Lec: 1 Lab: 3 Cred: 2 AH**  
**Emergency Vehicle Operations Management**

This course covers the fundamental skills necessary for safe and effective management of an emergency vehicle including the use of lights and sirens, safe driving techniques and vehicle maintenance.

*PreReq: EMS 110*

**EMS 120 Lec: 3 Lab: 0 Cred: 3 AH**  
**Pharmacology**

This course is a study of concepts related to the pharmacological actions of groups of drugs and includes the development of skills related to the administration of medications and intravenous therapy. Physiology of systems affected by drug action is also included in the course.

*PreReq: EMS 110*

**EMS 210 Lec: 5 Lab: 0 Cred: 5 AH**  
**Advanced Emergency Medical Care I**

This course is a study of concepts related to EMS communications, trauma, obstetric/gynecological emergencies, neonatal transport, psychiatric emergencies, central nervous systems, GI/GU systems, anaphylaxis, toxicologic emergencies, drug abuse, infectious diseases, geriatric and pediatric patients, and environmentally related emergencies.

*PreReq: EMS 110*

*CoReq: EMS 211*

**EMS 211 Lec: 1 Lab: 6 Cred: 3 AH**  
**Advanced Clinical Experience I**

This course includes hospital clinical experiences in obstetrics (labor/delivery), pediatrics and emergency/trauma settings.

*PreReq: EMS 110*

*CoReq: EMS 210*

**EMS 213 Lec: 4 Lab: 0 Cred: 4 AH**  
**Advanced Emergency Medical Care II**

This course is a study of the concepts and skills related to care of specific medical problems. Emphasis is placed on the pathophysiology and treatment modalities related to the respiratory system, cardiovascular system and the endocrine system. Concepts related to the classification, therapeutic actions and side effects of common chemotherapeutic agents are emphasized.

*PreReq: EMS 210, 211*

**EMS 214 Lec: 1 Lab: 6 Cred: 3 AH**  
**Advanced Clinical Experience II**

This course includes hospital clinical experiences in coronary care and emergency and trauma settings.

*PreReq: EMS 210, 211*

*CoReq: EMS 210, 211 and EMS 213*

**EMS 216 Lec: 4 Lab: 0 Cred: 4 AH**  
**Principles of Rescue**

This course covers concepts and skills related to the access, stabilization, packaging and removal of patients trapped in wrecked vehicles, endangered by hazardous materials, trapped by structural members, and endangered due to location. Focus is on vehicle rescue, water rescue, remote slope rescue, rescue from hazardous situations and rescue from mass casualty situations.

*PreReq: EMS 254*

**EMS 217 Lec: 1 Lab: 3 Cred: 2 AH**  
**Introduction to Electrocardiography**

This course covers the basic principles of recognizing and interpreting EKG tracings.

Laboratory emphasis is placed on the operation of electrocardiographic equipment.

*PreReq: EMS 111*

**EMS 218 Lec: 2 Lab: 0 Cred: 2 AH**  
**EMS Management Seminar**

This course covers concepts related to the application of management skills to emergency medical services. Focus is on common problems which occur in the work setting utilizing a problem-solving approach.

*PreReq: EMS 210*

**EMS 220 Lec: 0 Lab: 9 Cred: 3 AH**  
**Paramedic Internship I**

This course includes experiences with advanced life support emergency medical service providers.

*PreReq or CoReq: EMS 210, EMS 211*

**EMS 221 Lec: 0 Lab: 9 Cred: 3 AH**  
**Paramedic Internship II**

This course builds on the experiences gained in Paramedic Internship I. Focus is on the students and their ability to apply knowledge gained in the classroom during emergency situations while treating a wide variety of patients in different situations.

*PreReq: EMS 220*

**EMS 222 Lec: 0 Lab: 9 Cred: 3 AH**  
**Paramedic Internship III**

This course builds on the experiences gained in Paramedic Internship II. Focus is centered on the student's ability to function as the EMS team leader and direct patient care in any emergency situation.

*PreReq: EMS 221*

**EMS 250 Lec: 5 Lab: 0 Cred: 5 AH**  
**Advanced Placement Paramedic Care I**

This course focuses on advanced theory of respiratory, cardiac, endocrine, neurological, pharmacological, disease pathophysiology and assessment.

*PreReq: Current South Carolina paramedic certification, program admission and approval from program coordinator*

**EMS 251 Lec: 4 Lab: 0 Cred: 4 AH**

**Advanced Placement Paramedic Care II**

This course focuses on advanced theory of OB/GYN, neonatal, pediatric, GI/GU, toxicological, environmental and geriatric diseases.

*PreReq: EMS 250*

**EMS 252 Lec: 3 Lab: 0 Cred: 3 AH**

**Advanced Placement EMS Clinical Experience I**

This course covers physician- or clinician-directed clinical experiences in cardiothoracic and emergency/trauma interventions and assessments.

*PreReq: Current South Carolina paramedic certification, program admission and approval from course coordinator*

**EMS 253 Lec: 3 Lab: 0 Cred: 3 AH**

**Advanced Placement EMS Clinical Experience II**

This course covers physician or clinician-directed experiences in OB, pediatrics and trauma.

*PreReq: EMS 252*

**EMS 254 Lec: 3 Lab: 0 Cred: 3 AH**

**Advanced Placement EMS Internship Experience I**

This course covers the application of theory to develop clinical skills and knowledge, and problem solving ability.

*PreReq: Current South Carolina paramedic certification, program admission and approval from course coordinator*

**EMS 255 Lec: 3 Lab: 0 Cred: 3 AH**

**Advanced Placement EMS Internship Experience II**

This course uses theory to develop administrative skills and knowledge, and problem-solving ability.

*PreReq: EMS 254*

**ENG 013 Lec: 1 Lab: 0 Cred: 1 LC**

**Developmental English (Challenge)**

This course is intended for students who need assistance in basic writing. Based on assessment of student needs, instruction includes writing short compositions in which students demonstrate mastery of mechanics, word usage and sentence structure.

This course is an option for the student whose performance on the TTC placement test places him or her in Developmental English (ENG 032), but whose scores fall within the challenge range. This one-credit course provides 15 contact hours of study and review for students who only need a short course to satisfy the competencies of Developmental English (ENG 032). The successful student will pass

the departmental examination and may enroll in the next level of course. (Nondegree credit)

*PreReq: Students who score within the challenge range for the course are recommended to enroll in this course. The student's advisor should confirm that the student's placement score on writing skills falls within the qualifying range.*

**ENG 032 Lec: 3 Lab: 0 Cred: 3 LC**

**Developmental English**

Developmental English is intended for students who need assistance in basic writing. Based on assessment of student needs, instruction includes writing short compositions in which students demonstrate control of mechanics, word usage and sentence structure. (Nondegree credit)

*PreReq: Appropriate test score*

**ENG 100 Lec: 3 Lab: 0 Cred: 3 HS**

**Introduction to Composition**

This course is a study of basic writing and may include a review of usage. Appropriate literary selections serve as the basis for writing assignments. (Nondegree credit)

*PreReq: Appropriate test scores, writing sample or satisfactory completion of ENG 032 or ENG 013*

**ENG 101 Lec: 3 Lab: 0 Cred: 3 HS**

**English Composition I**

This course is a study of composition in conjunction with appropriate literary selections, with frequent theme assignments to reinforce effective writing. It also reviews standard usage and presents basic research techniques.

*PreReq: ENG 100 with a minimum grade of C, appropriate test scores or writing sample*

**ENG 102 Lec: 3 Lab: 0 Cred: 3 HS**

**English Composition II**

This course includes the development of writing skills through logical organization, effective style, literary analysis, research and an introduction to literary genres.

*PreReq: ENG 101 with a minimum grade of C*

**ENG 150 Lec: 3 Lab: 0 Cred: 3 HS**

**Basic Communications**

This course develops practical oral and written communication skills.

*PreReq: Students must meet placement test score criteria for ENG 100*

**ENG 170 Lec: 3 Lab: 0 Cred: 3 HS  
Business Communications**

This course presents a comprehensive survey of business English usage and communication skills for writing business papers.

*PreReq: Specified TTC placement test score, writing sample or ENG 100 with a minimum grade of C*

**ENG 175 Lec: 3 Lab: 0 Cred: 3 HS  
Proofreading and Editing**

This course presents an intensive application of advanced proofreading and editing skills, including usage and punctuation.

*PreReq: Specified TTC placement test score, writing sample or ENG 100 with a minimum grade of C*

**ENG 201 Lec: 3 Lab: 0 Cred: 3 HS  
American Literature I**

This course is a study of American literature from the colonial period to the Civil War.

*PreReq: ENG 102*

**ENG 202 Lec: 3 Lab: 0 Cred: 3 HS  
American Literature II**

This course is a study of American literature from the Civil War to the present.

*PreReq: ENG 102*

**ENG 205 Lec: 3 Lab: 0 Cred: 3 HS  
English Literature I**

This course covers the study of English literature from the Old English period to the Romantic period with emphasis on major writers and periods.

*PreReq: ENG 102*

**ENG 206 Lec: 3 Lab: 0 Cred: 3 HS  
English Literature II**

This course covers the study of English literature from the Romantic period to the present with emphasis on major writers and periods.

*PreReq: ENG 102*

**ENG 208 Lec: 3 Lab: 0 Cred: 3 HS  
World Literature I**

This course is a study of masterpieces of world literature in translation from the ancient world to the 16th century.

*PreReq: ENG 102*

**ENG 209 Lec: 3 Lab: 0 Cred: 3 HS  
World Literature II**

This course is a study of masterpieces of world literature in translation from the 17th century to the present.

*PreReq: ENG 102*

**ENG 214 Lec: 3 Lab: 0 Cred: 3 HS  
Fiction**

This course is a study of fiction from several cultures. Emphasis is on the nature of genres and appropriate reading strategies.

*PreReq: ENG 102*

**ENG 218 Lec: 3 Lab: 0 Cred: 3 HS  
Drama**

This course is a study of drama from several cultures. Emphasis is on the nature of genres and appropriate reading strategies.

*PreReq: ENG 102*

**ENG 222 Lec: 3 Lab: 0 Cred: 3 HS  
Poetry**

This course is a study of poetry from several cultures. Emphasis is on the nature of genres and appropriate reading strategies.

*PreReq: ENG 102*

**ENG 234 Lec: 3 Lab: 0 Cred: 3 HS  
Survey in Minority Literature**

This course is a critical study of minority writings, examined from historical, social and psychological points of view.

*PreReq: ENG 102*

**ENG 236 Lec: 3 Lab: 0 Cred: 3 HS  
African American Literature**

This course is a critical study of African American literature examined from historical, social, and psychological perspectives.

*PreReq: ENG 102*

**ENG 238 Lec: 3 Lab: 0 Cred: 3 HS  
Creative Writing**

This course presents techniques of creative writing in various genres. The student learns to analyze and apply the techniques, styles and forms of prose fiction, poetry or drama through extensive writing and reading.

*PreReq: ENG 102*

**ENG 260 Lec: 3 Lab: 0 Cred: 3 HS  
Advanced Technical Communications**

This course develops skills in research techniques and increases proficiency in written and oral technical communications by focusing on all phases of the preparation of a formal, fully documented technical project. Since it requires the ability to do independent problem solving in the student's major area of study, the course is designed for students who are near the end of their programs.

*PreReq: ENG 101 with a minimum grade of C*

**ESL 011 Lec: 0 Lab: 3 Cred: 1 LC**  
**ESL Pronunciation Skills Lab I**

This course is intended for non-native English-speaking students who need assistance in developing and improving listening and speaking skills, written communication skills and basic English grammar. This course focuses on production of the sounds of English in meaningful contexts and the use of rhythm, stress and intonation to facilitate successful oral communication. (Nondegree credit)

**ESL 012 Lec: 0 Lab: 3 Cred: 1 LC**  
**ESL Grammar Lab I**

This course is intended for non-native English-speaking students who need assistance in developing and improving listening and speaking skills, written communication skills and basic English grammar. This course focuses on the basic terminology of English grammar, parts of speech, verb forms and tenses, preposition combinations, and idioms used in oral communication and writing for academic purposes. (Nondegree credit)

**ESL 013 Lec: 0 Lab: 3 Cred: 1 LC**  
**Vocabulary Skills for ESL**

This course is intended for non-native English-speaking students who need assistance in developing and improving listening and speaking skills, written communication skills, and basic English grammar. This course focuses on acquisition of vocabulary needed for survival and work-related, career, social, personal and academic purposes and includes a study of common prefixes, suffixes and root words. (Nondegree credit)

**ESL 014 Lec: 0 Lab: 3 Cred: 1 LC**  
**Introduction to Writing for ESL Speakers**

This course is intended for non-native English-speaking students who need assistance in developing and improving listening and speaking skills, written communication skills and basic English grammar. This course focuses on development of sentence skills and the paragraph to describe, compare, contrast, analyze and define, and includes a study of punctuation and transition expressions. (Nondegree credit)

**ESL 015 Lec: 0 Lab: 3 Cred: 1 LC**  
**ESL Language and Communication Skills**

This course is intended for non-native English-speaking students who need assistance in developing and improving listening and speaking skills, written communication skills and basic English grammar. This multi-level course focuses on integrating the basic ESL skills with critical thinking skills to improve competence in all aspects of English. (Nondegree credit)

**ESL 016 Lec: 0 Lab: 3 Cred: 1 LC**  
**ESL Pronunciation Skills Lab II**

This course is intended for non-native English-speaking students who need assistance in developing listening and speaking skills, written communication skills and basic English grammar. This course focuses on production of a variety of sounds unique to English in the context of conversation and emphasizes the role of rhythm, pitch, stress and intonation to improve pronunciation and reduce accents. (Nondegree credit)

**ESL 017 Lec: 0 Lab: 3 Cred: 1 LC**  
**ESL Grammar Lab II**

This course is intended for non-native English-speaking students who need assistance in developing and improving listening and speaking skills, written communication skills and basic English grammar. This course focuses on more complex grammar structures needed to express relationships between ideas in both oral and written communication. (Nondegree credit)

**ESL 018 Lec: 0 Lab: 3 Cred: 1 LC**  
**Reading Comprehension Skills for ESL**

This course is intended for non-native English-speaking students who need assistance in developing and improving listening and speaking skills, written communication skills and basic English grammar. This course introduces students to strategies and skills, including vocabulary development, to improve reading skills for academic purposes. (Nondegree credit)

**ESL 019 Lec: 0 Lab: 3 Cred: 1 LC**  
**Writing Lab for ESL Speakers**

This course is intended for non-native English-speaking students who need assistance in developing and improving listening and speaking skills, written communication skills and basic English grammar. This course focuses on development of basic writing skills needed for success in English courses and successful completion of academic writing assignments. (Nondegree credit)

**EVT 101 Lec: 3 Lab: 0 Cred: 3 SM**  
**Man and His Environment**

This course introduces the field of environmental science. Aspects of current environmental issues and the effects of pollution on local, state, national and worldwide scales are included.

**EVT 110 Lec: 3 Lab: 0 Cred: 3 SM**  
**Introduction to Treatment Facilities**

This course covers the physical, chemical and biological principles of operation of water and wastewater treatment systems. The basic unit processes, control parameters and mathematical problem solving related to collection systems, treatment facilities and distribution systems are introduced.

*PreReq: CHM 110. The prerequisite for this course should have been taken in the last five years.*

*CoReq: CHM 110*

**EVT 154 Lec: 3 Lab: 3 Cred: 4 SM**  
**Chemistry of Hazardous Materials**

This course studies the chemistry of hazardous materials with emphasis on identification, hazard determination, chemical stability, chemical compatibility, rate and transport phenomena to include photolysis, hydrolysis, oxidation-reduction, and biotransformation reactions, persistence and toxicity.

**EVT 201 Lec: 2 Lab: 3 Cred: 3 SM**  
**Environmental Science**

This course introduces the basic principles of environmental science; including ecology; energy resources; waste management; and air, water and soil pollution.

**EVT 210 Lec: 3 Lab: 0 Cred: 3 SM**  
**Introduction to Environmental Law**

This course provides an introduction to the U.S. legal system, legal terminology, and the major federal and state legislation related to environmental protection and pollution control.

**EVT 222 Lec: 3 Lab: 3 Cred: 4 SM**  
**Environmental Microbiology**

This course studies environmental microbiology, including air microbiology, water microbiology and soil microbiology.

**EVT 224 Lec: 3 Lab: 3 Cred: 4 SM**  
**Environmental Chemical Analyses**

This course covers the science of chemistry as it relates to environmental quality and pollution control. Analytical techniques are studied and demonstrated in the laboratory.

*PreReq: CHM 110. The prerequisite for this course should have been taken in the last five years.*

**EVT 230 Lec: 2 Lab: 3 Cred: 3 SM**  
**X-Ray Fluorescence Technology**

This course introduces the basic principles of X-ray fluorescence technology applicable to the analysis of lead-based paint in residential housing and public and commercial buildings.

**EVT 250 Lec: 3 Lab: 0 Cred: 3 SM**  
**Solid Waste Management**

This course covers problems associated with solid waste management and disposal. Waste minimization, recycling and disposal methods such as sanitary landfills and incineration are covered.

**EVT 251 Lec: 3 Lab: 0 Cred: 3 SM**  
**Health Effects of Hazardous Materials**

This course covers the means by which chemicals in the environment or the workplace may enter the human body and cause harm. Types of protective clothing and equipment used to reduce the hazard of exposure to such materials are included.

**EVT 254 Lec: 2 Lab: 3 Cred: 3 SM**  
**Industrial Safety and Emergency Response**

This course covers state and federal regulations related to worker safety, industrial hygiene and response to emergency situations. Emphasis is placed on response to releases of hazardous materials.

**EVT 256 Lec: 3 Lab: 0 Cred: 3 SM**  
**Hazardous Waste**

This course covers state and federal regulations related to management and disposal of hazardous waste. Problem areas and detailed procedures for compliance are studied.

**EVT 260 Lec: 3 Lab: 0 Cred: 3 SM**  
**Air Pollution Control Systems**

This course covers air quality problems, federal and state regulatory mechanisms, and the types of emission control technology currently available. Monitoring emissions and ambient air quality are addressed.

**FLG 001 Lec:      Lab:      Cred:**

Indicates credit given for foreign language course work transferred from another college for which there is no equivalent course at TTC.

**FLM 148 Lec: 2      Lab: 3      Cred: 3      FV**  
**Basic Editing**

This course covers the fundamentals of film editing. Students will produce several short film projects that will require the mastery of various cutting techniques.

**FLM 150 Lec: 2      Lab: 3      Cred: 3      FV**  
**Pre-Production**

This course is an introductory overview of the film-making process.

**FLM 152 Lec: 2      Lab: 3      Cred: 3      FV**  
**Film Equipment**

This course is an introduction to motion picture film and equipment. Course emphasizes use of motion picture cameras and support equipment.

**FLM 153 Lec: 2      Lab: 3      Cred: 3      FV**  
**Film Lighting**

This course is an introduction to film lighting techniques and equipment. This course will also include advanced techniques used to light sets for feature films and commercials.

*PreReq: RTV 102*

**FLM 155 Lec: 2      Lab: 3      Cred: 3      FV**  
**Film Production I**

This course covers general film production, including the mechanics of a screenplay, scheduling and scouting locations, and the operation of motion picture equipment.

**FLM 156 Lec: 2      Lab: 3      Cred: 3      FV**  
**Film Production II**

This course covers film production emphasizing post-production techniques and equipment.

*PreReq: FLM 155 or approval of department head*

**FLM 157 Lec: 2      Lab: 3      Cred: 3      FV**  
**Set Construction/Props/Art**

This course introduces set construction and prop building for motion pictures as well as the workings of the art department from design to set dressing.

**FLM 158 Lec: 2      Lab: 3      Cred: 3      FV**  
**Post-Production**

This course covers traditional editing and editing theory. Industry-standard software will be introduced.

**FLM 159 Lec: 2      Lab: 3      Cred: 3      FV**  
**Digital Distribution**

This course covers distribution options for digital media, including DVDs, audio and video streaming via the Internet, and wireless podcasting.

*PreReq: FLM 148 or approval of department head*

**FLM 168 Lec: 2      Lab: 3      Cred: 3      FV**  
**Advanced Post-Production I**

This course will provide training in post production techniques that may include sound, titling and/or image manipulation for non-linear editing. Students will use industry-standard software to construct specific visual effects.

**FLM 169 Lec: 2      Lab: 3      Cred: 3      FV**  
**Advanced Post-Production II**

This is a continuation of Advanced Post-Production I.

*PreReq: FLM 168 or approval of department head*

**FLM 178 Lec: 2      Lab: 3      Cred: 3      FV**  
**Advanced Editing**

This course is a study of the editing skills needed to produce a short film. This course is designed to develop skills in animation and graphics. Students will use Maya software to achieve specific visual effects.

*PreReq: FLM 148 or approval of department head*

**FLM 179 Lec: 2      Lab: 3      Cred: 3      FV**  
**Senior Film Editing**

Student will study use of industry-standard software to achieve sophisticated visual effects. This course will provide students with advanced editing skills, particularly in the use of animation and modeling software.

*PreReq: FLM 169 or approval of department head*

**FLM 180 Lec: 0.5      Lab: 1.5      Cred: 1      FV**  
**Special Topics in Film I**

This course covers special topics and issues in film production related to equipment and technology as they emerge in the film industry.

*PreReq: Approval of department head*

**FLM 230 Lec: 2      Lab: 3      Cred: 3      FV**  
**Animation Production**

This course covers how to produce animated films and includes an understanding of cameraless animation, flip books, inbetweening, cel painting, 3-D animation and other forms of single frame movement.

**FLM 240 Lec: 2 Lab: 3 Cred: 3 FV**  
**Insert Stage Techniques**

This course is a study of insert stage techniques used in developing professional imagery.

*PreReq: RTV 140*

**FLM 248 Lec: 2 Lab: 3 Cred: 3 FV**  
**Film Editing Capstone**

This course is designed to integrate the knowledge and skills from all previous film editing courses.

A comprehensive review of skills acquired in prerequisite courses and more advanced hands-on skill competencies are included.

*PreReq: FLM 148 or approval of department head*

**FLM 250 Lec: 2 Lab: 3 Cred: 3 FV**  
**Film Production Senior Project**

This senior project course integrates knowledge and skill from all previous film courses. A comprehensive review, detailed content material and advanced hands-on skill competencies are included.

*PreReq: Approval of department head*

**FLM 252 Lec: 2 Lab: 3 Cred: 3 FV**  
**Cinematography**

This course covers advanced knowledge, practices and skills used by cinematographers and directors of photography.

*PreReq: FLM 152*

**FLM 255 Lec: 0 Lab: 9 Cred: 3 FV**  
**Film Production III**

This course is designed to enable students to produce a short independent film. The entire class works as crew of the film project, which is supervised by professionals in the industry. Students are involved in every aspect of the film production process: casting, rehearsing, shooting and editing the project.

*PreReq: FLM 150 and FLM 155 or approval of department head*

**FLM 256 Lec: 1 Lab: 6 Cred: 3 FV**  
**Film Production IV**

This course is for students wishing to do a small independent film.

*PreReq: Approval of department head; restricted to film majors*

**FLM 260 Lec: 1 Lab: 6 Cred: 3 FV**  
**Professional Experience in Film**

This is a course with variable content. Emphasis is on specialized job-related training that is not included in other required courses. This course is offered every semester as an independent study.

May substitute for a FLM/RTV course; see advisor.  
*PreReq: Restricted to majors*

**FLM 261 Lec: 1 Lab: 6 Cred: 3 FV**  
**Professional Experience in Film II**

This course continues FLM 260, Professional Experience in Film. This course has variable content with emphasis on specialized job-related training that is not included in other required courses. This course is offered each semester as an independent study. May substitute for a FLM/RTV course, see advisor.

*PreReq: Restricted to majors*

**FLM 265 Lec: 2 Lab: 3 Cred: 3 FV**  
**Documentary Filmmaking**

This courses covers the techniques and procedures used to produce a short documentary project.

*PreReq: FLM 148 and RTV 144 or approval of department head*

**FLM 272 Lec: 2 Lab: 3 Cred: 3 FV**  
**Directing for the Camera**

This course is an introduction to directing techniques that can help actors and crew to ensure a successful project.

*PreReq: FLM 155*

**FLM 290 Lec: 2 Lab: 3 Cred: 3 FV**  
**Contemporary Film Issues**

This course covers various issues in film such as women in film, minorities in film, the independents, experimental filmmaking and other issues. The class also views and discusses foreign (European, Japanese, Canadian and Soviet) films.

*PreReq: ART 105*

**FRE 001 Lec: Lab: Cred:**

Indicates credit given for French course work transferred from another college for which there is no equivalent course at TTC.

**FRE 101 Lec: 4 Lab: 0 Cred: 4 HS**  
**Elementary French I**

This course consists of a study of the four basic language skills: listening, speaking, reading and writing. The course includes an introduction to French culture.

**FRE 102 Lec: 4 Lab: 0 Cred: 4 HS**  
**Elementary French II**

This course continues the development of basic language skills and includes a study of French culture.

*PreReq: FRE 101 or specified French placement test scores*

**FRE 201 Lec: 3 Lab: 0 Cred: 3 HS**  
**Intermediate French I**

This course is a review of French grammar with attention given to complex grammatical structures and reading difficult prose.

*PreReq: FRE 102 or specified French placement test scores*

**FRE 202 Lec: 3 Lab: 0 Cred: 3 HS**  
**Intermediate French II**

This course continues the review of French grammar with attention given to more complex grammatical structures and reading more difficult prose.

*PreReq: FRE 201 or specified French placement test scores*

**GEO 102 Lec: 3 Lab: 0 Cred: 3 HS**  
**World Geography**

This course includes a geographic analysis of the regions of the world, i.e., North and South America, Europe, Australia and Africa. Diversity of each region is emphasized by examining its physical environment; natural resources; and social, cultural, economic and political systems.

**GER 001 Lec: Lab: Cred:**

Indicates credit given for German course work transferred from another college for which there is no equivalent course at TTC.

**GER 101 Lec: 4 Lab: 0 Cred: 4 HS**  
**Elementary German I**

This course is a study of the four basic language skills: listening, speaking, reading and writing. The course includes an introduction to German culture.

**GER 102 Lec: 4 Lab: 0 Cred: 4 HS**  
**Elementary German II**

This course continues the development of the four basic language skills and the study of German culture.

*PreReq: GER 101*

**GER 201 Lec: 3 Lab: 0 Cred: 3 HS**  
**Intermediate German I**

This course is a review of German grammar with attention given to complex grammatical structures and reading difficult prose.

*PreReq: GER 102*

**GER 202 Lec: 3 Lab: 0 Cred: 3 HS**  
**Intermediate German II**

This course continues the review of German grammar with attention given to more complex grammatical structures and reading more difficult prose.

*PreReq: GER 201*

**GMT 250 Lec: 1.5 Lab: 4.5 Cred: 3 ET**  
**Evidence Procedures for Boundary Control**

This course is a study of the role of surveyor in retracing land boundaries; methods of boundary establishment; classification and analysis of boundary evidence; laws governing riparian boundaries; preparing deed descriptions and survey plats; preservation of survey evidence; surveyor as expert witness; and ethics, liability and professionalism in surveying. This course also includes the acquisition of field data and its use in preparing subdivision plats using land development computer software.

*PreReq: EGR 286, EGR 296, EGT 151*

**HIM 110 Lec: 3 Lab: 0 Cred: 3 AH**  
**Health Information Science I**

This course provides an in-depth study of the content, storage, retrieval, control and retention of health information systems.

*PreReq: CPT 101*

**HIM 130 Lec: 3 Lab: 0 Cred: 3 AH**  
**Billing and Reimbursement**

This course provides an introduction to medical insurance billing and reimbursement practices with emphasis on the primary payers such as Medicare and Medicaid.

*PreReq: HIM 110*

**HIM 140 Lec: 3 Lab: 0 Cred: 3 AH**  
**Current Procedural Terminology I**

This course provides a basic to intermediate study of the CPT-4 and HCPCS coding and classification systems particular to the physician office setting. Students learn to assign codes to capture the professional component of services provided.

*PreReq: Acceptance into the coding program, HIM 110, HIM 216, AHS 170*

**HIM 141 Lec: 2 Lab: 3 Cred: 3 AH**

**Current Procedural Terminology II**

This course provides a basic to intermediate study of the CPT-4 and HCPCS coding and classification systems with respect to surgical outpatient facilities and hospitals.

*PreReq: HIM 140*

**HIM 150 Lec: 2 Lab: 3 Cred: 3 AH**

**Coding Practicum I**

This course provides clinical practice in the application of basic coding and classification system guidelines in selected health care facilities.

*PreReq: HIM 140, HIM 225*

**HIM 216 Lec: 2 Lab: 3 Cred: 3 AH**

**Coding and Classification I**

This course includes a study of disease, procedural coding and classification systems.

*PreReq: HIM 110*

**HIM 225 Lec: 2 Lab: 3 Cred: 3 AH**

**Coding and Classification II**

This course provides a study of advanced coding and classification systems.

*PreReq: HIM 216*

**HIM 228 Lec: 2 Lab: 0 Cred: 2 AH**

**Coding Seminars**

This course includes specific assigned coding projects and certification examination preparation.

*PreReq: HIM 150*

**HIM 264 Lec: 0 Lab: 12 Cred: 4 AH**

**Clinical Practice IV**

This course provides clinical practice in the application of health information system theory in selected health care facilities. Focus is on the application of inpatient and outpatient coding and classification system guidelines.

*PreReq: HIM 150*

**HIM 266 Lec: 3 Lab: 0 Cred: 3 AH**

**Computers in Health Care**

This course covers hardware and software components of computers for medical record applications, methods of controlling accuracy and security of data in computer systems, record linkage and data-sharing concepts.

*PreReq: HIM 110*

*CoReq: HIM 130*

**HIS 001 Lec: Lab: Cred:**

Indicates credit given for history course work transferred from another college for which there is no equivalent course at TTC.

**HIS 101 Lec: 3 Lab: 0 Cred: 3 HS**

**Western Civilization to 1689**

This course is a survey of Western civilization from ancient times to 1689, including the major political, social, economic and intellectual factors shaping the Western cultural tradition.

**HIS 102 Lec: 3 Lab: 0 Cred: 3 HS**

**Western Civilization Post 1689**

This course is a survey of Western civilization from 1689 to the present, including major political, social, economic and intellectual factors that shaped the modern Western world.

**HIS 104 Lec: 3 Lab: 0 Cred: 3 HS**

**World History I**

This course covers world history from prehistory to circa 1500 A.D., focusing on economic, social, political and cultural aspects of people before the onset of Western dominance and identifying major patterns and trends that characterized the world in each era.

**HIS 105 Lec: 3 Lab: 0 Cred: 3 HS**

**World History II**

This course covers world history from circa 1500 A.D. to the present, focusing on the development of a system of interrelationships based on Western expansion and on the economic, social, political and cultural aspects of each era.

**HIS 106 Lec: 3 Lab: 0 Cred: 3 HS**

**Introduction to African History**

This course is an examination of several traditional sub-Saharan African societies and their political and economic transformation in the modern, colonial and post-dependence periods.

**HIS 108 Lec: 3 Lab: 0 Cred: 3 HS**

**Introduction to East Asian Civilization**

This course is an analysis of the evolution of social, political and cultural patterns in east Asia, emphasizing the development of philosophical, religious and political institutions and their relationship to literacy and artistic forms in China and Japan.

**HIS 130 Lec: 3 Lab: 0 Cred: 3 HS**  
**African-American History to 1877**

This survey course describes the efforts of African Americans to define themselves through their social, economic and political contributions to American history. The history, impact and significance of the institution of slavery is included. The chronological scope of the course ranges from the African origins of African Americans to the frustrations associated with the failure of Reconstruction.

**HIS 131 Lec: 3 Lab: 0 Cred: 3 HS**  
**African-American History: 1877 to Present**

This survey course describes the efforts of African Americans to define themselves through their social, economic and political contributions to American history from the time of Reconstruction to the present.

**HIS 201 Lec: 3 Lab: 0 Cred: 3 HS**  
**American History: Discovery to 1877**

This course is a survey of U.S. history from discovery to 1877, including political, social, economic and intellectual developments during this period.

**HIS 202 Lec: 3 Lab: 0 Cred: 3 HS**  
**American History: 1877 to Present**

This course is a survey of U.S. history from 1877 to the present, including political, social, economic and intellectual developments during this period.

**HIS 226 Lec: 3 Lab: 0 Cred: 3 HS**  
**Black History and Culture of the South Carolina Sea Islands**

This course focuses on the unique origin, history, language, art, music and literature of the South Carolina sea islands and how the customs, folklore and traditions are being fused into the present American society.

**HOS 001 Lec: Lab: Cred:**

Indicates credit given for hospitality and tourism course work transferred from another college for which there is no equivalent course at TTC.

**HOS 101 Lec: 1 Lab: 6 Cred: 3 CI**  
**Principles of Food Production I**

This introductory course in food preparation includes kitchen safety and sanitation. It emphasizes practical presentation of simple foods, terminology, and techniques of preparation of nutritious quality food.  
*PreReq: Departmental approval for nondegree-seeking students.*  
*CoReq: HOS 154*

**HOS 102 Lec: 1 Lab: 6 Cred: 3 CI**  
**Principles of Food Production II**

This course is the study of the preparation of food categories such as sauces, salads, baked products, meats, poultry, vegetables, etc. Special attention is given to presentation and garnishing. Menu development through American Regional Cuisine is introduced. Students apply their knowledge of menu development and regional culture while cooking recipes that imitate the specific regions of the country.

*PreReq: HOS 101*

**HOS 103 Lec: 3 Lab: 0 Cred: 3 CI**  
**Nutrition**

This course is a study of general nutritional needs of the life cycle, including carbohydrates, proteins, fats, vitamins and minerals. Practical applications for the food service professional are emphasized.

**HOS 106 Lec: 1 Lab: 6 Cred: 3 CI**  
**Introduction to Production Kitchens**

This course is an introductory course in production kitchen operations from the perspective of a food service manager. Emphasis is placed on safety and sanitation, logistics, traditional cooking methods, and regional and international cuisine.

*PreReq: HOS 102, 256*

**HOS 110 Lec: 1 Lab: 6 Cred: 3 CI**  
**Food Production Management**

This course covers basic food principles in a production kitchen environment.

*PreReq or CoReq: HOS 154*

**HOS 112 Lec: 1 Lab: 0 Cred: 1 CI**  
**Introduction to Baking Science**

This course is the study of ingredient functions, product identification, weights and measures as they apply to baking. Students learn to identify various types of flours, leaveners and pastry ingredients that affect the outcomes of their finished baked goods.

*PreReq: HOS 120, HOS 154*

**HOS 113 Lec: 1 Lab: 6 Cred: 3 CI**  
**Laminated Doughs and Pastries**

This course is designed to develop the knowledge, skill and techniques required in the production and presentation of laminated dough and classical French Viennoiserie products such as croissants, Danish, puff pastry, doughnuts, and other breakfast sweets.

*PreReq: HOS 112*

**HOS 114 Lec: 1 Lab: 6 Cred: 3 CI**  
**Introduction to Cakes**

This course introduces students to scaling, mixing, baking and decorating cakes and cake products. Students will learn to use various mixing methods and decorating techniques as well as an array of fillings and frostings while making American and international cake products.

*PreReq: HOS 112*

**HOS 117 Lec: 1.5 Lab: 4.5 Cred: 3 CI**  
**Culinary Skills for Special Populations**

This course introduces culinary practices for preparing safe and nutritious snacks and meals for children, youth or geriatric populations. The course includes menu development and economical food selection, purchasing and preparation appropriate for facilities serving children, youth and aging adults.

*PreReq: HOS 101 or HOS 110, HOS 154*

**HOS 120 Lec: 1 Lab: 6 Cred: 3 CI**  
**Bakeshop Production**

This course covers the application of fundamentals and principles of basic baking. Emphasis is placed on skill development for quality commercial bakery products.

*CoReq: HOS 154; departmental approval for nondegree-seeking students*

**HOS 121 Lec: 1 Lab: 6 Cred: 3 CI**  
**Cake Decorating and Finishing Techniques**

This course covers the techniques and assembling used in finishing theme cakes and international cakes with a variety of media used in commercial bakeshops.

*PreReq: HOS 120*

**HOS 140 Lec: 3 Lab: 0 Cred: 3 CI**  
**The Hospitality Industry**

This course is a survey of the hospitality industry and the principles of operation of both lodging and food service industries. Students learn the range of alternative business options available in the industry from local, national and international perspectives.

**HOS 145 Lec: 1 Lab: 6 Cred: 3 CI**  
**Dining Room Operations**

This course is a study of operational procedures of the dining area and managerial concerns for effective dining service for food and beverage.

*PreReq: Departmental approval for nondegree-seeking students; HOS 154 for degree or diploma students*

*CoReq: HOS 154*

**HOS 150 Lec: 3 Lab: 0 Cred: 3 CI**  
**Hotel Management**

This course covers the management of the lodging phase of the hospitality industry, including front office, housekeeping and engineering.

**HOS 154 Lec: 2 Lab: 0 Cred: 2 CI**  
**Safety and Sanitation**

This course is a study of local, state and national regulations governing safe and sanitary food handling. This class meets the minimum ACF standards for contact hours.

**HOS 159 Lec: 3 Lab: 0 Cred: 3 CI**  
**Hospitality Accounting Applications**

This course covers financial accounting concepts and their application to the hospitality industry. Included are the major hospitality classifications of accounts and computerized hospitality financial applications.

**HOS 160 Lec: 3 Lab: 0 Cred: 3 CI**  
**Purchasing for Hospitality**

This course is a study of a systematic approach to the principles of effective control and procurement of food products, beverages and equipment. Emphasis is placed on practical applications of facilities design, food cost reporting and inventory accountability functions.

**HOS 163 Lec: 3 Lab: 0 Cred: 3 CI**  
**International Etiquette and Protocol**

This course is a cultural survey on a range of international protocols affecting business as well as individual success. Highlights include Asian, African, Middle Eastern, South American and Eastern European societies. Differences studied feature approaches to business and lifestyles.

**HOS 164 Lec: 3 Lab: 0 Cred: 3 CI**  
**Travel and Tourism**

This course covers the history, development, concepts and principles of the travel and tourism industry. Students research case studies as well as local examples in how tourism affects the economy and society. Students also learn to interpret travel trends for business application.

**HOS 169 Lec: 3 Lab: 0 Cred: 3 CI**  
**Club Management**

This course covers management principles and techniques relevant to country clubs, yacht clubs, and government, fraternal, health, recreational and special organizations.

**HOS 171 Lec: 3 Lab: 0 Cred: 3 CI**  
**Food and Beverage Controls**

This course covers the principles and procedures involved in an effective food and beverage control system including standards determination operating budgets, cost-volume-profit analysis, income and cost control, menu pricing, labor cost control, and computer applications related to these concepts.

*PreReq: CPT 101, HOS 101 or HOS 110, HOS 160*

**HOS 178 Lec: 2 Lab: 3 Cred: 3 CI**  
**Farm to Plate**

This course explores traditional farming methods used throughout South Carolina and around the world. Students will study heirloom varieties of vegetables as well as animal husbandry and feeds. Students will use farm products in traditional classical cooking methods and techniques.

*PreReq or CoReq: HOS 102 or permission of instructor*

**HOS 180 Lec: 1 Lab: 6 Cred: 3 CI**  
**French Regional Cuisines**

This course is the study of the French Regional cuisines of Normandy, Brittany, Savoy and Provence with an emphasis on service, standards, language, wines and beverage service. This course also includes cooking from the select regions including Alcaise-Lorraine, Bordeaux, the Southwest and Paris. Students also study and produce classical French cuisine.

*PreReq: HOS 201*

**HOS 181 Lec: 1 Lab: 6 Cred: 3 CI**  
**Candies and Confectionaries**

This course focuses on the elements of making candies and confections. It stresses a complete understanding students will develop of all components of chocolates, sugar, pastillage and marzipan, using basic pâtisserie principles.

*PreReq: HOS 114*

*CoReq: HOS 220, HOS 221*

**HOS 182 Lec: 1 Lab: 6 Cred: 3 CI**  
**Artisan Breads**

This course introduces the fundamental skills, concepts and techniques of artisan bread baking. Use of sponges, wild yeast, bigas and poolish will be incorporated in making authentic rustic bread. An assortment of international breads will be made, as well as breads for special occasions.

*PreReq: HOS 154, HOS 112*

**HOS 183 Lec: 1 Lab: 6 Cred: 3 CI**  
**Plated Desserts**

This course focuses on the elements of modern dessert production and consumption. It stresses a thorough understanding and creation of all components of plated dessert production, using basic pastry principles.

*PreReq: HOS 220, HOS 121 or permission of instructor*

**HOS 185 Lec: 1 Lab: 6 Cred: 3 CI**  
**Ice Cream and Frozen Desserts**

This course develops advanced skills in making ice cream, sorbets, gelato and granita and the assembly of frozen desserts. Students will produce ice cream on a retail level using different types of ice cream machines and flavorings. Students will also assemble tortes, bombes and holiday classics that incorporate frozen desserts.

*PreReq: HOS 220 or permission of instructor*

**HOS 186 Lec: 1 Lab: 6 Cred: 3 CI**  
**Mediterranean Cuisine**

This course is the study of the cuisine of the Mediterranean and the Mediterranean Dietary Pyramid, including Spain, France, Italy, Middle East and North Africa. Emphasis is on the culture, cooking methods, food products and beverages of the various countries.

*PreReq: HOS 202 or permission of instructor*

**HOS 190 Lec: 1 Lab: 6 Cred: 3 CI**  
**Issues in Culinary Arts and Hospitality Abroad**

This course exposes students to contemporary hospitality and culinary issues in the global marketplace through lecture, cultural preparation and geographic study as well as completion of an experiential visit abroad.

*PreReq: 24 credit hours and departmental approval*

**HOS 201 Lec: 0 Lab: 9 Cred: 3 CI**  
**A la Carte I**

This course is a study of culinary skills used in the preparation of food in an à la carte style, and includes preparation of meals for Mikasa dining service.

*PreReq: HOS 101, HOS 154 or advisor approval*

**HOS 202 Lec: 0 Lab: 9 Cred: 3 CI**  
**A la Carte II**

This course is the study of culinary skills used in international foods in an à la carte style. Topics include menu planning, purchasing and forecasting.

*PreReq: HOS 201*

**HOS 220 Lec: 1 Lab: 6 Cred: 3 CI**  
**Advanced Bakeshop**

This course is a study of the preparation of advanced, classical and international pastries. Emphasis is placed on producing quality commercial baked goods.

*PreReq: HOS 120*

**HOS 221 Lec: 1 Lab: 6 Cred: 3 CI**  
**Retail Baking**

This course covers the quantity production of frozen, bagged, scoop'n bake and mixed products. Topics on the marketing of baked products and costing procedures are included.

**HOS 222 Lec: 1 Lab: 6 Cred: 3 CI**  
**Chocolate and Sugar**

This course is a study of chocolate artistry and sugar work to include tempering various types of chocolate for modeling and display work, as well as molding, pulling and blowing sugar.

*PreReq: HOS 220 or permission of instructor*

**HOS 223 Lec: 1 Lab: 6 Cred: 3 CI**  
**Wedding Cakes and Decorating Techniques**

This course covers the production and assembly of wedding cakes that include artisan decorating techniques and display. Students will learn to use various types of cake materials to include pulled sugar and chocolate work.

*PreReq: HOS 220 and HOS 221 or permission of instructor*

**HOS 224 Lec: 1 Lab: 6 Cred: 3 CI**  
**Jams, Jellies, Chutneys and Tarts**

This course will focus on the manufacturing, packaging and marketing of various types of jams, jellies and chutneys.

*PreReq: HOS 220 or permission of instructor*

**HOS 227 Lec: 2 Lab: 9 Cred: 5 CI**  
**Garde Manger**

This course covers the preparation of salads, patés, terrines, sausage and garnishes. Students plan, organize and set up complete buffets. The techniques of ice carving are included.

*PreReq: HOS 101, HOS 154*

**HOS 228 Lec: 1 Lab: 6 Cred: 3 CI**  
**Petit Fours and Mini Pastries**

This course introduces the art of miniature pastry making from tea cakes to petit fours secs. Students will produce several types of pastries made in miniature fashion as well as products to be used in such settings as retail bakeries, restaurants, hotels and catering.

*PreReq: HOS 220 or permission of instructor*

**HOS 243 Lec: 1 Lab: 6 Cred: 3 CI**  
**Food Competition Fundamentals**

This course is the study of techniques and procedures for food competitions. Special attention is given to menu planning, timing and teamwork. This class focuses on the American Culinary Federation competition guidelines for student competitions.

*PreReq: HOS 201*

**HOS 245 Lec: 3 Lab: 0 Cred: 3 CI**  
**Hospitality Marketing**

This course is a study of fundamental marketing strategies that are specific to the hospitality industry. Emphasis is placed on how marketing strategies target customer needs and wants.

**HOS 250 Lec: 3 Lab: 0 Cred: 3 CI**  
**Beverage Service Management**

This course addresses the principles of beverage service. This course is designed to prepare students for management responsibilities in the culinary and hospitality industries.

*PreReq: HOS 145*

**HOS 254 Lec: 3 Lab: 0 Cred: 3 CI**  
**Catering Management**

This course is a study of the culinary business's logistical and entrepreneurial aspects of catering management. Emphasis is placed on food preparation, transportation, presentation and cost controls in a variety of settings. Students observe local catering operations through class tours and guest lecture appearances.

*PreReq: HOS 101 or HOS 110, HOS 154*

**HOS 255 Lec: 3 Lab: 0 Cred: 3 CI**  
**Food Service Management**

This course is a study of operational food service management. Topics include food service operations, layout and design of restaurants, marketing and sales promotion, food and beverage procedures, and public relations.

*PreReq: HOS 101 or HOS 110, HOS 154, HOS 159, HOS 245*

**HOS 256 Lec: 3 Lab: 0 Cred: 3 CI**  
**Hospitality Management Concepts**

This course is a study of the theory and principles of management as applied to the hospitality industry.

**HOS 258 Lec: 3 Lab: 0 Cred: 3 CI**  
**Convention Management**

This course is a study of acquiring, soliciting and servicing convention or individual properties in the hospitality industry.

**HOS 262 Lec: 3 Lab: 0 Cred: 3 CI**  
**Hospitality Software Applications**

This course includes using microcomputer software to manage various areas of the hospitality industry.

*PreReq: CPT 101 or departmental approval*

**HOS 265 Lec: 3 Lab: 0 Cred: 3 CI**  
**Hotel, Restaurant and Travel Law**

This course covers legal foresight for hospitality management. Topics include litigation involving dining and lodging responsibilities of the innkeeper.

**HOS 266 Lec: 3 Lab: 0 Cred: 3 CI**  
**Destination Tour Management**

This course covers the development and management of group tours at the tourist destination, including idea conception, logistic planning, financial management, supplier relations, marketing and staff training. Students analyze tours offered by area operators and develop their own tours.

**HOS 272 Lec: 0 Lab: 12 Cred: 3 CI**  
**SCWE in Hospitality/Tourism Management**

This course integrates hospitality skills at an approved work site related to the hospitality industry.

*PreReq: Departmental approval*

**HOS 277 Lec: 0 Lab: 12 Cred: 3 CI**  
**SCWE in Culinary Arts**

This course integrates culinary skills at an approved work site related to the culinary industry.

*PreReq: Departmental approval*

**HOS 280 Lec: 1 Lab: 6 Cred: 3 CI**  
**Butchery and Charcuterie**

This course develops advanced skills in butchering of meat and poultry products. Students will learn to turn lesser-used cuts into artisan charcuteries, sausages and cured meats and to break down primal cuts of beef, lamb, veal, pork and wild game, turning pieces into retail or restaurants cuts.

*PreReq: HOS 227 or permission of instructor*

**HOS 281 Lec: 1 Lab: 6 Cred: 3 CI**  
**Seafood Cookery**

This course develops advanced skills in filleting and cooking seafood and shellfish. Students will fabricate whole fish for use in various cooking methods as well as identify local and imported fish. Students will also study the seafood industry and its importance to the economy and environment.

*PreReq: HOS 201 or permission of instructor*

**HRT 001 Lec: Lab: Cred:**

Indicates credit given for horticulture course work transferred from another college for which there is no equivalent course at TTC.

**HRT 101 Lec: 2 Lab: 3 Cred: 3 IT**  
**Introduction to Horticulture**

This course covers the basic principles of horticulture as it relates to commercial production.

**HRT 102 Lec: 3 Lab: 3 Cred: 4 IT**  
**Landscape Design**

This course is a study of landscape design principles and the application of landscape drafting techniques and plant selection to produce a finished landscape plan.

**HRT 106 Lec: 1 Lab: 3 Cred: 2 IT**  
**Ornamentals**

This course is a survey of ornamentals that can be grown in local gardens. Emphasis is on form, texture, size, color, blooming season, culture, and botanical and common names. Plant materials include ground covers, vines, grasses, palms and some shrubs.

**HRT 107 Lec: 1 Lab: 3 Cred: 2 IT**  
**Woody Ornamentals**

This course is a survey of deciduous and evergreen ornamentals that can be grown in local gardens. Emphasis is on form, texture, size, color, blooming season, culture, and botanical and common names.

**HRT 108 Lec: 1 Lab: 3 Cred: 2 IT**  
**Annuals and Perennials**

This course is a survey of herbaceous plants, both annual and perennial, that can be grown in local gardens. Emphasis is on form, texture, size, blooming season, color, culture, and botanical and common names.

**HRT 110 Lec: 3 Lab: 3 Cred: 4 IT**  
**Plant Form and Function**

This course is a study of morphology, anatomy and physiology of higher plants. Emphasis is on plant structure, functions of plant parts, plant processes, plant growth and development, and plant inheritance.

**HRT 111 Lec: 1 Lab: 3 Cred: 2 IT**  
**Foliage Plants**

This course is a survey of herbaceous plants suitable for indoor culture and includes those varieties used in interior landscaping. Emphasis is on identification and interior landscape design.

**HRT 121 Lec: 2 Lab: 3 Cred: 3 IT**  
**Commercial Irrigation**

This course examines the use of irrigation in the landscape industry with emphasis on design, equipment suitability, water application procedures and construction. Design projects and job bidding also are included.

**HRT 125 Lec: 3 Lab: 3 Cred: 4 IT**  
**Soils**

This course is a study of soils and plant nutrition. Emphasis is on physical and chemical properties, water, organic matter and life of soils. Materials and methods for supplying nutrients to plants are included.

**HRT 130 Lec: 2 Lab: 3 Cred: 3 IT**  
**Greenhouse Production**

This course is a study of the basics of greenhouse production. Emphasis is on greenhouse soils, watering, fertilization, pest control, climate control and calculation of production costs.

**HRT 139 Lec: 2 Lab: 3 Cred: 3 IT**  
**Plant Propagation**

This course is a study of the fundamental principles and techniques involved in plant propagation.

**HRT 144 Lec: 2 Lab: 3 Cred: 3 IT**  
**Plant Pests**

This course is a study of horticulturally important insects, plant diseases and weeds. Emphasis is on identification, prevention and control.

**HRT 153 Lec: 2 Lab: 3 Cred: 3 IT**  
**Landscape Construction**

This course covers the requirements and techniques of landscape construction. Emphasis is on construction of wood, concrete, brick landscape structures, lighting, water features and drainage.

**HRT 171 Lec: 2 Lab: 3 Cred: 3 IT**  
**Landscape Business Techniques**

This course explores ownership and operation of a landscape business. Topics include basic business procedures, finance, employee benefits and license requirements with emphasis on business start-up procedures.

**HRT 212 Lec: 2 Lab: 3 Cred: 3 IT**  
**Commercial Landscape Design**

This course is a study of landscaping principles and practices with emphasis on large commercial or public landscape developments. Students are introduced to landscape design using computers.

*PreReq: HRT 102 or advisor approval*

**HRT 240 Lec: 3 Lab: 3 Cred: 4 IT**  
**Pesticides**

This course is a study of the application of herbicides, insecticides and fungicides. Emphasis is on current certification materials, calibration problems and application of pesticides over large areas.

**HRT 241 Lec: 2 Lab: 3 Cred: 3 IT**  
**Turf Management**

This course is a study of the identification, use, culture and maintenance of turf grasses. Emphasis is on installing and managing turf in residential, commercial and public areas.

**HRT 254 Lec: 1 Lab: 3 Cred: 2 IT**  
**Landscape Maintenance**

This course is a study of the methods and procedures used in an overall approach to the maintenance of annuals, perennials, turf, shrubs and trees in a large-scale area.

**HSS 101 Lec: 3 Lab: 0 Cred: 3 HS**  
**Introduction to Humanities**

This course is an introduction to themes, critical approaches and major contributors to the humanities. (Nondegree credit)

**HSS 102 Lec: 3 Lab: 0 Cred: 3 HS**  
**Critical Thinking in the Humanities**

This course is a study of history and art to develop critical thinking skills through appreciating major themes and contributions in the humanities. (Nondegree credit)

**HSS 201 Lec: 3 Lab: 0 Cred: 3 HS**  
**Issues in Humanities**

Through a study of interpersonal relationships and communication, this course provides a multi-cultural overview of the classic issues in the humanities and their implications for shaping morals, ethics and values. Major emphasis is on the development of group and individual competencies in effective oral communication skills.

**HUM 001 Lec: Lab: Cred:**

Indicates credit given for humanities course work transferred from another college for which there is no equivalent course at TTC.

**HUS 001 Lec: Lab: Cred:**

Indicates credit given for human services course work transferred from another college for which there is no equivalent course at TTC.

**HUS 101 Lec: 3 Lab: 0 Cred: 3 CF**  
**Introduction to Human Services**

This course covers an overview of the field of human services. Role responsibilities, problems, boundaries and strategies of human services delivery are included.

**HUS 102 Lec: 3 Lab: 0 Cred: 3 CF**  
**Personal and Professional Development in Helping Professions**

This course provides students with the opportunity to gain a greater awareness of self through values, clarification activities, reflective writings, etc., and to understand how attitudes, values and beliefs impact both their personal and professional lives.

**HUS 110 Lec: 1 Lab: 0 Cred: 1 CF**  
**Orientation to Human Services**

This course is a study of the regional human services curriculum, agencies in the service area, curriculum requirements and career opportunities.

**HUS 112 Lec: 2 Lab: 0 Cred: 2 CF**  
**Services for the Elderly**

This course studies the services available for older adults, including health, social services, recreation, financial and educational services.

**HUS 150 Lec: 1 Lab: 6 Cred: 3 CF**  
**Supervised Field Placement I**

This course includes work experience assignments by students in selected human services agencies. To be eligible for field placement, the student must have completed 24 hours of the HUS curriculum.

**HUS 201 Lec: 3 Lab: 0 Cred: 3 CF**  
**Family System Dynamics**

This course examines the role of family structure, interaction and other dynamics in the development, maintenance and treatment of family dysfunctions.

**HUS 205 Lec: 3 Lab: 0 Cred: 3 CF**  
**Gerontology**

This course is a survey of the physical, social and mental changes that occur as a person ages. The related problems and current programs designed for people age 55 and over are studied in the course.

**HUS 208 Lec: 3 Lab: 0 Cred: 3 CF**  
**Alcohol and Drug Abuse**

This course is a study of the etiology of alcohol and drug abuse; various types of addictive substances; physical, mental and social implications, programs in rehabilitation; and preventive education.

**HUS 209 Lec: 3 Lab: 0 Cred: 3 CF**  
**Case Management**

This course covers accepted methods and strategies for effectively assessing client needs, accessing necessary provider agencies, and monitoring and properly documenting service delivery and client welfare.

**HUS 210 Lec: 3 Lab: 0 Cred: 3 CF**  
**Communication with Deaf and Hard of Hearing Consumers**

In this course students will continue to develop skills in ASL vocabulary, grammar and usage and develop strategies for working with deaf and hard of hearing consumers and their families.

*PreReq: ECD 253 Communication Systems for ECSE or an approved ASL 1 course*

**HUS 212 Lec: 3 Lab: 0 Cred: 3 CF**  
**Survey of Disabilities and Disorders**

This course is a survey of the major categories of disabilities and disorders with which the helping professional is most likely to work. These will include, but not be limited to, developmental and psychological disorders, visual and hearing impairment and physical disabilities resulting from injury or disease.

**HUS 213 Lec: 3 Lab: 0 Cred: 3 CF**  
**Developmental Disabilities Program Planning**

This course explores the range of services and support that people with disabilities and their families currently use, and the laws and regulations that both establish and manage those services.

*PreReq: HUS 212*

**HUS 214 Lec: 3 Lab: 0 Cred: 3 CF**  
**Health, Wellness and Nutrition for Special Populations**

This course explores theoretical etiologies, current thinking and current trends in the field of health and wellness in gerontology and developmental disabilities.

*PreReq: HUS 212*

**HUS 217 Lec: 3 Lab: 0 Cred: 3 CF**  
**Addictions Counseling**

This course provides specific skills for the diagnosis and treatment of substance abuse and addictions. Topics to be discussed include causes and diagnoses of addictions and treatment modalities.

*PreReq: HUS 231*

**HUS 218 Lec: 3 Lab: 0 Cred: 3 CF**  
**Addictions Counseling II**

This course introduces addiction treatment theories and their implementation, including the intricacies of alcohol and drug treatment confidentiality guidelines and ethical concerns. Students learn to transition from assessment to treatment planning and goal setting in the clinical environment.

*PreReq: HUS 217*

**HUS 222 Lec: 3 Lab: 0 Cred: 3 CF**  
**Leadership Development in Human Services**

This course provides an overview of human services leadership and professional development principles; historical and contemporary issues common to human services management and administration; and comparative analyses of the personal and professional development philosophies of leaders in the human services field.

*PreReq: HUS 101*

**HUS 230 Lec: 3 Lab: 0 Cred: 3 CF**  
**Interviewing Techniques**

This course covers the development of skills necessary for interviews in various organizational settings. Students in human services will use these skills and knowledge later on in their supervised field placements.

**HUS 231 Lec: 3 Lab: 0 Cred: 3 CF**  
**Counseling Techniques**

This course is a study of a variety of counseling techniques necessary to assist qualified therapists in a variety of therapeutic settings. Students demonstrate procedures and knowledge of basic counseling theories and techniques related to human services.

**HUS 235 Lec: 3 Lab: 0 Cred: 3 CF**  
**Group Dynamics**

This course is an examination of the theory and practice of group dynamics. Emphasis is on the application of the value and use of the group process in specialized settings related to human services.

**HUS 237 Lec: 3 Lab: 0 Cred: 3 CF**  
**Crisis Intervention**

This course is a study of the effects of crisis on people, the methods of intervention and other use of multiple resources to re-establish individual function. Students are required to demonstrate mock crisis activities.

**HUS 250 Lec: 1 Lab: 9 Cred: 4 CF**  
**Supervised Field Placement I**

This course includes work experience assignments by students in selected human services agencies.

*PreReq: HUS 150*

**IDS 101 Lec: 3 Lab: 0 Cred: 3 LC**  
**Human Thought and Learning**

This course explores the principles, methods and applications of human thought and learning, including such topics as attention, information processing, problem solving, hypothesis testing, memory, argumentation, learning theory and cognitive awareness. (Nondegree credit)

**IDS 104 Lec: 0 Lab: 3 Cred: 1 OR**  
**Career Exploration**

This course involves the study and application of career assessment and planning, job search and employability skills in preparation for transition in the workplace. (Nondegree credit)

**IDS 201 Lec: 3 Lab: 0 Cred: 3 BT**  
**Leadership Development**

This course focuses on the development of leadership, including philosophy, morals/ethics, and individual ability and style. The course aids students in increasing their understanding of themselves, and the theories and techniques of leadership and group processes by integrating theoretical concepts with the reality of application within a group setting. This includes a major emphasis in the development of group and individual competencies in oral communication skills.

**IMT 102 Lec: 2 Lab: 0 Cred: 2 IT**  
**Industrial Safety**

This course covers proper safety habits to avoid dangerous conditions in an industrial complex. Course topics include positive attitude, personal safety, the proper use of equipment, fire prevention, lockout/tagout, electrical safety and OSHA.

**IMT 105 Lec: 1 Lab: 3 Cred: 2 IT**  
**Mechanical Sketching**

This course provides a hands-on course of instruction in blueprint reading and sketching so the student will be able to utilize analytical and visualization skills in the development of sketching techniques and understanding blueprints.

**IMT 121 Lec: 1 Lab: 3 Cred: 2 IT**  
**Drive Systems**

This course covers drive systems consisting of belts and pulleys, chains and sprockets, and gear drives used to transmit power.

**IMT 124 Lec: 1 Lab: 3 Cred: 2 IT**  
**Pumps**

This course covers packing, seals, couplings, alignment, bearings and rebuilding pumps.

**IMT 131 Lec: 3 Lab: 3 Cred: 4 IT**  
**Hydraulics and Pneumatics**

This course covers the basic technology and principles of hydraulics and pneumatics. Fluid power and variable speed drives also are covered.

**IMT 151 Lec: 2 Lab: 3 Cred: 3 IT**  
**Piping Systems**

This course covers plumbing and piping systems used in industrial, commercial and/or residential construction. Emphasis will be placed on the reading and sketching of piping schematics as well as the fabrication and design of piping systems.

**IMT 160 Lec: 2 Lab: 3 Cred: 3 IT**  
**Preventive Maintenance**

This course covers preventive maintenance techniques, lubrication, bearing, mechanical troubleshooting and the use of computers in maintenance.

**IMT 163 Lec: 2 Lab: 3 Cred: 3 IT**  
**Problem Solving for Mechanical Applications**

This course covers troubleshooting techniques such as critical thinking in mechanical situations, practical problem-solving techniques, and mechanical procedures with heavy emphasis on computational and analytical problem-solving skills.

**IST 161 Lec: 3 Lab: 0 Cred: 3 BT**  
**Introduction to Network Administration**

This course is an introductory study of networking operating system administration. Techniques of installation and administration of a networking operating system will be included. Microsoft desktop and server operating systems will be used in this class.

**IST 163 Lec: 3 Lab: 0 Cred: 3 BT**  
**Introduction to Server Networking Configuration Administration**

This course is a study of installing and configuring a local area network (LAN). Tasks will include system design, installation and configuration, system policies, partitions, files, volume, and support of applications running under the server software. Additionally, remote access service (RAS), Internet service and compatibility issues will be introduced.

*PreReq: IST 161*

**IST 164 Lec: 3 Lab: 0 Cred: 3 BT**  
**Implementing Windows Network Infrastructure Services**

This course is a study of the fundamentals of installing, configuring and utilizing windows networking services while exploring techniques used to design, create and implement secure communications across the networks, which may consist of multiple vendors. Emphasis is also provided on support of remote users and central management concepts. This course covers the objectives of the associated Microsoft MCSE certification.

*PreReq: IST 161*

**IST 165 Lec: 3 Lab: 0 Cred: 3 BT**  
**Implementing and Administering Windows Directory Services**

This course is a study of directory services covering the planning, design, installation, configuration and administration of a network directory structure.

*PreReq: IST 161*

**IST 166 Lec: 3 Lab: 0 Cred: 3 BT**  
**Network Fundamentals**

This course is a study of local area networking concepts through discussions on connectivity, communications and other networking fundamentals. The course is designed to prepare the student to be successful in completing industry network fundamental certification exams.

**IST 190 Lec: 3 Lab: 0 Cred: 3 BT**  
**Linux Essentials**

This course will provide students with the fundamental knowledge and concepts of the Linux operating system, including command line functions, file systems, user and group administration, process management, text editors, and network applications. This course helps students prepare for the CompTIA Linux+ certification exam.

*PreReq: CPT 102*

**IST 191 Lec: 3 Lab: 0 Cred: 3 BT**  
**Linux System Administration**

This course will provide students with the skills necessary to administer a Linux system, including hardware/software configuration, user and group administration, Linux network configuration, and file system management. This course helps students prepare for the Novell Certified Linux Professional exam.

*PreReq: IST 190*

**IST 192 Lec: 3 Lab: 0 Cred: 3 BT**  
**Linux Network Applications**

This course will provide students with the skills necessary to deploy and administer the core networking services in a Linux system, such as Apache Web Server, Samba File Server, BIND Domain Name Service, NFS, and others. This course helps students prepare for the Novell Certified Linux Professional exam.

*PreReq: IST 191*

**IST 201 Lec: 3 Lab: 0 Cred: 3 BT**  
**Cisco Internetworking Concepts**

This course is a study of current and emerging computer networking technology. Topics include safety, networking, network terminology and protocols, network standards, LANs, WANs, OSI model, cabling tools, Cisco routers, router programming, star topology, IP addressing and network standards.

**IST 202 Lec: 3 Lab: 0 Cred: 3 BT**  
**Cisco Router Configuration**

This course is a study of LANs, WANs, OSI model, Ethernet, token ring, FDDI, TCP/IP protocol, dynamic routing, and the network administrator's role and function.

*PreReq: IST 201*

**IST 203 Lec: 3 Lab: 0 Cred: 3 BT**  
**Advanced Cisco Router Configuration**

This course is a study of configuring Cisco routers.

*PreReq: IST 202*

**IST 204 Lec: 3 Lab: 0 Cred: 3 BT**  
**Cisco Troubleshooting**

This course is a study of troubleshooting network problems.

*PreReq: IST 203*

**IST 205 Lec: 3 Lab: 0 Cred: 3 BT**  
**Cisco Advanced Routing**

This course is a study of the concepts and technologies of extending IP addresses, routing principles, scalable routing protocols, managing traffic and access, and building and optimizing scalable Internetworks. This course helps students prepare for the Cisco Routing Exam, which is required for the Cisco Certified Network Professional (CCNP) credential in routing and switching.

*PreReq: IST 204*

**IST 206 Lec: 3 Lab: 0 Cred: 3 BT**  
**Cisco Remote Access**

This course is a study of building a remote access network to interconnect central sites to branch offices and home office/telecommuters, control access to the central site and maximize bandwidth utilization over the remote links. This course helps students prepare for the Cisco Remote Access Exam, which is required for the Cisco Certified Network Professional (CCNP) credential in routing and switching.

*PreReq: IST 204*

**IST 207 Lec: 3 Lab: 0 Cred: 3 BT**  
**Cisco Multilayer Switching**

This course is a detailed study of how routing and switching technologies work together. Included is an in-depth analysis of combining layer 2 and layer 3 switching technologies. This course helps students prepare for the Cisco Switching Exam, which is required for the Cisco Certified Network Professional (CCNP) credential in routing and switching.

*PreReq: IST 204*

**IST 208 Lec: 3 Lab: 0 Cred: 3 BT**  
**Cisco Internetwork Troubleshooting**

This course is a study of how to perform fundamental hardware maintenance and advanced troubleshooting tasks on Cisco routers and switches. This course helps students prepare for the Cisco Support Exam, which is required for the Cisco Certified Network Professional (CCNP) credential in routing and switching.

*PreReq: IST 205, IST 206, IST 207*

**IST 209 Lec: 3 Lab: 0 Cred: 3 BT**  
**Fundamentals of Wireless LANs**

This introductory course is the study of design, installation, configuration, operations and troubleshooting of wireless LANs. The course includes an overview of wireless technologies, standards, devices, security, design and best practices, emphasizing real-world applications and skills.

*PreReq: IST 204*

**IST 220 Lec: 3 Lab: 0 Cred: 3 BT**  
**Data Communications**

This course is a study of the fundamentals of data communications. Basic signaling, networking and various transmission media are covered.

**IST 225 Lec: 3 Lab: 0 Cred: 3 BT**  
**Internet Communications**

This course covers introductory topics and techniques associated with Internet communications. Techniques on how to use and access various types of information as well as how to find resources and navigate the Internet are included. This course is recommended for elective credit for CPT majors. It also is recommended that students enrolling in IST 225 be familiar with Windows GUI.

**IST 239 Lec: 3 Lab: 0 Cred: 3 BT**  
**Datum and JavaScript**

This course includes concepts and skills for developing dynamic functionality and interactivity for Web sites using JavaScript: variables, operators, conditionals, functions, objects (image and form), properties, methods, cookies, frames and arrays. This course covers the basics of the JavaScript language, how to place JavaScript into an HTML file and advanced JavaScript topics such as event handlers, arrays, forms and cookies.

*PreReq: CPT 220 and CPT 114 or CPT 232*

**IST 250 Lec: 3 Lab: 0 Cred: 3 BT**  
**Network Management**

This course is a study of planning, organizing and controlling telecommunication functions for the potential telecommunications manager. It emphasizes current situations and techniques.

*PreReq: IST 190*

**IST 253 Lec: 3 Lab: 0 Cred: 3 BT**  
**LAN Service and Support**

This course focuses on installing, maintaining and troubleshooting local area networks in a lab environment. This course covers learning objectives associated with CompTIA Server+ certification.

*PreReq: CPT 210*

**IST 259 Lec: 3 Lab: 0 Cred: 3 BT**  
**Electronic Messaging**

This course is a study of electronic mail system software including the system architecture. The course covers the concepts and methods employed in the generation, storage, and transmission of electronic mail messages and the implementation, configuration, and administration of messaging software. This course will provide coverage of the learning objectives associated with the Microsoft 070-284 MCP certification.

*PreReq: IST 161*

**IST 263 Lec: 3 Lab: 0 Cred: 3 BT**  
**Designing Windows Network Security**

This course is an advanced study of security features of networks including authentication protocol, public key infrastructure, IPSEC and certificate servers. Includes configuring, maintaining and securing an array of network services on Linux servers via Linux clients. Covers general security, encryption and authentication for user, file and data security. Identifies the threats to network security and the tools to protect the network; e.g., firewalls, proxies, tunnelling, Virtual Private Networks (VPNs) and network intrusion detection systems.

*PreReq: IST 165*

**IST 272 Lec: 3 Lab: 0 Cred: 3 BT**  
**Relational Database**

This course provides a comprehensive foundation in both SQL and relational database design and implementation. Dynamic and embedded SQL programming techniques are emphasized. Additional topics include forms developer, triggers, stored procedures, and PL/SQL programming.

*PreReq: CPT 242*

**IST 281 Lec: 3 Lab: 0 Cred: 3 BT**  
**Presentation Graphics**

This course covers the state-of-the-art presentation graphics packages. All projects are completed using Microsoft PowerPoint.

**IST 286 Lec: 0 Lab: 9 Cred: 3 BT**  
**Technical Support Internship I**

This course is an entry-level technical support/help desk internship. Students intern at the College's help desk and provide support to faculty and staff. Students will participate in weekly evaluation sessions of calls and solutions.

*PreReq: CPT 209, CPT 210, IST 161*

**IST 287 Lec: 0 Lab: 9 Cred: 3 BT**  
**Technical Support Internship II**

This course is an intermediate-level technical support/help desk internship. Students intern at the College's help desk and provide support to faculty and staff. The student prepares a portfolio for submission.

*PreReq: IST 286*

**IST 291 Lec: 3 Lab: 0 Cred: 3 BT**  
**Fundamentals of Network Security I**

This course is a study of introductory levels of security processes based on a security policy, emphasizing hands-on skills in the area of secure perimeter, security connectivity, security management, identity services and intrusion detection. The course prepares students to manage network security. The course also helps the student prepare for the Cisco Systems Securing Networks with Cisco Routers and Switches (SNRS) certification exam.

*PreReq: IST 204*

**IST 292 Lec: 3 Lab: 0 Cred: 3 BT**  
**Fundamentals of Network Security II**

This course is a study of advanced security processes based on a security policy, emphasizing hands-on skills in the area of secure perimeter, security connectivity, security management, identity services and intrusion detection. The course prepares students to install/configure secure firewalls. The course also helps students prepare for the Cisco Systems Securing Networks with PIX and ASA (SNPA) certification exam.

*PreReq: IST 204*

**IST 293 Lec: 3 Lab: 0 Cred: 3 BT**  
**IT and Data Assurance I**

This course introduces the basics of network security. Topics covered will include network vulnerabilities and threats, security planning, security technology, network security organization, as well as legal and ethical issues related to network security. This course will provide coverage of the objectives associated with the CompTIA Security+ certification.

*PreReq: CPT 210*

**IST 294 Lec: 3 Lab: 0 Cred: 3 BT**  
**IT and Data Assurance II**

This course introduces methods for attacking a network. Concepts, principles, tools, and techniques for attacking and disabling a network will be covered in the context of understanding how to properly secure a network as a network administrator. This course will provide coverage of the learning objectives associated with the EC-Council Certified Ethical Hacker certification.

*PreReq: IST 293*

**IST 295 Lec: 3 Lab: 0 Cred: 3 BT**  
**Fundamentals of Voiceover IP**

This course is an introduction to features of Voice over IP protocols, including VOIP hardware selection and network design considerations. Concepts include analog and digital voice encoding signaling and Quality of Service and troubleshooting and configuration of VOIP networks.

*PreReq: IST 204*

**JOU 101 Lec: 3 Lab: 0 Cred: 3 HS**  
**Introduction to Journalism**

This course is a study of basic rhetorical and ethical principles of journalistic writing for news media including newspapers, journals, radio and television.

*PreReq: ENG 100 with a minimum grade of C, appropriate test scores or writing sample*

**LEG 001 Lec: Lab: Cred:**

Indicates credit given for paralegal course work transferred from another college for which there is no equivalent course at TTC.

**LEG 120 Lec: 3 Lab: 0 Cred: 3 LR**  
**Torts**

This course is a study of the various classifications and functions of tort law, including intentional and negligent torts, causation, proximate cause and defenses.

*PreReq: LEG 135 or advisor approval*

**LEG 132 Lec: 3 Lab: 0 Cred: 3 LR**  
**Legal Bibliography**

This course is a study of the methods of legal research, proper citation of authority, use of legal treatises, texts, reporters and digests.

*PreReq: LEG 135 or advisor approval*

**LEG 135 Lec: 3 Lab: 0 Cred: 3 LR**  
**Introduction to Law and Ethics**

This course provides a general introduction to law, including courts, legal terminology, procedures, systems and laws of society. Emphasis is on ethics and the role of the paralegal in the legal system.

*PreReq: ENG 101 or advisor approval*

**LEG 201 Lec: 3 Lab: 0 Cred: 3 LR**  
**Civil Litigation I**

This course is a study of the principles of litigation and the rules of procedure for each court in the South Carolina system, including pleading, practice and discovery procedures.

*PreReq: ENG 101 or advisor approval*

**LEG 213 Lec: 3 Lab: 0 Cred: 3 LR**  
**Family Law**

This course includes an examination of the laws of marriage, divorce, annulment, separation, adoption, custody and the juvenile.

*PreReq: LEG 135, LEG 201, LEG 132 or advisor approval*

**LEG 214 Lec: 3 Lab: 0 Cred: 3 LR**  
**Property Law**

This course includes an overview of South Carolina property law, including the mechanics of various commercial and private property transactions and mortgage foreclosures.

*PreReq: LEG 135, LEG 201 or advisor approval*

**LEG 230 Lec: 3 Lab: 0 Cred: 3 LR**  
**Legal Writing**

This course includes methods, techniques and procedures for the research and preparation of legal memoranda, trial and appellate briefs, and trial notebooks.

*PreReq: LEG 132, LEG 135 or advisor approval*

**LEG 231 Lec: 3 Lab: 0 Cred: 3 LR**  
**Criminal Law**

This course includes a study of the definition and classification of criminal offenses, criminal responsibility and legal procedures in a criminal prosecution.

**LEG 233 Lec: 3 Lab: 0 Cred: 3 LR**  
**Wills, Trusts and Probate**

This course includes a detailed study of testacy and intestacy, preparation of wills and codicils, fundamentals of execution using testamentary and inter vivos trusts, and probate administration.

*PreReq: LEG 135, LEG 201 or advisor approval*

**LEG 234 Lec: 3 Lab: 0 Cred: 3 LR**  
**Title Examination Procedures I**

This course is a study of the common law and statutory requirements related to the transfer of real property with utilization of the appropriate indexes and documents in the appropriate city and county offices.

*PreReq: LEG 135, LEG 201, LEG 214 or advisor approval*

**LEG 240 Lec: 3 Lab: 0 Cred: 3 LR**  
**Claims Investigation**

This course is an in-depth study of investigating claims, interviewing and taking statements, collecting data, and assembling and presenting evidence.

*PreReq: LEG 120, LEG 132, LEG 135, LEG 201 or advisor approval*

**LEG 242 Lec: 3 Lab: 0 Cred: 3 LR**  
**Law Practice Workshop**

This course includes the application of substantive knowledge in a practical situation as a paralegal.

*PreReq: LEG 132, LEG 135, LEG 201 or advisor approval*

**LEG 244 Lec: 3 Lab: 0 Cred: 3 LR**  
**Special Projects for Paralegals**

This course provides specialized paralegal training with an update on changes in laws and procedures.

*PreReq: LEG 135, LEG 201 or advisor approval*

**LIT 001 Lec: Lab: Cred:**

Indicates credit given for literature course work transferred from another college for which there is no equivalent course at TTC.

**MAT 001 Lec: Lab: Cred:**

Indicates credit given for rigorous calculus-track mathematics course work transferred from another college for which there is no equivalent course at TTC.

**MAT 002 Lec: Lab: Cred:**

Indicates credit given for transfer-level mathematics course work transferred from another college for which there is no equivalent course at TTC.

**MAT 013 Lec: 1 Lab: 0 Cred: 1 LC**  
**Developmental Mathematics (Challenge)**

This course is intended for students who need help in basic arithmetic skills. Based on assessment of student needs, instruction includes performing the four arithmetic operations with whole numbers, fractions, decimals, percents, and an introduction to measurement, algebraic and geometric concepts. Word problem skills are emphasized. This course is an option for the student whose performance on the College's placement test places him or her in Developmental Mathematics (MAT 032), but whose scores fall within the challenge range. This one-credit course provides 15 contact hours of study and review for students who need only a short course to satisfy the competencies of Developmental Mathematics (MAT 032). The successful student will pass the departmental examination and may enroll in the next course. (Nondegree credit)

*PreReq: Students who score within the challenge range for the course are recommended to enroll in this course. The student's advisor should confirm that the student's placement score on pre-algebra falls within the qualifying range.*

**MAT 032 Lec: 3 Lab: 0 Cred: 3 LC**  
**Developmental Mathematics**

This course includes a review of arithmetic skills and focuses on the study of measurement and geometry, basic algebra concepts and data analysis. Application skills are emphasized. (Nondegree credit)

*PreReq: Appropriate test score*

**MAT 101 Lec: 3 Lab: 0 Cred: 3 SM**  
**Beginning Algebra**

This course includes the following topics: operations with signed numbers; addition, subtraction, multiplication and division with algebraic expressions; factoring; techniques for solving linear and fractional equations; and an introduction to graphing. This course is designed for the student with little or no previous experience in algebra. (Nondegree credit)

*PreReq: MAT 032, MAT 013 or appropriate test scores*

**MAT 102 Lec: 3 Lab: 0 Cred: 3 SM**  
**Intermediate Algebra**

This course includes properties of numbers, fundamental operations with algebraic expressions, systems of equations, ratio and proportion, factoring, functions, graphs, solutions of linear inequalities, and linear and quadratic equations. (Nondegree credit)

*PreReq: MAT 101 or MAT 152, minimum grade of C*

**MAT 110 Lec: 3 Lab: 0 Cred: 3 SM**  
**College Algebra**

This course includes polynomial, rational, logarithmic and exponential functions; inequalities; systems of equations and inequalities; matrices, determinants and simple linear programming; solutions of higher degree polynomials; combinatorial algebra including the binomial theorem; and introduction to probability.

*PreReq: MAT 102, minimum grade of C. Students may not receive credit for both MAT 110 and MAT 112.*

**MAT 111 Lec: 3 Lab: 0 Cred: 3 SM**  
**College Trigonometry**

This course includes circular functions, trigonometric identities, solution of right and oblique triangles, solution of trigonometric equations, polar coordinates, complex numbers including Demoivre's Theorem, vectors, conic sections, sequences and series.

*PreReq: MAT 110. Students may not receive credit for both MAT 111 and MAT 112.*

**MAT 112 Lec: 5 Lab: 0 Cred: 5 SM**  
**Precalculus**

This course includes algebraic, exponential, logarithmic and trigonometric functions and their graphs; analytic trigonometry; analytic geometry; and applications of trigonometry.

*PreReq: MAT 102 with a grade of B or higher or appropriate test scores. Students who receive credit for MAT 112 may not receive credit for MAT 110 or MAT 111.*

**MAT 120 Lec: 3 Lab: 0 Cred: 3 SM**  
**Probability and Statistics**

This course includes introductory probability and statistics including organization of data, sample space concepts, random variables, counting problems, binomial and normal distributions, central limit theorem, confidence intervals and test of hypothesis for large and small samples, type I and type II errors, linear regression, and correlation.

*PreReq: MAT 101 or MAT 152 or appropriate test scores*

**MAT 123 Lec: 3 Lab: 0 Cred: 3 SM**  
**Contemporary College Mathematics**

This course provides an appreciation and understanding of the mathematics underlying several topics in contemporary society. Topics may include voting methods, apportionment problems, Euler and Hamilton circuits, population growth and fractals.

*PreReq: MAT 102 or appropriate test scores*

**MAT 130 Lec: 3 Lab: 0 Cred: 3 SM**  
**Elementary Calculus**

This course includes differentiation and integration of polynomials; rational, logarithmic and exponential functions; and interpretation and application of these processes. This is a terminal course designed for students who do not wish to take additional calculus courses. Its transferability usually depends on the student's major.

*PreReq: MAT 110 or MAT 112. Students may not receive credit for both MAT 130 and MAT 140.*

**MAT 132 Lec: 3 Lab: 0 Cred: 3 SM**  
**Discrete Mathematics**

This course includes the following topics: mathematical logic and proofs, set operations, relations and digraphs, recurrence relations, combinatorics, and number systems. (This course is designed primarily for computer science students, mathematics majors and engineering students.)

*PreReq: MAT 110 or MAT 112*

**MAT 140 Lec: 4 Lab: 0 Cred: 4 SM**  
**Analytic Geometry and Calculus I**

This course includes derivatives and integrals of polynomials; rational, logarithmic, exponential, trigonometric and inverse trigonometric functions; curve sketching; maxima and minima of functions; related rates; work; and analytic geometry.

*PreReq: MAT 111 or MAT 112. Students may not receive credit for both MAT 140 and 130.*

**MAT 141 Lec: 4 Lab: 0 Cred: 4 SM**  
**Analytic Geometry and Calculus II**

This course continues calculus of one variable, including analytic geometry, techniques of integration, volumes by integration and other applications, infinite series including Taylor series, and improper integrals.

*PreReq: MAT 140*

**MAT 152 Lec: 5 Lab: 0 Cred: 5 SM**  
**Elementary Algebra**

This course includes the following topics: operations with signed numbers, addition, subtraction, multiplication and division with algebraic expressions; factoring; techniques for solving linear and fractional equations; and an introduction to graphing. MAT 152 is designed for the student with little or no previous experience in algebra, as well as the student who has difficulty with mathematics and would benefit from more instructional time with an emphasis on mathematics study skills. (Nondegree credit)

*PreReq: MAT 032, MAT 013, or appropriate test score*

**MAT 155 Lec: 3 Lab: 0 Cred: 3 SM**  
**Contemporary Mathematics**

This course includes techniques and applications of elementary number theory, algebra, geometry, measurement, graph sketching and interpretations, and descriptive statistics.

*PreReq: MAT 032, MAT 013 or appropriate test scores*

**MAT 170 Lec: 3 Lab: 0 Cred: 3 SM**  
**Algebra, Geometry and Trigonometry I**

This course includes elementary algebra, geometry, trigonometry and applications.

*PreReq: MAT 101 or MAT 152*

**MAT 240 Lec: 4 Lab: 0 Cred: 4 SM**  
**Analytic Geometry and Calculus III**

This course covers multivariable calculus including vectors, partial derivatives and their applications to maximum and minimum problems with and without constraints, line integrals, multiple integrals in rectangular and other coordinates, and Stokes's and Green's Theorems.

*PreReq: MAT 141*

**MAT 242 Lec: 4 Lab: 0 Cred: 4 SM**  
**Differential Equations**

This course includes solution of linear and elementary nonlinear differential equations by standard methods with sufficient linear algebra to solve systems, applications, series, Laplace transform and numerical methods.

*PreReq: MAT 141*

**MED 102 Lec: 2 Lab: 0 Cred: 2 AH**  
**Introduction to the Medical Assisting Profession**

This course introduces the student to the profession of medical assisting, the legal and ethical concepts related to medical assisting, and the medical terminology of the medical office.

**MED 107 Lec: 3 Lab: 3 Cred: 4 AH**  
**Medical Office Management**

This course is a study of the principles and practices of banking and accounting procedures, billing methods and office management.

*PreReq: MED 102*

**MED 114 Lec: 3 Lab: 3 Cred: 4 AH**  
**Medical Assisting Clinical Procedures**

This course covers examination room techniques, including vital signs, specialty examination, minor surgical techniques and emergency procedures.

*PreReq: AHS 121, AHS 170, MED 102*

**MED 115 Lec: 3 Lab: 3 Cred: 4 AH**  
**Medical Office Lab Procedures I**

This course provides a study of laboratory techniques commonly used in physicians' offices and other facilities, including venipuncture and capillary methods for obtaining blood specimens.

*PreReq: AHS 142, MED 102, physical examination, major medical insurance, Hepatitis B vaccine series*

**MED 131 Lec: 1.5 Lab: 1.5 Cred: 2 AH**  
**Administrative Skills of Medical Office I**

This course introduces the student to the environment of the medical office, the use of computers, patient scheduling, medical records management and written communications.

**MED 132 Lec: 2 Lab: 3 Cred: 3 AH**  
**Administrative Skills of Medical Office II**

This course covers managing the finances of the medical office including daily financial practices, medical insurance and coding, billing and collections, and accounting practices.

*PreReq: MED 131*

**MED 158 Lec: 1 Lab: 21 Cred: 8 AH**  
**Clinical Office Experience**

This course provides practical experience in selected clinical office settings.

*PreReq: MED 114, MED 115*

**MET 001 Lec: Lab: Cred:**

Indicates credit given for mechanical engineering technology course work transferred from another college for which there is no equivalent course at TTC.

**MET 213 Lec: 2 Lab: 3 Cred: 3 ET**  
**Dynamics**

This course includes the motion of rigid bodies and the forces that produce or change their motion. Rectilinear and curvilinear motion of bodies is covered, as well as the concepts of work, power, energy, impulse, momentum and impact in relation to machines and mechanisms.

*PreReq: EGR 190*

**MET 226 Lec: 3 Lab: 3 Cred: 4 ET**  
**Applied Heat Principles**

This course covers energy transfer principles involved in heating, cooling and power cycles. Emphasis is placed on the optimization of thermal efficiency through the study of various thermodynamic cycles.

*PreReq: MAT 111, EGR 110, ENG 101, PHY 201*

**MET 237 Lec: 3 Lab: 3 Cred: 4 ET**  
**Fluids: Principles and Applications**

This course covers the flow of incompressible fluids in pipes using the general energy equation. An analysis of proven hydraulic circuits is included. Compressible fluids will also be studied. Pneumatic systems applications will be explored.

*PreReq: MAT 111, EGR 110, ENG 101*

**MGT 001 Lec: Lab: Cred:**

Indicates credit given for management course work transferred from another college for which there is no equivalent course at TTC.

**MGT 101 Lec: 3 Lab: 0 Cred: 3 BT**  
**Principles of Management**

This course is a study of management theories, emphasizing the management functions of planning, decision making, organizing, leading and controlling.

**MGT 110 Lec: 3 Lab: 0 Cred: 3 BT**  
**Office Management**

This course is a study of various approaches to office organization and management, personnel selection and training, and economics in the modern office.  
*PreReq: CPT 101*

**MGT 120 Lec: 3 Lab: 0 Cred: 3 BT**  
**Small Business Management**

This course is a study of small business management and organization, forms of ownership, and the process of starting a new business.

**MGT 121 Lec: 3 Lab: 0 Cred: 3 BT**  
**Small Business Operations**

This course is a study of the daily operations of an established small business, emphasizing staffing, recordkeeping inventory control and marketing.

**MGT 150 Lec: 3 Lab: 0 Cred: 3 BT**  
**Fundamentals of Supervision**

This course is a study of supervisory principles and techniques required to effectively manage human resources in an organization. First-line management is emphasized.

**MGT 160 Lec: 3 Lab: 0 Cred: 3 BT**  
**Managerial Motivation**

This course is a study of human motivation theories and principles, including various motivational techniques appropriate for use in the business environment.

**MGT 201 Lec: 3 Lab: 0 Cred: 3 BT**  
**Human Resource Management**

This course is a study of personnel administration functions within a business organization. Major areas of study include job analysis; recruitment, selection and assessment of personnel; and salary and benefit administration.

**MGT 210 Lec: 3 Lab: 0 Cred: 3 BT**  
**Employee Selection and Retention**

This course examines how to identify and assess employment needs within an organization. Students will also study the functions of recruitment, selection and training with an emphasis on employee retention.

**MGT 230 Lec: 3 Lab: 0 Cred: 3 BT**  
**Managing Information Resources**

This course is a study of the development, use and management of information resources and systems in business and industry.  
*PreReq: CPT 101 or CPT 102*

**MGT 235 Lec: 3 Lab: 0 Cred: 3 BT**  
**Production Management**

This course is a study of production management techniques used in a manufacturing environment. It covers forecasting, scheduling, inventory, work flow management and quality control.

**MGT 240 Lec: 3 Lab: 0 Cred: 3 BT**  
**Management Decision Making**

This course is a study of various structured approaches to managerial decision making. Extensive case studies and applications are used to reinforce course topics.

**MGT 250 Lec: 3 Lab: 0 Cred: 3 BT**  
**Situational Supervision**

This course is a study of techniques supervisors use to adjust their management styles to different situations and employees.

**MGT 255 Lec: 3 Lab: 0 Cred: 3 BT**  
**Organizational Behavior**

This course is a study of effective individual and group behavior in an organization to maximize productivity, and psychological and social satisfaction.

**MGT 270 Lec: 3 Lab: 0 Cred: 3 BT**  
**Managerial Communication**

This course is a study of the skills used to create a climate for effective communication in the decision-making and problem-solving process.

**MKT 001 Lec: Lab: Cred:**

Indicates credit given for marketing course work transferred from another college for which there is no equivalent course at TTC.

**MKT 101 Lec: 3 Lab: 0 Cred: 3 BT**  
**Marketing**

This course introduces the field of marketing with a detailed study of the marketing concept and the processes of product development, pricing, promotion and marketing distribution.

**MKT 110 Lec: 3 Lab: 0 Cred: 3 BT**  
**Retailing**

This course is a study of the importance of retailing in American business and covers the concepts of store location, layout, merchandising, display, pricing, inventory control, promotional programs, profit management and e-commerce.

**MKT 120 Lec: 3 Lab: 0 Cred: 3 BT**  
**Sales Principles**

This course is a study of the personal selling process with special emphasis on determining customer needs and developing effective communications and presentation skills.

**MKT 130 Lec: 3 Lab: 0 Cred: 3 BT**  
**Customer Service Principles**

This course is a study of the importance of customer service satisfaction and the functions of various customer relations systems.

**MKT 135 Lec: 3 Lab: 0 Cred: 3 BT**  
**Customer Service Techniques**

This course is a study of the techniques and skills required for providing customer service excellence, including illustrations to turn customer relations into high standards of customer service, satisfaction and repeat sales.

**MKT 210 Lec: 3 Lab: 0 Cred: 3 BT**  
**Merchandising**

This course is a study of merchandising techniques, incorporating factors that affect the merchandise mix and relating them to the profit objectives of the business.

**MKT 240 Lec: 3 Lab: 0 Cred: 3 BT**  
**Advertising**

This course is a study of the role of advertising in the marketing of goods and services, including types of advertising, media, how advertising is created, agency functions and regulatory aspects of advertising.

**MKT 250 Lec: 3 Lab: 0 Cred: 3 BT**  
**Consumer Behavior**

This course is a study of the buying behavior process and how individuals make decisions to spend their available resources on consumption-related items.

**MKT 260 Lec: 3 Lab: 0 Cred: 3 BT**  
**Marketing Management**

This course is a study of the marketing system from the decision-maker's view, including how marketing strategies are planned and utilized in the market place.

**MLT 102 Lec: 2 Lab: 3 Cred: 3 AH**  
**Medical Lab Fundamentals**

This course introduces basic concepts and procedures in medical laboratory technology.  
*PreReq: Meet MLT program admission and progression requirements, health examination, major medical insurance, Hepatitis B vaccine series, phlebotomy skills, current CPR certification, SLED check, AHS 142, BIO 112, CHM 110, CPT 101, MAT 110*

**MLT 105 Lec: 3 Lab: 3 Cred: 4 AH**  
**Medical Microbiology**

This course provides a survey of organisms encountered in the clinical microbiology laboratory, and includes sterilization and disinfection techniques.  
*PreReq: MLT 102*

**MLT 108 Lec: 1 Lab: 6 Cred: 3 AH**  
**Urinalysis and Body Fluids**

This course introduces the routine analysis and clinical significance of urine and other body fluids.  
*PreReq: MLT 102*

**MLT 110 Lec: 3 Lab: 3 Cred: 4 AH**  
**Hematology**

This course provides an introduction to the study of hematology, including terminology, safety and techniques for routine laboratory procedures.  
*CoReq: MLT 102*

**MLT 112 Lec: 1 Lab: 3 Cred: 2 AH**  
**Introduction to Parasitology**

This course provides an introductory study of human parasites, including classification, life cycles, vectors and differential morphology of the medically important parasites.  
*PreReq: ENG 101 or equivalent, advisor approval*

**MLT 115 Lec: 2 Lab: 3 Cred: 3 AH**  
**Immunology**

This course provides a study of the immune system, disease states and the basic principles of immunological testing.  
*PreReq: MLT 102, MLT 110*

**MLT 120 Lec: 3 Lab: 3 Cred: 4 AH**  
**Immunohematology**

This course introduces the theory and practice of blood banking, including the ABO, Rh and other blood group systems; compatibility testing; and hemolytic disease of the newborn.  
*PreReq: MLT 102, MLT 115, MLT 110*

**MLT 130 Lec: 3 Lab: 3 Cred: 4 AH**  
**Clinical Chemistry**

This course focuses on the study of nutritional, functional and excretional chemicals in blood and body fluids, including testing techniques and clinical significance.

*PreReq: MLT 102, MLT 219*

**MLT 205 Lec: 3 Lab: 3 Cred: 4 AH**  
**Advanced Microbiology**

This course provides a detailed study of microorganisms and the currently accepted procedures for identification of these microorganisms in the clinical laboratory.

*PreReq: MLT 105*

**MLT 210 Lec: 3 Lab: 3 Cred: 4 AH**  
**Advanced Hematology**

This course provides a study of diseases of blood cells and hematologic procedures including coagulation.

*PreReq: MLT 110*

**MLT 219 Lec: 2 Lab: 3 Cred: 3 AH**  
**Clinical Instrumentation**

This course provides the theory and application of clinical laboratory instrumentation, including calibration, operation and maintenance.

*CoReq: MLT 102*

**MLT 270 Lec: 2 Lab: 30 Cred: 12 AH**  
**Clinical Applications**

This course provides sequential practical experience in selected areas of a supervised clinical setting.

*PreReq: MLT 108, MLT 112, MLT 120, MLT 130, MLT 205, MLT 210, MLT 219*

**MMT 110 Lec: 3 Lab: 0 Cred: 3 BT**  
**Inventory Management**

This course covers how to plan and control inventory. The course content relates inventory management to materials equipment plan and JIT environments.

**MMT 135 Lec: 3 Lab: 0 Cred: 3 BT**  
**Shipping Operations**

This course is a study of manual and computer assisted shipping procedures; shipping forms and documentation; packaging, sealing, weighing and labeling shipments; selecting the best mode of transportation; and calculating freight charges.

**MTH 120 Lec: 3.5 Lab: 1.5 Cred: 4 AH**  
**Introduction to Massage**

A comprehensive introduction to therapeutic massage including history, theories, benefits, contraindications, ethical considerations and S.C. law for licensure. Swedish techniques are introduced.

*PreReq: Admission into Massage Therapy program*

**MTH 121 Lec: 3.5 Lab: 1.5 Cred: 4 AH**  
**Principles of Massage I**

This course is an in-depth study of Swedish massage techniques and application to a complete body massage.

*PreReq: MTH 120*

**MTH 122 Lec: 3 Lab: 3 Cred: 4 AH**  
**Principles of Massage II**

This course introduces basic assessment skills and applications of therapeutic techniques to deep soft tissue and structure.

*PreReq: MTH 121*

**MTH 124 Lec: 3 Lab: 0 Cred: 3 AH**  
**Massage Business Applications**

This course addresses the basic business skills necessary to operate a massage business, including writing resumes, marketing, bookkeeping, taxes and record keeping.

**MTH 127 Lec: 2 Lab: 3 Cred: 3 AH**  
**Principles of Massage III**

This course continues the applications of basic assessment skills and therapeutic techniques to additional regions of the body.

*PreReq: MTH 120*

**MTH 128 Lec: 1 Lab: 9 Cred: 4 AH**  
**Clinical Applications of Massage Therapy**

Students will perform massage therapy in a clinical massage setting. Students will be closely supervised and evaluated by instructors in all aspects of massage.

*PreReq: MTH 127*

**MTT 001 Lec: Lab: Cred:**

Indicates credit given for machine tool technology course work transferred from another college for which there is no equivalent course at TTC.

**MTT 101 Lec: 0.5 Lab: 4.5 Cred: 2 ET**  
**Introduction to Machine Tool**

This course covers the basics in measuring tools, layout tools and bench tools; and basic operations of lathes, mills and drill presses.

**MTT 121 Lec: 3 Lab: 0 Cred: 3 ET**  
**Machine Tool Theory I**

This course covers the principles involved in the production of precision metal parts.

**MTT 122 Lec: 1 Lab: 9 Cred: 4 ET**  
**Machine Tool Practice I**

This course covers practical experiences using the principles in Machine Tool Theory I.

**MTT 123 Lec: 3 Lab: 0 Cred: 3 ET**  
**Machine Tool Theory II**

This course covers the principles involved in machining parts using machine tools, including lathes, mills, drill presses and the attachments for each.

**MTT 124 Lec: 1 Lab: 9 Cred: 4 ET**  
**Machine Tool Practice II**

This course covers the practical application of the principles in Machine Tool Theory II.

**MTT 125 Lec: 3 Lab: 0 Cred: 3 ET**  
**Machine Tool Theory III**

This course covers the principles involved in machining, heat treating and grinding complex metal parts.

*PreReq: MTT 123 or advisor approval*

**MTT 126 Lec: 1 Lab: 9 Cred: 4 ET**  
**Machine Tool Practice III**

This course covers the practical application of the principles in Machine Tool Theory III.

**MTT 141 Lec: 2 Lab: 3 Cred: 3 ET**  
**Metals and Heat Treatment**

This course is a study of the properties, characteristics and heat treatment procedures of metals.

**MTT 143 Lec: 1.5 Lab: 1.5 Cred: 2 ET**  
**Precision Measurements**

This course is a study of precision measuring instruments.

**MTT 215 Lec: 1 Lab: 9 Cred: 4 ET**  
**Tool Room Machining I**

This course covers advanced machine tool operations and introduces basic diemaking.

**MTT 240 Lec: 3 Lab: 0 Cred: 3 ET**  
**Specifications**

This course covers standards and specifications relevant to the metal-working trade.

**MTT 241 Lec: 2 Lab: 0 Cred: 2 ET**  
**Jigs and Fixtures I**

This course includes the theory necessary to design working prints of simple jigs and fixtures.

*PreReq: EGT 106 or advisor approval*

**MTT 250 Lec: 2 Lab: 3 Cred: 3 ET**  
**Principles of CNC**

This course is an introduction to the coding used in CNC programming.

**MTT 253 Lec: 2 Lab: 3 Cred: 3 ET**  
**CNC Programming and Operation**

This course is a study of the planning, programming, selecting, tooling, determining speeds and feeds, setting, operating and testing of CNC programs on CNC machines.

*PreReq: MTT 250 or advisor approval*

**MUS 105 Lec: 3 Lab: 0 Cred: 3 HS**  
**Music Appreciation**

This course introduces the study of music focusing on the elements of music and their relationships, the musical characteristics of representative works and composers, common musical forms and genres of various Western and non-Western historical style periods, and appropriate listening experiences.

**MUS 110 Lec: 3 Lab: 0 Cred: 3 HS**  
**Music Fundamentals**

This course is an introduction to the elements of music and music notation with keyboard applications.

**NUR 102 Lec: 2.5 Lab: 4.5 Cred: 4 NU**  
**Basic Nursing Care Skills**

This course introduces basic nursing care skills, which are applied in long-term care. Students successfully completing this course are eligible to take the exam to become a certified Nursing Assistant.

*PreReq: Acceptance into the NA Level, CPR certification, physical examination and all required immunizations/tests including the Hepatitis B vaccine series, major medical insurance, drug screen, criminal background check and mandatory in-service requirements. Clinical requirements must not expire during the semester in which the course is taken.*

**NUR 104 Lec: 2.5 Lab: 4.5 Cred: 4 NU  
Nursing Care Management I**

This course focuses on the knowledge, skills and abilities that are fundamental to nursing practice with application in acute or extended care settings.

*PreReq: Acceptance into the PN Level, successful completion of PN Level Drug Calculation Proficiency or AHS 126, NUR 102, CPR certification, physical examination and all required immunizations/tests including the Hepatitis B vaccine series, major medical insurance, drug screen, criminal background check and mandatory in-service requirements. Clinical requirements must not expire during the semester in which the course is taken.*

*CoReq: BIO 210, ENG 101, PSY 201, NUR 105*

**NUR 105 Lec: 1 Lab: 0 Cred: 1 NU  
Pharmacology for Nurses**

This course is an introduction to the basic concepts of pharmacology related to drug administration. This course includes information on the basics of pharmacology and pharmacodynamics; nursing considerations for safe practice when giving drugs; laws and ethical issues related to drug administration; the appropriate references used to prepare for drug administration; and recognition of drug side effects, interactions and complications of drug therapy.

*PreReq: BIO 210*

*CoReq: BIO 210, NUR 104 or departmental approval*

**NUR 158 Lec: 2.5 Lab: 4.5 Cred: 4 NU  
Health Promotion for Families I**

This course focuses on nursing care of the childbearing and childrearing families experiencing normal developmental changes and common health problems.

*PreReq: NUR 104, CPR certification, clinical health requirements, major medical insurance, drug screen, criminal background check and mandatory in-service requirements. Clinical requirements must not expire during the semester in which the course is taken. BIO 211, PSY 203*

*CoReq: BIO 211, PSY 203*

**NUR 159 Lec: 3 Lab: 9 Cred: 6 NU  
Nursing Care Management II**

This course focuses on the delivery of nursing care to individuals experiencing health problems emphasizing selected physiological systems.

*PreReq: NUR 104, CPR certification, clinical health requirements, major medical insurance, drug screen, criminal background check and mandatory in-service requirements. Clinical requirements must not expire during the semester in which the course is taken. BIO 211, PSY 203*

*CoReq: BIO 211, PSY 203*

**NUR 201 Lec: 3 Lab: 0 Cred: 3 NU  
Transition Nursing**

This course facilitates the transition of the practical nurse graduate to the role of the associate degree nursing student. Students who have achieved advanced placement status examine the implications inherent in the role change to that of registered nurse.

*PreReq: BIO 210, PSY 201, ENG 101, CPT 101, completion of the ADN-level Dosage Calculation Proficiency or AHS 129, BIO 211, PSY 203*

*CoReq: Completion of the ADN-level Dosage Calculation Proficiency or AHS 129, BIO 211, PSY 203*

**NUR 206 Lec: 0 Lab: 6 Cred: 2 NU  
Clinical Skills Application**

This course involves the application of knowledge, skills and abilities in a clinical setting.

*PreReq: NUR 104, CPR certification, clinical health requirements, major medical insurance, drug screen, criminal background check and mandatory in-service requirements. Clinical requirements must not expire during the semester in which the course is taken. BIO 211, PSY 203*

*CoReq: BIO 211, PSY 203*

**NUR 207 Lec: 2.5 Lab: 4.5 Cred: 4 NU**  
**Mental Health Promotion**

This course focuses on the development of the relationship skills necessary for the nurse to function as a therapeutic provider when caring for the individual with common mental health problems.

*PreReq: Acceptance into the ADN Level; successful completion of ADN-level Dosage Calculation Proficiency or AHS 129, BIO 210, BIO 211, NUR 209 or NUR 201, ENG 101, PSY 201, PSY 203, and CPT 101; completion of a PN program, CPR certification, physical examination; and all required immunizations/tests including the Hepatitis B vaccine series, major medical insurance, drug screen, criminal background check and mandatory in-service requirements. Clinical requirements must not expire during the semester in which the course is taken.*

*CoReq: BIO 225*

**NUR 208 Lec: 2.5 Lab: 4.5 Cred: 4 NU**  
**Health Promotion for Families II**

This course focuses on reproductive health and nursing care of the childbearing and childrearing families experiencing acute and chronic health problems in the acute care setting.

*PreReq: Acceptance into the ADN Level, successful completion of ADN-level Dosage Calculation Proficiency or AHS 129, BIO 210, BIO 211, NUR 209 or NUR 201, ENG 101, PSY 201, PSY 203, CPT 101, completion of a PN program, CPR certification, physical examination and all required immunizations/tests including the Hepatitis B vaccine series, major medical insurance, drug screen, criminal background check and mandatory in-service requirements. Clinical requirements must not expire during the semester in which the course is taken.*

*CoReq: BIO 225*

**NUR 209 Lec: 2 Lab: 9 Cred: 5 NU**  
**Nursing Care Management III**

This course focuses on the delivery of nursing care to an increasing number of individuals experiencing health problems, emphasizing selected physiological systems. Students successfully completing this course are eligible to apply to take the NCLEX-PN to become a licensed practical nurse.

*PreReq: NUR 158, NUR 159, CWE 112 or NUR 206, CPT 101, CPR certification, clinical health requirements, Hepatitis B vaccine, major medical insurance, drug screen, criminal background check and mandatory in-service requirements. Clinical requirements must not expire during the semester in which the course is taken.*

**NUR 219 Lec: 1 Lab: 9 Cred: 4 NU**  
**Nursing Management and Leadership**

This course prepares the student for the professional nursing role through the introduction of management skills required to care for small groups of individuals and to function as a leader of a nursing team. Students successfully completing this course are eligible to apply to take the NCLEX-RN to become a registered nurse.

*PreReq: NUR 207 and NUR 208, MAT 120, THE 101, CPR certification, clinical health requirements, major medical insurance, drug screen, criminal background check, successful completion of the PN exit exam and mandatory in-service requirements. Clinical requirements must not expire during the semester in which the course is taken.*

*CoReq: MAT 120, THE 101*

**OPH 101 Lec: 3 Lab: 3 Cred: 4 AH**  
**Introduction to Ophthalmic Clinical Assisting**

This course introduces the role, scope and duties of the ophthalmic clinical assistant. Topics include ophthalmic medical terminology, anatomy and physiology of the eye; clinical optics; ocular pharmacology; ocular microbiology; and basic ophthalmic diseases and disorders.

**OPH 103 Lec: 5 Lab: 3 Cred: 6 AH**  
**Ophthalmic Clinical Assisting I**

This course consists of didactic and practical exercises in basic history taking, medical eye examination and adjunctive testing.

**OPH 107 Lec: 2 Lab: 3 Cred: 3 AH**  
**Ophthalmic Refractive Errors**

This course introduces basic theoretical and clinical optics as they apply to refractive states of the eye and the principles of retinoscopy and refractometry.

**OPH 110 Lec: 0 Lab: 15 Cred: 5 AH**  
**Ophthalmic Clinical Assisting Practicum I**

This course consists of practical applications to enhance the student's transition from classroom to the world of work by providing work experiences in a clinical setting.

**OPH 111 Lec: 2 Lab: 3 Cred: 3 AH**  
**Aseptic Technique and Minor Surgery**

This course introduces the basic standards of decontamination, disinfection and sterilization of surgical materials and instruments, as well as the practical skills used before, during and after minor surgery in the office setting.

**OPH 113 Lec: 3 Lab: 3 Cred: 4 AH**  
**Ophthalmic Clinical Assisting II**

This course consists of didactic and practical exercises in basic maintenance of ophthalmic instruments and equipment, general medical knowledge, and patient interactions related to special needs.

**OPH 120 Lec: 0 Lab: 24 Cred: 8 AH**  
**Ophthalmic Clinical Assisting Practicum II**

This course consists of advanced practical applications to enhance the student's work experiences in a clinical setting.

**OPT 112 Lec: 2 Lab: 0 Cred: 2 AH**  
**Optical Dispensing**

This course introduces the basic facts about glasses, dispensing spectacle frames, optical lenses and care of glasses.

**OPT 115 Lec: 2 Lab: 0 Cred: 2 AH**  
**Introduction to Contact Lenses**

This course introduces the basic principles and problems of contact lens types and materials, design, care, insertion and removal.

*PreReq: OPH 113*

**OTA 103 Lec: 2 Lab: 0 Cred: 2 AH**  
**Introduction to Occupational Therapy**

This course introduces the philosophy, history and development of occupational therapy.

*PreReq: Admission into OTA program*

**OTA 130 Lec: .5 Lab: 1.5 Cred: 1 AH**  
**Therapeutic Media I**

This course emphasizes craft media usage for therapeutic purposes.

*PreReq: Admission into OTA program*

**OTA 149 Lec: .5 Lab: 1.5 Cred: 1 AH**  
**Interdisciplinary Community Experiences**

This course introduces interdisciplinary teams of students to working with clients in a variety of community settings. Students will apply the principles of group dynamics and therapeutic media while interacting with groups of clients.

*PreReq: Admission into OTA program*

*CoReq: OTA 103, OTA 213, OTA 130*

**OTA 150 Lec: .5 Lab: 1.5 Cred: 1 AH**  
**Early Intervention Clinical Experience**

This course includes participation in the clinical provision of services for infants and children.

*PreReq: Admission into OTA program*

**OTA 155 Lec: 1.5 Lab: 1.5 Cred: 2 AH**  
**Gerontology**

This course explores the role of occupational therapy with the elderly population, including physical, cognitive and psychosocial changes of aging, sensory loss and compensation. Disease processes and occupational therapy evaluation and treatment principles are emphasized.

*PreReq: OTA 130, OTA 174*

**OTA 160 Lec: 2 Lab: 0 Cred: 2 AH**  
**Adult Psychosocial Dysfunction**

This course presents psychiatric disorders occurring in adulthood. The theory and application of occupational therapy evaluation and treatment principles are included.

*PreReq: OTA 130, OTA 150, OTA 174*

**OTA 165 Lec: 4.5 Lab: 1.5 Cred: 5 AH**  
**Adult Physical Dysfunction**

This course presents physical dysfunctions occurring in adulthood. Disease processes and theory and application of occupational therapy evaluation and treatment principles are included.

*PreReq: OTA 130, OTA 174, OTA 150*

**OTA 174 Lec: 5.5 Lab: 1.5 Cred: 6 AH**  
**Pediatric Skills for the Occupational Therapy Assistant**

This course covers dysfunctions that occur in infancy, childhood and adolescence, including physical and psychosocial disease processes and developmental disabilities. An in-depth study of the basic concepts of occupational therapy evaluation and treatment principles is presented.

*PreReq: Admission into the OTA program*

**OTA 203 Lec: 2.5 Lab: 1.5 Cred: 3 AH**  
**Kinesiology for Occupational Therapy**

This course includes identification and analysis of the components of human motion related to occupational therapy.

*PreReq: OTA 174*

**OTA 213 Lec: 2 Lab: 0 Cred: 2 AH**  
**Group Process and Dynamics**

This course introduces the interpersonal communication process and dynamics with groups.

*PreReq: Admission into OTA program*

**OTA 245 Lec: 2 Lab: 0 Cred: 2 AH**  
**Occupational Therapy Departmental Management**

This course provides a study of the roles, responsibilities, supervision and management of occupational therapy services.

*PreReq: OTA 103*

**OTA 252 Lec: 0 Lab: 6 Cred: 2 AH**  
**OTA Clinical II**

This course includes observation and participation in the clinical setting related to treating adults and the elderly.

*PreReq: OTA 150*

**OTA 260 Lec: 0 Lab: 21 Cred: 7 AH**  
**Clinical V**

This course emphasizes direct participation in the pediatric, geriatric or mental health clinical experience.

*PreReq: Successful completion of all OTA courses except OTA 268*

**OTA 268 Lec: 0 Lab: 21 Cred: 7 AH**  
**Clinical VI (Physical Disabilities)**

This course emphasizes direct participation in the physical disabilities clinical experience.

*PreReq: Successful completion of all other OTA courses except OTA 260*

**PHI 101 Lec: 3 Lab: 0 Cred: 3 HS**  
**Introduction to Philosophy**

This course includes a topical survey of the three main branches of philosophy, epistemology, metaphysics and ethics, and contemporary questions related to these branches.

**PHI 110 Lec: 3 Lab: 0 Cred: 3 HS**  
**Ethics**

This course is a study of moral principles of conduct emphasizing ethical problems and modes of ethical reasoning.

**PHM 101 Lec: 2 Lab: 3 Cred: 3 AH**  
**Introduction to Pharmacy Technician**

This course provides a study of and an introduction to the pharmacy in providing patient care services.

*PreReq: Admission into PHM program, CPR certification*

**PHM 110 Lec: 2 Lab: 6 Cred: 4 AH**  
**Pharmacy Practice**

This course provides a study of theory and practice in procuring, manipulating and preparing drugs for dispensing.

*PreReq: PHM 101, PHM 113*

**PHM 113 Lec: 3 Lab: 0 Cred: 3 AH**  
**Pharmacy Technician Math**

This course includes a review of basic mathematics focusing on its application to common pharmaceutical calculations.

*PreReq: MAT 102*

**PHM 114 Lec: 3 Lab: 0 Cred: 3 AH**  
**Therapeutic Agents I**

This course provides an introductory study of therapeutic drug categories.

*PreReq: PHM 101*

**PHM 118 Lec: 0 Lab: 3 Cred: 1 AH**  
**Community Pharmacy Seminar**

This course provides a study of the pharmacy issues related to the community pharmacy practice.

*PreReq: PHM 110, PHM 113, PHM 114*

**PHM 124 Lec: 3 Lab: 0 Cred: 3 AH**  
**Therapeutic Agents II**

This course provides continued study of therapeutic drug categories.

*PreReq: PHM 114*

**PHM 152 Lec: 0 Lab: 6 Cred: 2 AH**  
**Pharmacy Practicum I**

This course provides a practical introduction to the pharmacy environment.

*PreReq: PHM 101, PHM 113*

**PHM 164 Lec: 0 Lab: 12 Cred: 4 AH**  
**Pharmacy Technician Practicum II**

This course provides practical application to pharmacy skills in pharmacy environments.

*PreReq: PHM 152*

**PHM 175 Lec: 0 Lab: 9 Cred: 3 AH**  
**Pharmacy Technician Practicum**

This course provides a study of and an introduction to the pharmacy in providing patient care services.

*PreReq: PHM 101, physical examination, current CPR certification, medical professional liability and major medical insurance*

**PHM 201 Lec: 2 Lab: 0 Cred: 2 AH**  
**Pharmacy Management**

This course provides a study in managing personnel, material and workflow in a pharmacy.

**PHY 001 Lec: Lab: Cred:**

Indicates credit given for physics course work transferred from another college for which there is no equivalent course at TTC.

**PHY 100 Lec: 3 Lab: 0 Cred: 3 SM**

### **Introductory Physics**

This course in general physics includes introductory principles for higher level physics study. It is recommended for students who did not take high school physics. (Nondegree credit)

*PreReq: MAT 102 or appropriate test scores.*

*The prerequisite for this course should have been completed in the last five years.*

**PHY 201 Lec: 3 Lab: 3 Cred: 4 SM**  
**Physics I**

This is the first in a two-semester sequence of non-calculus-based physics courses. Topics covered in the sequence include mechanics, wave motion, sound, heat, electromagnetism, optics and modern physics. The first semester focuses on mechanics, gravity, fluids, thermodynamics, mechanical waves and sound. Laboratory exercises supplement lectures.

*PreReq: MAT 111 or MAT 112. Students may not receive credit for both PHY 201 and PHY 221.*

*The prerequisite for this course should have been completed in the last five years.*

**PHY 202 Lec: 3 Lab: 3 Cred: 4 SM**  
**Physics II**

This is the second in a two-semester sequence of non-calculus-based physics. Topics covered in the sequence include mechanics, wave motion, sound, heat electromagnetism, optics and modern physics. The second semester focuses on electromagnetic forces, fields and waves, circuits, optics, relativity, quantum mechanics, and atomic and nuclear physics. Laboratory exercises supplement lectures.

*PreReq: PHY 201 with a minimum grade of C.*

*Students may not receive credit for both PHY 202 and PHY 222. The prerequisite for this course should have been completed in the last five years.*

**PHY 221 Lec: 3 Lab: 3 Cred: 4 SM**  
**University Physics I**

This is the first of a sequence of courses. The course is a calculus-based treatment of vectors, laws of motion, rotation, vibratory and wave motion. Laboratory exercises supplement lectures.

*PreReq: MAT 140; students may not receive credit for both PHY 221 and PHY 201. The prerequisite for this course should have been completed in the last five years.*

**PHY 222 Lec: 3 Lab: 3 Cred: 4 SM**  
**University Physics II**

This course is a continuation of calculus-based treatment of thermodynamics, kinetic theory of gases, electricity and magnetism, and light, including electrostatics, dielectrics, electric circuits, electric and magnetic fields and induction phenomena, geometric and physical optics, and relativity. Laboratory exercises supplement lectures.

*PreReq: MAT 141 and PHY 221 with a minimum grade of C. Students may not receive credit for both PHY 222 and PHY 202. The prerequisites for this course should have been completed in the last five years.*

**PHY 223 Lec: 3 Lab: 3 Cred: 4 SM**  
**University Physics III**

This course is a continuation of the calculus-based treatment of particle and wave aspects of matter and radiation, statistical mechanics, solid state and nuclear physics. Laboratory exercises supplement lectures.

*PreReq: PHY 222 with a minimum grade of C.*

*The prerequisite for this course should have been completed in the last five years.*

**PSC 201 Lec: 3 Lab: 0 Cred: 3 HS**  
**American Government**

This course is a study of national governmental institutions with emphasis on the Constitution; the functions of executive, legislative and judicial branches; civil liberties; and the role of the electorate.

**PSC 215 Lec: 3 Lab: 0 Cred: 3 HS**  
**State and Local Government**

This course is a study of state, county and municipal government systems, including interrelationships between these systems and within the federal government.

**PSC 220 Lec: 3 Lab: 0 Cred: 3 HS**  
**Introduction to International Relations**

This course introduces the major focus and factors influencing world affairs, emphasizing the role of the United States in the global community and the impact of growing interdependence on daily living.

**PSY 110 Lec: 3 Lab: 0 Cred: 3 HS**  
**Applied Psychology**

This course includes the practical application of psychological principles, with special consideration given to improving relationships between individuals and organizations.

**PSY 201 Lec: 3 Lab: 0 Cred: 3 HS**  
**General Psychology**

This course introduces the basic theories and concepts in the science of behavior, scientific method, biological basis for behavior, perception, motivation, learning, memory, development, personality and abnormal behavior.

**PSY 203 Lec: 3 Lab: 0 Cred: 3 HS**  
**Human Growth and Development**

This course is a chronological study of the physical, cognitive and emotional factors affecting human growth, development and potential across the lifespan.  
*PreReq: PSY 201*

**PSY 212 Lec: 3 Lab: 0 Cred: 3 HS**  
**Abnormal Psychology**

This course is a study of the nature and development of behavioral disorders, including the investigation of contemporary treatment procedures, analysis of human behavior problems, and identification of the personal and social skills needed to deal with these problems.  
*PreReq: PSY 201*

**PSY 218 Lec: 3 Lab: 0 Cred: 3 HS**  
**Behavior Modification**

This course introduces the terminology, methods and procedures used in behavior modification, including the application of these procedures and techniques in specific areas of human services.  
*PreReq: PSY 201*

**PTH 101 Lec: 2 Lab: 0 Cred: 2 AH**  
**Physical Therapy Professional Preparation**

This course introduces the purpose, philosophy and history of physical therapy and medical and legal documentation.  
*PreReq: Admission into PTA program, physical examination*

**PTH 202 Lec: 3 Lab: 3 Cred: 4 AH**  
**Physical Therapy Modalities**

This course introduces patient care techniques, including patient preparation and therapeutic hot and cold modalities.  
*CoReq: PTH 101*

**PTH 205 Lec: 3 Lab: 3 Cred: 4 AH**  
**Physical Therapy Functional Anatomy**

This course introduces basic concepts and principles of muscles, joints and motion, including traditional testing procedures.  
*CoReq: PTH 101*

**PTH 221 Lec: 2 Lab: 0 Cred: 2 AH**  
**Pathology I**

This course introduces the basic pathophysiology of the body with emphasis on the body's reaction to disease and injury.  
*PreReq: PTH 205*

**PTH 222 Lec: 2 Lab: 0 Cred: 2 AH**  
**Pathology II**

This course is a continuation of the pathologies commonly treated in physical therapy with emphasis on etiology, clinical picture, diagnosis and treatment.  
*PreReq: PTH 221*

**PTH 230 Lec: 2 Lab: 3 Cred: 3 AH**  
**Clinical Electrotherapy**

This course provides a study of the rationale, contraindications and application techniques of various electrical equipment.  
*PreReq: PTH 240*

**PTH 235 Lec: 2 Lab: 0 Cred: 2 AH**  
**Interpersonal Dynamics**

This course introduces the dynamics of the health professional/patient relationship.  
*PreReq: Admission into PTA program*

**PTH 240 Lec: 4.5 Lab: 1.5 Cred: 5 AH**  
**Therapeutic Exercises/Applications**

This course provides the practical application of therapeutic exercise.  
*PreReq: PTH 202*

**PTH 242 Lec: 3 Lab: 3 Cred: 4 AH**  
**Orthopedic Management**

This course introduces basic orthopedic assessment skills and application of treatment techniques for the trunk and extremities.  
*PreReq: PTH 240*

**PTH 244 Lec: 3.5 Lab: 1.5 Cred: 4 AH**  
**Rehabilitation**

This course introduces neurological principles, pathology and specialized rehabilitation techniques for pediatric and adult care.  
*PreReq: PTH 205*

**PTH 245 Lec: 2 Lab: 0 Cred: 2 AH**  
**Pediatric Physical Therapy**

This course is a comprehensive introduction to pediatric dysfunctions occurring in infancy, childhood and adolescence.  
*PreReq: PTH 244*

**PTH 252 Lec: 0 Lab: 6 Cred: 2 AH**  
**Clinical Practice**

This course introduces elementary clinical procedures involved in the patient care setting.  
*PreReq: CPR certification, major medical insurance and current physical examination*  
*CoReq: PTH 101*

**PTH 266 Lec: 0 Lab: 18 Cred: 6 AH**  
**Physical Therapy Practicum I**

This course includes patient treatments under the direct supervision of a licensed physical therapist and/or licensed physical therapist assistant.  
*PreReq: PTH 252*

**PTH 275 Lec: 1 Lab: 0 Cred: 1 AH**  
**Advanced Professional Preparation**

This course focuses on skills needed to enter the professional arena including résumé writing, interviewing, professional decision making, and preparation for the PTA National Board Examination.  
*PreReq: Admission to the PTA program*

**PTH 276 Lec: 0 Lab: 18 Cred: 6 AH**  
**Physical Therapy Practicum II**

This course includes practicum experience in a clinical setting using advanced and specialized skills under the supervision of a licensed physical therapist and/or licensed physical therapist assistant.  
*PreReq: PTH 266*

**QAT 001 Lec: Lab: Cred:**

Indicates credit given for quality course work transferred from another college for which there is no equivalent course at TTC.

**QAT 101 Lec: 3 Lab: 0 Cred: 3 BT**  
**Introduction to Quality Assurance**

This course covers the fundamentals of quality control, the evolution of the total quality system and the modern philosophy of quality. Process variability, fundamentals of probability and the basic concepts of control charts are included.

**QAT 105 Lec: 3 Lab: 0 Cred: 3 BT**  
**Total Quality Systems**

This course is a study of the total quality control concept for manufacturing and service industries, including the statistical technology of quality management, process tolerances and control limits, and variable and attribute control charts.

**QAT 110 Lec: 3 Lab: 0 Cred: 3 BT**  
**Manufacturing Methods**

This course introduces students to the theory and practices of fundamental production manufacturing methods.

**QAT 150 Lec: 3 Lab: 0 Cred: 3 BT**  
**Total Quality Management Improvement**

This course covers the study of management's responsibility to the total quality improvement process, including organizing for quality, commitment to quality and how to improve quality.

**QAT 201 Lec: 3 Lab: 0 Cred: 3 BT**  
**Quality Cost Analysis/Auditing**

This course is a study of the categories of quality costs, measurement bases and quality cost trend analysis. It provides an appreciation for the prevention of defects and the effect upon total quality costs. The principles of quality auditing also are covered.

**QAT 232 Lec: 3 Lab: 0 Cred: 3 BT**  
**Statistical Quality Control**

This course is a study of the basic concepts and techniques of statistical quality processes for both manufacturing and service industries. Topics include fundamentals of statistics, control charts, probability, acceptance sampling and quality costs.

**QAT 240 Lec: 3 Lab: 0 Cred: 3 BT**  
**Advanced Quality Concepts**

This course is a study of problem prevention through the application of quality concepts. Topics include collecting data, cause-effect diagrams, pareto analysis, control charts, sampling, auditing and quality costs.

**RAD 101 Lec: 2 Lab: 0 Cred: 2 AH**  
**Introduction to Radiography**

This course introduces radiologic technology with emphasis on orientation to the radiology department, ethics and basic radiation protection.  
*PreReq: Admission into RAD program, CHM 100 or equivalent or high school chemistry, MAT 110, current CPR certification, physical examination, major medical insurance and Hepatitis B vaccine series*

*CoReq: AHS 110, RAD 121*

**RAD 110 Lec: 2 Lab: 3 Cred: 3 AH**  
**Radiographic Imaging I**

This course provides a detailed study of the parameters controlling radiation quality and quantity for radiographic tube operation and image production.

*PreReq: RAD 121*

**RAD 115 Lec: 2 Lab: 3 Cred: 3 AH**  
**Radiographic Imaging II**

This course continues a detailed study of primary and secondary influencing factors and accessory equipment related to imaging.

*PreReq: RAD 110*

**RAD 121 Lec: 4 Lab: 0 Cred: 4 AH**  
**Radiographic Physics**

This course introduces the principles of radiographic physics, incorporating theory and application of basic principles underlying the operation and maintenance of X-ray equipment.

*PreReq: Admission into RAD program, CHM 100 or equivalent or high school chemistry, MAT 110, current CPR certification, physical examination, major medical insurance and Hepatitis B vaccine series*

*CoReq: AHS 110 and RAD 101*

**RAD 130 Lec: 2 Lab: 3 Cred: 3 AH**  
**Radiographic Procedures I**

This course provides an introduction to radiographic procedures. Positioning of the chest, abdomen and extremities is included.

*PreReq: BIO 210, RAD 101*

**RAD 136 Lec: 2 Lab: 3 Cred: 3 AH**  
**Radiographic Procedures II**

This course is a study of radiographic procedures for visualization of the structures of the body.

*PreReq: RAD 130, BIO 211*

**RAD 152 Lec: 0 Lab: 6 Cred: 2 AH**  
**Applied Radiography I**

This course introduces students to the clinical environment of the hospital by providing basic instruction in the use of radiographic equipment and routine radiographic procedures.

*PreReq: RAD 101, AHS 110, BIO 210*

**RAD 165 Lec: 0 Lab: 15 Cred: 5 AH**  
**Applied Radiography II**

This course allows students to receive instruction in the use of radiographic equipment and performance of radiographic procedures within the clinical environment of the hospital.

*PreReq: RAD 152, BIO 211*

**RAD 175 Lec: 0 Lab: 15 Cred: 5 AH**  
**Applied Radiography III**

This course builds students' competence in performing radiographic procedures within the clinical environment.

*PreReq: RAD 115, RAD 121, RAD 136, RAD 165*

**RAD 201 Lec: 2 Lab: 0 Cred: 2 AH**  
**Radiation Biology**

This course provides instruction in the principles of radiobiology and protection. It emphasizes procedures that minimize radiation exposure of patients, personnel and the population at large.

*PreReq: RAD 121, RAD 136, RAD 165*

**RAD 205 Lec: 2 Lab: 0 Cred: 2 AH**  
**Radiographic Pathology**

This course provides a survey of disease processes significant to the radiographer, including etiology, diagnosis, prognosis and treatment.

*PreReq: RAD 201, RAD 236*

**RAD 220 Lec: 3 Lab: 0 Cred: 3 AH**  
**Selected Imaging Topics**

This course includes instruction in advanced topics unique to the radiological sciences.

*PreReq: RAD 205, RAD 230, RAD 258*

**RAD 230 Lec: 2 Lab: 3 Cred: 3 AH**  
**Radiographic Procedures III**

This course provides instruction in special radiographic procedures.

*PreReq: RAD 175, RAD 201, RAD 236*

**RAD 236 Lec: 1 Lab: 3 Cred: 2 AH**  
**Radiography Seminar II**

This lecture and laboratory course includes a review of the anatomy of the skull and positioning of cranial and facial bones.

*PreReq: RAD 115, RAD 121, RAD 136, RAD 165*

**RAD 258 Lec: 0 Lab: 24 Cred: 8 AH**  
**Advanced Radiography I**

This course provides an environment for the student to function more independently while performing routine procedures in a working radiology department while also being more involved in advanced radiographic procedures.

*PreReq: RAD 165, RAD 175, RAD 201*

**RAD 268 Lec: 0 Lab: 24 Cred: 8 AH**  
**Advanced Radiography II**

This course improves students' competence in routine radiographic examinations and advanced procedures, and builds self-confidence in the clinical atmosphere.

*PreReq: RAD 205, RAD 230, RAD 258*

**RDG 013 Lec: 1 Lab: 0 Cred: 1 LC**  
**Developmental Reading (Challenge)**

This course is intended for students who need improvement in basic reading skills. Based on assessment of student needs, instruction includes vocabulary, comprehension, use of reference materials and an introduction to analysis of literature. This course is an option for the student whose performance on TTC's placement test places him or her in Developmental Reading (RDG 032), but whose scores fall within the challenge range.

This one-credit course provides 15 contact hours of study and review for students who need only a short course to satisfy the competencies of Developmental Reading (RDG 032). The successful student will pass the departmental examination and may enroll in the next level of course. (Nondegree credit)

*PreReq: Students who score within the challenge range for the course are recommended to enroll in RDG 013. The student's advisor should confirm that the student's placement score on reading falls within the qualifying range.*

**RDG 032 Lec: 3 Lab: 0 Cred: 3 LC**  
**Developmental Reading**

This course is for students who need improvement in basic reading skills. Based on assessment of student needs, instruction includes vocabulary, comprehension, use of reference materials and an introduction to analysis of literature. (Nondegree credit)

*PreReq: Appropriate test score*

**RDG 100 Lec: 3 Lab: 0 Cred: 3 LC**  
**Critical Reading**

This course covers the application of basic reading skills to improve critical comprehension and higher order thinking skills. (Nondegree credit) Students who score 68-74 on the reading portion of the CPT, or 61-85 on COMPASS, or 36-44 on ASSET are advised to enroll in this course.

**RES 110 Lec: 2 Lab: 0 Cred: 2 AH**  
**Cardiopulmonary Science I**

This course focuses on assessment, treatment and evaluation of patients with cardiopulmonary disease.

*PreReq: Admission into RES program, physical examination*

*CoReq: RES 121*

**RES 111 Lec: 2 Lab: 0 Cred: 2 AH**  
**Pathophysiology**

This course is a study of the general principles and analyses of normal and diseased states.

*PreReq: RES 110*

*CoReq: RES 244, RES 246*

**RES 121 Lec: 3.5 Lab: 1.5 Cred: 4 AH**  
**Respiratory Skills I**

This course includes a study of basic respiratory therapy procedures and their administration.

This course presents the theory of equipment and procedures for patients requiring general cardiopulmonary care. Emphasis is on medical gas therapy, aerosol and humidity therapy, chest physical therapy, and arterial blood gas analysis and puncture.

*PreReq: Admission into RES program*

*CoReq: RES 110*

**RES 131 Lec: 3.5 Lab: 1.5 Cred: 4 AH**  
**Respiratory Skills II**

This course is a study of selected respiratory care procedures and applications. Physiology of mechanical ventilation and the design and operation of commonly used mechanical ventilators and monitoring devices are discussed. Chest tube drainage systems and chest X-ray interpretation also are included.

*PreReq: RES 121*

**RES 142 Lec: 2 Lab: 0 Cred: 2 AH**  
**Basic Pediatric Care**

This course includes an introduction to basic pediatric and neonatal care.

*PreReq: RES 246*

*CoReq: RES 152, RES 210, RES 247*

**RES 152 Lec: 0 Lab: 9 Cred: 3 AH**  
**Clinical Applications II**

This course includes practice of respiratory care procedures in the hospital setting. An introduction to the critical care setting with emphasis on intensive respiratory care skills, maintenance of artificial airways, continuous mechanical ventilation and physiologic monitoring is provided.

*PreReq: RES 161*

*CoReq: RES 142, RES 210, RES 247*

**RES 160 Lec: 0 Lab: 3 Cred: 1 AH**  
**Clinical I**

This course provides an introduction to the hospital setting and basic oxygen therapy.

*PreReq: Admission into RES program, RES 121, PPD, CPR certification*

*CoReq: RES 110, RES 131*

**RES 161 Lec: 0 Lab: 12 Cred: 4 AH**  
**Clinical II**

This course covers fundamental respiratory care.

*PreReq: RES 131*

*CoReq: RES 111, RES 244, RES 246*

**RES 205 Lec: 2 Lab: 0 Cred: 2 AH**  
**Neonatal Respiratory Care**

This course focuses on cardiopulmonary physiology, pathology and management of the newborn patient.

Neonatal assessment, therapeutic procedures, monitoring, mechanical ventilation and clinical issues in neonatal care are included.

*PreReq: RES 142*

*CoReq: RES 249, RES 254*

**RES 210 Lec: 3 Lab: 0 Cred: 3 AH**  
**Cardiopulmonary Science II**

This course is a study of cardiopulmonary, renal and neuromuscular physiology and pathophysiology.

Emphasis is on current therapeutic modalities in the care of patients with cardiopulmonary diseases.

Etiologic, symptomatic, diagnostic and prognostic facets of each disease are presented.

*PreReq: RES 246*

*CoReq: RES 142, RES 152, RES 247*

**RES 220 Lec: 1 Lab: 0 Cred: 1 AH**  
**Hemodynamic Monitoring**

This course is a study of basic hemodynamic monitoring. Included is a study of blood flow utilizing pulmonary artery and central venous pressure catheters.

*PreReq: RES 244*

*CoReq: RES 142, RES 152, RES 247*

**RES 235 Lec: 3.5 Lab: 1.5 Cred: 4 AH**  
**Respiratory Diagnostics**

This course is a study of diagnostic and therapeutic procedures. Methods, equipment, techniques and interpretation of pulmonary function, exercise testing and hemodynamic monitoring are discussed. Other topics include electrocardiography and hyperbaric oxygenation.

*PreReq: RES 247*

*CoReq: RES 253*

**RES 244 Lec: 3.5 Lab: 1.5 Cred: 4 AH**  
**Advanced Respiratory Skills I**

This course includes an in-depth study of mechanical ventilation and considerations for management of the critical care patient.

*PreReq: RES 131*

*CoReq: RES 111, RES 161*

**RES 246 Lec: 2 Lab: 0 Cred: 2 AH**  
**Respiratory Pharmacology**

This course includes a study of pharmacologic agents used in cardiopulmonary care. Indications, contraindications, hazards and side effects of pharmacological agents used to treat cardiopulmonary and renal disorders are discussed. Emphasis is on agents commonly administered by the respiratory care practitioner.

*PreReq: RES 131*

*CoReq: RES 111, RES 161, RES 244*

**RES 247 Lec: 2 Lab: 0 Cred: 2 AH**  
**Advanced Respiratory Pharmacology**

This course covers the indications, side effects and hazards of pharmacologic agents used in the intensive care unit. Emphasis is on agents commonly administered by the respiratory care practitioner.

*PreReq: RES 246*

*CoReq: RES 142, RES 152, RES 220*

**RES 249 Lec: 2 Lab: 0 Cred: 2 AH**  
**Comprehensive Applications**

This course includes the integration of didactic and clinical trainers in respiratory care technology. Current issues, problem-solving skills and principles of supervision with emphasis on the role of the first-line supervisor are introduced. Students take a valid entry-level, advanced-level and clinical simulation in preparation for national examinations.

*PreReq: RES 235*

*CoReq: RES 205, RES 254*

**RES 253 Lec: 0 Lab: 18 Cred: 6 AH**  
**Advanced Clinical Studies I**

This course provides clinical instruction in advanced patient care practice. The student continues to refine techniques applicable to the critically ill patient with an emphasis on prolonged mechanical ventilation.

*PreReq: RES 152, PPD*

*CoReq: RES 235, CPR certification*

**RES 254 Lec: 0 Lab: 21 Cred: 7 AH**  
**Advanced Clinical Studies II**

This course includes clinical instruction in advanced patient care practice. The course offers clinical instruction in pediatric, neonatal and adult critical care. The student respiratory care practitioner is expected to function as a critical care therapist with limited supervision or instruction.

*PreReq: RES 253*

*CoReq: RES 205, RES 249*

**RTV 101 Lec: 2 Lab: 3 Cred: 3 FV**  
**Audio Techniques**

This course is an introduction to the tools and processes involved in audio production, including basic training in the operation of sound recording and playback systems.

*PreReq: Departmental approval for nondegree-seeking students*

**RTV 102 Lec: 2 Lab: 3 Cred: 3 FV**  
**Lighting Fundamentals**

This course covers the equipment, safety requirements, protocol and aesthetic techniques used in lighting digital and film productions.

**RTV 103 Lec: 2 Lab: 3 Cred: 3 FV**  
**Field Operations**

This course introduces the setup, operation and application of video equipment for field production.

*PreReq: RTV 101, RTV 144, departmental approval for nondegree-seeking students*

**RTV 105 Lec: 2 Lab: 3 Cred: 3 FV**  
**TV Studio Operations**

This course covers the basics of studio operations with emphasis on lighting, cameras, floor management and control room operations.

*PreReq: Departmental approval for nondegree-seeking students*

**RTV 107 Lec: 2 Lab: 3 Cred: 3 FV**  
**Producing and Directing**

This course includes the processes involved from creating and organizing an idea to the final video product.

*PreReq: RTV 101, RTV 103, RTV 105, RTV 109, departmental approval for nondegree-seeking students*

**RTV 109 Lec: 2 Lab: 3 Cred: 3 FV**  
**Writing for Electronic Media**

This course covers writing techniques for radio, television and other electronic media. Emphasis is placed on broadcast news writing, TV and radio commercial writing and short form story telling. It is recommended that students enrolling in RTV 109 be familiar with basic computer functions and word processing software.

*PreReq: ENG 100 and basic computer skills*

**RTV 111 Lec: 2 Lab: 3 Cred: 3 FV**  
**Radio Studio Techniques I**

This course includes an introduction to the broadcasting studio utilizing the audio control console and recording devices.

*PreReq: RTV 101, RTV 109, RTV 121, departmental approval for nondegree-seeking students*

**RTV 112 Lec: 2 Lab: 3 Cred: 3 FV**  
**Radio Studio Techniques II**

This course covers commercial production, news formatting and program assembly techniques.

*PreReq: RTV 111, departmental approval for nondegree-seeking students*

**RTV 113 Lec: 2 Lab: 3 Cred: 3 FV**  
**Video Editing**

This course is designed to teach students to edit video using a cuts-only format. Logical sequencing, technical correctness and creative story editing are emphasized. In addition, students will learn contemporary transition techniques used in the broadcast industry.

*PreReq: FLM 148, departmental approval for nondegree-seeking students*

**RTV 121 Lec: 3 Lab: 0 Cred: 3 FV**  
**Introduction to Broadcasting**

This course covers the history of broadcasting, federal communications policies and basic operational practices.

*PreReq: ENG 100*

**RTV 132 Lec: 2 Lab: 3 Cred: 3 FV**  
**Broadcast Journalism**

This course covers the preparation of news in a form desirable for broadcasting.

*PreReq: ENG 101, RTV 103, RTV 105, RTV 109, departmental approval for nondegree-seeking students*

**RTV 140 Lec: 2 Lab: 3 Cred: 3 FV**  
**Basic Photography**

This course covers the basics of the photographic process.

*PreReq: Departmental approval for nondegree-seeking students*

**RTV 144 Lec: 2 Lab: 3 Cred: 3 FV**  
**Basic Videography**

This course covers the basic skills and knowledge required to use a video camera. Camera controls and compositional elements are emphasized.

**RTV 150 Lec: 2 Lab: 3 Cred: 3 FV**  
**Scriptwriting**

This course is designed to teach students the techniques of writing for the visual medium. Emphasis is on the split column and screenplay formats. How to combine visual images with sound also is emphasized.

*PreReq: ENG 101*

**RTV 211 Lec: 2 Lab: 3 Cred: 3 FV**  
**Radio Studio Techniques III**

This course further studies advanced techniques of commercial production, news formatting and program assembly techniques.

*PreReq: RTV 111, RTV 112, departmental approval required for nondegree-seeking students*

**RTV 222 Lec: 2 Lab: 3 Cred: 3 FV**  
**TV Studio Techniques**

This course covers an introduction to TV production, including camera movements, directing instructions, editing and sequential photography.

*PreReq: RTV 101, RTV 103, RTV 105, RTV 109, RTV 144, departmental approval for nondegree-seeking students*

**RTV 223 Lec: 2 Lab: 3 Cred: 3 FV**  
**Interview and Discussion**

This course covers the techniques for successfully interviewing people, whether for TV sound bites or full-length interview programs.

*PreReq: Departmental approval for nondegree-seeking students*

**RTV 224 Lec: 2 Lab: 3 Cred: 3 FV**  
**TV Production**

This course covers advanced studio techniques, utilizing mixing of audio and video sources.

*PreReq: RTV 107, departmental approval for nondegree-seeking students*

**RTV 226 Lec: 2 Lab: 3 Cred: 3 FV**  
**TV Directing**

This course covers planning and organizing broadcast programs for the most effective use of studio time and facilities.

*PreReq: RTV 107 or departmental approval for nondegree-seeking students*

**RTV 231 Lec: 0 Lab: 12 Cred: 3 FV**  
**SCWE in Broadcasting I**

This course includes supervised production experience at a television or radio location. This course cannot be audited. This course may only be taken twice. A grade of C or better is required to advance to RTV 232.

*PreReq: RTV 101, RTV 103, RTV 105, RTV 109, RTV 111, RTV 121, RTV 222, departmental approval for nondegree-seeking students*

**RTV 232 Lec: 0 Lab: 12 Cred: 3 FV**  
**SCWE in Broadcasting II**

This course includes supervised production experience at a television or radio production location. This course cannot be audited. This course may only be taken twice. This course may not be taken concurrently with RTV 231. A grade of C or higher must be earned to receive credit for the course.

*PreReq: RTV 231 with a minimum grade of C, departmental approval for nondegree-seeking students*

**RTV 233 Lec: 0 Lab: 12 Cred: 3 FV**  
**SCWE in Broadcasting III**

This course includes supervised production experience at a television or radio production location. This course cannot be audited. This course may only be taken twice. A grade of C or higher must be earned to receive credit for the course.

*PreReq: RTV 232 with a minimum grade of C, departmental approval for nondegree-seeking students*

**RTV 270 Lec: 3 Lab: 0 Cred: 3 FV  
Media Arts Business Procedures**

This course is a study of professional practices involved in the organization and operation of businesses involved in the media arts.

*PreReq: FLM 150 and 18 semester hours in FLM and/or RTV courses*

**RTV 280 Lec: 1 Lab: 0 Cred: 1 FV  
Media Arts Exit Review**

This course covers the development of the strategies for entering the media arts industry and refining demo reels and résumés to meet professional standards.

*PreReq: 18 semester hours in FLM and/or RTV courses; this course should be taken in the last semester.*

**SAC 101 Lec: 3 Lab: 0 Cred: 3 CF  
Best Practices in School-Age and Youth Care Skills**

This course introduces basic best practices of school-age and youth care skills for practitioners in out-of-school care environments.

**SAC 200 Lec: 2 Lab: 3 Cred: 3 CF  
Introduction to School-Age and Youth Care**

This course introduces students to current theories and practices relevant to the care of school-age children and youth. Characteristics of the components of quality programs are explored using the nationally recognized program appraisal tool A.S.Q. (Assessing School-Age Child Care Quality).

**SAC 201 Lec: 2 Lab: 3 Cred: 3 CF  
Development of the School-Age Child and Youth**

This course examines how to plan for and guide the social and emotional development of school-age children and youth. Students will gain the knowledge and skills to interpret and evaluate behavior and to make appropriate decisions needed to work effectively with school-age children.

**SAC 202 Lec: 3 Lab: 0 Cred: 3 CF  
Administration of School-Age and Youth Programs**

This course is designed to allow students to gain insight into the pragmatic aspects of program administration and supervision. Students will obtain an understanding of the skills needed to maintain, promote and enhance total program development and participate in forums with area program coordinators to discuss current issues related to program administration and supervision.

**SAC 203 Lec: 3 Lab: 0 Cred: 3 CF  
Designing Model Environments for School-Age Children and Youth**

This course focuses on the relationship between SAC curriculum and the SAC environment. Students explore curriculum design, standards of quality in the indoor and outdoor environment, as well as how to utilize existing shared indoor space effectively. Field trips are an integral component to the course.

*PreReq: SAC 200*

**SAC 204 Lec: 3 Lab: 0 Cred: 3 CF  
Safety, Health and Nutrition for School-Age Children and Youth**

This course provides an in-depth look into security issues in school-age programs. Students plan and prepare nutritional snacks and learn techniques to protect and enhance the health of children.

**SAC 205 Lec: 3 Lab: 0 Cred: 3 CF  
Guiding Behavior, Violence Prevention and Classroom Management Strategies**

Students learn to recognize patterns of violence, how they develop and how they can be modified and controlled. Students also learn to incorporate positive behavioral skills used in guiding children's behavior.

**SAC 206 Lec: 3 Lab: 0 Cred: 3 CF  
Human Relationships for Children, Staff and Families**

This course is a study in the human relationships present in school-age care programs. Focus will be upon the examination of the various relationships and how the management of these relationships provides effective tools for developing quality programs.

**SAC 207 Lec: 3 Lab: 0 Cred: 3 CF  
Science, Technology and Cultural Arts in School-Age and Youth Programs**

This course provides an opportunity for students to learn to incorporate the use of science, technology and arts in planning activities and administering program operations.

**SAC 208 Lec: 2 Lab: 3 Cred: 3 CF  
Supervised Field Experience for School-Age and Youth Care**

This course offers students the opportunity to put skills they have learned through the school-age curriculum into practice.

*PreReq: 12 semester credit hours in SAC courses*

**SAC 209 Lec: 2 Lab: 3 Cred: 3 CF**  
**Introduction to Special Education for School-Age Children and Youth**

This course includes an overview of school-age children and youth with special needs. The course will review the history of the field, basic beliefs, current trends and exceptionality categories emphasizing treatment modalities, community resources, federal legislation, and strategies for inclusion.

**SCI 001 Lec: Lab: Cred:**

Indicates credit given for lab science course work transferred from another college for which there is no equivalent course at TTC.

**SCI 002 Lec: Lab: Cred:**

Indicates credit given for nonlab science course work transferred from another college for which there is no equivalent course at TTC.

**SCI 205 Lec: 3 Lab: 0 Cred: 3 SM**  
**Environmental Science Institute**

In this course, teachers obtain skills and knowledge in environmental science and technology topics, activities and tools for classroom instruction. Presenters on specific topics are experts from various federal, state and local environmental agencies. Tours to field sites are included.

**SCS 001-002 Lec: Lab: Cred:**

Indicates credit given for social sciences course work transferred from another college for which there is no equivalent course at TTC.

**SOC 101 Lec: 3 Lab: 0 Cred: 3 HS**  
**Introduction to Sociology**

This course emphasizes the fundamental concepts and principles of sociology, including culture, socialization, interaction, social groups and stratification, effects of population growth, and technology in society and social institutions.

**SOC 102 Lec: 3 Lab: 0 Cred: 3 HS**  
**Marriage and the Family**

This course introduces the institution of marriage and the family from the sociological perspective. Significant forms and structures of family groups are studied in relation to current trends and social change.

**SOC 205 Lec: 3 Lab: 0 Cred: 3 HS**  
**Social Problems**

This course is a survey of current social problems in America stressing the importance of social change and conflicts as they influence perceptions, definitions, etiology and possible solutions.

**SOC 210 Lec: 3 Lab: 0 Cred: 3 HS**  
**Juvenile Delinquency**

This course presents the nature, extent and causes of juvenile delinquency behavior, including strategies used in the prevention, intervention and control of deviant behavior.

**SOC 230 Lec: 3 Lab: 0 Cred: 3 HS**  
**Introduction to Gerontology**

This course is a study of the aging processes, including physiological, psychological, sociological and economic factors.

**SPA 001 Lec: Lab: Cred:**

Indicates credit given for Spanish course work transferred from another college for which there is no equivalent course at TTC.

**SPA 100 Lec: 3 Lab: 0 Cred: 3 HS**  
**Introduction to Spanish**

This course includes the basics of language, specifically in comparing and contrasting English and Spanish grammar (i.e., parts of speech and sentence structure). The course incorporates the four basic skills (reading, writing, speaking and listening) as well as study and test-taking skills peculiar to the study of foreign language.

*PreReq: ENG 032*

**SPA 101 Lec: 4 Lab: 0 Cred: 4 HS**  
**Elementary Spanish I**

This course is a study of the four basic language skills: listening, speaking, reading and writing. It includes an introduction to Hispanic culture.

**SPA 102 Lec: 4 Lab: 0 Cred: 4 HS**  
**Elementary Spanish II**

This course continues development of the basic language skills and the study of the Hispanic culture.

*PreReq: SPA 101 or specified Spanish placement test scores*

**SPA 155 Lec: 3 Lab: 0 Cred: 3 HS**  
**Technical Spanish I**

This course is the study of technical communication in Spanish for professionals who work in a bilingual workplace or who work with the Spanish-speaking public. The course includes speaking, reading, writing and understanding Spanish, beginning with fundamentals of basic Spanish, followed by more specialized training in various career fields.

*PreReq: ENG 100 or appropriate test scores*

**SPA 201 Lec: 3 Lab: 0 Cred: 3 HS**  
**Intermediate Spanish I**

This course is a review of Spanish grammar with attention given to more complex grammatical structures and reading difficult prose.

*PreReq: SPA 102 or specified Spanish placement test scores*

**SPA 202 Lec: 3 Lab: 0 Cred: 3 HS**  
**Intermediate Spanish II**

This course continues a review of Spanish grammar with attention given to more complex grammatical structures and reading more difficult prose.

*PreReq: SPA 201 or specified Spanish placement test scores*

**SPC 205 Lec: 3 Lab: 0 Cred: 3 HS**  
**Public Speaking**

This course introduces the principles of public speaking with the application of speaking skills in varied communication situations. Emphasis is placed on content and organization in the development and delivery of oral messages.

*PreReq: Specified Writing Skills placement test scores or completion of ENG 100 with a minimum grade of C*

**SPC 209 Lec: 3 Lab: 0 Cred: 3 HS**  
**Interpersonal Communication**

This course introduces the principles of interpersonal communication with emphasis on interpersonal theory as applied to personal and professional relationships. This course focuses on interpersonal message development and analysis in a variety of communication contexts, including self, stranger, acquaintance, business and personal.

*PreReq: Specified Writing Skills placement test scores or completion of ENG 100 with a minimum grade of C*

**SPC 210 Lec: 3 Lab: 0 Cred: 3 HS**  
**Oral Interpretation of Literature**

This course presents the principles and practices in the oral interpretation of literary works including the selection, analysis, rehearsal and performance of poetry, prose, and/or drama.

*PreReq: ENG 100 with a grade of C or better*

**SPC 225 Lec: 3 Lab: 0 Cred: 3**  
**Introduction to Communication Theory**

This is a survey course of various communication theories, which considers the principles, contexts and developments of human communication. Topics include discussion of interpersonal, relational, organizational, symbolic, rhetorical, media, gender and intercultural communication theories.

*PreReq: ENG 100 or equivalent scores*

**THE 101 Lec: 3 Lab: 0 Cred: 3 HS**  
**Introduction to Theater**

This course includes the appreciation and analysis of theatrical literature, history and production.

*PreReq: Specified Writing Skills placement test scores or completion of ENG 100 with a minimum grade of C*

**THE 225 Lec: 2 Lab: 3 Cred: 3**  
**Theater Production**

This course includes the study and application of all processes of a theatrical production from page to stage culminating in a production performance.

**TRL 101 Lec: 3 Lab: 0 Cred: 3 BT**  
**Introduction to Transportation**

This course is a study of the framework, role and historical development of transportation, and covers characteristics of railroad, truck, air and pipeline.

**TRL 102 Lec: 3 Lab: 0 Cred: 3 BT**  
**Customer Service Management**

This course is a study of professional telephone etiquette, customer service work environments, customer service failures, problem resolution, complaint policies and communication techniques.

**TRL 103 Lec: 3 Lab: 0 Cred: 3 BT**  
**Logistics Management**

This course is a study of basic concepts, management levels, elements of inventory control, transportation, warehousing, packaging, material handling, purchasing and the role order processing plays in the distribution cycle.

**TRL 104 Lec: 3 Lab: 0 Cred: 3 BT**  
**Transportation Administration**

This course is a study of the fundamentals of the administrative aspects of transportation operation, freight classification, tariffs, carrier pricing schedules, rates, bills of lading, contracts and freight claims.

**TRL 105 Lec: 3 Lab: 0 Cred: 3 BT**  
**Warehousing**

This course is a study of the role, functions and management of warehousing; transportation; accountability; operations and contingency planning; warehouse security; contracts; liabilities; and inventory control.

**TRL 106 Lec: 3 Lab: 0 Cred: 3 BT**  
**Export/Import**

This course includes an overview of international trade, entering the overseas market, distribution, payment, letters of credit, shipping, importing, customs house brokers, government regulations, and sources of assistance and information.

**TRL 107 Lec: 3 Lab: 0 Cred: 3 BT**  
**Commercial Motor Carrier**

This course is a study of the fundamentals of motor carrier transportation, including equipment, DOT regulations or drivers, cargo documentation, dispatching, legal limits, fuel tax, licensing, contracting and hazardous material.

**VET 101 Lec: 2 Lab: 3 Cred: 3 AH**  
**Animal Breeds and Husbandry**

This course is a study of various species and breeds of domestic animals commonly encountered in veterinary medicine. Emphasis is placed on the recognition of each breed as well as important terminology and physiological data and behavior of each species of animal.

*PreReq: Admission into Veterinary Technology program*

**VET 103 Lec: 2 Lab: 0 Cred: 2 AH**  
**Veterinary Medical Terminology**

This course introduces the fundamental principles of veterinary medical terminology. This system's approach to building the medical vocabulary is designed to complement anatomy, physiology, pathology and related areas of veterinary medicine.

*PreReq: Admission into Veterinary Technology program*

**VET 104 Lec: 2 Lab: 3 Cred: 3 AH**  
**Veterinary Anatomy and Physiology**

This course provides a general survey of the functional anatomy and physiology of the domestic animals commonly encountered in veterinary medicine, including medical terminology. Dissection of representative cadavers is performed in the laboratory.

*CoReq: VET 101*

**VET 105 Lec: 1 Lab: 0 Cred: 1 AH**  
**Orientation to Veterinary Technology**

This course is designed to explore the different job opportunities for a veterinary technician. In addition, the course exposes the veterinary technology student to key characteristics of people who are successful in this field.

**VET 115 Lec: 3 Lab: 3 Cred: 4 AH**  
**Pharmacology and Anesthesiology**

This course is a study of the drugs and medical substances of veterinary importance, including characteristics, classification and waste. This course includes a detailed study of anesthesia and anesthetic agents.

*PreReq: VET 101*

**VET 116 Lec: 2 Lab: 3 Cred: 3 AH**  
**Radiology and Parasitology**

This course is a study of the radiologic techniques for all domestic animals in veterinary medicine, including taking, developing and assessing for technical errors of large and small animal radiographs. This course also includes a survey and laboratory study of domestic animal parasites.

*PreReq: VET 104*

**VET 117 Lec: 2 Lab: 0 Cred: 2 AH**  
**Animal Nutrition**

This course exposes the student to the different nutrients and their function. Evaluating foodstuffs and exploring the role of dietary management and the use of prescription diets in small animals is covered.

*PreReq: Admission into Veterinary Technology program*

**VET 152 Lec: 2 Lab: 6 Cred: 4 AH**  
**Clinical Pathology**

This course is a study of veterinary hematology, urology and clinical chemistry followed by application of standard laboratory procedures and regulatory testing in each of these disciplines.

*PreReq: VET 215*

**VET 160 Lec: 2 Lab: 3 Cred: 3 AH**  
**Clinical Techniques II**

This course provides a survey of technical skills required by the veterinary technician with emphasis on radiographic and anesthetic procedures.

*PreReq: VET 104*

**VET 170 Lec: 0 Lab: 18 Cred: 6 AH**  
**Veterinary Technician Externship**

This course provides clinical training in the veterinary field under the direct supervision of a licensed veterinarian in a veterinary facility.

*PreReq: VET 250*

**VET 180 Lec: 1 Lab: 3 Cred: 2 AH**  
**Preceptorship**

This course requires the student to observe in a number of different veterinary clinics. The purpose of the course is to expose the Veterinary Technology student to a variety of practices and clinical settings.

*PreReq: VET 104*

**VET 201 Lec: 4 Lab: 0 Cred: 4 AH**  
**Diseases and Zoonosis**

This course provides a study of domestic animal diseases, including their causes, symptoms, prevention, treatment and public health significance.

*PreReq: VET 180*

**VET 207 Lec: 2 Lab: 3 Cred: 3 AH**  
**Large Animal Clinical Practice**

This course covers topics relevant to medical and surgical techniques of the common domestic large animal species. Topics include physical exam, restraint, sample collection, bandaging, emergency treatment, surgical and obstetrical procedures and instruments, herd health, and lameness.

*PreReq: VET 215*

**VET 215 Lec: 1 Lab: 3 Cred: 2 AH**  
**Laboratory Animal Medicine**

This course provides a study of the animals and facilities used in research procedures in medicine. The course includes equipment, aseptic techniques, vivarium management, husbandry, and disease prevention in laboratory animals.

*PreReq: VET 115*

**VET 240 Lec: 3 Lab: 0 Cred: 3 AH**  
**Office Management and Client Education**

This course provides a study of office management, including the use of the computer in veterinary medical facilities. The course also includes an in-depth study of veterinary ethics and client education techniques.

*PreReq: VET 160*

**VET 250 Lec: 1 Lab: 6 Cred: 3 AH**  
**Clinical Techniques III**

This course includes a survey of technical skills required by the veterinary technician with emphasis on laboratory techniques.

*PreReq: VET 215*

**VET 260 Lec: 1 Lab: 6 Cred: 3 AH**  
**Clinical Techniques IV**

This course surveys the technical skills required by veterinary technicians with emphasis on medical and surgical emergencies.

*PreReq: VET 250*

**VET 280 Lec: 1 Lab: 0 Cred: 1 AH**  
**Senior Seminar**

This course allows various topics applicable to the second-year student's curriculum to be discussed in small groups. This includes, but is not limited to, issues arising from the veterinary technician externship.

*PreReq: VET 240*

**WLD 001 Lec: Lab: Cred:**

Indicates credit given for welding course work transferred from another college for which there is no equivalent course at TTC.

**WLD 101 Lec: 0 Lab: 3 Cred: 1 IT**  
**Cutting Processes**

This course covers the fundamentals of cutting processes commonly used in the welding industry.

**WLD 110 Lec: 1 Lab: 0 Cred: 1 IT**  
**Welding Safety and Health**

This course introduces safety and health hazards associated with welding and related processes.

**WLD 111 Lec: 1 Lab: 9 Cred: 4 IT**  
**Arc Welding I**

This course covers the safety, equipment and skills used in the shielded metal arc welding process. Fillet welds are made to visual criteria in several positions.

**WLD 113 Lec: 1 Lab: 9 Cred: 4 IT**  
**Arc Welding II**

This course is a study of arc welding of ferrous and nonferrous metals.

*PreReq: WLD 111*

**WLD 114 Lec: 0 Lab: 3 Cred: 1 IT**  
**Advanced Arc Welding**

This course is a continued study of out-of-position shielded metal arc welding.

*PreReq or CoReq: WLD 113*

**WLD 118 Lec: 1 Lab: 9 Cred: 4 IT**  
**Gas Metal Arc Welding Ferrous I**

This course covers the equipment setup and fundamental techniques for gas metal arc welding on ferrous metals.

**WLD 119 Lec: 0 Lab: 3 Cred: 1 IT**  
**Gas Metal Arc Welding Ferrous II**

This course covers the techniques used in preparation for gas metal arc welder qualification on ferrous metals.

*PreReq or CoReq: WLD 118*

**WLD 120 Lec: 1 Lab: 9 Cred: 4 IT**  
**Flux Cored Arc Welding I**

This course covers the equipment setup and fundamental techniques for flux cored arc welding.

**WLD 121 Lec: 0 Lab: 3 Cred: 1 IT**  
**Flux Cored Arc Welding II**

This course covers the techniques used in preparation for flux cored arc welder qualification.

*PreReq or CoReq: WLD 120*

**WLD 122 Lec: 1 Lab: 9 Cred: 4 IT**  
**Gas Metal Arc Welding Nonferrous I**

This course covers equipment setup and the fundamental techniques for gas metal arc welding on nonferrous metals.

**WLD 123 Lec: 0 Lab: 3 Cred: 1 IT**  
**Gas Metal Arc Welding Nonferrous II**

This course covers the techniques used in preparation for gas metal arc welder qualification on nonferrous metals.

*PreReq or CoReq: WLD 122*

**WLD 125 Lec: 0 Lab: 3 Cred: 1 IT**  
**Arc Welding Stainless Steel**

This course covers the principles and techniques of welding stainless steel with the shielded metal arc welding process.

*PreReq: WLD 114*

**WLD 132 Lec: 1 Lab: 9 Cred: 4 IT**  
**Inert Gas Welding Ferrous**

This course covers setup and adjustment of equipment and fundamental techniques for welding ferrous metals.

**WLD 133 Lec: 0 Lab: 3 Cred: 1 IT**  
**Inert Gas Welding Ferrous Tubing**

This course covers the techniques used in gas tungsten arc welding of ferrous tubing.

*PreReq or CoReq: WLD 132*

**WLD 135 Lec: 1 Lab: 9 Cred: 4 IT**  
**Inert Gas Welding of Aluminum**

This course covers the setup and adjustment of equipment and fundamental techniques of welding aluminum.

**WLD 137 Lec: 0 Lab: 3 Cred: 1 IT**  
**Inert Gas Welding Aluminum Tubing**

This course covers the techniques used in gas tungsten arc welding of aluminum tubing.

*PreReq or CoReq: WLD 135*

**WLD 141 Lec: 2 Lab: 0 Cred: 2 IT**  
**Weld Quality**

This course introduces weld quality assurance.

**WLD 152 Lec: 1 Lab: 9 Cred: 4 IT**  
**Tungsten Arc Welding**

This course covers gas tungsten arc welding of carbon steel or stainless steel with stainless steel filler metal.

*PreReq or CoReq: WLD 132*

**WLD 153 Lec: 0 Lab: 3 Cred: 1 IT**  
**Tungsten Arc Welding Stainless Steel Tubing**

This course covers the techniques used in gas tungsten arc welding of carbon steel and/or stainless steel tubing with stainless steel filler.

*PreReq or CoReq: WLD 152*

**WLD 170 Lec: 1 Lab: 9 Cred: 4 IT**  
**Qualification Welding**

This course covers the procedures and practices used in taking welder qualification tests.

*PreReq: WLD 114*

**WLD 201 Lec: 2 Lab: 0 Cred: 2 IT**  
**Welding Metallurgy**

This course covers the weldability of metals, weld failure, and the effects of heat on chemical, physical and mechanical properties.

**WLD 225 Lec: 1 Lab: 9 Cred: 4 IT**

**Arc Welding Pipe I**

This course covers the techniques used in shielded metal arc welding of groove welds on pipe.

*PreReq: WLD 170*

**WLD 226 Lec: 0 Lab: 3 Cred: 1 IT**

**Arc Welding Pipe II**

This course covers the techniques used in shielded metal arc welding of fillet welds on pipe.

*PreReq or CoReq: WLD 225*

**WLD 227 Lec: 0 Lab: 3 Cred: 1 IT**

**Arc Welding Pipe III**

This course covers the techniques used in shielded metal arc welding of groove welds on stainless steel pipe.

*PreReq: WLD 125, WLD 225*

*CoReq: WLD 225*

**WLD 228 Lec: 1 Lab: 9 Cred: 4 IT**

**Inert Gas Welding Pipe I**

This course covers the techniques used in gas tungsten arc welding of groove welds on ferrous pipe.

*PreReq: WLD 133*

**WLD 229 Lec: 0 Lab: 6 Cred: 2 IT**

**Inert Gas Welding Pipe II**

This course covers the techniques used in gas tungsten arc welding of groove welds on alloyed steel and nonferrous pipe.

*PreReq: WLD 153, WLD 137, WLD 228*

*CoReq: WLD 228*

**WLD 231 Lec: 1 Lab: 9 Cred: 4 IT**

**Gas Metal Arc/Flux Cored Arc Welding Pipe I**

This course covers the techniques used in gas metal arc and/or flux cored arc welding of groove welds on pipe.

*PreReq: WLD 119, WLD 121*

**WLD 232 Lec: 0 Lab: 6 Cred: 2 IT**

**Gas Metal Arc/Flux Cored Arc Welding Pipe II**

This course covers the techniques used in gas metal arc and/or flux cored arc welding of fillet welds on pipe.

*PreReq or CoReq: WLD 231*

**WLD 240 Lec: 3.5 Lab: 1.5 Cred: 4 IT**

**Robotic Welding and Manufacturing**

This course covers robotic welding systems, safety, operations and applications.

*PreReq: Restricted to major*

## **ELECTIVE LISTING**

### **ELE AA**

#### **Associate in Arts Electives**

These electives are for the Associate in Arts program only.

Select up to nine hours of college-level credit from the current Catalog. Hours beyond the number required in Oral Communication, Social Science, Mathematics, History, Natural Sciences, Literature and Humanities categories will count toward the nine elective hours. Up to nine hours of nonequivalent transfer credit also may be used.

**Strongly Recommended:** Students should choose courses that transfer to their chosen four-year college or university. See your transfer advisor for help in selecting appropriate electives.

**Exceptions:** These courses cannot be counted toward the nine hours of electives: MAT 155, IDS 101, COL 103, COL 104, ENG 100, ENG 150 and any course listed in the Catalog as a nondegree course.

### **ELE AHS**

#### **Allied Health Preparation Electives**

These electives are for the Allied Health Preparation certificate only. Select three semester credit hours from the following courses:

AHS 101	Introduction to Health Professions	2
AHS 104	Medical Vocabulary/Anatomy	3
AHS 142	Phlebotomy	2
AHS 170	Fundamentals of Disease	3
BIO 101	Biological Science I	4
BIO 115	Basic Microbiology	3
BIO 225	Microbiology	4
CHM 105	General Organic and Biochemistry	4
PSY 203	Human Growth and Development	3

- Students planning to enter the Veterinary Technology program must choose BIO 101 or BIO 115.
- Students planning to enter the Dental Hygiene program must complete BIO 225 or CHM 105.
- Students planning to enter the Occupational Therapy Assistant program must choose PSY 203.

### **ELE BCT**

#### **Basic Construction Trades**

##### **Electives**

These courses are for the Basic Construction Trades Career Path of the Associate in Occupational Technology degree

BCT 106	Beginning Woodworking	2
BCT 108	Finish Trim	2
BCT 116	Residential Building Exam Preparation	1
BCT 158	Introductory Building Maintenance	5
BCT 204	Cabinet Making	4
CWE	Cooperative Work Experience	

### **ELE BCT ADD**

#### **Basic Construction Trades**

##### **Additional Electives**

These courses are for the Basic Construction Trades Career Path of the Associate in Occupational Technology degree.

BAF 101	Personal Finance	3
MGT 120	Small Business Management	3
SPA 155	Technical Spanish I	3

### **ELE B/P**

#### **Baking and Pastry Electives**

These electives are for the Baking and Pastry certificate program only. Select three semester credit hours from the following:

HOS 159	Hospitality Accounting Applications	3
HOS 160	Purchasing for Hospitality	3
HOS 181	Candies and Confectionaries	3
HOS 182	Artisan Breads	3
HOS 183	Plated Desserts	3
HOS 243	Food Competition Fundamentals	3
HOS 265	Hotel, Restaurant and Travel Law	3

### **ELE CET**

#### **Civil Engineering Technology Electives**

These electives are for the Civil Engineering Technology program only. Select one course from the following:

AET 110	Architectural Graphics I	3
CET 127	Building Construction and Print Reading	4
CET 135	Construction Contracts	2

CET 230	Construction Management	3
CET 238	Construction Planning and Scheduling	2
CET 245	Cost Estimating	3
CWE	Cooperative Work Experience	2
EGR 282	Introduction to Civil Engineering	2
EGT 152	Fundamentals of CAD	3

## ELE CGA

### Animation Electives

These electives are for the Commercial Graphics Animation Career Path only. Select one course from the following:

ARV 124	Sequential Drawing	3
ARV 224	3-D Animation II	3
CGC 110	Electronic Publishing	3
CPT 101	Introduction to Computers	3
<b>or</b>		
CPT 102	Basic Computer Concepts	3
FLM 169	Advanced Post-Production II	3
FLM 230	Animation Production	3
RTV 101	Audio Techniques	3

## ELE CGD

### Commercial Graphics Digital Media Career Path Electives

These electives are for the Commercial Graphics Digital Media Career Path only. Select 12 semester credit hours from the following:

ART 111	Basic Drawing I	
ARV 125	Drawing for Animators	3
ARV 210	Computer Graphics II	3
ARV 218	Computer Imagery II	3
ARV 220	Multimedia Presentations	3
ARV 223	3-D Animation I	3
ARV 224	3-D Animation II	3
ARV 225	Advanced Computer Animation	3
ARV 228	Web Site Design II	3
ARV 229	Advanced Multimedia	3
ARV 230	Visual Arts Business Procedures	3
ARV 232	Advanced Digital Photography	3
ARV 247	3-D Animation III	3
ARV 248	3-D Animation IV	3
ARV 263	Special Projects in Computer Animation	3
CGC 110	Electronic Publishing	3
CPT 101	Introduction to Computers	3
<b>or</b>		
CPT 102	Basic Computer Concepts	3
CWE	Cooperative Work Experience	
FLM 169	Advanced Post Production II	3

## ELE CGG

### Commercial Graphics Graphic Design Career Path Electives

These electives are for the Commercial Graphics Graphic Design Career Path only. Select nine semester credit hours from the following:

ART 112	Drawing II	3
ARV 114	Photography I	3
ARV 115	Aesthetics of Photography	3
ARV 124	Sequential Drawing I	3
ARV 125	Drawing for Animators	3
ARV 205	Graphic Illustration	3
ARV 210	Computer Graphics II	3
ARV 212	Digital Photography	3
ARV 213	Lighting	3
ARV 214	Photography II	3
ARV 215	Photography III	3
ARV 218	Computer Imagery II	3
ARV 220	Multimedia Presentations	3
ARV 221	Interactive Media Design	3
ARV 222	Computer Animation	3
ARV 223	3-D Animation I	3
ARV 225	Advanced Computer Animation	3
ARV 228	Web Site Design II	3
ARV 229	Advanced Multimedia	3
ARV 230	Visual Arts Business Procedures	3
ARV 232	Advanced Digital Photography	3
ARV 247	3-D Animation III	3
ARV 264	Special Projects in Graphic Arts	3
CPT 101	Introduction to Computers	3

**or**

CPT 102	Basic Computer Concepts	3
CWE	Cooperative Work Experience	
FLM 148	Basic Editing	3

## ELE CGP

### Commercial Graphics Photography Career Path Electives

These electives are for the Commercial Graphics Photography Career Path only. Select nine semester credit hours from the following:

ARV 110	Computer Graphics I	3
ARV 218	Computer Imagery II	3
ARV 228	Web Site Design II	3
ARV 230	Visual Arts Business Procedures	3
ARV 267	Special Projects in Photography	3
CGC 110	Electronic Publishing	3

CPT 101	Introduction to Computers	3
<b>or</b>		
CPT 102	Basic Computer Concepts	3
CWE	Cooperative Work Experience	

## ELE Comp

### Computer Electives

CPT 101	Introduction to Computers	3
CPT 102	Basic Computer Concepts	3
EGR 110	Introduction to Computer Environment	3
EGR 270	Introduction to Engineering	3

## ELE CPT

### Computer Technology Electives

These electives are for the Information Systems path of the Computer Technology degree only. Select three semester credit hours from the following courses:

#### Microcomputer Programming

CPT 212	Visual Basic Programming	3
CPT 232	C++ Programming I	3
CPT 233	C++ Programming II	3
CPT 244	Data Structures	3
CPT 236	Introduction to Java Programming	3

#### Internet Programming

CPT 239	Active Server Pages	3
CPT 283	PHP Programming I	3
IST 239	Datum and JavaScript	3

#### Unix Systems Operations

IST 166	Network Fundamentals	3
IST 190	Linux Essentials	3
IST 191	Linux System Administration	3
IST 192	Linux Network Applications	3

#### Cisco Routing

IST 201	Cisco Internetworking Concepts	3
IST 202	Cisco Router Configuration	3
IST 203	Advanced Cisco Router Configuration	3
IST 204	Cisco Troubleshooting	3

#### Database

CPT 242	Database	3
IST 272	Relational Database	3

#### A+

CPT 210	Computer Resource Management	3
IST 161	Introduction to Network Administration	3
IST 166	Network Fundamentals	3
IST 190	Linux Essentials	3
IST 293	IT and Data Assurance I	3

### Computer Gaming

CPT 288	Computer Game Development	3
CWE	Cooperative Work Experience	
IST 286	Technical Support Internship I	3

## ELE CRJ Electives

### Criminal Justice Electives

These electives are for the Criminal Justice degree program only. The courses may be taken any semester offered.

CRJ 110	Police Patrol	3
CRJ 120	Constitutional Law	3
CRJ 126	Criminal Justice Research Methods	3
CRJ 140	Criminal Justice Report Writing	3
CRJ 202	Criminalistics	3
CRJ 233	Cyber Crimes and the Law	3
CRJ 235	Practical Crime Scene Investigation	3
CRJ 239	Homeland Security and Terrorism	3
CRJ 244	Probation, Pardon and Parole	3
CRJ 250	Criminal Justice Internship I	3
CWE 113	Cooperative Work Experience	
CWE 123	Cooperative Work Experience	

## ELE CUL

### Culinary Electives

These electives are for the Culinary Arts Technology associate degree and the Catering certificate only.

HOS 106	Introduction to Production Kitchens	3
HOS 180	French Regional Cuisine	3
HOS 190	Issues in Culinary Arts and Hospitality	3
HOS 220	Advanced Bakeshop	3
HOS 243	Food Competition Fundamentals	3
HOS 254	Catering Management	3

## ELE ECE

### Early Care and Education Electives

These electives are for Early Care and Education only:

#### Applied Electives (Select four)

ECD 136	Physical Education for Young Children	3
ECD 220	Social Studies Curriculum	3
ECD 237	Methods and Materials	3
ECD 239	Assessment and Program Planning	3

ECD 250	Supervised Comprehensive Work Experience in Early Childhood Development	4
ECD 252	Diversity Issues in Early Care and Education	3
SAC 201	Development of the School-Age Child and Youth	3
SAC 202	Administration of School-Age and Youth Programs	3
SAC 206	Human Relationships for Children, Staff and Families	3
SAC 207	Science, Technology and Cultural Arts in School-Age and Youth Programs	3
SAC 209	Introduction to Special Education for School-Age Children and Youth	3

### Secondary Specialty Electives (Select five)

BIO 101	Biological Science I	4
ECD 106	Observation of Young Children	3
ECD 108	Family and Community Relations	3
ECD 109	Administration and Supervision	3
ECD 200	Curriculum Issues in Infant and Toddler Development	3
ECD 205	Social and Group Care of Infants/Toddlers	3
ECD 207	Inclusive Care	3
ECD 210	Early Childhood Intervention	3
ECD 251	Supervised Field Experience in Infant and Toddler Development	3
ECD 253	Communication Systems for ECSE	3
ECD 254	Facilitation and Environmental Management for ECSE	3
ECD 255	Activity Therapy for Early Childhood Special Education	3
ECD 256	Counseling Techniques for ECSE	3
ECD 257	Supervised Field Experience in Early Childhood Special Education	3
ENG 102	English Composition	3
HIS 101	Western Civilization	3
MGT 120	Small Business Management or BUS 101 Introduction to Business	3
MUS 105	Music Appreciation	3
SAC 200	Introduction to School-Age and Youth Care	3
SAC 203	Designing Model Environments for School-Age Children and Youth	3
SAC 204	Safety, Health and Nutrition for School-Age Children and Youth	3
SAC 205	Guiding Behavior, Violence Prevention and Classroom Management	3
SAC 208	Supervised Field Experience for School-Age and Youth Care	3
SPA 101	Elementary Spanish I	4

## ELE EET

### Electronics Engineering Technology Electives

These electives are for the Electronics Engineering Technology program only. Select one course from each of the following:

#### Technical Electives

EEM 217	AC/DC Machines with Electrical Codes	4
EEM 221	DC/AC Drives	3
EGT 151	Introduction to CAD	3
IMT 102	Industrial Safety	2

#### Math/Science Electives

CHM 110	College Chemistry I	4
MAT 120	Probability and Statistics	3
MAT 130	Elementary Calculus	3
MAT 140	Analytic Geometry and Calculus I	4
PHY 202	Physics II	4

## ELE EVT

### General Technology Environmental Career Path Elective

Select three semester credit hours of elective courses. Courses must be approved by your advisor.

## ELE FLG1

Select a foreign language elective from the following:

FRE 101	Elementary French I	4
FRE 102	Elementary French II	4
GER 101	Elementary German I	4
GER 102	Elementary German II	4
SPA 101	Elementary Spanish I	4
SPA 102	Elementary Spanish II	4

## ELE FLG2

Select a foreign language elective from the following:

FRE 201	Intermediate French I	3
FRE 202	Intermediate French II	3
GER 201	Intermediate German I	3
GER 202	Intermediate German II	3
SPA 201	Intermediate Spanish I	3
SPA 202	Intermediate Spanish II	3

## ELE FLM

### General Technology Film

#### Production Career Path Electives

These electives are for the General Technology Film Production Career Path only. Select nine semester credit hours from the following courses:

ARV 247	3-D Animation III	3
FLM 159	Digital Distribution	3
FLM 168	Advanced Post-Production I	3
FLM 169	Advanced Post-Production II	3
FLM 178	Advanced Editing	3
FLM 179	Senior Film Editing	3
FLM 180	Special Topics in Film I	1
FLM 240	Insert Stage Techniques	3
FLM 248	Film Editing Capstone	3
FLM 250	Film Production Senior Project	3
FLM 252	Cinematography	3
FLM 256	Film Production IV	3
FLM 260	Professional Experience in Film	3
FLM 261	Professional Experience in Film II	3
FLM 265	Documentary Filmmaking	3
FLM 272	Directing for the Camera	3
FLM 290	Contemporary Issues in Filmmaking	3
RTV 150	Scriptwriting	3

## ELE GBE

### General Business e-Commerce

#### Career Path Electives

These electives are for the General Business e-Commerce Career Path only. Select three semester credit hours from the following courses:

ACC 102	Accounting Principles II	3
BAF 201	Principles of Finance	3
BAF 215	Money and Banking	3
BAF 250	Investments	3
BUS 110	Entrepreneurship	3
BUS 176	International Marketing	3
CPT 172	Microcomputer Database	3
CPT 174	Microcomputer Spreadsheets	3
CPT 179	Microcomputer Word Processing	3
CWE	Cooperative Work Experience	
ECO 207	International Economics	3
ENG 102	English Composition II	3
FRE 101	Elementary French I	4
FRE 102	Elementary French II	4
FRE 201	Intermediate French I	3
FRE 202	Intermediate French II	3
GER 101	Elementary German I	4
GER 102	Elementary German II	4
GER 201	Intermediate German I	3

GER 202	Intermediate German II	3
HIS 102	Western Civilization Post 1689	3
MGT 150	Fundamentals of Supervision	3
MGT 240	Management Decision Making	3
MKT 120	Sales Principles	3
MKT 130	Customer Service Principles	3
MKT 135	Customer Service Techniques	3
MKT 240	Advertising	3
MKT 250	Consumer Behavior	3
MKT 260	Marketing Management	3
PSC 220	Introduction to International Relations	3
PSY 201	General Psychology	3
QAT 105	Total Quality Systems	3
QAT 110	Manufacturing Methods	3
QAT 201	Quality Cost Analysis/Auditing	3
QAT 240	Advanced Quality Concepts	3
SPA 101	Elementary Spanish I	4
SPA 102	Elementary Spanish II	4
SPA 201	Intermediate Spanish I	3
SPA 202	Intermediate Spanish II	3
TRL 101	Introduction to Transportation	3

## ELE GBI

### General Business International

#### Business Career Path Electives

These electives are for the General Business International Business Career Path only. Select six semester credit hours from the following courses:

ACC 102	Accounting Principles II	3
BAF 201	Principles of Finance	3
BAF 215	Money and Banking	3
BAF 250	Investments	3
CPT 172	Microcomputer Database	3
CPT 174	Microcomputer Spreadsheets	3
CPT 179	Microcomputer Word Processing	3
CWE	Cooperative Work Experience	
ENG 102	English Composition II	3
FRE 101	Elementary French I	4
FRE 102	Elementary French II	4
FRE 201	Intermediate French I	3
FRE 202	Intermediate French II	3
GER 101	Elementary German I	4
GER 102	Elementary German II	4
GER 201	Intermediate German I	3
GER 202	Intermediate German II	3
HIS 102	Western Civilization Post 1689	3
MGT 150	Fundamentals of Supervision	3
MGT 230	Managing Information Resources	3
MGT 235	Production Management	3
MKT 120	Sales Principles	3
MKT 130	Customer Service Principles	3

MKT 135	Customer Service Techniques	3	PSY 201	General Psychology	3
MKT 240	Advertising	3	QAT 101	Introduction to Quality Assurance	3
MKT 250	Consumer Behavior	3	QAT 105	Total Quality Systems	3
MKT 260	Marketing Management	3	QAT 240	Advanced Quality Concepts	3
PSY 201	General Psychology	3	ELE SCI		
QAT 101	Introduction to Quality Assurance	3	SPA 101	Elementary Spanish I	4
ELE SCI			SPA 102	Elementary Spanish II	4
SPA 101	Elementary Spanish I	4	SPA 201	Intermediate Spanish I	3
SPA 102	Elementary Spanish II	4	SPA 202	Intermediate Spanish II	3
SPA 201	Intermediate Spanish I	3	SPC 205	Public Speaking	3
SPA 202	Intermediate Spanish II	3	SPC 209	Interpersonal Communication	3
SPC 205	Public Speaking	3	TRL 101	Introduction to Transportation	3
SPC 209	Interpersonal Communication	3	TRL 106	Export/Import	3
TRL 101	Introduction to Transportation	3			
TRL 102	Customer Service Management	3			

## ELE GBC

### General Business Customer Service Career Path Electives

These electives are for the General Business Customer Service Career Path only. Select three semester credit hours from the following courses:

ACC 102	Accounting Principles II	3
ACC 150	Payroll Accounting	3
ARV 110	Computer Graphics I	3
BAF 201	Principles of Finance	3
BAF 215	Money and Banking	3
BAF 250	Investments	3
BUS 230	Purchasing	3
CPT 172	Microcomputer Database	3
CPT 174	Microcomputer Spreadsheets	3

SPA 101	Elementary Spanish I	4
SPA 102	Elementary Spanish II	4
SPA 201	Intermediate Spanish I	3
SPA 202	Intermediate Spanish II	3

TRL 102	Customer Service Management	3
TRL 106	Export/Import	3

## ELE GEN

### Criminal Justice General Electives

CRJ 102	Introduction to Security	3
CRJ 224	Police Community Relations	3
CRJ 230	Criminal Investigation I	3
CRJ 243	Criminal Profiling	3

Any additional course from General Education Core Curriculum

## ELE HIS

### History Electives

HIS 101	Western Civilization to 1689	3
HIS 102	Western Civilization Post 1689	3
HIS 104	World History I	3
HIS 105	World History II	3
HIS 130	African-American History to 1877	3
HIS 131	African-American History: 1877 to Present	3
HIS 201	American History: Discovery to 1877	3
HIS 202	American History: 1877 to Present	3

## ELE HOS

### Hospitality Industry Service Electives

These electives are for the Hospitality Industry Service certificate only. Select three semester credit hours from the following:

HOS 159	Hospitality Accounting Applications	3
HOS 160	Purchasing for Hospitality	3
HOS 265	Hotel, Restaurant and Travel Law	3

## ELE HTM

### Hospitality and Tourism Management Electives

These courses are for the Hospitality and Tourism Management degree and Hospitality Industry Service certificate only. Select one course from the following:

HOS 150	Hotel Management	3
HOS 163	International Etiquette and Protocol	3
HOS 164	Travel and Tourism	3
HOS 169	Club Management	3
HOS 190	Issues in Culinary Arts and Hospitality	3
HOS 250	Beverage Service Management	3

HOS 254	Catering Management	3
HOS 258	Convention Management	3
HOS 266	Destination Tour Management	3

## ELE HUM

### Humanities Electives

ART 101	Art History and Appreciation	3
ART 105	Film as Art	3
ART 107	History of Early Western Art	3
ART 108	History of Western Art	3
ENG 201	American Literature I	3
ENG 202	American Literature II	3
ENG 205	English Literature I	3
ENG 206	English Literature II	3
ENG 208	World Literature I	3
ENG 209	World Literature II	3
ENG 214	Fiction	3
ENG 218	Drama	3
ENG 222	Poetry	3
HIS 101	Western Civilization to 1689	3
HIS 102	Western Civilization Post 1689	3
HIS 104	World History I	3
HIS 105	World History II	3
HIS 130	African-American History to 1877	3
HIS 131	African-American History: 1877 to Present	3
HIS 201	American History: Discovery to 1877	3
HIS 202	American History: 1877 to Present	3
HSS 201	Issues in Humanities	3
IDS 201	Leadership Development	3
MUS 105	Music Appreciation	3
PHI 101	Introduction to Philosophy	3
PHI 110	Ethics	3
THE 101	Theater	3

## ELE HUS

These electives are for the Human Services associate degree only. Select one course from the following:

CRJ 210*	The Juvenile and the Law	3
CRJ 244	Probation, Pardon and Parole	3
HUS 212	Services for the Elderly	2
HUS 213	Developmental Disabilities Program Planning	3
HUS 214	Health, Wellness and Nutrition for Special Populations	3
HUS 217	Addictions Counseling	3
HUS 218	Addictions Counseling II	3
SOC 102	Marriage and the Family	3
SOC 205	Social Problems	3

SOC 210*	Juvenile Delinquency	3
----------	----------------------	---

*\*Students cannot receive credit for both CRJ 210 and SOC 210.*

## ELE HUSC

### Human Services Applied Electives for the Certificate

These electives are for the Human Services Certificate only. Select three semester credit hours from the following:

HUS 134	Activity Therapy	3
HUS 201	Family Systems Dynamics	3
HUS 205	Gerontology	3
HUS 206	Death and Dying	3
HUS 208	Alcohol and Drug Abuse	3
HUS 209	Case Management	3
HUS 217	Addictions Counseling	3
HUS 220	Diversity Issues in Human Services Practice	3
HUS 235	Group Dynamics	3
HUS 237	Crisis Intervention	3

Students can substitute any course with an SAC or ECD prefix.

## ELE LEG

### Paralegal Electives

Students may select six credit hours from any college-level courses in the Catalog to be used as electives, except any 100-level courses, COL 103, COL 104, COL 107, IDS 101, IDS 104 and ENG 150 or any course labeled nondegree credit in the course descriptions.

**Strongly Recommended:** CPT 179, CPT 172, CRJ 115, CRJ 120, CRJ 210, CRJ 222

## ELE MAT

### Mathematics Electives

MAT 110	College Algebra	3
MAT 120	Probability and Statistics	3
MAT 112	Precalculus	5
MAT 155	Contemporary Mathematics	3
MAT 170	Algebra, Geometry and Trigonometry I	3

## ELE MAT/SCI

### Mathematics/Natural Sciences

#### Electives

AST 101	Solar System Astronomy	4
BIO 101	Biological Science I	4
BIO 210	Anatomy and Physiology I	4
CHM 105	General Organic and Biochemistry	4
CHM 106	Contemporary Chemistry	4
CHM 110	College Chemistry I	4
MAT 110	College Algebra	3
MAT 112	Precalculus	5
MAT 120	Probability and Statistics	3
MAT 130	Elementary Calculus	3
MAT 155	Contemporary Mathematics	3
MAT 140	Analytic Geometry and Calculus I	4
MAT 170	Algebra, Geometry and Trigonometry I	3
PHY 201	Physics I	4
PHY 221	University Physics I	4

## ELE MET

### Mechanical Engineering

#### Technology Electives

These electives are for the Mechanical Engineering Technology program only. Select one course from the following:

#### Technical Electives

QAT 232	Statistical Quality Control	3
QAT 240	Advanced Quality Concepts	3

## ELE MFG

### General Technology

### Manufacturing Career Path

#### Elective

Select one course from any technical discipline outside of the career path. The course must be approved by your advisor.

## ELE MGB

### Management – Business

### Information Systems Career Path

#### Electives

These electives are for the Management-Business Information Systems Career Path only. Select three semester credit hours from the following courses:

ACC 102	Accounting Principles II	3
ACC 150	Payroll Accounting	3
BAF 201	Principles of Finance	3
BAF 215	Money and Banking	3
BAF 250	Investments	3
BUS 176	International Marketing	3
BUS 230	Purchasing	3
CPT 172	Microcomputer Database	3
CWE	Cooperative Work Experience	
ENG 102	English Composition II	3
HIS 102	Western Civilization Post 1689	3
MGT 120	Small Business Management	3
MGT 150	Fundamentals of Supervision	3
MGT 210	Employee Selection and Retention	3
MGT 235	Production Management	3
MKT 240	Advertising	3
MKT 250	Consumer Behavior	3
MKT 260	Marketing Management	3
PSC 215	State and Local Government	3
PSY 201	General Psychology	3
QAT 101	Introduction to Quality Assurance	3
QAT 105	Total Quality Systems	3
QAT 150	Total Quality Management Improvement	3
ELE SCI*		
SPC 205	Public Speaking	3
SPC 209	Interpersonal Communication	3
TRL 106	Export/Import	3

## ELE MGC

### Management – Corporate Quality

#### Career Path Electives

These electives are for the Management – Corporate Quality Career Path only. Select six semester credit hours from the following courses:

ACC 102	Accounting Principles II	3
ACC 150	Payroll Accounting	3
ARV 110	Computer Graphics I	3
BAF 201	Principles of Finance	3
BAF 215	Money and Banking	3
BAF 250	Investments	3
BUS 176	International Marketing	3
BUS 230	Purchasing	3
CPT 172	Microcomputer Database	3
CPT 174	Microcomputer Spreadsheets	3
CPT 179	Microcomputer Word Processing	3
CWE	Cooperative Work Experience	
ENG 102	English Composition II	3
HIS 102	Western Civilization Post 1689	3
MGT 120	Small Business Management	3
MGT 150	Fundamentals of Supervision	3
MGT 210	Employee Selection and Retention	3

MGT 230	Managing Information Resources	3
MGT 240	Management Decision Making	3
MKT 120	Sales Principles	3
MKT 240	Advertising	3
MKT 250	Consumer Behavior	3
MKT 260	Marketing Management	3
PSC 215	State and Local Government	3
PSY 201	General Psychology	3
ELE SCI*		
SPC 205	Public Speaking	3
SPC 209	Interpersonal Communication	3
TRL 101	Introduction to Transportation	3
TRL 106	Export/Import	3

## ELE MGF

### Management – Fire Service Career Path Electives

Students may receive a maximum of nine credit hours for SCFA 1000 series courses completed. All other SCFA course work submitted for exemption credit must be at the 2000 series level or above.

## ELE MGL

### Management – Leadership Development Career Path Electives

These electives are for the Management – Leadership Development Career Path only. Select three semester credit hours from the following:

ACC 102	Accounting Principles II	3
ACC 150	Payroll Accounting	3
ARV 110	Computer Graphics I	3
BAF 201	Principles of Finance	3
BAF 215	Money and Banking	3
BAF 250	Investments	3
BUS 176	International Marketing	3
BUS 230	Purchasing	3
CPT 172	Microcomputer Database	3
CPT 174	Microcomputer Spreadsheets	3
CPT 179	Microcomputer Word Processing	3
CWE	Cooperative Work Experience	
ENG 102	English Composition II	3
HIS 102	Western Civilization Post 1689	3
MGT 120	Small Business Management	3
MGT 150	Fundamentals of Supervision	3
MGT 230	Managing Information Resources	3
MKT 240	Advertising	3
MKT 250	Consumer Behavior	3
PSC 215	State and Local Government	3

PSY 201	General Psychology	3
QAT 101	Introduction to Quality Assurance	3
QAT 105	Total Quality Systems	3
ELE SCI*		
SPC 205	Public Speaking	3
SPC 209	Interpersonal Communication	3
TRL 106	Export/Import	3

## ELE MGT

### Management – Transportation and Logistics Career Path Electives

These electives are for the Management – Transportation and Logistics Career Path only. Select three semester credit hours from the following:

ACC 102	Accounting Principles II	3
ACC 150	Payroll Accounting	3
BAF 201	Principles of Finance	3
BAF 215	Money and Banking	3
BAF 250	Investments	3
BUS 176	International Marketing	3
BUS 230	Purchasing	3
CPT 101	Introduction to Computers	3
CPT 102	Basic Computer Concepts	3
CPT 172	Microcomputer Database	3
CPT 174	Microcomputer Spreadsheets	3
CPT 179	Microcomputer Word Processing	3
CWE	Cooperative Work Experience	
ENG 102	English Composition II	3
HIS 102	Western Civilization Post 1689	3
MGT 120	Small Business Management	3
MGT 150	Fundamentals of Supervision	3
MGT 210	Employee Selection and Retention	3
MGT 230	Managing Information Resources	3

SOC 230	Introduction to Gerontology	3

## ELE TSM

### Telecommunications Systems Management Electives

These courses are for the Telecommunications Systems Management degree only.

IST 163	Internet Server Network Configuration	3
IST 164	Implementing Windows Network Infrastructure Services	3
IST 165	Implementing and Administering Windows Directory Services	3
IST 166	Network Fundamentals	3
IST 191	Linux System Administration	3
IST 192	Linux Network Applications	3
IST 203	Advanced Cisco Router Configuration	3

IST 204	Cisco Troubleshooting	3
IST 205	Cisco Advanced Routing	3
IST 206	Cisco Remote Access	3
IST 207	Cisco Multilayer Switching	3
IST 208	Cisco Internetwork Troubleshooting	3
IST 225	Internet Communications	3
IST 250	Network Management	3
IST 253	LAN Service and Support	3
IST 291	Fundamentals of Network Security I	3
IST 292	Fundamentals of Network Security II	3
IST 209	Fundamentals of Wireless LANs	3
IST 294	IT and Data Assurance II	3
IST 295	Fundamentals of Voice Over IP	3
IST 286	Technical Support Internship I	3
IST 287	Technical Support Internship II	3
IST 263	Designing Windows Network Security	3
IST 259	Electronic Messaging	3

# **AREA COMMISSION,** **ADMINISTRATIVE STAFF** **AND FACULTY**

## **Area Commission**

Jack Y. Harrison, Chairman, Dorchester County  
Yvonne J. Barnes, Berkeley County  
William A. Blanton, Berkeley County  
Wilbur E. Johnson, Charleston County  
Baird A. Mallory, Charleston County  
Franklin J. Medio, Berkeley County  
Rutherford P. C. Smith, Dorchester County  
Marion C. Thompson, Dorchester County  
Anita G. Zucker, Charleston County

## **Administration**

### **President**

#### **Thornley, Mary**

A.A., Mars Hill College  
B.A., French and English, Mars Hill College  
M.A.T., English, University of North Carolina,  
Chapel Hill  
Ed.D., Curriculum and Instruction, University of  
South Carolina

### **Senior Vice President and General Counsel**

#### **Koonce, Kaye L.**

B.J., Journalism, University of Missouri, Columbia  
J.D., University of South Carolina

### **Vice President for Academic Affairs**

#### **Robertson, Patricia J.**

B.S., Business Education and Office Administration,  
Fort Lauderdale University  
M.A., Management, Webster University  
Ph.D., Applied Management and Decision Sciences,  
Walden University

### **Vice President for Advancement**

#### **Howle, Marguerite G.**

B.A., Education, University of South Carolina  
M.A.T., Education, The Citadel

### **Vice President for Continuing Education and Economic Development**

#### **Snowden, John C.**

B.S., Chemical Engineering, University of South  
Carolina  
M.B.A., The Citadel

### **Vice President for Finance and Administration**

#### **Hopkins, Carolyn**

B.A., Psychology, Furman University  
M.B.A., The Citadel

### **Vice President for Information Technology**

#### **Straub, E. Bernard**

B.S., Occupational Education, Southern Illinois  
University  
M.A., Computer Resources and Information  
Management, Webster University

### **Vice President for Student Services**

#### **Davis-McFarland, Elise**

B.A., Speech Pathology and Audiology, University  
of North Carolina, Greensboro  
M.Ed., Speech Pathology, University of Virginia  
Ph.D., Speech and Theatre, University of Pittsburgh

### **Associate Vice President, Planning and**

#### **Accreditation**

#### **Barr, Suzanne N.**

B.A., Psychology, Millsaps College  
M.A.Ed., Mathematics, The Citadel

### **Director of Berkeley Campus**

#### **Hart, Thomas G.**

B.A., English, Samford University  
M.A., English, Tulane University

### **Director of Palmer Campus**

#### **Robinson, Louester A.S.**

B.A., Fine Arts, College of Charleston  
B.S., Economics, College of Charleston  
M.S., Child and Youth Care Administration, Nova  
University  
Ed.D., Child and Youth Studies, Nova Southeastern  
University  
MLE, Management and Leadership Certification,  
Harvard Graduate School of Education

## **Faculty Administration**

### **Assistant Vice President of Academic Programs**

#### **Norton, Susan B.**

B.A., English, Clark University  
M.A., English, University of North Carolina, Chapel  
Hill

### **Assistant Vice President of Instruction**

#### **Simmons, Eddie**

B.S., Mathematics, Northeast Louisiana University  
M.A., Computer Resources and Information  
Management, Webster University

**Dean, Aeronautical Studies****Franco, Barry**

B.A., Bible, Tennessee Temple University  
M.A., Religion, Liberty University  
Master of Aeronautical Science, Embry-Riddle  
University  
FAA Licensed for A&P, IA, DME

**Dean, Allied Health Sciences****Hernandez, Richard**

A.A., Respiratory Therapy, Butte College  
B.A., Interdisciplinary Studies, University of South  
Carolina  
M.P.H., Public Health Administration, University of  
South Carolina  
Dr.P.H., Public Health Administration, University of  
South Carolina

**Dean, Business Technology****Jolly, Constance A.**

B.S., Computer Studies, University of Maryland  
M.A., Computer Resources and Information  
Management, Webster University

**Dean, Culinary Institute of Charleston****Saboe, Michael J.**

B.A., Political Science, College of Charleston  
M.B.A., The Citadel  
CHE, Certified Hospitality Educator, American  
Hotel and Motel Educational Institute

**Dean, Community, Family and Child Studies****Briggs, Stephany**

A.A.S., Social Services, Central Piedmont  
Community College  
B.T., Human Services, Wingate University  
M.S., Adult Education, North Carolina A&T State  
University

**Dean, Distance Learning and Broadcast Services****Thorntwaite, M. Roscoe**

B.A., Psychology, David Lipscomb University  
M.Ed., Psychology, Tennessee State University  
Ph.D., Developmental Psychology, University of  
Southern Mississippi

**Dean, The Learning Center****Leonard-Ray, Pamela**

B.A., Education, Washington State University  
M.Ed., Clinical Counseling, The Citadel

**Dean, Humanities and Social Sciences****Brown, Timothy D.**

B.A., Art, Furman University  
M.A., Art History, University of Iowa  
Ph.D., Education, Capella University

**Dean, Film, Media and Visual Arts****Fox, Patricia S.**

B.S., Art, Nazareth College  
M.A., Graphic Art, University of Wisconsin

**Dean, Industrial and Engineering Technology****Lang, Chris**

B.S., Electrical Engineering, University of South  
Carolina  
M.E., Electrical and Computer Engineering,  
University of South Carolina

**Dean, Law-Related Studies****Ungaro, John Robert III**

B.A., History, University of South Carolina  
J.D., University of South Carolina

**Dean, Learning Resources****Gullion, Drucie**

B.A., Library Education, University of South Carolina  
M.L.S., University of South Carolina

**Dean, Nursing****Horton, Muriel**

B.S.N., Medical University of South Carolina  
M.S.N., Medical College of Georgia

**Dean, Science and Mathematics****Landry, William P.**

B.A., Biological Sciences, University of New  
Hampshire  
M.S., Biological Sciences, Michigan Technological  
University

**Faculty****Abbott, Stacey G.**

Instructor, English  
B.A., English, University of Alabama, Birmingham  
M.A., English, Florida State University

**Ackland, Charles T.**

Coordinator, Electrical and Automated Technologies  
Certificate, Air Conditioning/Refrigeration, Trident  
Technical College  
A.O.T., General Technology, Trident Technical  
College  
B.E.E., Electrical Engineering, University of  
Minnesota

**Adgani, Page A.**

Instructor, Speech

B.S.S.P., Communication Studies, Northwestern University

M.A., Speech Communication, University of Minnesota

**Agnew, Patricia**

Department Head, Hospitality and Tourism Management

B.S., Business Administration/Marketing, University of South Carolina

Master of Hotel, Restaurant and Tourism Administration, University of South Carolina  
Intermediate Certificate in Culinary Studies, La Varenne Ecole de Cuisine, Paris

CHE, Certified Hospitality Educator, American Hotel and Motel Educational Institute

**Aldrich, Charlene**

Coordinator, Learning Assistance, Palmer Campus

B.S., Reading Education, East Carolina University

M.Ed., Reading Education, The Citadel

Certificate, Developmental Education Specialist, Kellogg Institute

**Allen, Barbara**

Coordinator, English

B.A., English and French, University of South Carolina

M.A., English, Duke University

**Allen, Norman**

Department Head, Criminal Justice

B.A., Political Science and Government, College of Charleston

M.A., Criminal Justice, University of South Carolina

M.P.A., Public Administration, University of South Carolina/College of Charleston

**Allison, Jerry D.**

Instructor, Mathematics

B.A., Mathematics, Tennessee Temple University

M.S., Mathematics, University of Iowa

M.B.A., St. Ambrose University

D.B.A., St. Ambrose University

**Altman, Walter G.**

Instructor, Civil Engineering Technology

B.S., Civil Engineering, University of South Carolina

M.E., Civil Engineering, University of South Carolina

Ph.D., Civil Engineering, University of South Carolina

**Ankersen, Barbara**

Department Head, Dental Services

Coordinator, Dental Hygiene

B.S., Dental Hygiene, Loyola University

M.S., Dental Hygiene Education, University of Missouri

**Autrey, John**

Director, Apprenticeship Program

Certificate, Industrial Electricity/Electronics, Trident Technical College

A.O.T., General Technology, Trident Technical College

B.S., Business Administration, Charleston Southern University

Licensed Master Electrician

Certified NCCER Master Trainer

**Baginski, Lee**

Instructor, English

B.A., English, Ohio State University

M.A., English, Ohio State University

Ph.D., English Education, The Ohio State University

**Baker, Audra J.**

Instructor, Nursing

A.A.S., Nursing, Broome Community College

B.S.N., State University of New York, Brockport

M.S., Mental Health, State University of New York, Stony Brook

**Baker, Pressley**

Coordinator, Industrial Maintenance Mechanics

Diploma, Air Conditioning/Refrigeration Mechanics, Trident Technical College

A.O.T., General Technology, Trident Technical College

**Baldwin, Vickie**

Instructor, Nursing

A.A., Nursing, Wesley College

B.S.N., Medical University of South Carolina

M.S.N., Medical University of South Carolina

**Barboza, Sandra L.**

Instructor, Spanish

B.A., Spanish, Columbia College

M.A.T., Spanish, University of South Carolina

**Barfield, Laura S.**

Librarian

B.A., English, University of Florida

B.S., Mathematics, University of Florida

M.A., English, University of Florida

M.S., Information Studies, Florida State University

**Barnhardt, John A.**

Instructor, Radio, Television and Film Production  
B.A., English, Colorado State University

**Barry, Wendy**

Instructor, English  
A.B., English, Colgate University  
M.A., English, Vanderbilt University  
Ph.D., English, Vanderbilt University

**Barton, Jill M.**

Instructor, Nursing  
B.S.N., Troy State University  
M.S.N., Medical University of South Carolina

**Baur, Maureen A.**

Instructor, Nursing  
B.S.N., Creighton University  
M.S.N., University of Colorado

**Bell, Alexander**

Instructor, Chemistry  
B.S., Chemistry, City College of New York  
M.S., Chemistry, Wilkes College  
Ph.D., Physical Chemistry, Clarkson College of  
Technology

**Bellack, Daniel R.**

Department Head, Behavioral and Social Sciences  
B.A., Psychology, University of Florida  
M.Ed., Counseling, University of Florida  
Ed.S., Counseling, University of Florida  
M.A., Psychology, University of Kentucky  
Ph.D., Psychology, University of Kentucky

**Benton, Jane M.**

Clinical Coordinator, Radiologic Technology  
Diploma, Roanoke Memorial Hospital School of  
Radiologic Technology  
R.T., Radiology, A.R.R.T.  
C.T., Computed Tomography, A.R.R.T.  
B.S., Workforce Education and Development,  
Southern Illinois University, Carbondale  
M.A., Management and Leadership, Webster  
University

**Bertauski, Tony**

Instructor, Horticulture Technology  
B.S., Plant and Soil Science, Southern Illinois

University, Carbondale  
M.S., Horticulture, University of Illinois,  
Champaign-Urbana

**Bishop-Robinson, Cassandra**

Instructor, Biological Sciences  
B.S., Zoology, Clemson University  
M.S., Public Health, Meharry Medical College  
Ph.D., Pharmacology, Meharry Medical College

**Black, Benjamin**

Coordinator, Chef/Instructor, Culinary Arts  
B.S., Business Administration, Charleston Southern  
University  
C.E.C., Certified Executive Chef, American  
Culinary Federation

**Blackburn, Cindy R.**

Instructor, History  
B.S., Human Ecology, Cook College, Rutgers  
University  
M.A., History, University of Charleston

**Boeding, Laurie**

Instructor, Network Systems Management  
B.S., Business Administration, University of New  
Hampshire  
M.A., Information Systems, University of Phoenix  
Microsoft Certified Systems Administrator  
Microsoft Certified Systems Engineer  
Cisco Certified Network Associate  
Cisco Certified Academy Instructor, Cisco Systems

**Boroski, Edna**

Instructor, Administrative Office Technology  
A.Bus., Management, Trident Technical College  
B.T., Management, Charleston Southern University  
M.A., Computer Resources and Information  
Management, Webster University

**Bowler, John P.**

Instructor, Legal Assistant and Paralegal  
B.S., Business Administration, College of  
Charleston  
J.D., University of South Carolina

**Boyce, John J.**

Librarian  
Diploma, Computer Technology, New York  
University  
B.A., Comparative Literature, Fordham University  
M.A., English and American Literature, New York  
University  
M.S., Library Studies, The Florida State University

**Bradley, Beverly**

Coordinator, Nursing  
B.S.N., Medical University of South Carolina  
M.Ed., Counselor Education, The Citadel  
M.S.N., Medical University of South Carolina  
Ph.D., Nursing, Medical University of South Carolina

**Brady, Marilyn S.**

Department Head, Nursing  
B.S.N., University of Delaware  
M.S.N., University of Kentucky  
Ph.D., Educational Administration, University of South Carolina

**Brady, Thomas J.**

Instructor, Information Systems  
A.A.S., Administrative Management, Community College of the Air Force  
A.A., General Studies, Suffolk County Community College  
B.S., Management, Charleston Southern University  
M.A., Computer Resources and Information Management, Webster University

**Britton, Verna Marynell**

Coordinator, Nursing  
B.S.N., Clemson University  
M.S.N., Medical College of Georgia

**Brooker, Matthew D.**

Instructor, Chemistry  
B.A., Chemistry/Biology, Mercer University  
M.S., Chemistry, University of North Carolina, Charlotte

**Brown, Sherri**

Department Head, Visual Arts  
B.A., Visual Arts, University of Northern Colorado  
M.A., Computer Resources and Information Systems Management, Webster University

**Bullington, Charlie**

Instructor, Mathematics  
B.A., Business Economics, Wofford College  
M.A.T., Mathematics, The Citadel

**Burbage, Lonnie D.**

Coordinator, Aircraft Maintenance  
A.I.T., Aircraft Maintenance, Trident Technical College

**Button, Dixie**

Coordinator, Management  
B.S., Advertising, University of Florida  
M.S., Business Administration, Boston University

**Carmel, Michael L.**

Department Head, Culinary Arts  
A.O.S., The Culinary Institute of America  
B.A., English/Theatre, Long Island University  
M.Ed., Adult Education, National-Louis University

**Casey, Patricia**

Instructor, Administrative Office Technology  
B.B.A., Marketing, University of Central Arkansas  
M.S.Ed., Business Education, Northern Illinois University

**Cash, Dennis**

Coordinator, Psychology  
A.A., Music, Holmes Junior College  
B.A., Psychology, University of Mississippi  
M.A., Community Counseling, University of Mississippi  
Ph.D., Educational Psychology, University of Mississippi

**Cason, Melanie L.**

Instructor, Nursing  
A.D.N., University of South Carolina  
B.S.N., Medical University of South Carolina  
M.S.N., Drexel University

**Chapman, Brenda**

Instructor, Mathematics  
A.E.T., Chemical Engineering Technology, Trident Technical College  
B.S., Mathematics, College of Charleston  
M.S., Mathematics, University of Charleston

**Cherban, Rosemary**

Instructor, Nursing  
Diploma, Uniontown Hospital School of Nursing  
B.S.N., Penn State University  
M.S.N., Indiana University of Pennsylvania

**Chumley, Wes**

Instructor, Developmental Mathematics  
A.S., Trident Technical College  
B.S., Mathematics, College of Charleston

**Cohen, William S.**

Coordinator, Massage Therapy  
Certificate, Massage Therapy, Trident Technical College  
B.S., Behavioral Science, New York Institute of Technology

**Coke, Sharon E.**

Instructor, Horticulture Technology  
B.S., Horticulture Science, North Carolina State University

**Collie, Linda**

Coordinator, Mathematics  
B.S., Mathematics, College of Charleston  
M.A.Ed., Mathematics, The Citadel

**Coombs, Dana**

Instructor, Aircraft Maintenance Technology  
A.E.T., A.I.T., Trident Technical College  
Associate Degree, Flight Engineering, Community College of the Air Force  
B.S., VocEd Studies, Southern Illinois University  
M.S., Aeronautical Science, Embry-Riddle Aeronautical University

**Correia, Robert**

Instructor, Psychology  
B.S., Psychology, Charleston Southern University  
M.A.T., Social Studies, Charleston Southern University

**Cotton, Orby**

Coordinator, Cosmetology  
Diploma, Cosmetology, Trident Technical College

**Covington, Judy D.**

Course Manager, Developmental English and Reading, IDS, ESL  
B.A., English, Claflin University  
M.A., Counseling Services, Webster University

**Crafts, Gary**

Coordinator, Computer Aided Design  
B.A., Architecture, Georgia Institute of Technology

**Crawford, Linda S.**

Instructor, Nursing  
A.A., Nursing, Itawamba Junior College  
B.S.N., University of North Alabama  
M.S.N., Regis University

**Curtis, Catherine M.**

Instructor, Nursing  
B.S.N., Medical College of South Carolina  
M.S.N., Hampton University

**Dambaugh, Warren E. Jr.**

Coordinator, Automotive Technology  
A.E.T., Mechanical Engineering Technology, Trident Technical College  
B.S., Occupational Education, Southern Illinois University, Carbondale  
A.S.E. Certified Master Automobile Technician  
A.S.E. Certified Master Engine Machinist  
A.S.E. Certified Refrigerant Recovery and Recycling  
General Motors Certified Master Technician

**Day, Sean A.**

Instructor, English  
B.A., Anthropology, Purdue University  
M.A., Anthropology, University of Wisconsin  
Ph.D., English, Purdue University

**Dewalt, John B.**

Coordinator, Basic Construction Trades  
B.S., Industrial Arts, Montana State University  
South Carolina Residential Builders License

**Deweese, Bridget**

Director, Quality  
Instructor, Business  
B.S., Business Administration/Accounting, University of South Carolina  
M.B.A., Business, Webster University

**Dickerson, Ronald E.**

Coordinator, Human Services/Consumer Sciences  
A.A., Administrative Justice, Los Angeles Metropolitan College  
B.A., Psychology, Limestone College  
B.A., Social Work, Limestone College  
M.S.W., Social Work, University of South Carolina

**Dobberfuhr, Audrey M.**

Instructor, Nursing  
B.S.N., University of Wisconsin, Madison  
M.S.N., University of North Carolina, Greensboro

**Dolfe, Clifford A.**

Department Head, Business  
 B.A., Business Administration, Bradford College  
 M.B.A., New Hampshire College  
 C.A.G.S., International Business, New Hampshire  
 College  
 ISO Certified Auditor

**Donaldson, Donna J.**

Coordinator, Medical Laboratory Technology  
 B.S., Biological Sciences, Indiana University  
 Master's in Clinical Laboratory Technology,  
 University of Dayton  
 Certified Medical Technologist (ASCP)

**Droste, Ryan E.**

Department Head, Physical Sciences  
 B.S., Physics, College of Charleston  
 M.A., Physics, Johns Hopkins University  
 Ph.D., Physics, Johns Hopkins University

**Dupree, Deborah**

Instructor, Psychology  
 B.A., Psychology Education, University of South  
 Carolina  
 M.Ed., Secondary School Guidance, University of  
 South Carolina  
 Ph.D., Counselor Education, University of South  
 Carolina

**Eakes, Kevin W.**

Instructor, Music  
 B.M., Music Education, Appalachian State  
 University  
 M.M., Music Education, University of North  
 Carolina, Greensboro

**Edwards, Angela**

Department Head, Biological Sciences  
 B.S., Biological Sciences, North Carolina State  
 University  
 M.S., Biology, The Catholic University of America

**Edwards, Michael E.**

Instructor, Art History  
 B.A., Environmental Design, North Carolina State  
 University  
 M.A., Architecture, University of Virginia

**Esch, Lise**

Instructor, English  
 B.A., English, St. Mary's College of Maryland  
 M.A., English, University of Wisconsin  
 Ph.D., English, University of Wisconsin

**Felty, Darren**

Coordinator, English  
 B.A., English, Saint Leo College  
 Ph.D., English, University of Georgia

**Fernandes, L. Kay**

Instructor, Psychology  
 B.S., Psychology, Western Carolina University  
 M.A., Clinical Psychology, Western Carolina  
 University

**Fischer, Lori**

Coordinator, Physical Therapist Assistant  
 B.S., Physical Therapy, Medical University of South  
 Carolina  
 M.S., Health Professions Education, Medical  
 University of South Carolina

**Fleming, Geneva L.**

Coordinator, Human Services  
 B.A., Sociology, Voorhees College  
 M.S.W., University of South Carolina  
 Ph.D., Religious Studies, Friends International  
 Christian University

**Fleming, Mack**

Coordinator, Horticulture Technology  
 B.S., Horticulture, Clemson University  
 M.S., Horticulture, Clemson University

**Flenner, David**

Instructor, Mathematics  
 B.S., Mathematics, Marshall University  
 M.A., Mathematics, Marshall University

**Fogle, Barbara**

Department Head, Information Systems  
 Certificate, Microcomputer Business Applications,  
 Trident Technical College  
 A.P.S., Legal Assistant, Trident Technical College  
 B.S., Workforce Education and Development,  
 Southern Illinois University  
 M.A., Computer Resources and Information  
 Management, Webster University  
 WebCT Certified Senior Trainer

**Ford, Jacqueline**

Instructor, Nursing  
 B.S.N., Medical University of South Carolina  
 M.S.N., Medical University of South Carolina

**Fulford, Timothy**

Instructor, Developmental Mathematics  
 A.E.T., Electronics Engineering Technology, Trident  
 Technical College  
 B.S., Physics, College of Charleston  
 B.S., Mechanical Engineering, Clemson University

**Gable, Charles**

Instructor, Information Systems  
 B.S., Human Resources Management, New School  
 for Social Research  
 M.A., Computer Resources Management, Webster  
 University

**Gentry, Krista**

Coordinator, Radiologic Technology  
 A.H.S., Radiologic Technology, Trident Technical  
 College  
 B.H.S., Medical University of South Carolina  
 R.T., Radiography, A.R.R.T.  
 M.A., Management and Leadership, Webster  
 University

**Gooch, Jean**

Instructor, Early Care and Education  
 Bachelor of General Studies, University of South  
 Carolina  
 M.Ed., Early Childhood Education, University of  
 South Carolina

**Goodman, Darryl**

Instructor, Business  
 A.I.T., Commercial Graphics, Trident Technical  
 College  
 B.S., Business Management, Wilberforce University  
 M.S., International Logistics, Texas A&M  
 International University

**Gordon, Barbara J.**

Instructor, Developmental Reading  
 B.A., English, Le Moyne College  
 M.Ed., Reading, The Citadel

**Goshorn, Jenny C.**

Instructor, Speech  
 B.A., Communication, College of Charleston  
 M.A., Communication, University of South Florida

**Gottemoeller, Larry**

Coordinator, Cosmetology  
 Diploma, Ohio State School of Cosmetology

**Gottsmann, Vikki L.**

Instructor, Dental Hygiene  
 B.S., Dental Hygiene, Medical College of Georgia  
 M.S., Pathology Education, Washington University

**Gramling, Patricia**

Coordinator, Mathematics  
 B.S., Biology/Mathematics, College of Charleston  
 M.A.Ed., Mathematics, The Citadel

**Greenberg, Betty B.**

Coordinator, Mathematics  
 B.A., Mathematics, Winthrop College  
 M.A.T., Mathematics, The Citadel

**Grimes, Randy M.**

Instructor, Radio, Television, and Film Production  
 B.A., Journalism/Broadcasting, University of South  
 Carolina  
 M.A., Educational Technology Leadership, George  
 Washington University

**Gronert, Bernd**

Chef Instructor, Culinary Arts  
 Master in Pastry Arts, Handwerkskammer Koblenz,  
 Germany  
 C.M.P.C., Handwerkskammer Koblenz, Germany  
 C.C.C., Industrie- und Handelskammer Boppard,  
 Germany

**Hagberg, Laurie A.**

Instructor, Accounting  
 A.A., Trident Technical College  
 B.S., Accounting, College of Charleston  
 M.S., Accounting, University of Charleston

**Hallman, William**

Instructor, Hospitality, Tourism and Culinary Arts  
 B.A., Political Science, College of Charleston

**Harper, Roslyn J.**

Instructor, Developmental English  
 B.A., English, City College of New York  
 M.Ed., Counselor Education, Southern Illinois  
 University

**Harris, David J.**

Instructor, Mathematics  
 B.S., Mathematics, College of Charleston  
 M.S., Mathematics, University of Charleston

**Hartnett, Richard**

Instructor, English  
B.A., Art, Bob Jones University  
M.A., English, Clemson University  
Ph.D., English, University of South Carolina

**Heaton, Gary E.**

Instructor, Physics  
B.S., Physics, Furman University  
M.S., Physics, Clemson University

**Hiebert, Mary Ellen**

Coordinator, Occupational Therapy Assistant  
B.S., Occupational Therapy, Milwaukee-Downer  
College  
M.H.S., Occupational Therapy, Medical University  
of South Carolina

**Hodges, Samantha J.**

Instructor, Mathematics  
B.S., Mathematics, College of Charleston  
M.S., Mathematics, University of Charleston

**Horton, Linda F.**

Instructor, Nursing  
B.S., Allied Health, Brena University  
B.S.N., University of North Carolina, Charlotte  
M.S.N., University of South Carolina

**Hoye, Laura**

Instructor, Mathematics  
B.S., Mathematics, West Virginia University  
Institute of Technology  
M.A.Ed., Mathematics, The Citadel

**Huff, Robert M.**

Chef Instructor, Culinary Arts  
A.O.S., Culinary Arts, Johnson and Wales  
University  
B.S., Workforce Education and Development,  
Southern Illinois University, Carbondale  
M.S., Management, Southern Wesleyan University  
C.C.E., Certified Culinary Educator, American  
Culinary Federation

**Hunter, Robert**

Coordinator, General Biology, Microbiology and  
Forensic Science  
B.S., Biology, College of Charleston  
M.S., Biology, Georgia Southern University  
M.S., Industrial Management, Clemson University

**Hyatt, John**

Instructor, Speech  
B.A., Speech Communication/Theatre Arts, Wake  
Forest University  
M.A., Marriage and Family Therapy, Appalachian  
State University  
M.A., Speech Communication, University of  
Georgia

**Iafrate, Thomas A.**

Instructor, Machine Tool Technology  
B.A., Social Studies, Youngstown State University  
Society of Manufacturing Engineers, Senior  
Member

**Ippolito, Mary Lou**

Coordinator, Spanish  
B.A., Elementary Education, University of South  
Florida  
M.A., Spanish, University of South Carolina

**Ivett, Glenn**

Instructor, Chemistry  
B.S., Chemical Engineering, University of Exeter,  
England  
Master of Philosophy, Chemical Engineering,  
University of Portsmouth, England

**Jackson, Christopher D.**

Instructor, Biological Sciences  
B.S., Biology, Wayne State University  
B.A., French, Wayne State University  
M.S., Marine Biology, University of Charleston

**Jackson, Cynthia D.**

Instructor, Nursing  
B.S.N., Medical University of South Carolina  
M.S.N., Medical University of South Carolina

**Jamison, Kinley Allen**

Course Manager, Developmental Mathematics  
B.S., Mathematics, Bethune-Cookman College  
M.S., Mathematics Education, Nova University

**Jarrett, Barbara W.**

Coordinator, Expanded-Duty Dental Assisting  
A.H.S., Dental Assisting, Trident Technical College  
B.S., Dental Hygiene, Medical University of South  
Carolina  
M.S., Health Professions Education, Medical  
University of South Carolina

**Jennings, Debra C.**

Instructor, Dental Assisting  
A.H.S., Dental Hygiene, Midlands Technical  
College  
B.A., Anthropology, University of South Carolina  
B.S., Biology, University of South Carolina  
D.M.D., Medical University of South Carolina

**Joczik, Jenny**

Instructor, English  
B.A., English, College of Charleston  
M.A., English, University of South Florida

**Johnson, Robbie F.**

Coordinator, Mechanical Engineering Technology  
B.S., Mechanical Engineering, University of  
Missouri  
M.S., Quality Engineering, Lehigh University

**Joiner, Suzanne M.**

Instructor, Information Systems  
B.S.B.A., Finance, University of Central Florida  
M.A., Instructional Technology/Media, University  
of Central Florida

**Jones, David J.**

Instructor, Information Systems  
A.B., Mathematics, University of Missouri  
M.S., Systems Management, Air Force Institute of  
Technology

**Jones, Janet M.**

Instructional Design Specialist  
A.S., Business Administration, Illinois Central  
College  
B.S., Management, Bradley University  
M.B.A., Business, The Citadel

**Kalameja, Alan J.**

Department Head, Design and Construction  
B.S., Industrial Education, East Carolina University

**Kamenicky, Thomas, R.**

Coordinator, Aircraft Manufacturing Technology  
A.A.S., Airframe Repair Technology, Community  
College of the Air Force

**Karabees, Thomas W.**

Instructor, Industrial Training  
B.S., Liberal Arts, Northern Michigan University  
M.A., Education, Pepperdine University  
M.S., Computing-Science Education, University of  
Evansville

**Kennedy, Thomas**

Coordinator, Civil Engineering Technology  
B.S.C.E., The Citadel  
M.S.C.E., University of West Virginia  
M.B.A., The Citadel

**Kerwin, Paul J.**

Coordinator, Veterinary Technology  
B.S., Engineering, Duke University  
D.V.M., Tufts University School of Veterinary  
Medicine

**Kinard, Miriam A.**

Course Manager, Developmental Reading  
B.S., Elementary Education, College of Charleston  
M.Ed., Reading, The Citadel

**Kirst, F. Michael**

Instructor, English  
A.A., Jamestown Community College  
B.A., English, State University of New York,  
Fredonia  
M.A., English, State University of New York,  
Fredonia

**Kogan, Igor**

Instructor, Mathematics  
B.S., Electrical Engineering, Higher Military School  
of Radio Engineering, Kiev, Ukraine  
M.S., Electronic Engineering, Higher Military  
School of Radio Engineering, Kiev, Ukraine  
Ph.D., Education, Scientific and Research Institute  
of Pedagogical Sciences, Tbilisi, Georgia

**Kohli, Mary Ann**

Instructor, English  
B.A., English, Winthrop  
M.A., English, University of South Carolina  
Ph.D., English, University of South Carolina

**Koonce, James R.**

Instructor, Developmental Mathematics  
A.A., Williams Baptist College  
B.S., Biology, College of Charleston  
M.S., Health Science, Medical University of South  
Carolina

**Kovacs, Colleen C.**

Instructor, Nursing  
B.S.N., Saint Louis University  
M.S.N., Duke University

**Krieger, Cary J.**

Instructor, Business

B.S., Accounting, Fairleigh Dickinson University

M.B.A., Accounting, Seton Hall University

**Lane, Leslie A.**

Instructor, Nursing

B.S.N., Medical College of Georgia

M.S.N., Medical University of South Carolina

**Lang, Kevin**

Instructor, Computer Aided Design

Certificate, Beginning Computer Aided Design,  
Trident Technical College

Certificate, Advanced Computer Aided Design,  
Trident Technical College

B.S.E., Mechanical Engineering, University of  
South Carolina

**La Russo, Amy D.**

Instructor, Nursing

B.S., Psychology, College of Charleston

B.S.N., University of South Carolina, Spartanburg

M.S.N., Medical University of South Carolina

**Lee, Edward H.**

Coordinator, Emergency Medical Technology

A.S., Emergency Medical Science, Asheville-  
Buncombe Technical Community College

B.S., Health Sciences (Emergency Health Services),  
The George Washington University

**Lee, Melanie**

Librarian

M.L.I.S., University of South Carolina

**Leighfield, Tamala P.**

Coordinator, Visual Arts

B.A., Design, American University

M.S., Photography, Brooks Institute

**LeShack, Andrea B.**

Instructor, Biological Sciences

B.S., Biological Sciences, Clemson University

M.S., Zoology, Auburn University

**Lewis, Brian J.**

Instructor, Nursing

B.S.N., The University of Texas Health Science  
Center, San Antonio

M.A., National Security and Strategic Studies,  
Naval War College

M.S.N., Medical University of South Carolina

**Lipe, Victor**

Instructor, Business

B.S., Business Administration, University of South  
Carolina

M.B.A., The Citadel

Certified Novell Instructor, Novell Inc.

Certified Novell Engineer, Novell Inc.

**Livingston, Shawn K.**

Instructor, Criminal Justice

A.A., Trident Technical College

B.S., Political Science, College of Charleston

M.S., Criminal Justice, Charleston Southern  
University

**Lohr, Diane**

Librarian

B.M.A., Media Arts, University of South Carolina

M.L.I.S., University of South Carolina

**Long, Ann W.**

Instructor, Developmental Mathematics

B.S., Mathematics, College of Charleston

**Lookadoo, Benjamin**

Instructor, Veterinary Technology

A.H.S., Veterinary Technology, TriCounty Technical  
College

**Lopez, Lisa H.**

Instructor, Spanish

B.A., Spanish, College of Charleston

M.S., Spanish, Georgetown University

**Lopez, Sandra**

Coordinator, Sociology

B.A., Sociology, University of Maine

M.A., Sociology, University of Western Kentucky

**Mantooth, Michelle E.**

Instructor, Medical Laboratory Technology

B.S., Medical Technology, Medical University of  
South Carolina

M.S., Health Profession Education, Medical  
University of South Carolina

Certifications and Specialties: MT (ASCP), CLS  
(NCA), CLSp (CYG)

**Marchand, Helene V.**

Instructor, Nursing

B.S.N., University of Texas Health Science Center

M.S.N., University of Texas Health Science Center

**Mauldin, Jerry**

Department Head, Network Systems Management  
 B.S., History, Kansas State University  
 M.A., Computer Resource Management, Webster University  
 Cisco Certified Network Associate, Cisco Systems  
 Cisco Certified Academy Instructor, Cisco Systems  
 Linux + Certification

**May, Frederick**

Instructor, Economics  
 B.S., Economics, University of Southwestern Louisiana  
 M.A., Economics, University of South Carolina  
 Certified Purchasing Manager (CPM), ISM  
 Certified Production and Inventory Manager (CPIM), APICS

**Mays, Kelly S.**

Instructor, Nursing  
 B.S.N., Clemson University  
 M.S.N., Medical University of South Carolina

**McCloy, Charles H.**

Instructor, Political Science  
 A.B., History, The Citadel  
 M.A., International Relations, Boston University  
 Ed.D., Education Administration and Supervision, University of Tennessee

**McDonald, Ann**

Instructor, English  
 B.A., Literary Studies, University of Texas, Dallas  
 M.A., English, Vanderbilt University  
 Ph.D., English, Vanderbilt University

**McSweeney, William**

Instructor, English  
 B.S., Journalism, Suffolk University  
 M.A., English, Bridgewater State College

**Mellor, David L.**

Instructor, Mathematics  
 B.S., Mathematics, Le Moyne College  
 M.A., Mathematics, State University College at Oswego, New York  
 M.S., Mathematics (Computer Option), University of Lowell

**Melville, Gary**

Instructor, Psychology  
 A.B., History, Barton College  
 M.A.Ed., Counseling, Western Carolina University

**Mihalik, Kenneth G.**

Department Head, Speech, Foreign Languages and Theater  
 B.A., Speech, California University of Pennsylvania  
 M.A., Speech, University of Pittsburgh

**Milligan, Claudette**

Coordinator, Accounting  
 B.S., Business Administration, Voorhees College  
 M.B.A., Business Administration, The Citadel

**Milligan, Daryl T.**

Instructor, Business  
 B.A., Business Administration, Morehouse College  
 M.B.A., Finance, Atlanta University

**Misuraca, Tonya**

Coordinator, Early Care and Education  
 B.A., Speech Pathology and Audiology, South Carolina State University  
 M.Ed., Divergent Learning, Columbia College

**Monterisi, Frank N. Jr.**

Instructor, Mathematics  
 A.S., Math and Science, Orange County Community College  
 B.A., Mathematical Sciences, Clemson University  
 M.A., Mathematics, Appalachian State University

**Moon, Ward**

Coordinator, Information Systems  
 B.S., Vocational Education Studies, Southern Illinois University, Carbondale  
 M.A., Computer Resources and Information Management, Webster University

**Moore, Ann**

Coordinator, Respiratory Care  
 B.A., History, College of Charleston  
 B.S., Respiratory Therapy, Medical University of South Carolina  
 M.S., Health Professions Education, Medical University of South Carolina

**Moore, William**

Coordinator, Network Systems Management  
 A.B., Political Science, The Citadel  
 M.A., Business Management, Central Michigan University  
 Certified Novell Instructor, Novell Inc.  
 Certified Novell Engineer, Novell Inc.

**Morgan, Randall, N.**

Instructor, Business  
 B.A., History, Samford University  
 M.B.A., Samford University  
 M.A., Economics, University of Alabama

**Morgan, Ward**

Chef Instructor, Culinary Arts  
 Certificate, Certified Working Chef, American  
 Culinary Federation  
 B.S., Vocational Education Studies, Southern  
 Illinois University

**Myer, David**

Coordinator, Physics  
 B.S., Physics, Pennsylvania State University  
 M.S., Computer Sciences Education, University of  
 Evansville  
 D.Ed., Physics, Pennsylvania State University

**Newman, Patricia**

Instructor, French  
 B.A., Elementary Education, Newberry College  
 B.A., French, Newberry College  
 M.A., French, Indiana University  
 M.A., Linguistics, Indiana University

**Nichols, Jeffrey J.**

Coordinator, Theater  
 A.B., Dramatic Arts, Western Reserve University  
 M.A., Speech, University of Maine  
 M.F.A., Theatre, University of Massachusetts

**Norman, Jennifer K.**

Coordinator, Esthetics  
 Certificate, Cosmetology, Charleston Cosmetology  
 Institute  
 Certificate, Methods of Teaching, South Carolina  
 State Board of Cosmetology

**Novak-Condry, Cheryl**

Coordinator, French and German  
 B.A., Spanish Language and Literature, Oakland  
 University  
 M.A., Spanish, Wayne State University  
 Ph.D., Spanish, University of Illinois

**Ogburn, Thomas W.**

Instructor, Visual Arts  
 B.A., Art Studio, University of South Carolina  
 M.F.A., Visual Art, Vermont College, Montpelier

**Oliver, Marion W.**

Instructor, Environmental Technology  
 A.B., Chemistry, The Citadel  
 M.S., Textile Chemistry, Clemson University

**O'Quin, Margaret Theresa**

Instructor, Mathematics  
 B.S., Science, Clemson University  
 M.A.Ed., Mathematics, The Citadel

**O'Quinn, Linda H.**

Librarian  
 B.A., English, Clemson University  
 M.A., English, Clemson University  
 M.L.I.S., University of South Carolina

**Ott, Janie B.R.**

Department Head, Industrial Technology, Berkeley  
 Campus  
 Coordinator, Nail and Esthetics  
 Diploma, Cosmetology, Farah's Beauty School

**Overstolz, Gretchen A.**

Instructor, Nursing  
 B.S.N., Medical University of South Carolina  
 M.S.N., Medical University of South Carolina

**Parris, Noelle**

Instructor, Spanish  
 B.A., Spanish, Swarthmore College  
 M.A., Translation and Interpretation (Spanish/  
 English), Monterey Institute of International  
 Studies

**Payne, Erlene S.**

Librarian  
 B.S., Sociology, Howard University  
 M.L.S., Atlanta University

**Pittman, Donna**

Instructor, Nursing  
 B.S.N., University of South Carolina  
 M.S.N., Medical University of South Carolina

**Pittman, Lester G.**

Department Head, History and Humanities and  
 Political Science  
 A.B., History, The Citadel  
 M.A., International Relations, University of  
 Southern California  
 M.A., History, University of Virginia  
 Ph.D., History, University of Virginia

**Piurkowsky, Theresa P.**

Department Head, Patient Care Services  
A.S., Respiratory Therapy, Shenandoah College  
B.S., Business Management, Shenandoah College  
M.Ed., Curriculum and Instruction, The Citadel

**Pryce, Rebecca L.**

Instructor, Radio, Television, and Film Production  
B.A., Film, Duke University

**Purcell, Gay**

Instructor, Nursing  
B.S.N., Clemson University  
M.S.N., Medical University of South Carolina

**Purcell, Katharine**

Director, International Education  
Instructor, English  
B.A., English, Kenyon College  
M.A., Teaching English in the Secondary Schools,  
Columbia University Teachers College  
Ph.D., English, University of North Carolina,  
Greensboro

**Rademacher, Kay**

Instructor, Nursing  
A.S., Registered Nursing, Lansing Community  
College  
B.S.N., University of Michigan, Ann Arbor  
M.S.N., Medical University of South Carolina

**Raines, Ida D.**

Instructor, Visual Arts  
B.A., Communication Arts, Lees-McRae College  
M.F.A., Graphic Design, Savannah College of Art  
and Design

**Reed, Michael J.**

Coordinator, Environmental Technology  
B.S., Chemical Engineering, Illinois Institute of  
Technology  
M.S., Environmental Engineering, University of  
North Carolina, Chapel Hill  
Certified Industrial Hygienist

**Reed, Sharon D.**

Instructor, Developmental English  
B.A., Political Science, Winthrop College  
M.Ed., English Education, South Carolina State  
University

**Regalbuto, Philip J.**

Instructor, Electronics Engineering Technology  
B.A., Anthropology, University of Wyoming  
M.S., Vocational Education, Southern Illinois  
University

**Robson, Franklin E.**

Instructor, Business  
B.A., Economics and Math, University of the South  
M.B.A., Business and Economics, University of  
South Carolina  
J.D., University of South Carolina

**Rodemann, Leila A.**

Instructor, Economics  
Certificate, Economics and Business Administration,  
University of Trier  
B.S., Economics and Finance, Babes-Bolyai  
University  
B.A., Political Science and European Studies,  
Babes-Bolyai University  
M.A., Economics, Clemson University

**Rosintoski, Larry J.**

Instructor, Criminal Justice  
B.A., History, Villanova University  
J.D., University of South Carolina

**Royce, James C.**

Instructor, Biological Sciences  
B.S., Secondary Education, West Virginia  
University  
M.A., Environmental Science, Western Michigan  
University

**Runey, Donna H.**

Instructor, Biological Sciences  
B.S., Biology, College of Charleston  
M.A.T., Secondary Education/Biology, The Citadel

**Rusnak, Robert**

Instructor, History  
B.A., Political Science, Bowling Green University  
M.A., History, Ohio University

**Ruth, Sue**

Director, Cooperative Education  
Instructor, English  
B.S., Education, Ohio State University  
M.A., Journalism, Kent State University

**Schaaf, Russell**

Coordinator, Film  
B.F.A., Photography, Northern Michigan University  
M.F.A., Film, Syracuse University

**Schleicher, Cathleen**

Instructor, Nursing  
 A.D.N., University of Cincinnati  
 B.S.N., Vanderbilt University  
 M.S.N., Medical University of South Carolina

**Schupbach, Dane**

Instructor, Network Systems Management  
 B.S., Workforce Education Development, Southern Illinois University  
 M.A., Computer Resources and Information Management, Webster University

**Seale, Glenn**

Instructor, Radio, Television, and Film Production  
 B.A., Speech Communication, Lubbock Christian University  
 M.A., Television and Radio, Syracuse University

**Sheppard, Evan**

Instructor, Visual Arts  
 A.B., Social Studies, Bard College  
 M.F.A., Photography, Rhode Island School of Design

**Simkovich, Jane A.**

Instructor, Mathematics  
 B.S., Mathematics, East Carolina University  
 M.A.E., Mathematics, East Carolina University

**Simpson, Nancy**

Instructor, Psychology  
 B.A., Psychology, Alfred University  
 M.S., Clinical Psychology, Eastern Michigan University  
 Psy.D., Clinical Psychology, Florida Institute of Technology

**Singleton, Charnette E.**

Librarian  
 B.S., Psychology, Wofford College  
 M.L.I.S., University of South Carolina

**Smith, Mark W.**

Instructor, Information Systems  
 A.A.S., Computer Technology, Purdue University  
 B.A., History, Valparaiso University  
 M.A., Computer Data Management, Webster University  
 Ed.D., Computer Education, Nova Southeastern University

**Smith, Michelle**

Director, Center for Teaching Support  
 B.F.A., Graphic Design, Savannah College of Art and Design  
 M.F.A., Graphic Design, Rochester Institute of Technology

**Smoczynski, Cara M.**

Instructor, Mathematics  
 B.S., Nutrition, Simmons College  
 M.A.T., Mathematics, The Citadel

**Snelgrove, Wilbert V.**

Coordinator, Electronics Engineering Technology  
 B.S., Electrical Engineering, University of South Carolina  
 M.E., Electrical Engineering, University of South Carolina  
 M.B.A., Business Administration, University of South Carolina

**Snipe, Karen R.**

Department Head, Diagnostic and Imaging Services  
 Coordinator, Pharmacy Technician  
 Certificate, Pharmacy Technician, Trident Technical College  
 A.S., Trident Technical College  
 B.A., Bible, Southeastern College  
 M.A.Ed., Biology, The Citadel  
 Certified Pharmacy Technician (PTCB)

**Snyder, Ray**

Instructor, Business  
 B.S., Business Administration, Charleston Southern University  
 M.B.A., Charleston Southern University

**Solomon, Aileen**

Coordinator, Mathematics  
 A.A., Mathematics, Hannibal Lagrange College  
 B.S., Mathematics, Southwest Baptist College  
 M.A., Mathematics and Secondary Education, Northeast Missouri State University

**Solomon, Christine**

Department Head, Accounting  
 A.A., Trident Technical College  
 B.S., Accounting, College of Charleston  
 B.S., Business Administration, College of Charleston  
 M.S., Accountancy, University of Charleston  
 Certified Public Accountant

**Solomon, Jean**

Instructor, Occupational Therapy Assistant  
 B.S., Occupational Therapy, Medical University of  
 South Carolina  
 M.H.S., Occupational Therapy, Medical University  
 of South Carolina

**Sosa, Lois**

Department Head, Rehabilitative Services  
 Clinical Coordinator, Physical Therapist Assistant  
 B.S., Physical Therapy, State University of New  
 York, Stony Brook  
 M.S., Health Professions Education, Medical  
 University of South Carolina

**Speraw, Samuel**

Coordinator, Electrical and Automated Technologies  
 A.E.T., Electronics Engineering Technology, Trident  
 Technical College

**Sperry, Cameron**

Coordinator, The Writing Center  
 B.A., English, University of North Carolina,  
 Wilmington  
 M.A., English, University of North Carolina,  
 Wilmington

**Stallsmith, James A.**

Instructor, Welding  
 Certified Welding Instructor, American Welding  
 Society  
 Certified Welding Educator, American Welding  
 Society

**Steele, Patricia S.**

Instructor, Nursing  
 B.S.N., Eastern Kentucky University  
 M.S.N., University of Phoenix

**Steinriede, Susan D.**

Coordinator, Administrative Office Technology  
 B.S., Business Education, University of Arkansas  
 M.Ed., Business Education and Office Management,  
 Memphis State University  
 Ed.D., Curriculum and Instruction, Memphis State  
 University

**Stepter, Ave**

Instructor, Developmental Mathematics  
 B.A., Social Studies, Allen University

**Stewart, Nancy R.**

Clinical Coordinator, Dental Hygiene  
 Certificate, Dental Assisting, North Dakota State  
 School of Science  
 A.S., Dental Hygiene, University of Minnesota  
 B.H.S., Medical University of South Carolina  
 M.B.A., The Citadel

**Stewart-Cain, Karen**

Instructor, Sociology  
 B.S., Political Science, Western Michigan  
 University  
 M.S., Sociology, Valdosta State College  
 Ph.D., Interdisciplinary Studies, Union Institute and  
 University

**Stockdell, Ruth**

Instructor, Nursing  
 B.S.N., Clemson University  
 M.S.N., Medical University of South Carolina

**Stockmaster, Susan D.**

Coordinator, Diagnostic and Imaging Services  
 B.S., Occupational Therapy, Medical University of  
 South Carolina  
 M.H.S., Medical University of South Carolina

**Stokes, Ruth A.**

Coordinator, Speech  
 B.A., Corporate Communication, College of  
 Charleston  
 M.A., Communication, University of Maine

**Stowasser, Melissa J.**

Director, High School Programs  
 B.A., Oral Communication/English, Marshall  
 University  
 M.A., Speech, Marshall University

**Strelkauskas, Anthony J.**

Instructor, Biological Sciences  
 B.A., Biology, University of California  
 M.S., Microbiology, University of Wyoming  
 Ph.D., Immunology, University of Illinois

**Stuhr, Lynne C.**

Instructor, Information Systems  
 B.S., Workforce Education, Southern Illinois  
 University  
 M.A., Computer Resource Information  
 Management, Webster University  
 M.A., Business/Organizational Management,  
 Webster University

**Susan, Peter**

Instructor, Biological Sciences  
 B.S., Microbiology, Pennsylvania State University  
 M.Ed., Science Education, University of Florida  
 Ph.D., Medical Science (Cell and Development  
 Biology), University of Florida

**Taylor, Kimberly**

Department Head, English  
 A.A., Trident Technical College  
 B.A., English, College of Charleston  
 M.A., English, University of Charleston  
 Ph.D., Education, Leadership for Higher Education,  
 Capella University

**Taylor, Shirley**

Instructor, Developmental Mathematics  
 B.S., General Science, Claflin College  
 M.A., Counseling Services, Webster University

**Teehan, Paul D.**

Instructor, Hospitality, Tourism and Culinary Arts  
 A.S., Holyoke Community College  
 B.S., Business Administration, North Adams State  
 College  
 M.Ed., Business Administration, American  
 International College  
 M.B.A., American International College  
 Ed.S., Business, Higher Education, South Carolina  
 State University  
 CHE, Certified Hospitality Educator, American  
 Hotel and Lodging Educational Institute

**Thompson, Charles E.**

Instructor, Physics  
 B.S., Physics, Wofford College  
 M.S., Physics, Clemson University

**Trotter, Jack**

Instructor, English  
 B.A., English, St. John's University  
 M.A., English Language and Literature, University  
 of Maryland, College Park  
 Ph.D., English, Vanderbilt University

**Tucker, Barbara I.**

Coordinator, Music, Philosophy and Art  
 B.S., Visual Arts, University of Texas, Dallas  
 M.A., History of Ideas, University of Texas, Dallas  
 Ph.D., History of Ideas, University of Texas, Dallas

**Turner, Deborah C.**

Director, Nursing Resource Center  
 B.S.N., University of North Carolina, Chapel Hill  
 M.S.N., Medical University of South Carolina

**Turner, Philip E.**

Coordinator, Air Conditioning/Refrigeration  
 Mechanics  
 Certificate, Air Conditioning/Refrigeration,  
 Department of the Navy  
 A.A., General Studies, Louisburg College  
 B.S., Business Administration, Charleston Southern  
 University

**Utsey, Janet R.**

Associate Dean, Law-Related Studies  
 B.S., Biology, English, Baptist College, Charleston  
 J.D., University of South Carolina

**Vagasky, David A.**

Chef Instructor  
 A.O.S., Culinary, Culinary Institute of America  
 Certificate, Chocolate Making, Callebaut Canada,  
 Inc.  
 Certificate, Cake and Pastry, Culinary Institute of  
 America  
 Certificate, Master Cake Decorator, The Wilton  
 School of Cake Decorating

**Vann, Martha**

Associate Dean, Industrial and Engineering  
 Technology  
 Department Head, Industrial Technology, Main  
 Campus  
 Diploma, Welding, Trident Technical College  
 A.O.T., Vocational Technical Education, Trident  
 Technical College  
 B.S., Vocational Education, Southern Illinois  
 University  
 M.S., Industrial Technology, East Carolina  
 University  
 AWS CWI/CWE

**Vann, Ronald L.**

Coordinator, Welding  
 A.O.T., Vocational Technical Education, Trident  
 Technical College  
 B.S., Vocational Education, Southern Illinois  
 University  
 M.H.R.D., Clemson University  
 AWS CWI/CWE

**Varella, Walter B.**

Instructor, Automotive Technology  
 Diploma, Diesel Mechanics, Trident Technical College  
 A.S.E. Certified Master Automobile Technician  
 A.S.E. Certified Master Truck Technician  
 A.S.E. L-1, L-2 Advanced Certification  
 Master Certified Emergency Vehicle Technician

**Vierthaler, Patricia**

Librarian  
 B.A., Library Science, Radford University  
 M.S., Educational Media, Radford University  
 M.L.S., Emporia State University

**Vinson, Jay**

Coordinator, Anatomy and Physiology  
 B.S., Biology, University of Southern Mississippi  
 M.S., Biology, University of Southern Mississippi

**Vorlick, Shannon S.**

Instructor, Nursing  
 B.S.N., Charleston Southern University  
 M.S.N., Medical University of South Carolina

**Waggener, J. Vance**

Instructor, Mathematics  
 B.S., Ocean Engineering, Florida Institute of Technology  
 M.S., Mathematics, University of Charleston

**Walker, Lawrence R.**

Instructor, Biological Sciences  
 B.S., Biology, College of Charleston  
 M.A.T., Secondary Education/Biology, The Citadel

**Walker, Robert A.**

Department Head, Engineering Technology  
 A.I.T., Aircraft Maintenance Technology, Trident Technical College  
 B.S., Electrical Engineering, The Citadel  
 M.E., Electrical Engineering, University of South Carolina

**Warner, Keith**

Coordinator, Transfer Chemistry  
 B.A., Chemistry, Texas A&M University  
 Ph.D., Chemistry, Colorado State University

**Weatherford, Kathleen**

Associate Dean, Humanities and Social Sciences,  
 Palmer Campus  
 B.S., Psychology, University of Houston  
 M.A., Psychology, Stephen F. Austin State University

**Wespy, Laurann V.**

Instructor, Developmental Reading  
 B.S., Elementary Education, East Tennessee State University  
 M.Ed., Curriculum and Instruction, The Citadel

**West, Donald**

Coordinator, History and Political Science  
 B.A., Social Studies Education, University of Maryland Eastern Shore  
 M.A., History, University of Cincinnati

**West, Jane**

Instructor, Mathematics  
 B.S., Mathematics Education, University of Minnesota  
 M.S., Mathematical Sciences, East Tennessee State University  
 Ph.D., Mathematics, Auburn University

**West, Roger**

Coordinator, English  
 B.A., English, University of South Carolina  
 M.A., English, University of South Carolina  
 Ph.D., English, University of Southern Mississippi

**Westbrock, Lee A.**

Instructor, Information Systems  
 A.Bus., Computer Programming, Trident Technical College  
 B.S., Education, University of Wisconsin  
 M.A., Computer and Information Resource Management, Webster University

**Whipple, Bruce C.**

Coordinator, Machine Tool Technology  
 B.S., Occupational Education, Southern Illinois University

**White, Deborah L.**

Coordinator, Medical Assisting  
 A.S., Medical Assisting Technology, Eastern Kentucky University  
 B.H.S., Health Sciences, Medical University of South Carolina  
 M.H.E., Health Professional Education, Medical University of South Carolina  
 Certified Medical Assistant (AAMA)

**White, Elizabeth E.**

Department Head, Mathematics  
B.A., Mathematics, Coker College  
M.M., Mathematics, University of South Carolina

**Whitehurst, Maureen M.**

Instructor, Biological Sciences  
B.S., Biology, Chestnut Hill College  
M.S., Biology, George Mason University  
M.P.H., Infectious Disease Epidemiology, Yale University  
Ph.D., Microbiology and Immunology, Medical University of South Carolina

**Whitten, Gary L.**

Instructor, Information Systems  
B.S., Education Training and Human Resources Development, Southern Illinois University, Carbondale  
M.A., Computer Resources and Information Management, Webster University

**Williams, Susan Millar**

Instructor, English  
B.A., English, Hendrix College  
M.A., English, University of Arkansas  
Ph.D., English, Louisiana State University

**Willis, Sharon V.**

Instructor, Theater and Speech  
B.A., English, University of South Florida  
M.A., English, University of South Carolina  
D.L., Theatre and Church, Drew University

**Wilson, John C.**

Department Head, Radio, Television and Film Production  
B.A., Psychology, University of South Carolina  
M.Ed., Instructional Media, University of South Carolina

**Wolfe, Kevin D.**

Instructor, History  
B.S., Chemistry, Wofford College  
M.A., History, University of Charleston  
Ph.D., Educational Administration, University of South Carolina

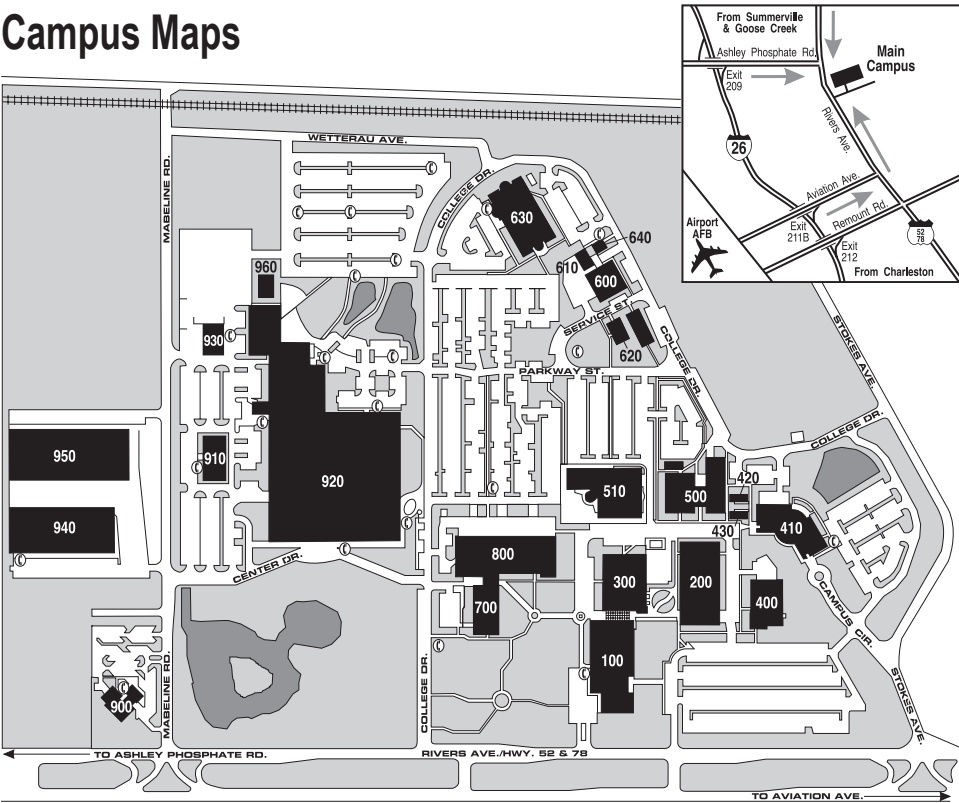

**Wrighten, William M.**

Director, Mentoring  
B.A., Political Science, South Carolina State University  
M.A.T., History, The Citadel

**Zerda, Gisela Pepe**

Instructor, Developmental Reading  
A.A., Trident Technical College  
B.A., Communication Studies, College of Charleston  
M.Ed., Reading Education, The Citadel

# Campus Maps

## Main Campus

7000 Rivers Ave. • North Charleston

### Emergency Phone

Students may park in any lot except those designated as faculty/staff parking. Parking is prohibited at entrances and along perimeter roads and thoroughfares.

Bldg. #	Bldg. Name
100	<b>General Education Building</b> Information Center/ Public Safety/Humanities and Social Sciences/ Recruiting
200	<b>Business Technology Building</b> Business Technology/Computer Lab

400	<b>Robotics Welding Building</b> Industrial Technology
410	<b>Student Center</b> Admissions/Registrar's Office/ Financial Aid/Bookstore/Lounge/Counseling/Student Activities/Testing/Food Court/Business Office
420	<b>Orientation Center</b>
430	<b>Career and Employment Services/Student Support Services Building</b>

500	<b>Communications Technology Building</b> Film, Media and Visual Arts/Administrative Office Technology/ Printing Services/Broadcasting
510	<b>Learning Resources Center</b> Library/English Department
600	<b>Facilities Management/Deliveries Building</b> Maintenance
620	<b>Horticulture Building</b>
630	<b>Health Sciences Building</b> Allied Health/Nursing
640	<b>Annex Building</b> General Classrooms
700/800	<b>Industrial and Engineering Technology Building</b> Engineering Technology/ Industrial Technology/Machine Tool Technology Lab/Process Control/ Flexible Manufacturing Lab
900	<b>Administration Building</b> President's Office/Human Resources/Employee Relations/Advancement/ Marketing Services
910	<b>Complex for Economic Development/Continuing Education Center</b> Continuing Education Registration/Classrooms
920	<b>Complex for Economic Development</b> College Center/Culinary Institute of Charleston/Information Technology Center/The Learning Center/Industrial Maintenance Technology Center
930	<b>Basic Construction Trades</b>
940	<b>North Rivers Commerce Center</b> Community, Family and Child Studies/Classrooms/Procurement
950	<i>Under construction</i>
960	<b>Basic Construction Trades Training Lab</b>

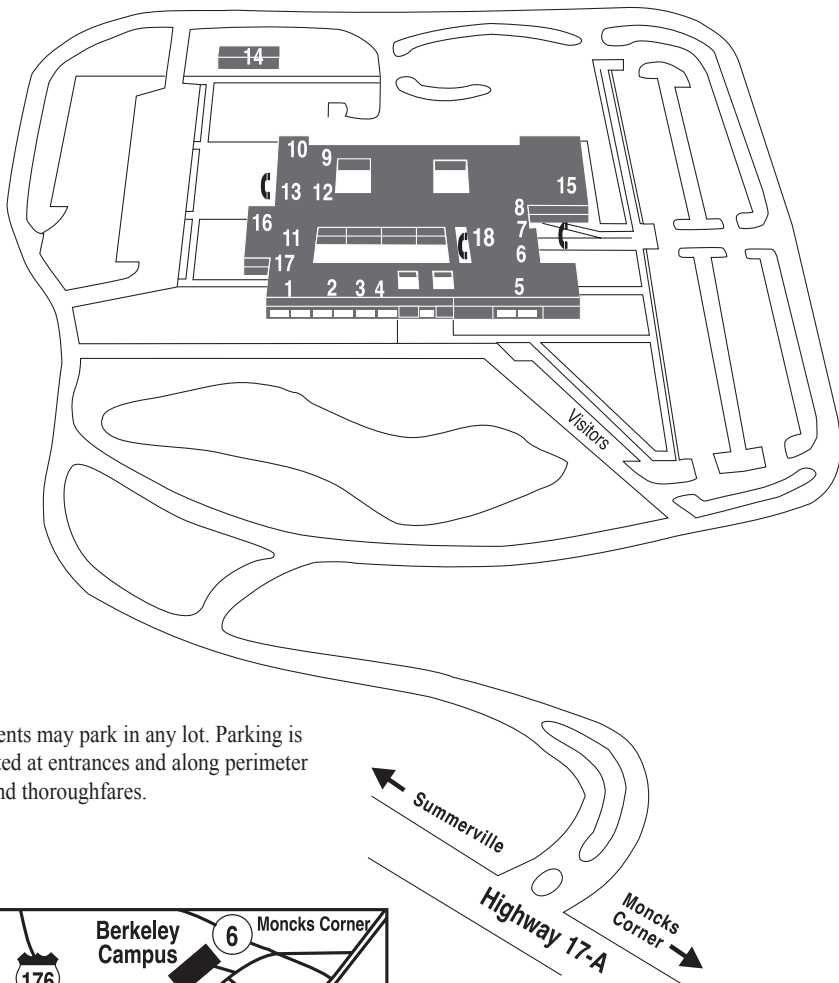

## Palmer Campus

66 Columbus St.

Downtown Charleston

☎ Emergency Phone

1. Learning Resources Center (Library), Room 229 (Second Floor)
2. Admissions Suite, Room 121; Financial Aid, Room 124
3. Student Lounge, Room 105
4. Humanities and Social Sciences/Science and Mathematics, Room 102
5. Educational Opportunity Center, Room 112-114
6. Student Success Center/Orientation Center/Learning Assistance, Room 226 (Second Floor)
7. Law-Related Studies, Room 156
8. Computer Center, Room 246, 247, 250, 252 (Second Floor)
9. Public Safety, Room 145
10. Bookstore/Business Office, Room 141
11. Auditorium, Room 182
12. Palmer Cafe, Room 181
13. Esthetics Lab, Room 158
14. Massage Therapy Lab, Room 234, 236 (Second Floor)
15. Biological Sciences Lab, Room 160

Students may park in any lot. Parking is prohibited at entrances and along perimeter roads and thoroughfares.

## Berkeley Campus

Highway 17-A

Moncks Corner

☎ Emergency Phone

1. Student Success Center/Orientation Center, Room 178
2. Bookstore, Room 179
3. Admissions/Records, Room 180
4. Director's Office/Business Office, Room 181
5. Learning Resources Center (Library), Room 177
6. Student Lounge/Snack Shop, Room 176
7. Berkeley Conference Center, Room 175
8. Public Safety Offices, Room 174
9. Aircraft Maintenance Lab, Rooms 168 and 169
10. Cosmetology Lab, Room 170
11. Computer Lab, Room 146A
12. Nail Lab, Room 158
13. Esthetics Lab, Room 151
14. Veterinary Technology Building
15. Aircraft Maintenance Classroom, Rooms 164E and F
16. Computer Lab, Room 144
17. Developmental Studies Lab, Room 141
18. Biological Sciences Lab, Room 171A

# INDEX

## A

A+/Network+ Technician Certificate .....	B-62
Academic Advising .....	A-18
Accounting Course Descriptions .....	C-1
Accounting Degree .....	B-51
Accreditations and Approvals .....	A-2
ACF Recertification .....	B-87
Additions/Substance Abuse Certificate .....	B-76
Administrative Office Systems Course Descriptions .....	C-8
Administrative Office Technology Degree .....	B-52
Admission, Categories .....	A-15
Admission Requirements, Program .....	A-14
Adult Students Returning to School .....	A-34
Advanced Baking and Pastry Certificate .....	B-85
Advanced Computer Animation Certificate .....	B-106
Advanced Culinary Arts Certificate .....	B-85
Advanced Film Production Certificate .....	B-107
Advanced Standing .....	A-18
Aeronautical Studies Division .....	B-7
Air Conditioning/Refrigeration Advanced Certificate .....	B-134
Air Conditioning/Refrigeration Beginning Certificate .....	B-134
Air Conditioning/Refrigeration Mechanics Career Path .....	B-118
Air Conditioning/Refrigeration Mechanics Certificate .....	B-134
Air Conditioning and Refrigeration Course Descriptions .....	C-5
Aircraft Assembly Technology Certificate .....	B-8
Aircraft Assembly Technology Course Descriptions .....	C-7
Aircraft Maintenance Airframe Certificate .....	B-8
Aircraft Maintenance General Certificate .....	B-9
Aircraft Maintenance Powerplant Certificate .....	B-9
Aircraft Maintenance Technology Course Descriptions .....	C-3
Aircraft Maintenance Technology Degree .....	B-7
Alcohol and Drugs .....	A-47
Allied Health Preparation Certificate .....	B-43
Allied Health Sciences Course Descriptions .....	C-6
Allied Health Sciences Division .....	B-11
Alumni Association .....	A-34
Animation Career Path .....	B-101
Anthropology Course Descriptions .....	C-8
Architectural Design Graphics I Certificate .....	B-94
Architectural Design Graphics II Certificate .....	B-94

Architertural Engineering Technology Course Descriptions .....	C-5
Area Commission, Administrative Staff and Faculty .....	D-1
Art Course Descriptions .....	C-9
Art Foundations Certificate .....	B-107
Associate Degree Competencies/Core Curriculum .....	B-3
Associate Degree Programs .....	B-1
Associate in Arts .....	B-113
Associate in Science Degree .....	B-183
Astronomy Course Descriptions .....	C-12
Automatic Transmission Repair Specialist Certificate .....	B-135
Automotive Brakes and Alignment Specialist Certificate .....	B-135
Automotive Engine Performance Specialist Certificate .....	B-136
Automotive Engine Repair Specialist Certificate .....	B-136
Automotive Servicing Certificate .....	B-136
Automotive Technology Career Path .....	B-120
Automotive Technology Course Descriptions .....	C-12

## B

Baking and Pastry Certificate .....	B-84
Banking and Finance Course Descriptions .....	C-14
Bank Teller Certificate .....	B-62
Basic Construction Trades Career Path .....	B-123
Basic Construction Trades Certificate .....	B-137
Basic Electronic Journeyman I Certificate .....	B-94
Basic Industrial Work Skills Certificate .....	B-137
Bicycles .....	A-46
Biology Course Descriptions .....	C-15
Bookkeeping Certificate .....	B-62
Building Construction Technology Course Descriptions .....	C-14
Business Course Descriptions .....	C-16
Business Information Systems Career Path .....	B-57
Business Information Systems Certificate .....	B-63
Business Technology Division .....	B-51

## C

Certificates .....	B-1
Challenge Courses .....	A-17
Chemistry Course Descriptions .....	C-18
Child Care Management Certificate .....	B-77
Cisco Certified Network Associate Certificate .....	B-63
Cisco Certified Network Professional Certificate .....	B-64
Civil Engineering Technology Course Descriptions .....	C-17

Civil Engineering Technology Degree .....	B-89
College Admission Procedures .....	A-14
College Calendar .....	A-8
College Information .....	A-11
College Orientation Course Descriptions .....	C-19
College Services and Resources .....	A-34
Commercial Course Descriptions .....	C-9
Commercial Graphics Course Descriptions .....	C-18
Community, Family and Child Studies Division .....	B-73
Computer Aided Design I Certificate .....	B-96
Computer Aided Design II Certificate .....	B-96
Computer Animation Certificate .....	B-107
Computer Game Design Certificate .....	B-64
Computer Graphics Certificate .....	B-108
Computer Graphics Course Descriptions .....	C-9
Computer Integrated Manufacturing Course Descriptions .....	C-19
Computer Network Technician Certificate .....	B-64
Computer Numerical Control Operations Certificate .....	B-138
Computer Programming Career Path .....	B-53
Computer Technology Course Descriptions .....	C-22
Confidentiality of Student Records .....	A-41
Construction Management Certificate .....	B-96
Continuing Education and Economic Development .....	A-35
Cooperative Education .....	A-37
Cooperative Work Experience .....	C-26
Core Curriculum Requirements .....	B-3
Corporate Quality Career Path .....	B-58
Corporate Quality Certificate .....	B-65
Cosmetology Certificate .....	B-139
Cosmetology Course Descriptions .....	C-20
Cosmetology Diploma .....	B-133
Crime Scene Investigation Certificate .....	B-156
Criminal Justice: Corrections Certificate .....	B-155
Criminal Justice: Law Enforcement Certificate .....	B-156
Criminal Justice Course Descriptions .....	C-24
Criminal Justice Degree .....	B-153
Cross Registration .....	A-15
Culinary Arts Certificate .....	B-85
Culinary Arts Technology Degree .....	B-83
Culinary Institute of Charleston Division .....	B-83
Customer Service Career Path .....	B-54
Customer Service Certificate .....	B-65

## D

DANTES DSSTs .....	A-19
Database Certificate .....	B-65
Dental Hygiene Course Descriptions .....	C-27
Dental Hygiene Degree .....	B-12

Developmental Disabilities Certificate .....	B-77
Digital Media Career Path .....	B-102
Diploma Programs .....	B-1
Distance Learning Courses .....	A-38

## E

e-Commerce Career Path .....	B-54
e-Commerce Certificate .....	B-66
Early Care and Education Degree .....	B-74
Early Childhood Development Certificate .....	B-78
Early Childhood Development Course Descriptions .....	C-28
Early Childhood Development Diploma .....	B-75
Early Childhood Special Education Certificate .....	B-78
Economics Course Descriptions .....	C-32
Elective Listing .....	C-85
Electrical and Computer Engineering Course Descriptions .....	C-31
Electrician: Automated Controls Certificate .....	B-139
Electrician: Automation and Industrial Career Path .....	B-124
Electrician: Construction and Industrial Career Path .....	B-125
Electrician: Construction Certificate .....	B-140
Electrician: Industrial Certificate .....	B-140
Electronics Engineering Technology Course Descriptions .....	C-33
Electronics Engineering Technology Degree .....	B-91
Emergency Medical Technology Advanced Placement Option .....	B-14
Emergency Medical Technology Course Descriptions .....	C-36
Emergency Medical Technology Degree .....	B-15
Emergency Numbers .....	A-50
Emergency Telephones .....	A-46
Engineering Design Graphics Career Path .....	B-126
Engineering Design Graphics Certificate .....	B-97
Engineering Graphics Technology Course Descriptions .....	C-35
Engineering Technology Course Descriptions .....	C-33
Engineering Technology Division .....	B-89
English as a Second Language (ESL) .....	B-161
English as a Second Language Course Descriptions .....	C-40
English Course Descriptions .....	C-38
English Fluency Requirements for Faculty Employment .....	A-40
Environmental Technology Career Path .....	B-186
Environmental Technology Certificate .....	B-186
Environmental Technology Course Descriptions .....	C-41

Esthetics Certificate .....	B-141
Event Management Certificate .....	B-86
Expanded Duty Dental Assisting Career Path .....	B-16
Expanded Duty Dental Assisting Course Descriptions .....	C-26
Expanded Duty Dental Assisting Diploma .....	B-33

## F

Family Intervention Studies Certificate .....	B-79
Federal Work-Study Program .....	A-26
Fees .....	A-21
Film, Media and Visual Arts Division .....	B-101
Film Course Descriptions .....	C-42
Filmmaking Certificate .....	B-108
Film Production Career Path .....	B-104
Film Production Certificate .....	B-108
Financial Aid .....	A-24
Fire Drills .....	A-46
Fire Service Career .....	B-58
First Aid .....	A-47
Food Service Specialist Certificate .....	B-86
French Course Descriptions .....	C-43

## G

Geography Course Descriptions .....	C-44
Geomatics Technology Course Descriptions ...	C-44
German Course Descriptions .....	C-44
Gerontology Certificate .....	B-79
Golf Course Maintenance Certificate .....	B-142
Grading System .....	A-20
Graphic Design Career Path .....	B-103

## H

Health Information Course Descriptions .....	C-44
High School Smart Start Program .....	A-15
History Course Descriptions .....	C-45
Horticulture Course Descriptions .....	C-50
Horticulture Technology Degree .....	B-130
Hospitality, Tourism and Culinary Arts Course Descriptions .....	C-46
Hospitality and Tourism Management Degree .....	B-84
Hospitality Industry Service Certificate .....	B-87
Hotel Operations Certificate .....	B-87
Humanities and Social Sciences Division .....	B-113
Humanities Course Descriptions .....	C-52
Human Resources Career Path .....	B-59
Human Services Course Descriptions .....	C-52
Human Services Degree .....	B-75
Human Services Generalist Certificate .....	B-80

## I

Illustration Certificate .....	B-109
Industrial Electricity/Electronics Course Descriptions .....	C-32
Industrial Maintenance Certificate .....	B-142
Industrial Maintenance Mechanics Career Path .....	B-128
Industrial Mechanic Certificate .....	B-142
Industrial Mechanic Course Descriptions .....	C-54
Industrial Technology Division .....	B-117
Infant and Toddler Development Certificate .....	B-80
Information Processing Certificate .....	B-66
Information Systems Specialist Career Path .....	B-53
Information Systems Technology Course Descriptions .....	C-54
Interdisciplinary Studies Course Descriptions .....	C-53
International Business Career Path .....	B-55
International Business Certificate .....	B-66
Internet Programming Certificate .....	B-67

## J

Journalism Course Descriptions .....	C-57
--------------------------------------	------

## L

Land Development Technology Certificate .....	B-98
Landscape Design Certificate .....	B-143
Landscape Management Certificate .....	B-143
Law-Related Studies Division .....	B-153
Leadership Development Career Path .....	B-59
Leadership Development Certificate .....	B-67
Learning Assistance .....	A-38, B-161
Learning Center, The .....	B-159
Learning Resources (Libraries) .....	A-38
Legal Assistant Course Descriptions .....	C-57
Literature Course Descriptions .....	C-58
Location .....	A-11
Lost and Found .....	A-47
Lottery-Funded Tuition Assistance .....	A-27

## M

Machine Tool Technology Automated Manufacturing Career Path .....	B-133
Machine Tool Technology Certificate .....	B-143
Machine Tool Technology Course Descriptions .....	C-64
Machine Tool Technology Degree .....	B-131
Management Course Descriptions .....	C-61
Maps .....	D-20
Marketing Career Path .....	B-56
Marketing Course Descriptions .....	C-62
Massage Therapy Certificate .....	B-43

Massage Therapy Course Descriptions .....	C-64
Materials Management Technology Course	
Descriptions .....	C-64
Mathematics Course Descriptions .....	C-58
Mechanical Engineering Technology Course	
Descriptions .....	C-61
Mechanical Engineering Technology	
Degree .....	B-92
Medical Assisting Clinical Manager	
Career Path .....	B-17
Medical Assisting Course Descriptions .....	C-61
Medical Assisting Diploma .....	B-37
Medical Laboratory Technology Course	
Descriptions .....	C-63
Medical Laboratory Technology Degree .....	B-19
Medical Office Specialist Certificate .....	B-68
Medical Record Coder Certificate .....	B-46
Medical Transcriptionist Certificate .....	B-68
Microcomputer Business Applications	
Certificate .....	B-68
Microcomputer Expert User Certificate .....	B-69
Microcomputer Programming Certificate .....	B-69
Microsoft Network Operations Certificate .....	B-69
Mission of Trident Technical College .....	A-11
Multimedia Design Certificate .....	B-109
Music Course Descriptions .....	C-65

## N

Nail Technology Certificate .....	B-144
Network Security Certificate .....	B-70
New Student Orientation .....	A-18
Non-Linear Film Editing Certificate .....	B-109
Nondegree Students .....	A-15
Nursing (ADN) Degree .....	B-166
Nursing (ADN) Degree Accelerated	
Option .....	B-169
Nursing (CNA to ADN Option) .....	B-170
Nursing (CNA to PN Option) .....	B-177
Nursing (LPN to ADN Option) .....	B-172
Nursing (Practical Nursing) Diploma .....	B-175
Nursing Assistant Certificate .....	B-180
Nursing Course Descriptions .....	C-65
Nursing Division .....	B-163

## O

Occupational Therapy Assistant Course	
Descriptions .....	C-68
Occupational Therapy Assistant Degree .....	B-21
Ophthalmic Clinical Assistant Diploma .....	B-39
Ophthalmic Course Descriptions .....	C-67

## P

Paralegal Certificate .....	B-156
Paralegal Degree .....	B-154
Pharmacy Technician Career Path .....	B-18
Pharmacy Technician Course Descriptions .....	C-69
Pharmacy Technician Diploma .....	B-41
Philosophy Course Descriptions .....	C-69
Phlebotomy Certificate .....	B-48
Photography Career Path .....	B-103
Photography Certificate .....	B-110
Physical Therapist Assistant Degree .....	B-23
Physical Therapy Assistant Course	
Descriptions .....	C-71
Physics Course Descriptions .....	C-69
Placement Testing .....	A-16
Political Science Course Descriptions .....	C-70
Pre-Nursing Certificate .....	B-181
Professional Accountancy Certificate .....	B-70
Psychology Course Descriptions .....	C-70
Public Safety Services .....	A-46

## Q

Quality Course Descriptions .....	C-72
-----------------------------------	------

## R

Radio and Television Broadcasting Degree .....	B-105
Radio and Television Course Descriptions .....	C-76
Radiologic Technology Course Descriptions .....	C-72
Radiologic Technology Degree .....	B-25
Radio Production Certificate .....	B-110
Reading Course Descriptions .....	C-74
Refresher Class .....	A-17
Refund Policy .....	A-21
Registration .....	A-18
Residency .....	A-16
Residency .....	A-21
Respiratory Care Course Descriptions .....	C-74
Respiratory Care Degree .....	B-27
Returning Students .....	A-15

## S

Schedule of Classes .....	A-18
Scholarships .....	A-26
School-Age and Youth Development	
Certificate .....	B-81
School-Age Child Care Course Descriptions .....	C-78
Science and Mathematics Division .....	B-183
Science Course Descriptions .....	C-79
Sexual Harassment Procedure .....	A-50
Small Business/Entrepreneurship Career Path .....	B-56
Small Business/Entrepreneurship Certificate .....	B-71
Smoking .....	A-47

Social Science Course Descriptions .....	C-79
Sociology Course Descriptions .....	C-79
Spanish Course Descriptions .....	C-79
Speech Course Descriptions .....	C-80
Student Insurance .....	A-21
Student Loans .....	A-26
Student Responsibilities .....	A-13
Surveying Certificate .....	B-98

Welding Shielded Metal Arc Certificate .....	B-149
Woodworking Certificate .....	B-151

## T

Telecommunications Systems Management	
Degree .....	B-61
Theater Course Descriptions .....	C-80
The Learning Center .....	A-37
The Pell Grant Program .....	A-25
Transfer: State Policies and Procedures .....	A-42
Transfer Students .....	A-15
Transfer to The Citadel – Civil Engineering ....	B-95
Transfer to The Citadel – Electrical	
Engineering .....	B-97
Transfer to USC – Chemical Engineering .....	B-95
Transfer to USC – Civil/Mechanical	
Engineering .....	B-95
Transfer to USC – Electrical Engineering .....	B-97
Transportation and Logistics Career Path .....	B-60
Transportation and Logistics Certificate .....	B-71
Transportation and Logistics Course	
Descriptions .....	C-80

## U

University Transfer Programs .....	B-4
UNIX Systems Operations Certificate .....	B-71

## V

Veterans .....	A-30
Veterinary Technology Course Descriptions ....	C-81
Veterinary Technology Degree .....	B-29

## W

Web Site Design Certificate .....	B-110
Welding Career Path .....	B-129
Welding Course Descriptions .....	C-82
Welding Gas Metal Arc and Flux Cored Arc	
Advanced Certificate .....	B-146
Welding Gas Metal Arc and Flux Cored Arc	
Certificate .....	B-145
Welding Gas Tungsten Arc Advanced	
Certificate .....	B-148
Welding Gas Tungsten Arc Certificate .....	B-147
Welding Shielded Metal Arc Advanced	
Certificate .....	B-150
